Table of Contents**APPOINTMENT AND REMUNERATION OF AUDITORS**

The firm of Ernst & Young LLP, Chartered Accountants, the present auditors of the Corporation, has been nominated to serve as auditors of the Corporation to hold office until the next annual general meeting of shareholders of the Corporation. **The Audit Committee has recommended to the Board and to shareholders the nomination of Ernst & Young LLP as the Corporation's auditors.**

Audit Fees

The aggregate amounts paid or accrued by the Corporation with respect to fees payable to Ernst & Young LLP for audit (including separate audits of subsidiary entities, financings, regulatory reporting requirements, and *Sarbanes Oxley Act* related services), audit-related, tax and other services in the fiscal years ended August 31, 2005 and 2004 were as follows:

Type of Service	Fiscal 2005	Fiscal 2004
Audit	\$ 2,056,213	\$ 1,166,891
Audit-related	186,150	131,400
Tax	232,859	523,571
Other		
Total	\$ 2,475,222	\$ 1,821,862

Fees paid for audit-related services in fiscal 2005 and 2004 were in respect of the separate audit of a subsidiary that was not required by law. The tax fees paid in fiscal 2005 and 2004 were related to tax compliance and tax consultation on scientific research, exploration and development tax credits, commodity taxes and linear property taxes.

The Audit Committee of the Corporation considered and agreed that the above fees are compatible with maintaining the independence of the Corporation's auditors. Further, the Audit Committee determined that, in order to ensure the continued independence of the auditors, only limited non-audit related services will be provided to the Corporation by Ernst & Young LLP and in such case, only with the prior approval of the Audit Committee. The Chair of the Audit Committee has been delegated authority to approve the retainer of Ernst & Young LLP to provide non-audit services in extraordinary circumstances where it is not feasible or practical to convene a meeting of the Audit Committee, subject to an aggregate limit of \$100,000 in fees payable to Ernst & Young LLP for such services per fiscal year of the Corporation. The Chair of the Audit Committee is required to report any such services approved by him to the Audit Committee.

The cost of the solicitation will be borne by the Corporation.

APPOINTMENT OF PROXYHOLDERS AND REVOCATION OF PROXIES

Each person named in the enclosed form of proxy is a director and officer of the Corporation. **A shareholder who wishes to appoint some other person to represent him or her at the Meeting may do so either by inserting the name of that person, who need not be a shareholder, in the space provided in the form of proxy and striking out the names of the specified persons, or by completing another form of proxy.** In either case, the shareholder must deliver or send the completed form of proxy to CIBC Mellon Trust Company, 600 The Dome Tower, 333 7th Avenue S.W., Calgary, Alberta, T2P 2Z1 (mailing address: P.O. Box 2517, Calgary, Alberta, T2P 4P4), so that it will be received not later than 48 hours (excluding Saturdays, Sundays and holidays) before the time fixed for the Meeting or an adjournment thereof, but prior to the use of the proxy at the Meeting or an adjournment thereof.

A shareholder who has given a proxy may revoke it, in any manner permitted by law, including by signing a proxy bearing a later date or a notice of revocation and, in either case, delivering it to the Corporation's registered office up to the day before the Meeting or to the Chair of the Meeting on the day of the Meeting.

EXERCISE OF DISCRETION BY PROXYHOLDERS

Where a choice is specified, the persons named in the enclosed form of proxy will vote the shares in respect of which they are appointed in accordance with the directions contained therein. In the absence of such directions, it is intended that such shares will be voted for the adoption of all resolutions referred to in the Notice of Meeting.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. At the date of this proxy circular, management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice of Meeting. If any such amendment, variation or other matter which is not now known should properly come before the Meeting, then the persons named in the form of proxy will vote on such matters in accordance with their best judgement with respect to the shares represented by such proxy.

VOTING OF CLASS A SHARES – ADVICE TO BENEFICIAL HOLDERS

The information set forth in this section is of significant importance to shareholders who hold class A participating shares (Class A Shares) in the capital of the Corporation through brokers and their nominees and not in their own name. Shareholders who do not hold their Class A Shares in their own name (referred to in this proxy circular as Beneficial Shareholders) should note that only proxies deposited by shareholders whose names appear on the records of the Corporation as the registered holders of the Class A Shares can be recognized and acted upon at the Meeting. If Class A Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those shares will not be registered under the name of the shareholder on the records of the Corporation. Such shares will more likely be registered under the name of the shareholder's broker or an agent of that broker. Shares held by brokers or their nominees can only be voted for, or withheld from voting, or voted against any resolution upon the instructions of the Beneficial Shareholder. Without specific instructions, brokers and nominees are prohibited from voting shares for their clients.

