EXPLANATORY NOTE

Neonode Inc. is filing this Form 8-K/A solely to replace the information set forth in Item 4.01 and attach Exhibit 16.1. No other information contained in the Form 8-K is amended by this Form 8-K/A. All information contained in this Amendment No. 2 to Form 8-K is as of the original filing date of the Form 8-K dated August 10, 2007, and filed on August 13, 2007, and does not reflect any subsequent information or events other than as described above.

Item 4.01 Changes in Registrant's Certifying Accountant.

On August 10, 2007, upon the closing of the merger, the shareholders of Cold Winter became the majority stockholders of Neonode. The merger will be treated as a "reverse acquisition" for accounting purposes and as such, the historical financial statements of the accounting acquirer, Cold Winter, become the historical financial statements of the legal acquirer, Neonode. As a result of the merger, the independent registered public accounting firm retained to conduct the audit of Cold Winter's financial statements, Öhrlings PricewaterhouseCoopers AB, or PwC, became the independent registered public accounting firm of Neonode under the rules and regulations of the Securities and Exchange Commission. Notwithstanding the change in independent registered public accounting firm resulting from the merger, Neonode continued to engage its previous independent registered public accounting firm, BDO Seidman, LLP, or BDO, to complete its review of Neonode's interim financial statements for the period ended July 31, 2007.

On August 28, 2007, the audit committee of the board of directors of Neonode determined that it would be in the best interest of the company and its stockholders to cease its engagements with BDO subsequent to completion of the review of Neonode's interim financial statements for the period ended July 31, 2007, and to continue to engage PwC as its independent registered public accounting firm following the merger.

BDO

The reports of BDO, with respect to Neonode for the past two fiscal years ended October 31, 2005 and 2006 contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles except that BDO's reports on the financial statements of Neonode for fiscal year ended October 31, 2006 expressed substantial doubts about Neonode's ability to continue as a going concern.

In connection with its audit of Neonode's financial statements for the past two fiscal years ended October 31, 2005 and 2006 and the subsequent interim period, there were no disagreements with BDO on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which, if not resolved to the satisfaction of BDO, would have caused BDO to make reference to the matter in their report. During the past two fiscal years ended October 31, 2005 and 2006 and the subsequent interim period, BDO did not advise, and has not indicated to Neonode that it had reason to advise, Neonode of any reportable event, as defined in Item 304 (a)(1)(v) of Regulation S-K under the Exchange Act. The decision to replace BDO was not the result of any disagreement between Neonode and BDO on any matter of accounting principle or practice, financial statement disclosure or audit procedure.

Pursuant to Item 304(a)(3) of Regulation S-K under the Exchange Act, Neonode has requested that BDO furnish it with a letter addressed to the Securities and Exchange Commission stating whether or not they agree with the above statements. A copy of such letter from BDO, dated September 4, 2007, is filed as Exhibit 16.1 to this Form 8-K.
