PROXY STATEMENT

The Board of Directors of Primo Water Corporation (“Primo” or the “Company”) is providing these materials to you in connection with Primo’s annual meeting of stockholders. The annual meeting will take place on Thursday, May 16, 2013, at 10:00 a.m. Eastern Time. The annual meeting will be held at our corporate headquarters at 104 Cambridge Plaza Drive, Winston-Salem, North Carolina 27104. On or about April 16, 2013, we will begin mailing our stockholders this Proxy Statement, the accompanying form of proxy and our Annual Report on Form 10-K for the year ended December 31, 2012.

General Information

Why am I receiving these materials?

You have received these proxy materials because our Board of Directors is soliciting your proxy to vote your shares at the annual meeting. The proxy statement includes information that we are required to provide you under SEC rules and is designed to assist you in voting your shares.

What is a proxy?

Our Board of Directors is asking for your proxy. This means you authorize persons selected by us to vote your shares at the annual meeting in the way that you instruct. All shares represented by valid proxies received before the annual meeting will be voted in accordance with the stockholder’s specific voting instructions.

What is included in these materials?

These materials include:

- the Proxy Statement for Primo's annual meeting;
- a proxy card for the annual meeting; and
- our Annual Report on Form 10-K for the year ended December 31, 2012.

What items will be voted on at the annual meeting?

There are two proposals scheduled to be voted on at the annual meeting:

- the election of the one director nominated by our Board of Directors as a Class III director to serve until the 2016 annual meeting of stockholders; and
- the ratification of the Audit Committee’s appointment of McGladrey LLP as our independent registered public accounting firm for 2013.

The Board of Directors is not aware of any other matters to be brought before the meeting. If other matters are properly raised at the meeting, the proxy holders may vote any shares represented by proxy in their discretion.

Table of Contents

What are the board's voting recommendations?

Our Board of Directors recommends that you vote your shares:

- “FOR” the one director nominated by our Board of Directors as a Class III director to serve until the 2016 annual meeting of stockholders; and
- “FOR” the ratification of the Audit Committee's appointment of McGladrey LLP as our independent registered public accounting firm for 2013.

Who can attend the annual meeting?

Admission to the annual meeting is limited to:

- stockholders as of the close of business on March 28, 2013;
- holders of valid proxies for the annual meeting; and
- our invited guests.

Each stockholder may be asked to present valid picture identification such as a driver's license or passport and proof of stock ownership as of the record date.

When is the record date and who is entitled to vote?

The Board of Directors set March 28, 2013 as the record date. All record holders of Primo common stock as of the close of business on that date are entitled to vote. Each share of common stock is entitled to one vote. As of the record date, there were 23,809,710 shares of common stock outstanding.

What is a stockholder of record?

A stockholder of record or registered stockholder is a stockholder whose ownership of Primo stock is reflected directly on the books and records of our transfer agent, Wells Fargo Bank, N.A. If you hold stock through an account with a bank, broker or similar organization, you are considered the beneficial owner of shares held in “street name” and are not a stockholder of record. For shares held in street name, the stockholder of record is your bank, broker or similar organization. We only have access to ownership records for the registered shares. If you are not a stockholder of record, we will require additional documentation to evidence your stock ownership as of the record date, such as a copy of your brokerage account statement, a letter from your broker, bank or other nominee or a copy of your notice or voting instruction card. As described below, if you are not a stockholder of record, you will not be able to vote your shares unless you have a proxy from the stockholder of record authorizing you to vote your shares.

How do I vote?

You may vote by any of the following methods:

Table of Contents

- In person. You may vote in person at the meeting. If you hold shares in street name, you must also obtain a proxy from the stockholder of record authorizing you to vote your shares.
 - By mail. You may vote by signing and returning the proxy card or voting instruction card provided.
- Beneficial owners of shares held in “street name.” You may vote by following the instructions provided by your bank or broker.

How can I change or revoke my vote?

You may change or revoke your vote as follows:

- Stockholders of record. You may change or revoke your vote by submitting a written notice of revocation to Primo Water Corporation c/o Corporate Secretary at 104 Cambridge Plaza Drive, Winston-Salem, North Carolina 27104 or by submitting another vote on or before May 15, 2013. For all methods of voting, the last vote cast will supersede all previous votes.
- Beneficial owners of shares held in “street name.” You may change or revoke your voting instructions by following the specific directions provided to you by your bank or broker.

