**PROXY STATEMENT
For 2009 Annual Meeting**

INTRODUCTION

Time and Place of the Meeting

The Board of Directors of First Reliance Bancshares, Inc. (the Company) is furnishing this proxy statement in connection with its solicitation of proxies for use at the annual meeting of shareholders to be held on Thursday, June 18, 2009 at 4:00 p.m. at the First Reliance Bank Learning Center, 2148 West Palmetto Street in Florence, South Carolina and at any adjournments of the meeting.

Record Date and Mail Date

The close of business on April 15, 2009 is the record date for the determination of shareholders entitled to notice of and to vote at the meeting. We first mailed this proxy statement and the accompanying proxy card to shareholders on or about April 30, 2009.

Number of Common Shares Outstanding

As of the close of business on the record date, the Company had 20,000,000 shares of common stock, \$0.01 par value, authorized, of which 3,587,426 shares were issued and outstanding. Each issued and outstanding share of common stock is entitled to one vote on all matters presented at the meeting.

VOTING AT THE ANNUAL MEETING

Proposals to Be Considered

Shareholders will be asked to elect three (3) persons to serve as Class B Directors for a three-year term, until the 2012 Annual Meeting of Shareholders and until their successors have been elected and qualified. This proposal is further described in this proxy statement. **The Board of Directors recommends that you vote *for* approval of this proposal.**

Shareholders may also be asked to vote on other matters, if any, properly brought before the shareholders at the annual meeting.

Procedures for Voting by Proxy

If you properly sign, return and do not revoke your proxy, the persons appointed as proxies, who are Leonard A. Hoogenboom and F.R. Saunders, Jr., will vote your shares according to the instructions you have specified on the proxy card. If you sign and return your proxy card but do not specify how the persons appointed as proxies are to vote your shares, your proxy will be voted *for* the election of the nominated directors, for the non-binding proposal approving our executive compensation programs and in the best judgment of the persons appointed as proxies as to all other matters properly brought before the meeting. If any nominee for election to the Board of Directors named in this proxy statement becomes unavailable for election for any reason, the proxy will be voted for a substitute nominee selected by the Board of Directors.

You can revoke your proxy at any time before it is voted by delivering to F.R. Saunders, Jr., President and Chief Executive Officer of the Company, at the main office of the Company, either a written revocation of the proxy or a duly executed proxy bearing a later date or by attending the meeting and voting in person.

Requirements for Shareholder Approval

Quorum. A quorum will be present at the meeting if a majority of the outstanding shares of common stock are represented in person or by valid proxy. We will count abstentions and broker non-votes, which are described below, in determining whether a quorum exists.

1

Abstentions. A shareholder who is present in person or by proxy at the annual meeting and who abstains from voting on any or all proposals will be included in the number of shareholders present at the annual meeting for the purpose of determining the presence of a quorum. Abstentions do not count as votes in favor of or against a given proposal unless the proposal being voted upon requires the affirmative vote of at least a specific percentage of the shares outstanding and entitled to vote. In such a case, abstentions will count as votes against the proposal.

Broker Non-Votes. Brokers who hold shares for the accounts of their clients may vote these shares either as directed by their clients or in their own discretion if permitted by the exchange or other organization of which they are members. Proxies for which brokers fail to vote on one or more proposals are referred to as broker non-votes with respect to the proposal(s) not voted upon. Broker non-votes are included in determining the presence of a quorum. A broker non-vote, however, does not count as a vote in favor of or against a particular proposal for which the broker has no discretionary voting authority unless the matter being voted upon requires the affirmative vote of at least a

specific percentage of the shares outstanding and entitled to vote. In such a case, broker non-votes will count as votes against the proposal.

Approval Requirements. To be elected or ratified as a director, a director nominee must receive a plurality of the votes for his or her election as a director. As a result, if you withhold your vote as to one or more nominees, it will have no effect on the outcome of the election of the director for which you withheld your vote, unless you cast that vote for a competing nominee, if any.

Any other matter that may properly come before the annual meeting, requires more votes for than against the proposal being voted upon. Abstentions and broker non-votes will not be counted as votes against any proposal and therefore will have no effect on the outcome of the proposal.

SOLICITATION OF PROXIES

The Company will pay the cost of proxy solicitation. Our directors, officers and employees may, without additional compensation, solicit proxies by personal interview, telephone, fax, or otherwise. We will direct brokerage firms or other custodians, nominees or fiduciaries to forward our proxy solicitation material to the beneficial owners of common stock held of record by these institutions and will reimburse them for the reasonable out-of-pocket expenses they incur in connection with this process.

