(1) Beneficial ownership of approximately 61.4% of outstanding Shares (as defined below) is being reported hereunder solely because Uroplasty, Inc. (“Uroplasty”) may be deemed to have beneficial ownership of such shares as a result of entering into the Voting Agreement (as defined below) described in this Schedule 13D. The calculation of the approximately 61.4% beneficial ownership is based on (i) 46,474,473 Shares beneficially owned by the shareholders that are parties to the Voting Agreement as of December 21, 2014, and (ii) 48,274,519 Shares deemed to be issued and outstanding as of the Measurement Date (as defined below) plus 27,442,430 Shares subject to stock options, convertible promissory notes and warrants that are currently exercisable or exercisable within 60 days thereafter and held by the shareholders that are parties to the Voting Agreement as of December 21, 2014.

## Item 3. Source and Amount of Funds or Other Consideration

On December 21, 2014, concurrently with the execution of the Merger Agreement (as defined in Item 4 below), and as an inducement for Uroplasty to enter into the Merger Agreement, the executive officers and directors of Vision-Sciences entered into a Voting Agreement with Uroplasty with respect to the Shares owned by such individuals (the “Voting Agreement”).

As described in the response to Item 4, the Shares beneficially owned by the executive officers and directors of Vision-Sciences have not been purchased by Uroplasty, and thus no funds were used for such purpose. Uroplasty did not pay any monetary consideration to the executive officers and directors of Vision-Sciences in connection with the execution and delivery of the Voting Agreement.

For a description of the Voting Agreement, see Item 4 below, which description is incorporated by reference in response to this Item 3.

## Item 4. Purpose of Transaction

The purpose of the Voting Agreement is to induce Uroplasty to enter into the Merger Agreement and consummate the Merger (as defined below).

### The Merger Agreement

On December 21, 2014, Vision-Sciences entered into an Agreement and Plan of Merger (the “Merger Agreement”) with Uroplasty, and Visor Merger Sub LLC, a Delaware limited liability company and a direct wholly-owned subsidiary of Vision-Sciences (“Merger Sub”). The Merger Agreement provides that, upon the terms and subject to the conditions set forth in the Merger Agreement, Uroplasty will merge with and into Merger Sub (the “Merger”), with Merger Sub

surviving as a direct wholly-owned subsidiary of Vision-Sciences.

At the effective time of the Merger as defined in the Merger Agreement (the “Effective Time”), each outstanding share of Uroplasty common stock will be converted into the right to receive that number of Shares as determined pursuant to the exchange ratio described in the Merger Agreement (the “Exchange Ratio”). The Merger is subject to certain customary conditions, including the adoption of the Merger Agreement by Uroplasty and Vision-Sciences shareholders, and the declaration of the effectiveness by the Securities and Exchange Commission of the Registration Statement on Form S-4 to be filed by Vision-Sciences covering Shares to be issued in connection with the Merger.

Pursuant to the terms of the Merger Agreement, as of the effective time of the Merger: (1) the board of directors of the combined company will consist of eight individuals, including five individuals who are nominees of the board of directors of Uroplasty immediately prior to the effective time and three individuals who are nominees of the board of directors of Vision-Sciences immediately prior to the effective time; (2) Robert Kill will be appointed Chief Executive Officer of the combined company; (3) Brett Reynolds will be appointed Senior Vice President, Chief Financial Officer and Corporate Secretary of the combined company; and (4) an individual designated by Uroplasty will be appointed Chairman of the Board of the combined company.

Further, the Merger Agreement provides that at the effective time of the Merger, Vision-Sciences' certificate of incorporation will be amended to change the name of Vision-Sciences to "Cogentix Medical, Inc." and to increase the amount of authorized capital.

A description of the Merger and the Merger Agreement can be found in Uroplasty's Current Report on Form 8-K filed with the Securities and Exchange Commission on December 22, 2014, which description is incorporated herein by reference.

### Voting Agreement

On December 21, 2014, Uroplasty and the executive officers and directors of Vision-Sciences entered into the Voting Agreement, which provides that the executive officers and directors of Vision-Sciences will grant Uroplasty a limited irrevocable proxy to vote all of the Shares as to which such individuals have voting power (the "Subject Shares") at any annual or special meeting of the shareholders of Vision-Sciences, or at any adjournment thereof solely for the adoption of the Merger Agreement, the approval of the Merger and transactions contemplated by the Merger Agreement.