What happens if I do not give specific voting instructions?

Stockholders of record. If you are a stockholder of record and you sign and return a proxy card without giving specific voting instructions, then the proxy holders will vote your shares in the manner recommended by the Board of Directors on all matters presented in this proxy statement and as the proxy holders may determine in their discretion for any other matters properly presented for a vote at the meeting.

Beneficial owners of shares held in “street name.” If you are a beneficial owner of shares held in street name and do not provide the organization that holds your shares with specific voting instructions, the organization that holds your shares may generally vote on routine matters but cannot vote on non-routine matters. If the organization that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, the organization that holds your shares will inform the inspector of election that it does not have the authority to vote on this matter with respect to your shares. This is referred to as a “broker non-vote.”

Which ballot measures are considered “routine” or “non-routine”?

The election of a director (“Proposal 1”) is considered to be a non-routine matter under applicable rules. A broker or other nominee cannot vote without instructions on non-routine matters, and therefore there may be broker non-votes on Proposal 1.

The ratification of the appointment of McGladrey LLP as our independent registered public accounting firm for 2013 (“Proposal 2”) is considered to be a routine matter under applicable rules. A broker or other nominee may generally vote on routine matters, and we do not expect there to be any broker non-votes with respect to Proposal 2.

Table of Contents

What is the quorum for the annual meeting?

The presence, in person or by proxy, of the holders of a majority of the shares entitled to vote is necessary for the transaction of business at the annual meeting. This is called a quorum.

What is the voting requirement to approve each of the proposals?

The following are the voting requirements for each proposal:

- Proposal 1, Election of Director. The nominee receiving the highest number of votes will be elected as a Class III director to serve until the 2016 annual meeting of stockholders.
- Proposal 2, Ratification of Independent Registered Public Accounting Firm. The ratification of the Audit Committee's appointment of McGladrey LLP as our independent registered public accounting firm for 2013 will be approved if a majority of the votes of stockholders present in person or by proxy with respect to this matter are cast in favor of the proposal.

How are abstentions and broker non-votes treated?

Broker non-votes and abstentions are counted for purposes of determining whether a quorum is present. Broker non-votes and abstentions are not counted as votes cast on any proposal considered at the annual meeting and, therefore, will have no effect on the proposal regarding the election of a director. We expect no broker non-votes on the proposal regarding the ratification of the appointment of McGladrey LLP as our independent registered public accounting firm for 2013, and abstentions will have no effect on this proposal.

Who pays for solicitation of proxies?

We are paying the cost of soliciting proxies. We will reimburse brokerage firms and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for sending proxy materials to stockholders and obtaining their votes. In addition to soliciting the proxies by mail, certain of our directors, officers and regular employees, without compensation, may solicit proxies personally or by telephone, facsimile and email.

Where can I find the voting results of the annual meeting?

Primo will announce preliminary or final voting results at the annual meeting and publish final results in a Form 8-K filed with the SEC within four business days of the completion of the meeting.

Proposal 1 – Election of Directors

Our Board of Directors consists of three classes of directors, each serving staggered three-year terms. Richard A. Brenner is nominated as a Class III director to serve a three-year term until the annual meeting of stockholders in 2016 and until his successor is elected and qualified. Mr. Brenner is a current member of our Board of Directors and has agreed to be named in this proxy statement and serve if elected.

Although we know of no reason why Mr. Brenner would not be able to serve, if he is unavailable for election, the proxies intend to vote your shares for any substitute nominee proposed by the Board of Directors.

The nominee receiving the highest number of affirmative votes will be elected as a director to serve until the 2016 annual meeting of stockholders. Votes withheld by stockholders, broker non-votes and abstentions will have no effect on the outcome of the director election.

The Board of Directors recommends a vote “FOR” the election of Richard A. Brenner to our Board of Directors.

Corporate Governance

The Board of Directors

Primo is governed by a Board of Directors and various committees of the board that meet throughout the year. The Board of Directors and its committees have general oversight responsibility for the affairs of Primo. In exercising its fiduciary duties, the Board of Directors represents and acts on behalf of our stockholders.

