EXPLANATORY NOTE

On April 15, 2005 we filed with the Securities and Exchange Commission (SEC) our annual report on Form 10-KSB for the annual period ended December 31, 2004. This amendment No. 1 to our annual report on Form 10-KSB/A is being filed to amend the information in Item 11 of Part II regarding the outstanding shares of our Series A Preferred Stock, which was incorrectly reported in our Form 10-KSB, filed on April 15, 2005. Our annual report on Form 10-KSB, as filed on April 15, 2005, erroneously stated that R. Patrick Liska owned 1,000,000 shares of our Series A Preferred stock, when, in fact, the matter of Mr. Liska's stock ownership was in dispute. Mr. Liska does not and has never owned any shares of our Series A Preferred Stock. The error in the information regarding our outstanding shares of the Series A Preferred Stock reported in our Form 10-KSB filed with on April 15, 2005, was unintentional and a result of oversight.

It is important to note that this amended filing does not have a material effect on our financial statements and accompanying notes for the period ended December 31, 2004. Our financial statements correctly reflected that Mr. Liska owned no shares.

Except as described above, no other changes have been made to our annual Report on Form 10-KSB. We have not updated the disclosures in this Form 10-KSB/A to speak as of a later date or to reflect events which occurred at a later date. The filing of this Form 10-KSB/A is not an admission that our annual Report on Form 10-KSB, when made, knowingly included any untrue statement of a material fact or omitted to state a material fact necessary to make the statements made therein not misleading.

SPECIAL NOTE REGARDING FORWARD-LOOKING STATEMENTS

This annual report on Form 10-KSB contains certain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Forward-looking statements are statements other than historical information or statements of current condition. Some forward-looking statements may be identified by use of terms such as "believes," "anticipates," "intends," or "expects." These forward-looking statements relate to our plans, objectives and expectations for future operations and growth. Other forward-looking statements in this Form 10-KSB include statements regarding synergies and growth expected as a result of future acquisitions, expected growth in revenue, expected decreases in operating expenses, our expectation regarding our ability to consummate future acquisitions and the necessity for and expected availability of additional financing.

In light of the risks and uncertainties inherent in all projected operational matters, the inclusion of forward-looking statements in this Form 10-KSB should not be regarded as a representation by us or any other person that any of our objectives or plans will be achieved or that any of our operating expectations will be realized. Our revenues and results of operations are difficult to forecast and could differ materially from

Edgar Filing: Blackhawk Fund - Form 10KSB/A

those projected in the forward-looking statements contained in this Form 10-KSB as a result of certain risks and uncertainties including, but not limited to, our business reliance on third parties to provide us with technology, our ability to integrate and manage acquired technology, assets, companies and personnel, changes in market conditions, the volatile and intensely competitive environment in the telecommunications and Internet industries, entry into new and developing markets, customer concentration and attrition, dependence on effective billing and information systems, rapid technological change, the expansion of our network and our dependence on key and scarce employees in a competitive market for skilled personnel.

These factors should not be considered exhaustive; we undertake no obligation to release publicly the results of any future revisions we may make to forward-looking statements to reflect events or circumstances after the date hereof or to reflect the occurrence of unanticipated events.
