Company will pay CapStone a fee in an amount of eight percent (8%) of the total cash invested in the securities, to be paid at the close of the transaction. In addition, the Company shall issue CapStone warrants to purchase free-trading shares of the Company's common stock equal to eight percent (8%) of the total number of shares issued pursuant to the PIPE. The warrants shall have a strike price equal to the price paid by the investors in the PIPE. The warrant shall be issued and delivered to CapStone at the close of the transaction and shall be exercisable at any time for a period of five (5) years from the date of closing. In addition, the Company agreed to pay all third party costs, which shall be capped at \$50,000. Such third party costs may include but are not limited to fees related to consultants and outside counsel to CapStone, and travel expenses. CapStone will, on a "best efforts" basis through its registered personnel or through separate registered broker-dealers, arrange for the offering of the securities within 180 days following the completion and approval of the pricing of the securities or the completion of the transaction documents.

As previously reported, on April 18, 2006, the Company entered into a consulting agreement with Ault Glazer Bodnar Securities, LLC ("AGB Securities") pursuant to which AGB Securities would provide non-exclusive investment banking and financial advisory services to the Company.