Our certificate of incorporation provides that our Board of Directors will consist of between three and 12 members with the precise number to be determined by the Board of Directors. Our Board of Directors currently consists of five directors. Our certificate of incorporation also provides that any vacancies or newly-created directorships may be filled only by the remaining members of our Board of Directors.

Board Committees

Our Board of Directors has established an Audit Committee, a Compensation Committee and a Nominating and Governance Committee. Each committee is currently comprised entirely of non-employee directors. Our Board of Directors may establish other committees from time to time to facilitate our corporate governance.

The current members of the board's committees are identified in the following table:

Director	Audit	Compensation	Nominating and Governance
Richard A. Brenner	Chair		Chair
Jack C. Kilgore	X	X	
Malcolm McQuilkin		X	X
David L. Warnock	X	Chair	X

Table of Contents

Each committee operates under a written charter adopted by the Board of Directors. These charters are available on our corporate website (www.primowater.com) in the “Investor Relations” section under “Corporate Governance.”

Audit Committee. The principal responsibilities and functions of our Audit Committee are to assist the Board of Directors in fulfilling its oversight of (i) the integrity of our financial statements, (ii) the effectiveness of our internal controls over financial reporting, (iii) our compliance with legal and regulatory requirements, (iv) the qualifications and independence of our registered public accounting firm, and (v) the performance of our registered public accounting firm. In carrying out its oversight responsibilities and functions, our Audit Committee, among other things, oversees and interacts with our independent auditors regarding the auditors’ engagement and/or dismissal, duties, compensation, qualifications and performance; reviews and discusses with our independent auditors the scope of audits and our accounting principles, policies and practices; reviews and discusses our audited annual financial statements with our independent auditors and management; and reviews and approves or ratifies (if appropriate) related party transactions. In addition, the Audit Committee oversees management’s efforts in managing our key financial and other risk exposures and developing our enterprise risk management policies and procedures. Our Audit Committee met four times in 2012.

Our Board of Directors has determined that Mr. Brenner is an audit committee financial expert, as defined under the applicable rules of the SEC, and that all members of the Audit Committee are “independent” within the meaning of the applicable Nasdaq listing standards and the independence standards of rule 10A-3 of the Securities Exchange Act of 1934. Each of the members of the Audit Committee meets the requirements for financial literacy under the applicable rules and regulations of the SEC and The Nasdaq Stock Market.

Compensation Committee. The principal functions of our Compensation Committee include (i) reviewing our compensation practices and policies, (ii) reviewing and approving the compensation for our senior executives, (iii) evaluating the performance of our Chief Executive Officer, and (iv) assisting in Primo’s compliance with the regulations of the SEC regarding executive compensation disclosure. Our Board of Directors has determined that all members of the Compensation Committee are “independent” within the meaning of the applicable Nasdaq listing standards. Our Compensation Committee met three times in 2012.

Nominating and Governance Committee. The principal functions of our Nominating and Governance committee are, among other things, to (i) establish membership criteria for our Board of Directors, (ii) establish and communicate to stockholders a method of recommending potential director nominees for the Nominating and Governance Committee’s consideration, (iii) identify individuals qualified to become directors consistent with such criteria and select the director nominees, (iv) plan for continuity on our Board of Directors, (v) recommend action to our Board of Directors upon any vacancies on our Board of Directors, (vi) facilitate the annual evaluation of the performance of our Board of Directors and its committees, (vii) periodically review management succession plans, and (viii) consider and recommend to our Board of Directors other actions relating to our Board of Directors, its members and its committees. Our Board of Directors has determined that all members of the Nominating and Governance Committee are “independent” within the meaning of the applicable Nasdaq listing standards. Our Nominating and Governance Committee met one time in 2012.

Board Leadership Structure

Mr. Prim serves as both the Chairman of the Board of Directors and the Chief Executive Officer of Primo. Primo does not have a lead independent director. The Board of Directors does not have a general policy regarding the separation of the roles of Chairman and Chief Executive Officer. Our bylaws permit these positions to be held by the same person, and the Board of Directors believes that it is in the best interests of Primo to retain flexibility in determining whether to separate or combine the roles of Chairman and Chief Executive Officer based on our circumstances. Similarly, our bylaws do not require our Board of Directors to appoint a lead independent director and it has not otherwise determined to do so.