Applicable regulatory policy requires intermediaries and brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary and broker has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their Class A Shares are voted at the Meeting. Often, the form of proxy supplied to a Beneficial Shareholder by its broker is identical to the form of the proxy provided to registered shareholders; however, its purpose is limited to instructing the registered shareholder how to vote on behalf of the Beneficial Shareholder. **A Beneficial Shareholder**

Table of Contents

receiving a proxy from an intermediary cannot use that proxy to vote shares directly at the Meeting; rather the proxy must be returned to the intermediary well in advance of the Meeting in order to have the shares voted.
VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

Only the holders of Class A Shares of record at the close of business on December 8, 2005, the record date fixed by the directors of the Corporation, will be entitled to vote on all matters at the Meeting. Each holder of Class A Shares is entitled to one vote for each such share held. As at November 30, 2005, there were 11,342,932 Class A Shares and 207,276,005 Class B non-voting participating shares (Class B Non-Voting Shares) in the capital of the Corporation outstanding.

The only person who, to the knowledge of the directors and executive officers of the Corporation, beneficially owns, directly or indirectly, or exercises control or direction over, more than 10% of the Class A Shares is JR Shaw who beneficially owns, controls or directs 8,889,504 Class A Shares, representing approximately 78.4% of the issued and outstanding Class A Shares. JR Shaw, members of his family and corporations owned or controlled by them have entered into a Voting Trust Agreement relating to all Class A Shares they own, control or direct. The voting rights with respect to such shares are exercised by the representative of a committee of five trustees. The Corporation has been advised that the representative of the trustees will vote for the adoption of all the resolutions referred to in the Notice of the Meeting.

RESTRICTED SHARES

Holders of Class B Non-Voting Shares are not entitled to vote at meetings of shareholders of the Corporation except as provided by law and will not be entitled to vote on any matter at the Meeting. In certain circumstances, if a take-over bid is made for the Class A Shares, a holder of Class B Non-Voting Shares may, at his or her option, convert any or all Class B Non-Voting Shares then held by such holder into Class A Shares on the basis of one Class A Share for each Class B Non-Voting Share so converted during a specified period of time. Under the Corporation's articles, the Corporation is required to give notice of the occurrence of an event entitling the holders of Class B Non-Voting Shares to exercise such conversion right not later than 14 days prior to the expiry of the period relating to such event.

PENSION PLANS

The Corporation maintains both a defined contribution pension plan and a defined benefit plan, as described below.

Defined Contribution Plan

The Corporation provides all eligible employees with a defined contribution pension plan (also known as a money purchase plan). Under this plan, the Corporation makes annual contributions up to a maximum of 5% of each employee's annual salary to a maximum contribution of \$15,500. Funds are accumulated under the employee's name and used on retirement to purchase one of several types of annuity at the option of the employee. Contributions on

Table of Contents

behalf of the Named Executive Officers are included in **All Other Compensation** in the Summary Compensation Table under the heading **Statement of Executive Compensation**. As a defined contribution plan, this pension plan of the Corporation is fully funded and is not subject to surpluses or deficiencies.

Defined Benefit Plan (SERP)

Effective September 1, 2002, the Corporation established a Supplemental Executive Retirement Plan (**SERP**) for its most senior executive officers. The SERP is a non-contributory defined benefit pension plan which is unfunded.

Pension payments under the SERP are set forth in the following table. Benefits under the SERP are based on the officer's length of service and his or her highest three year average rate of SERP eligible earnings (base salary plus annual cash bonus) during his or her years of service with the Corporation. The SERP provides for payments equal to 5% of SERP eligible earnings for each of the first ten years that an executive officer is in a SERP eligible position and 1.5% for each SERP eligible year thereafter. The maximum annual pension that an officer may earn under the SERP is 70% of average SERP pensionable earnings.

An executive officer of the Corporation must be in a SERP-eligible position for 5 years to qualify to receive a pension. Officers who retire at age 60 or later will receive a full pension as will those officers who retire after age 55 with 10 years of SERP-eligible service. Officers between the ages 55 and 60 with less than 10 years of SERP-eligible service and officers between the ages 50 and 55 with 15 years of SERP-eligible service are eligible to retire with a discounted pension.