Corporate Governance and Nominating Committee. The Company's Corporate Governance and Nominating Committee consist of Leonard A. Hoogenboom, J. Munford Scott, Jr., F.R. Saunders, Jr. and C. Dale Lusk. The committee met one time during 2008. The Corporate Governance and Nominating Committee has been formed by the Board of Directors to consider shareholders' nominations of individuals to serve as directors of the Company in accordance with the Company's Bylaws and the committee's charter. As part of its responsibilities, the committee makes a recommendation regarding any suggested nominee to the entire Board of Directors for final determination and consideration. The Company's and the Bank's Board of Directors have not adopted a written charter for the Corporate Governance and Nominating Committee.

The Corporate Governance and Nominating Committee has not adopted a formal policy or process for identifying or evaluating nominees, but informally solicits and considers recommendations from a variety of sources, including other directors, members of the community, customers of the Bank and shareholders of the Company, and professionals in

the financial services and other industries. Similarly, the committee does not prescribe any specific qualifications or skills that a nominee must possess, although it considers the potential nominee's business experience; knowledge of the Company and the financial services industry; experience in serving as a director of the Company or another financial institution or public company generally; wisdom, integrity and analytical ability; familiarity with and participation in the communities served by the Company; commitment to and availability for service as a director; and any other factors the committee deems relevant.

The Corporate Governance and Nominating Committee will consider shareholder nominations for directors that are made in writing and delivered to the Company in accordance with the Company's Bylaws. Generally, the Company's Bylaws require that such notice be given at least 120 days before the one-year anniversary of the mailing date for the prior year's proxy statement, which in our case would require that nominations be submitted prior to December 30, 2009 for next year's annual meeting.

Additionally, the nomination must state, to the extent known to the nominating shareholder, the following information:

with respect to the nominee, all information regarding the nominee required to be disclosed in a solicitation of proxies for election of directors pursuant to Regulation 14A under the Securities and Exchange Act of 1934, as amended (the Exchange Act) (including the nominee's written consent to be named in a proxy statement as a nominee and to serve as a director if elected);

any agreement or relationship between the nominee and the Company, its directors, officers, employees and independent auditors, as well as the nominating shareholder; and

the nominating shareholder's name, address and number of shares owned.

Shareholder nominations not made in accordance with the Company's nominating procedures may be disregarded by the chair of the meeting at which the election is to be held.

The Audit Committee recommends to the Bank's and the Company's Board of Directors the independent public accountants to be selected to audit the Bank's and the Company's annual financial statements and determines that all audits and exams required by law are performed fully, properly and in a timely fashion. The Audit Committee also evaluates internal accounting controls, reviews the adequacy of the internal audit budget, personnel and audit plan. The Board has determined that Mr. Hoogenboom is an audit committee financial expert as that term is defined in regulations promulgated by the Securities and Exchange Commission (the SEC). The Company's and the Bank's Board of Directors has not adopted a written charter for the Audit Committee. The Audit Committee Report is found in the Audit Committee Matters section of this Proxy Statement.

Compensation Committee. The Company's Compensation Committee consists of A. Joe Willis, Leonard A. Hoogenboom, Jeffrey A. Paolucci and J. Munford Scott, Jr. The committee met six times in 2008. The committee (i) reviews and determines the annual compensation, including

5

salary, bonus, incentive and other compensation of the Chief Executive Officer (ii) approves corporate goals and objectives relevant to compensation of the Chief Executive Officer, (iii) evaluates performance in light of these goals and objectives, approves compensation in accordance therewith and provides a report thereon to the Board (iv) reviews and makes recommendations to the Board with respect to incentive based compensation plans and equity

based plans, (v) establishes criteria for the terms of awards granted to participants under such plans, (vi) recommends to the Board the compensation for directors (including retainer, committee and committee chair fees, stock options and other similar items, as appropriate) (vii) establishes and approves policies on employment agreements, severance arrangements and change in control agreements and provisions, as well as any special supplemental benefits, and (viii) retains outside counsel and other advisors as the committee may deem appropriate in its sole discretion. The committee has the sole authority to approve related fees and retention terms.

The Company's and the Bank's Board of Directors has adopted a written charter for the Compensation Committee. A copy of the Compensation Committee charter is available on our website, www.firstreliance.com.