The board has determined that it is appropriate for Mr. Prim to serve as both Chairman and Chief Executive Officer because combining the roles of Chairman and Chief Executive Officer (1) enhances the alignment between the Board of Directors and management in strategic planning and execution as well as operational matters, (2) avoids the confusion over roles, responsibilities and authority that can result from separating the positions, and (3) streamlines board process in order to conserve time for the consideration of the important matters the Board of Directors needs to address, particularly in light of the small size of our Board of Directors.

Director Meeting Attendance

The Board of Directors held six meetings during 2012. No director attended less than 75 percent of the board and applicable committee meetings during 2012. Each director is encouraged to attend the annual meeting of stockholders in person absent extenuating circumstances. Each of our current directors attended our 2012 annual meeting of stockholders except for Messrs. Brenner, Kilgore and Warnock.

Director Independence

The Board of Directors determines the independence of its members based on the standards specified by The NASDAQ Stock Market, LLC (“Nasdaq”). Under the applicable Nasdaq listing standards, independent directors must comprise a majority of a listed company’s board of directors. In addition, Nasdaq’s rules require that, subject to specific exceptions, each member of a listed company’s audit committee and those members of the board of directors determining executive compensation and director nominations be independent. Audit Committee members also must satisfy the independence criteria set forth in rule 10A-3 under the Securities Exchange Act of 1934. Under the Nasdaq rules, a director will only qualify as an “independent director” if, in the opinion of the company’s board of directors, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

In order to be considered independent for purposes of Rule 10A-3 under the Securities Exchange Act of 1934, a member of an audit committee of a listed company may not, other than in his or her capacity as a member of the audit committee, the board of directors or any other board committee: (1) accept, directly or indirectly, any consulting, advisory or other compensatory fee from the listed company or any of its subsidiaries; or (2) be an affiliated person of the listed company or any of its subsidiaries.

Our Board of Directors has reviewed the relationships between Primo and each director to determine compliance with the Nasdaq listing standards and has determined that none of Messrs. Brenner, McQuilkin, Warnock and Kilgore has a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is “independent” as that term is defined under Nasdaq rules. Our Board of Directors also determined that Messrs. Brenner, Kilgore and Warnock, who comprise our Audit Committee, Messrs. Kilgore, McQuilkin and Warnock, who comprise our Compensation Committee, and Messrs. Brenner, McQuilkin and Warnock, who comprise our Nominating and Governance Committee, satisfy the independence standards for those

committees established by applicable SEC and Nasdaq rules. In making these determinations, our Board of Directors considered the relationships that each non-employee director has with Primo and all other facts and circumstances our Board of Directors deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each non-employee director. There is no family relationship between any director, executive officer or person nominated to become a director or executive officer.

Director Nomination Process

The Board of Directors has a standing Nominating and Governance Committee comprised solely of independent directors. The Board of Directors has delegated to its Nominating and Governance Committee the responsibility for establishing membership criteria for the Board of Directors, identifying individuals qualified to become directors consistent with such criteria and recommending the director nominees.

In identifying potential director candidates, the Nominating and Governance Committee will seek input from its Committee members, other directors and management. The Nominating and Governance Committee may engage the services of search firms and advisors to help identify and screen potential director nominees. The Nominating and Governance Committee will also consider director candidates appropriately recommended by stockholders.

In identifying and assessing director candidates, the Nominating and Governance Committee considers, among other things:

- roles and contributions valuable to the business community;
- personal qualities of leadership, character, judgment and whether the candidate possesses and maintains throughout service on the Board a reputation in the community at large of integrity, trust, respect, competence and adherence to the highest ethical standards;
- relevant knowledge and diversity of background, viewpoints and experience;
- whether the candidate is free of conflicts and has the time required for preparation, participation and attendance at all meetings; and
- applicable listing standards of Nasdaq.

Diversity of background, viewpoint and experience is one of the various factors the Nominating and Governance Committee may consider in identifying director nominees, but the Nominating and Governance Committee does not have a formal policy regarding board diversity.

