Concurrent Offering: Concurrently with this offering, the Company is offering €300,000,000 aggregate principal amount of the Company’s 1.401% Notes due 2023 (the “concurrent notes”). Interest on the concurrent notes will be payable in cash annually in arrears on May 24 of each year, beginning on May 24, 2019. The concurrent notes will mature on May 24, 2023. The concurrent offering is being made by means of a separate prospectus supplement and not by means of the prospectus supplement to which this pricing term sheet relates. This communication is not an offer to sell or a solicitation of an offer to buy any securities being offered in the concurrent offering. The

closing of this offering and the concurrent offering are not conditioned on each other.

Under Rule 15c6-1 under the Exchange Act, trades in the secondary market are required to settle in two business days, unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade

* Notes on the Trade Date or the two succeeding business days will generally be required, by virtue of the fact that the Notes initially settle on the 5th business day following the Trade Date, to specify an alternate settlement arrangement at the time of any such trade to prevent a failed settlement. Purchasers of the Notes who wish to trade the Notes prior to their date of delivery hereunder should consult their advisors.