Annual pension payments are stated as if the Named Executive Officer retired as of August 31, 2005 and assume that the pension had fully vested.

Notes:

(a) JR Shaw has voluntarily elected to cap his average SERP pensionable earnings at this amount. Such election is rescindable at the option of JR Shaw.

(b) Bradley S. Shaw and Steve Wilson became participants in the SERP effective January 1, 2005.

Table of Contents

The Corporation's obligations and related costs of the SERP benefits earned by executive officers is actuarially determined using the projected benefit method, pro-rated on service, and management's best estimate of salary escalation and retirement ages of officers. The pension expense with respect to the SERP for the fiscal year ended August 31, 2005 was approximately \$9.2 million. The expected aggregate benefit payments for the fiscal year ended August 31, 2006, as actuarially determined, is approximately \$1.1 million. The accrued benefit obligation of the SERP at August 31, 2005 was approximately \$100.0 million, of which approximately \$26.2 million has been recognized by the Corporation as a liability in its accounts in accordance with generally accepted accounting principles. In the event of a change of control of, or merger involving, the Corporation, the SERP becomes fully vested and fully funded immediately.

Further information with respect to the SERP, and the Corporation's accounting policy with respect thereto, is set forth in Note 1 and Note 17 to the audited annual consolidated financial statements of the Corporation for the year ended August 31, 2005. See Other Information Additional Information .

EMPLOYEE SHARE PURCHASE PLAN

An employee share purchase plan (the ESPP) was introduced in 1998 to provide employees of the Corporation with an incentive to increase the profitability of the Corporation and a means to participate in that increased profitability.

Generally, all non-unionized full time or part time employees of the Corporation and certain of its subsidiaries are eligible to enrol in the ESPP. Executive officers of the Corporation, including the Named Executive Officers, are entitled to participate in the ESPP on the same basis as all other employees of the Corporation.

Under the ESPP, each employee contributes, through payroll deductions, a minimum of \$25.00 per semi-monthly pay period or \$50.00 per monthly pay period to a maximum of 5% of the participant's monthly basic compensation. The Corporation contributes an amount equal to 25% of the participant's contributions for that month. CIBC Mellon Trust Company, as trustee under the ESPP, or its nominee acquires Class B Non-Voting Shares for the benefit of participants through the facilities of the Toronto Stock Exchange (TSX) using monies contributed to the ESPP. A participant may withdraw up to 100% of the shares vested in his or her account up to twice in any 12 month period.

As at August 31, 2005, approximately 33% of eligible employees of the Corporation purchased Class B Non-Voting Shares under the ESPP. As at such date, an aggregate of approximately 438,000 Class B Non-Voting Shares were held under the ESPP.

EMPLOYMENT CONTRACTS

On November 18, 1997, the Corporation entered into an agreement with its Executive Chair, JR Shaw, which provides for, amongst other things, an annual incentive bonus. The agreement recognizes JR Shaw's central role in founding and building the Corporation and ensures that the Corporation retains and utilizes the full benefits of his 39 years of industry experience. As Executive Chair, JR Shaw continues to provide broad stewardship and strategic vision for the Corporation. In addition, his stature as a national corporate leader and his positive long-standing reputation with government, regulatory, investor and banking communities enhances the Corporation's capacity to achieve its strategic and financial goals.

The agreement with JR Shaw provides for an incentive bonus that is paid to him annually, provided the Corporation reaches its financial targets. The agreement also specifies that the amount is to be between 0.5% and 1.0% of the Corporation's service operating income before amortization (as reported in the Corporation's annual consolidated financial statements) calculated excluding the results of Star Choice Communications Inc. (the Income Base) for the year in which it is to be paid. As the Corporation met its financial targets for fiscal 2005, an amount of \$6,326,730 was paid for the year, equal to the amount paid under the agreement for fiscal 2004, 2003 and 2002. This represents approximately 0.75% of the Income Base for fiscal 2005, as compared to 0.78%, 0.83% and 0.98% of the Income Base for fiscal 2004, 2003 and 2002, respectively.

No other Named Executive Officer has an employment contract with the Corporation.