All director candidates, including candidates appropriately recommended by stockholders, are evaluated in accordance with the process described above.

Stockholder Recommendations of Director Candidates

Stockholders who wish to recommend director candidates for consideration by the Nominating and Governance Committee may do so by submitting a written recommendation to our Secretary at 104 Cambridge Plaza Drive, Winston-Salem, North Carolina 27104. Such recommendation must include a detailed background of the suggested candidate that demonstrates how the individual meets the criteria set forth above. If a candidate proposed by a stockholder or other source meets such criteria, the individual will be considered on the same basis as other candidates.

Recommendations by stockholders for director candidates to be considered for the 2014 annual meeting of stockholders must be delivered to Primo's Secretary not earlier than the close of business on January 16, 2014 and not later than the close of business on February 15, 2014. Recommendations by stockholders for director candidates to be considered for inclusion in the proxy statement and form of proxy relating to the 2014 annual meeting of stockholders must be received no later than December 17, 2013. Notice of a director nomination must be submitted in accordance with the requirements set forth in our amended and restated bylaws which include requirements to provide the name and address of the stockholder making the recommendation, a representation that the recommending stockholder is a record holder of our common stock, all information regarding the nominee that would be required to be set forth in a proxy statement and the consent of the nominee to serve as a director. Appropriate submission of a recommendation by a stockholder does not guarantee the selection of the stockholder's candidate or the inclusion of the candidate in our proxy statement; however, the Nominating and Governance Committee will consider any such candidate in accordance with the director nomination process described above.

The Board's Role in Risk Oversight

Management is responsible for managing the risks that Primo faces. The Board of Directors is responsible for overseeing management's approach to risk management. The involvement of the full Board of Directors in reviewing our strategic objectives and plans is a key part of the board's assessment of management's approach and tolerance to risk. While the Board of Directors has ultimate oversight responsibility for overseeing management's risk management process, various committees of the board assist it in fulfilling that responsibility.

In particular, the Audit Committee assists management in its review of the policies and procedures regarding identifying, monitoring, evaluating and managing Primo's key financial and other risk exposures. The Audit Committee also oversees the development of our enterprise risk management policies and procedures and reports regularly to the Board of Directors regarding Primo's risk management process.

In addition, the Compensation Committee reviews our compensation practices and policies to ensure they do not create inappropriate or unintended significant risks to Primo as a whole, and provides oversight and direction regarding these practices, policies and compensation-related risk management.

Code of Conduct

Our Board of Directors has adopted a Code of Business Conduct and Ethics. This code applies to all of the directors, officers and employees of Primo and its subsidiaries. A copy of our Code of Business Conduct and Ethics is available on our corporate website (www.primowater.com). We expect that any amendments to the code, or any waivers of its requirements, will be disclosed on our website.

All communications received in accordance with these procedures will be reviewed by the Secretary and forwarded to the appropriate director or directors unless such communications are considered, in the reasonable judgment of the Secretary, to be improper for submission to the intended recipient, such as communications unrelated to our business, advertisements or frivolous communications.

We have agreed to maintain insurance coverage for and indemnify Mr. Prim in connection with his capacity as our director and officer.

Our employment agreement with Mr. Prim provides for an initial three-year employment term that commenced April 1, 2010 and that automatically extends for additional one-year periods unless terminated by Mr. Prim or us upon at least 90 days prior written notice of intention not to renew. The agreement may also be terminated by us or Mr. Prim for other reasons and, subject to the conditions set forth in the employment agreement, provides for certain payments to Mr. Prim upon a termination of his employment or a change of control of Primo, as described below.

Our employment agreement with Mr. Castaneda is substantially similar to our employment agreement with Mr. Prim, except that the economic terms differ between the agreements and Mr. Castaneda's employment agreement does not provide for: (i) an annual automatic cost of living increase to base salary; (ii) additional long-term disability coverage; (iii) a Primo-paid annual physical; (iv) our payment of certain attorney fees; and (v) a Section 4999 excise tax gross-up payment to cover certain taxes and penalties. Mr. Castaneda's employment agreement provides for a base annual salary of \$250,000, which base salary may be adjusted up but not down by our Board of Directors. Mr. Castaneda is also eligible to receive bonuses and awards of equity and non-equity compensation as approved by our Board of Directors. The employment agreement entitles Mr. Castaneda to participate in all other benefits generally available to our other senior executives. We have agreed to maintain insurance coverage for and indemnify Mr. Castaneda in connection with his capacity as an officer.