Budget and Planning Committee. The Company's Budget and Planning Committee consists of A. Dale Porter, J. Munford Scott, Jr., Jeffrey A. Paolucci, and Leonard A. Hoogenboom. F.R. Saunders, Jr. and Jeffrey A. Paolucci. On November 24, 2006, First Reliance Bancshares, Inc. and its wholly owned subsidiary, First Reliance Bank (the Bank), entered into new employment agreements with F.R. Saunders, Jr., President and Chief Executive Officer of the Company and the Bank, and Jeffrey A. Paolucci, Senior Vice President and Chief Financial Officer of the Company and the Bank. The Bank also entered salary continuation agreements with

Messrs. Saunders and Paolucci.

Each of the employment agreements provides for an initial three year term, which is automatically extended at the end of each month for one additional month unless the Bank's board of directors determines that the term will not be extended. Once the Bank's board determines that the term will not be extended, the term is fixed at three years with no additional renewals. The employment agreements provided for an initial base salary for Mr. Saunders of \$275,000 and for Mr. Paolucci of \$165,000. Each executive's salary is to be reviewed annually by the Company's Board of Directors or the Board's Compensation Committee, and will be increased to reflect cost of living increases and may be increased otherwise. As of December 31, 2008, Mr. Saunders and Mr. Paolucci's annual base salaries had been increased to \$282,608 and \$181,261, respectively.

The employment agreements provide that the Company will reimburse the executive for disability insurance that he maintains and will pay an additional amount to the executive to cover any state or federal income taxes associated with such reimbursement. The Company will also pay any initiation and membership assessments and dues in civic and social clubs of the executive's choice, although the executive remains responsible for personal expenses for use of such clubs. The agreement with Mr. Saunders also provides that the Company will provide the use of an automobile for business and personal use. The agreements with the executives also provide that the Company will maintain a long-term care insurance policy for each executive that will be fully paid up by the time the executive turns age 65.

If an executive is terminated without Cause or the executive terminates employment for Good Reason (as both terms are defined in the agreements), the executive is entitled to continue to receive for the unexpired term of his agreement (a) his base salary in effect at employment termination and (b) an annual bonus equal to the bonus earned for the calendar year ended immediately before the year in which the employment termination occurs. Additionally, the Company will continue to provide the executive with medical benefits and

10

continue to reimburse the executive for his disability insurance (including amounts to cover income taxes) until the earliest of (a) the executive becoming employed by the Company or another entity; (b) the executive turning 65; (c) the executive's death; or (d) the remaining term of the agreement. The Company will also continue to pay the premiums on the long-term care insurance until the policy for the executive is fully paid up. At the Company's option, it may pay a lump sum equal to the discounted cost of medical, disability, and long-term care (if applicable) coverage in lieu of continuing those benefits.

If an executive is terminated for Cause or the executive terminates employment other than for Good Reason, the executive is entitled to receive his base salary through the effective date of termination and any other benefits to which the executive may be entitled under the Company's benefit plans and policies in effect on the date of termination.

If the executive's employment is terminated because of disability, the executive is entitled to receive his base salary through the effective date of termination, any unpaid bonus or incentive compensation due to the executive for the preceding calendar year, any payments the executive is entitled to receive under the Company's disability insurance program, and any other benefits to which the executive may be entitled under the Company's benefit plans and policies in effect on the date of termination. Additionally, the Company will continue to provide the executive with medical benefits and continue to reimburse the executive for his disability insurance (including the additional amounts to cover income taxes) until the earliest of (a) the executive becoming employed by the Company or another entity; (b) the executive turning 65; (c) the executive's death; or (d) the remaining term of the agreement. For F.R. Saunders, Jr. and Jeffery A. Paolucci, the Company will also continue to pay the premiums on the long-term care insurance until the policy for the executive is fully paid up. At the Company's option, it may pay a lump sum equal to the discounted cost of medical, disability, and long-term care (if applicable) coverage in lieu of continuing those benefits.

Upon a Change in Control (as that term is defined in the agreement) of the Company, the Company will pay the executive a lump-sum payment in cash equal to three times the executive's annual compensation, consisting of base salary as of the date of the Change in Control plus any bonus or incentive compensation earned in the prior calendar year. In addition, the executive will become fully vested in any non-qualified plan, program or arrangement in which the executive participates if the plan, program or arrangement does not address the effect of a change in control.

The Company will further be obligated to make a gross-up payment to cover any excise tax obligations under Section 280G of the Internal Revenue Code for excess parachute payments that arise as a result of the employment agreement and any other plan or agreement that applies to the executive. This gross-up payment includes an initial amount to cover the excise tax that will apply to the excess parachute payments, as well as the income and excise taxes that apply to the payment of the initial amount.

The employment agreements also provide, for a period of one year after termination of employment, a covenant not to solicit employees and not to compete within a 15-mile radius of any office of the Company. These obligations survive any termination of the agreements, but are waived upon a Change in Control of the Company. The agreements provide for the reimbursement of legal fees, if any, paid by the executives for the enforcement of the employment agreements after a Change in Control. The employment agreements also allow the executive to select a law firm of his choice to represent him.