COMPOSITION OF THE COMPENSATION COMMITTEE

The Human Resources and Compensation Committee is comprised of three independent directors, Willard H. Yuill (Chair), Jeffrey C. Royer and JC Sparkman. The Human Resources and Compensation Committee has the responsibility of annually reviewing and recommending to the Board the compensation package for the Executive

Table of Contents

Chair, Chief Executive Officer (CEO), Chief Financial Officer and the other two most highly compensated officers of the Corporation. It also has responsibility for annually reviewing and approving the compensation packages for the other senior officers of the Corporation. In addition, the Human Resources and Compensation Committee reviews and approves changes to the Corporation's compensation policies in respect of matters such as incentive-compensation (bonus) plans, pension plans and employee benefit plans and the structure and granting of stock options or other equity-based plans. Further, the Human Resources and Compensation Committee approves the appointment of senior management recruited from outside the Corporation as well as the promotion of senior management within the Corporation.

REPORT ON EXECUTIVE COMPENSATION

The Human Resources and Compensation Committee of the Corporation has been delegated responsibility of annually setting and approving the overall compensation policy intended to reward executive officers of the Corporation. In doing so, the Human Resources and Compensation Committee reviews and approves, in consultation with outside experts, various components of the Corporation's compensation policies such as pension plans, employee benefit plans and stock options. The Human Resources and Compensation Committee also approves the appointment and compensation of executive officers recruited from outside the Corporation, as well as the promotion of senior management within the Corporation.

Compensation Philosophy

The total compensation of executive officers of the Corporation, including the Named Executive Officers, consists of the following components: base salary, short-term incentive awards and long-term incentive awards. Each executive officer's compensation is balanced between these three components.

a) *Base Salary*

Base salary levels for all executive officers of the Corporation (including the Named Executive Officers) are based upon performance and are commensurate with those of comparable compensation programs in the industry in North America. The base salaries are designed to achieve the following objectives:

Attract and retain executive officers and senior management to achieve ongoing success for the Corporation and further the achievement of its strategic and financial goals;

Provide fair and competitive compensation commensurate with industry standards and with the executive or management officer's expertise and experience; and

Motivate performance and recognize and compensate individual contribution to the Corporation's objectives.

b) *Short Term Incentives*

Short term incentive awards are paid as cash bonuses. For the 2005 fiscal year, bonuses were awarded to approximately 250 key management personnel, as determined by and at the discretion of the Human Resources and Compensation Committee. The bonuses were based upon the Corporation's overall performance for the fiscal year ending August 31, 2005.

The fiscal 2005 bonuses were in keeping with similar bonus plans adopted by the Corporation from time to time that rewarded employees for the success of the Corporation in attaining performance targets. During fiscal 2005, the Corporation achieved its performance targets, including with respect to the launch of Shaw Digital Phone, subscriber growth, improved performance of the Corporation's satellite business and achievement of financial objectives and free cash flow targets.

c) *Long Term Incentives - Stock Option Plan*

Long term incentive awards consist principally of stock options granted under the Corporation's stock option plan. The stock option plan of the Corporation provides that options may be granted to such directors, officers, employees and consultants of the Corporation and for such number of Class B Non-Voting Shares as the Board, or a committee thereof, determines in its discretion, at an exercise price not less than the closing price of the Class B Non-Voting Shares on the TSX on the trading day immediately preceding the date on which the option is granted. Unless otherwise determined by the Board, options are not immediately exercisable, but rather, 25% of the original grant is

exercisable on each of the first, second, third and fourth anniversary dates of the date of grant. Options granted under the stock option plan expire 10 years from the date of grant and, subject to limited exceptions, must be exercised while the

Table of Contents

optionee remains as a director, officer, employee or consultant of the Corporation. Provision is made for early termination of options in the event of death, disability or cessation of employment or service arrangements, as the case may be. Options are not transferable or assignable.

The maximum number of Class B Non-Voting Shares issuable under the Corporation's stock option plan may not exceed 16,000,000 Class B Non-Voting Shares, representing approximately 7.67% of the Class B Non-Voting Shares issued and outstanding as of August 31, 2005. The maximum number of Class B Non-Voting Shares which may be reserved for issuance to insiders of the Corporation and their associates under such plan is limited to 10% of the number of Class B Non-Voting Shares outstanding at the date of grant on a non-diluted basis. The maximum number of Class B Non-Voting Shares which may be issued to any one insider of the Corporation under the stock option plan within a one year period is limited to 5% of the Class B Non-Voting Shares outstanding at the time of the issuance on a non-diluted basis.

Subject to the rules of the TSX, amendments to the Corporation's stock option plan require the approval of the TSX and holders of Class A Shares of the Corporation.