The Voting Agreement further provides that during the term of the Voting Agreement, the executive officers and directors of Vision-Sciences each agrees to vote the Shares over which such individuals have voting power but has not granted Uroplasty an irrevocable proxy, if any, in favor of or give its consent to, as applicable, a proposal to adopt the Merger Agreement and thereby approve the Merger at any annual or special meeting of Vision-Sciences shareholders. If Uroplasty elects not to exercise its rights to vote the Subject Shares, the executive officers and directors of Vision-Sciences also each agree to vote the Subject Shares in favor of or give its consent to, as applicable, a proposal to adopt the Merger Agreement and thereby approve the Merger at any annual or special meeting of Vision-Sciences shareholders.

The Voting Agreement and the obligations thereunder will also attach to any additional Shares issued to or acquired by the executive officers and directors of Vision-Sciences.

Under the irrevocable proxy delivered by each of the executive officers and directors of Vision-Sciences to Uroplasty, such individuals will not (i) sell, transfer, assign, pledge, hypothecate, tender, encumber or otherwise dispose of or limit its right to vote in any manner any of the Shares, or agree to do any of the foregoing, or (ii) take any action which would have the effect of preventing or disabling each of such individuals from performing his or her obligations under the Voting Agreement.

The Voting Agreement will terminate upon the earliest to occur of: (i) the date on which the Merger becomes effective, (ii) the termination of the Merger Agreement in accordance with its terms, or (iii) written notice of termination by Uroplasty to the shareholder parties to the Voting Agreement.

A description of the Voting Agreement can be found in Uroplasty's Current Report on Form 8-K filed with the Securities and Exchange Commission on December 22, 2014, which description is incorporated herein by reference.

## Edgar Filing: VISION SCIENCES INC /DE/ - Form SC 13D

The foregoing summary of the Merger Agreement and Voting Agreement is qualified in its entirety by the full text of the Merger Agreement and Voting Agreement, copies of which are filed herewith as Exhibits 1 and 2, and are incorporated by reference herein.

Except as set forth above, the Reporting Person currently has no plan or proposals with respect to any of the actions described in subsections (a) through (j) of Item 4 of Schedule 13D.

### Item 5. Interest in Securities of the Issuer

The beneficial ownership percentages described in this Schedule 13D are based on 48,274,519 Shares deemed to be issued and outstanding as of December 1, 2014 (the "Measurement Date").

(a) As a result of the Voting Agreement, Uroplasty may be deemed for purposes of Rule 13d-3 promulgated under the Act to beneficially own 46,474,473 Shares, representing approximately 61.4% of the aggregate of (i) 48,274,519 Shares deemed to be outstanding as of the Measurement Date plus (ii) 27,442,430 Shares subject to stock options, convertible promissory notes and warrants that are currently exercisable or exercisable within 60 days thereafter and held by the shareholders that are parties to the Voting Agreement as of December 21, 2014. Neither the filing of this Schedule 13D nor any of its contents shall be deemed to constitute an admission by Uroplasty that it is the beneficial owner of any Shares for purposes of Section 13(d) of the Act, or for any other purpose, and such beneficial ownership thereof is expressly disclaimed.

Except as set forth in this Item 5(a), neither Uroplasty nor, to the knowledge of Uroplasty, any of the persons set forth on Schedule A hereto beneficially owns any Shares.

(b) Uroplasty is not entitled to any rights of a shareholder of Vision-Sciences as to any Shares, except for the right to vote the Shares described in Item 5(a) to the extent described in Item 4. Except to the extent that Uroplasty may be deemed to have by virtue of its rights under the Voting Agreement, Uroplasty does not have sole or shared power to vote or to direct the voting of, or sole or shared power to dispose of or to direct the disposition of, any Shares.

(c) Except for the execution and delivery of the Merger Agreement and the Voting Agreement and transactions contemplated by those agreements, neither Uroplasty nor, to the knowledge of Uroplasty, any of the persons set forth on Schedule A hereto has effected any transaction in the Shares during the past 60 days.

(d) Except for the Merger Agreement and the Voting Agreement and the transactions contemplated by those agreements, neither Uroplasty nor, to the knowledge of Uroplasty, any of the persons set forth on Schedule A hereto has the right to receive or the power to direct the receipt of, dividends from, or the proceeds from the sale of, the Shares.

(e) Inapplicable.
