Item 5. Other Events.

On November 11, 2002, SangStat Medical Corporation (the Company) issued a press release announcing that it had entered into a strategic collaboration with Therapeutic Human Polyclonals, Inc. (THP) to develop and commercialize humanized polyclonal antibodies. In addition, the Company announced that Roland Buelow, Ph.D., Senior Vice President of Discovery Research, resigned from the Company to assume the position as Chief Scientific Officer for THP. During a transition period, Dr. Buelow will continue to work part-time for the Company. Timothy Fong, Ph.D., currently the Company's Vice President for Discovery Research, will now take the leading role in directing the activities of the Company's discovery research division.

A copy of the press release announcing these events is filed as exhibit 99.1 to this report.