No stock options were granted to Named Executive Officers of the Corporation during fiscal 2005 other than 1,000 stock options granted to Steve Wilson, Chief Financial Officer of the Corporation. No financial assistance was provided by the Corporation to facilitate the purchase of Class B Non-Voting Shares under the stock option plan during fiscal 2005. As at August 31, 2005, an aggregate of 8,452,250 Class B Non-Voting Shares were reserved for issuance on exercise of options granted under the Corporation's stock option plan, representing approximately 4.1% of the Class B Non-Voting Shares issued and outstanding as at such date. See Other Information Securities Authorized for Issuance under Equity Compensation Plans .

Compensation of CEO and Executive Chair

The total compensation package of the CEO of the Corporation is determined in the same manner as that of all other executive officers. The bonus paid to the CEO during the last fiscal year was intended to recognize the CEO in the same fashion through the same bonus plan in which all other executive officers and senior management of the Corporation participated.

With respect to the Executive Chair of the Corporation, the Corporation, upon recommendation of the Human Resources and Compensation Committee, entered into an agreement with the Executive Chair in 1997 to recognize his central role as founder and builder of the Corporation over 39 years and to retain and utilize the ongoing stewardship benefits of his industry stature and experience, national reputation and strategic vision to achieve the Corporation's strategic and financial objectives. The Executive Chair's bonus remains governed by the terms and conditions of such agreement. For fiscal 2005, the Human Resources and Compensation Committee determined that the Executive Chair's bonus should be fixed at the amount paid to him for each of fiscal 2002, 2003 and 2004. The Human Resources and Compensation Committee is to review the bonus granted to the Executive Chair annually. See Statement of Executive Compensation Employment Contracts .

Stock Options

Each director (other than management directors) has been granted options to acquire 10,000 Class B Non-Voting Shares at exercise prices ranging from \$17.37 to \$34.70 pursuant to the terms and conditions of the stock option plan of the Corporation. In accordance with the terms of the stock option plan, 25% of the original option grant is exercisable on each of the first, second, third and fourth anniversary dates of the date of grant. The options expire 10 years from the date of grant. Subject to limited exceptions, options must be exercised while the individual remains as a director of the Corporation. The options are not transferable or assignable. For further information concerning the Corporation's stock option plan, see *Statement of Executive Compensation Report on Executive Compensation* .

During fiscal 2005, no stock options were granted to directors of the Corporation. As of the date hereof, none of the options held by directors of the Corporation have been exercised.

For information concerning the options held by management directors, see *Statement of Executive Compensation Stock Options* .

DDSU Plan

The Corporation has adopted a Directors' Deferred Share Unit Plan (*DDSU Plan*) for directors. Effective January 1, 2004, directors may elect under the DDSU Plan to receive 25%, 50%, 75% or 100% of their annual cash compensation in the form of deferred share units (*DSUs*), provided that any director who has not met the applicable share ownership guideline is required to elect to receive at least 25% of his or her annual compensation in DSUs. The number of DSUs to be credited to a director's account on each payment date is equal to the number of Class B Non-Voting Shares that could have been purchased on the payment date with the amount of compensation allocated to the DDSU Plan. On each dividend payment date for the Class B Non-Voting Shares, an additional number of DSUs is credited to a director's DSU account, equivalent to the number of Class B Non-Voting Shares that could have been acquired on that date by notional dividend reinvestment. DSUs will be paid out in cash when the director ceases to hold office as a director or on a date elected by the director during the year following cessation of directorship. The payout will be calculated by multiplying the number of DSUs by the then current market value of a Class B Non-Voting Share.

Currently, 10 of 14 directors of the Corporation have elected to participate in the DDSU Plan. As of November 30, 2005, such directors held an aggregate of 29,698 DSUs. See *Business of the Meeting Election of Directors* .

Share Ownership Guideline

During the fiscal year ended August 31, 2003, the Corporation established share ownership guidelines for non-management directors. The guideline level of share ownership (including DSUs) is Class A Shares and Class B Non-Voting Shares with an aggregate market value of at least \$250,000, to be held by each non-management director within five years of the later of the effective date of the DDSU Plan and the date on which the director was first elected or appointed to the Board. Currently, each director of the Corporation has until January 1, 2009 to reach the

minimum share ownership guideline.

For information concerning the shares, DSUs and options held by each director, see the table under the heading Business of the Meeting Election of Directors.