Our employment agreement with Mr. Castaneda provides for an initial three-year employment term that commenced April 1, 2010 and that automatically extends for additional one-year periods unless terminated by Mr. Castaneda or us upon at least 90 days prior written notice of intention not to renew. The agreement may also be terminated by us or Mr. Castaneda for other reasons and, subject to the conditions set forth in the employment agreement, provides for certain payments to be made to Mr. Castaneda upon a termination of his employment or a change of control of Primo, as described below.

Under our agreements with Messrs. Prim and Castaneda, these individuals are entitled to certain benefits upon their termination or upon a Change of Control (as defined in the employment agreement and described below). The definitions of "Cause" and "Good Reason" as used in the employment agreements are also provided below.

Table of Contents

Under these employment agreements, if either of Messrs. Prim or Castaneda is terminated without Cause or if either of Messrs. Prim or Castaneda resigns for Good Reason, then such individual is entitled to the following benefits:

- severance payments in an amount equal to (i) his highest annual base salary in effect during the 12 months immediately prior to his termination date plus (ii) the average annual bonus earned by him for the most recent two fiscal years ending prior to his termination date;
- coverage under health, dental, life, accident, disability and similar benefit plans offered to (and on the same terms as) the other executive officers for the 12 months following his termination date; and
- the immediate vesting of any restricted stock, stock option or other equity compensation awards scheduled to vest within six months of his termination date.

Under his employment agreement, if Mr. Prim is terminated without Cause or he resigns for Good Reason, in either case within two years following a Change of Control, then he is entitled to the following benefits under his employment agreement:

- severance payments in an amount equal to two times the sum of (i) his highest annual base salary in effect during the 12 months immediately prior to his termination date plus (ii) the average annual bonus earned by him for the most recent two fiscal years ending prior to his termination date; and
- coverage under health, dental, life, accident, disability and similar benefit plans offered to (and on the same terms as) the other executive officers for the 24 months following his termination date.

Under his employment agreement, if Mr. Castaneda is terminated without Cause or he resigns for Good Reason, in either case within two years following a Change of Control, then he is entitled to the following benefits under his employment agreement:

- severance payments in an amount equal to 1.5 times the sum of (i) his highest annual base salary in effect during the 12 months immediately prior to his termination date plus (ii) the average annual bonus earned by him for the most recent two fiscal years ending prior to his termination date; and
- coverage under health, dental, life, accident, disability and similar benefit plans offered to (and on the same terms as) the other executive officers for the 18 months following his termination date.

In addition, any restricted stock, stock option or other equity compensation awards held by Mr. Prim or Mr. Castaneda that are unvested will immediately vest as of the date of the Change of Control.

Our employment agreements with Messrs. Prim and Castaneda provide that a “Change of Control” occurs when:

- any individual, entity or group (a “Person”) becomes the beneficial owner of 50% or more of either (A) the then-outstanding shares of common stock of the Company (the “Outstanding Company Common Stock”) or (B) the combined voting power of the then-outstanding voting securities of the Company entitled to vote generally in the election of directors (the “Outstanding Company Voting Securities”); provided, however, that the following acquisitions shall not constitute a Change of Control: (i) any acquisition directly from the Company, (ii) any acquisition by the Company, (iii) any acquisition by any employee benefit plan (or related trust) sponsored or maintained by the Company, or (iv) any acquisition pursuant to a transaction that complies with (A), (B) and (C) in the third bullet point below;

Table of Contents

- individuals who, as of the effective date of the agreement, constitute the Board of Directors of the Company (the “Incumbent Board”) cease for any reason to constitute at least a majority of the Board of Directors; provided, however, that any individual becoming a director subsequent to the effective date of the agreement whose election, or nomination for election by the Company’s stockholders, was approved by a vote of at least a majority of the directors then comprising the Incumbent Board shall be considered as though such individual was a member of the Incumbent Board, but excluding, for this purpose, any such individual whose initial assumption of office occurs as a result of an actual or threatened election contest with respect to the election or removal of directors or other actual or threatened solicitation of proxies or consents by or on behalf of a Person other than the Board of Directors;