The salary continuation agreements provide that each executive will be entitled, upon reaching age 65, to an annual benefit for Mr. Saunders of \$321,842 and for Mr. Paolucci of \$225,308. If the executive is terminated for Cause, the executive will not be entitled to any benefit under the salary continuation agreement. In the event the executive's employment is terminated (other than for Cause) prior to reaching age 65 (including by reason of disability), the executive is entitled to receive the amount that fully amortizes the accrued balance existing immediately before the month in which the separation of service occurs beginning at age 65 for 15 years. If the executive dies prior to payment of all benefits, the executive's beneficiary is entitled to a lump sum in cash equal to the accrued balance existing at the executive's death.

In the event of a Change in Control of the Company prior to the executive reaching 65 or other separation of service, each executive is entitled to a lump sum payment equal to the expected accrual balance at age 65, not discounted to present value, of \$3,144,289 for Mr. Saunders and \$2,201,184 for Mr. Paolucci. If the

11

Change in Control occurs during the payment of normal retirement age benefits, early termination benefits or a disability benefits, the executive is entitled to a lump-sum payment of any remaining salary continuation benefit.

The Company will further be obligated to make a gross-up payment to cover any excise tax obligations under Section 280G of the Internal Revenue Code for excess parachute payments that arise as a result of the salary continuation agreement and any other plan or agreement that applies to the executive. This gross-up payment includes an initial amount to cover the excise tax that will apply to the excess parachute payments, as well as the income and excise taxes that apply to the payment of the initial amount.

The salary continuation agreements provide for the reimbursement of legal fees, if any, paid by the executives for the enforcement of the salary continuation agreements after a Change in Control. The salary continuation agreements also allow the executive to select a law firm of his choice to represent him.

If the executive dies before separation of service, the executive is entitled to any benefits under the endorsement split dollar agreement with that executive. The endorsement split dollar agreement provides the executive with a benefit equal to the death benefit under the life insurance policy or policies maintained by the Company on the life of the

executive, less the cash surrender value of the policy or policies.

Thomas C. Ewart, Sr. has an employment agreement with the Bank providing for his employment by the Bank for a term of three years commencing on April 23, 2003, except that the agreement will be extended automatically for additional one-year periods unless a party gives the other party proper non-renewal notice. The employment agreement provides Mr. Ewart with an initial annual salary of \$135,000, insurance coverage in the amount of at least two-times Mr. Ewart's base salary, reimbursement of certain membership dues, a \$25,000 unsecured line of credit, a secured \$67,025 loan, stock options equal to at least \$41,639 (which are subject to a pre-determined vesting schedule) and eligibility for annual bonus compensation to be set by the Bank.

Mr. Ewart's employment agreement also provides that the Bank or Mr. Ewart may terminate the agreement at any time and for any reason. For a period of one-year after termination, Mr. Ewart will be subject to various non-solicitation and non-compete provisions of his agreement.

TARP Executive Compensation Limitations. As a condition to the closing of the TARP capital purchase program transaction described below under Proposal No. 2, each of Messrs. F.R. Saunders, Jr., Ken Cox, Jr., Craig S. Evans, Thomas C. Ewart and Jeffrey A. Paolucci (i) executed a waiver voluntarily waiving any claim against the U.S. Treasury or the Company for any changes to compensation or benefits arrangements that are required to comply with any regulations issued by the U.S. Treasury under the TARP capital purchase program and acknowledging that the regulations may require modification of their compensation, bonus, incentive, and other benefit plans, arrangements, and policies and agreements as they relate to the period that the Treasury holds any securities of the Company acquired through the TARP capital purchase program; and (ii) entered into an agreement with the Company amending certain of the Company's benefit plans as may be necessary, during the period that the U.S. Treasury owns any securities of the Company acquired through the TARP capital purchase program.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's directors and officers and persons who own beneficially more than 10% of the Company's outstanding common stock to file with the SEC initial reports of ownership and reports of changes in their ownership of the Company's common stock. Directors, executive officers and greater than

10% shareholders are required to furnish the Company with copies of the forms they file. To our knowledge, based solely on a review of these reports and representations from our directors and officers, our directors and officers filed all reports required by Section 16(a), except that Andrew G. Kampiziones reported four transactions on a Form 5 that should have been reported on Form 4 reports within two business days of each transaction.

