Item 3.

Press Release

A press release was issued in Vancouver, British Columbia on February 13, 2004.

Item 4.

Summary of Material Change

At shareholders' meetings held February 11, 2004, the restructuring of the Issuer's share capital, by which all Class A Multiple Voting Shares and all Class B Subordinate Voting Shares will be merged into one class of common shares all having one vote each, was approved. The effective date of implementation of the restructuring is subject to the completion of all necessary legal and securities filings. At the same time, the shareholders approved removal of all restrictions on the issue and transfer of the Issuer's shares. The shareholders also authorized the change in the jurisdiction of the Issuer from British Columbia to Ontario, but no determination has been made yet to proceed with this change.

Item 5.

Full Description of Material Change

On February 11, 2004, the Issuer's shareholders passed resolutions altering the Issuer's Memorandum and Articles to eliminate the distinctions between the Issuer's Class A Multiple Voting Shares without par value (Class A Shares) and Class B Subordinate Voting Shares without par value (Class B Shares), and naming and designating such shares as common shares without par value (Common Shares). On the same day, the shareholders passed

resolutions altering the Issuer's Articles by eliminating the restrictions therein on the issue and transfer of the Issuer's shares. Such alterations will not become effective until the shareholders' resolutions are filed with the B.C. Registrar of Companies, which is proposed to occur concurrently with the commencement of trading of the Common Shares on the Toronto and American Stock Exchanges in place of the Class A Shares and Class B Shares.

In addition, on February 11, 2004, the Issuer's shareholders approved the continuance of the Issuer from being a corporation governed by the laws of British Columbia to being a corporation governed by the laws of Ontario and, in conjunction with the continuation, approved the substitution of Articles of Continuance for the Issuer's existing Memorandum and the adoption of Bylaw No. 1 in place of the Issuer's existing Articles. The continuation will not become effective until the B.C. Registrar of Companies consents to the Issuer's continuation out of British Columbia and the Articles of Continuance are filed under the Ontario *Business Corporations Act*, the proposed date for which has not yet been determined.