- there is consummation of a reorganization, merger or similar transaction involving the Company or any of its subsidiaries, a sale or other disposition of all or substantially all of the assets of the Company, or the acquisition of assets or stock of another entity by the Company or any of its subsidiaries (each, a “Business Combination”), in each case unless, following such Business Combination, (A) all or substantially all of the individuals and entities that were the beneficial owners of the Outstanding Company Common Stock and the Outstanding Company Voting Securities immediately prior to such Business Combination beneficially own, directly or indirectly, more than 50% of the then-outstanding shares of common stock and the combined voting power of the entity resulting from such Business Combination in substantially the same proportions as their ownership immediately prior to such Business Combination of the Outstanding Company Common Stock and the Outstanding Company Voting Securities, as the case may be, (B) no Person beneficially owns, directly or indirectly, 20% or more of the then-outstanding shares of common stock of the corporation resulting from such Business Combination or the combined voting power of the then-outstanding voting securities of such corporation, except to the extent that such ownership existed prior to the Business Combination, and (C) at least a majority of the members of the Board of Directors of the entity resulting from such Business Combination were members of the Incumbent Board at the time of the execution of the initial agreement or of the action of the Board providing for such Business Combination; or
 - the stockholders of the Company approve a complete liquidation or dissolution of the Company.

As defined in the employment agreements for Messrs. Prim and Castaneda, “Cause” means (a) continued willful failure to substantially perform his duties with the Company, (b) willfully engaging in misconduct materially and demonstrably injurious to the Company or (c) uncured material breach of his agreement. Either of Messrs. Prim or Castaneda may terminate his employment for “Good Reason” (i) if there is a material reduction in his duties or responsibilities, (ii) if he is required to relocate to an employment location more than 50 miles from his initial employment location, or (iii) upon our uncured material breach of the agreement.

Mr. Sheehan’s letter agreement provides for a base annual salary of \$300,000. Mr. Sheehan is also eligible to receive bonuses and awards of equity and non-equity compensation as approved by our Board of Directors. Mr. Sheehan’s letter agreement entitles Mr. Sheehan to participate in all other benefits generally available to our other senior executives. Pursuant to the terms of the letter agreement, Mr. Sheehan and the Company are negotiating in good faith the terms and conditions of an employment agreement.

Additional Information About Directors and Executive Officers

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our executive officers, directors and certain persons who beneficially own more than 10% of our common stock to file with the SEC initial reports of ownership and reports of changes in ownership of our common stock and other equity securities. Executive officers, directors and such greater than 10% stockholders are required to furnish us copies of all ownership reports they file. Based solely on our review of the copies of the reports that we received and written representations that no other reports were required, we believe that our executive officers, directors and greater than 10% stockholders complied with all applicable filing requirements on a timely basis during 2012, except that Richard Belmont, David Mills, Mark Castaneda and Matthew Sheehan each filed one late Form 4 with respect to a stock option grant.

Audit Committee Report

The primary purpose of the Audit Committee is to assist the Board of Directors in fulfilling its oversight of: (i) the integrity of Primo's financial statements; (ii) the effectiveness of Primo's internal controls over financial reporting; (iii) Primo's compliance with legal and regulatory requirements; (iv) the qualifications and independence of Primo's registered public accounting firm; and (v) performance of Primo's registered public accounting firm.

Primo's management is responsible for the preparation, presentation, and integrity of complete and accurate financial statements in accordance with generally accepted accounting principles in the United States and for maintaining appropriate accounting and financial reporting principles and policies and establishing and maintaining internal controls designed to assure compliance with accounting standards and applicable laws. Primo's registered public accounting firm is responsible for planning and conducting in accordance with generally accepted auditing standards in the United States an audit of Primo's annual financial statements and a review of Primo's quarterly financial statements.

In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed with management Primo's audited consolidated financial statements included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2012.

During the past fiscal year, the Audit Committee discussed with Primo's registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1. AU section 380), as adopted by the Public Company Accounting Oversight Board ("PCAOB") in Rule 3200T. The Audit Committee also received during the past year the written disclosures and the letter from Primo's registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence, and has discussed with the registered public accounting firm their independence.

Based on the reviews, discussions and disclosures referred to above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements of Primo for the fiscal year ended December 31, 2012 be included in its Annual Report on Form 10-K for such fiscal year.

Related Party Transactions

Our Audit Committee Charter requires our Audit Committee to review and approve or ratify any related party transaction that is required to be disclosed under Item 404 of Regulation S-K. In the course of its review or approval of a transaction, our Audit Committee will consider:

- the nature of the related person's interest in the transaction, including the actual or apparent conflict of interest of the related person;
 - the material terms of the transaction and their commercial reasonableness;
 - the significance of the transaction to the related person;
- the significance of the transaction to us and the benefit and perceived benefits, or lack thereof, to us;
 - opportunity costs of alternate transactions;
- whether the transaction would impair the judgment of a director or executive officer to act in the best interest of Primo; and
 - any other matters the Committee deems appropriate.

No such related person transaction will be consummated without the approval or ratification of our Audit Committee, and directors interested in a related person transaction will recuse themselves from any vote relating to a related person transaction in which they have an interest.

Set forth below are certain transactions that have occurred since January 1, 2012 with our directors, executive officers, holders of more than five percent of our voting securities and affiliates of our directors, executive officers and five percent stockholders. Based on our experience and the terms of our transactions with unaffiliated third persons, we believe that all of the transactions set forth below were on terms and conditions that were not materially less favorable to us than could have been obtained from unaffiliated third parties.

Credit and Security Agreement and Term Loan With Comvest

On April 30, 2012, the we entered into a Credit and Security Agreement (the "Comvest Credit Agreement") with Comvest Capital II, L.P. ("Comvest") pursuant to which Comvest made a term loan to the Company (the "Term Loan") in the principal amount of \$15,150,000.

Interest on outstanding amounts owed under the Term Loan is payable at the rate of 14% per annum in cash plus 2% per annum, which will be paid by increasing the outstanding principal balance owed rather than being paid in cash on a current basis. Interest on outstanding amounts owed will be adjusted to 13% per annum (all payable in cash) if and when the Company's adjusted earnings before interest, taxes, depreciation and amortization is \$10,000,000 or greater for a trailing 12 calendar month period.

The outstanding balance of the Term Loan is due and payable in a single installment on April 30, 2016, subject to prepayment in specified circumstances, including sales or dispositions of assets outside the ordinary course of business and sales of equity or debt securities by the Company. The Term Loan is secured by substantially all of the Company's assets on either a first priority or second priority basis. The first priority assets consist of substantially all of the assets related to the Company's filtered drinking water refill business.

Concurrently with the closing of the Comvest Credit Agreement and Term Loan, five of our current directors or stockholders (the “Insider Participants”) purchased an aggregate of \$1,150,000 in non-recourse, non-voting, last-out participation interests from Comvest in the Comvest Credit Agreement and Term Loan. These participation interests allow each holder to participate to the extent of such holder’s percentage share in the Comvest Credit Agreement and Term Loan and such participations are secured by the same assets as the Term Loan. Mr. Prim, Mr. McQuilkin and Mr. Kilgore purchased \$250,000, \$500,000 and \$50,000 in participation interests, respectively.

Table of Contents

In connection with our entering into the Comvest Credit Agreement, we issued a warrant to Comvest to purchase 1,600,000 shares of the Company's common stock (the "Comvest Warrant"). The Comvest Warrant is immediately exercisable at an exercise price of \$2.30 per share and expires April 30, 2020.

Additionally, in connection with the Comvest Credit Agreement and Comvest's sale of participation interests to the Insider Participants, we issued warrants to the Insider Participants to purchase an aggregate of 131,428 shares of our common stock. The terms of the warrants issued to the Insider Participants are identical to the terms of the Comvest Warrant described above. Mr. Prim, Mr. McQuilkin and Mr. Kilgore were issued warrants to purchase 28,571, 57,143 and 5,714 shares of our common stock, respectively. On November 6, 2012, in connection with an amendment to the Comvest Credit Agreement and Term Loan, the exercise price of the Comvest Warrant was adjusted to \$1.20. No changes were made to the warrants issued to the Insider Participants.