RELATED PARTY TRANSACTIONS

The Company and the Bank have banking and other business transactions in the ordinary course of business with directors and officers of the Company and the Bank and their affiliates, including members of their families, corporations, partnerships or other organizations in which such directors and officers have a controlling interest. These transactions take place on substantially the same terms as those prevailing at the same time for comparable transactions with unrelated parties.

The Company recognizes that related party transactions can present potential or actual conflicts of interest and create the appearance that the Company's decisions are based on considerations other than the Company's and its shareholders' best interests. Therefore, the Board of Directors has adopted the following practices and procedures with respect to related party transactions.

13

For the purpose of the procedures, a related party transaction is a transaction in which the Company or the Bank participates and in which any related party has a direct or indirect material interest, other than transactions available to all employees or customers generally.

Under the Company's procedures, any related party transaction must be reported to the Board of Directors and may be consummated or may continue only (i) if the Board of Directors approves or ratifies such transaction and if the transaction is on terms comparable to those that could be obtained in arms-length dealings with an unrelated third party, (ii) if the transaction involves compensation that has been approved by Compensation Committee, or (iii) if the transaction has been approved by the disinterested members of the Board of Directors. The Board of Directors may approve or ratify the related party transaction only if the Board determines that, under all of the circumstances, the transaction is in the best interests of the Company.

On November 20, 2008, the Company purchased approximately 6.4 acres of land for \$3,950,000 from SP Financial, LLC, which is a single asset limited liability company having as its only two members F.R. Saunders, Jr., and Jeffrey A. Paolucci, who are both corporate officers of the Bank and the Company. Approximately 5.3 acres of the property were, prior to such purchase, under lease from SP Financial, LLC at a base rent of \$24,000 per month, plus taxes and other costs. This lease was terminated upon completion of the purchase transaction.

During 2007, John M. Jebaily, a director of the Company, earned brokerage commissions totaling \$48,000 on the Bank's purchases of real estate and \$25,000 on the Bank's leases of real property. During 2008, Mr. Jebaily earned brokerage commissions totaling \$175,393 on the Company's purchases of real property.

The Bank has employed certain employees who are related to the Company's Executive Officers and/or Directors. These individuals are compensated in accordance with the Bank's policies that apply to all employees.

From time to time, the Bank will make loans to the directors and officers of the Company and the Bank and their affiliates. None of these loans are currently on nonaccrual, past due, restructured or potential problem loans. All such loans were: (i) made in the ordinary course of business; (ii) made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable loans with persons not related to the Bank; and (iii)

did not involve more than the normal risk of collectibility or present other unfavorable features.

AUDIT COMMITTEE MATTERS

Audit Committee Report

The Audit Committee is responsible for providing independent, objective oversight of the Company's accounting functions and internal controls. Management is responsible for the Company's internal controls and financial reporting process. The independent accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with auditing standards generally accepted in the United States of America and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

The Audit Committee reports as follows with respect to the audit of the Company's 2008 audited consolidated financial statements.

The Audit Committee has reviewed and discussed the Company's 2008 audited consolidated financial statements with the Bank's and the Company's management;

The Audit Committee has discussed with the independent auditors, Elliott Davis, LLC, the matters required to be discussed by SAS 61, which include, among other items, matters related to the conduct of the audit of the Company's consolidated financial statements;

The Audit Committee has received written disclosures and the letter from the independent auditors required by ISB Standard No. 1 (which relates to the auditors' independence from the corporation and its related entities) and has discussed with the auditors the auditors' independence from the Company and the Bank; and

14

Based on review and discussions of the Company's 2008 audited consolidated financial statements with management and discussions with the independent auditors, the Audit Committee recommended to the Board of Directors that the Company's 2008 audited consolidated financial statements be included in the Company's Annual Report on Form 10-K.

Independent Registered Public Accounting Firm

The independent registered accounting firm of Elliott Davis, LLC served as the independent auditors for the Company for the year ended December 31, 2008, and have served as the Company's independent auditors since January 2, 2003. A representative of Elliott Davis, LLC is expected to be present at the 2009 Annual Meeting of Shareholders and will be given the opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions from shareholders.

Audit Fees

The following table shows the amounts paid by the Company to Elliott Davis, LLC for the last two fiscal years.

	2007	2008
Audit fees ⁽¹⁾	\$ 72,925	69,000
Audit-related fees ⁽²⁾		4,185
Tax fees ⁽³⁾	9,595	9,525
All other fees ⁽⁴⁾	475	30,300
Total Fees	\$ 82,995	113,010

Audit fees consisted primarily of the audit of the Company's annual consolidated financial statements and for (1) reviews of the condensed consolidated financial statements included in the Company's quarterly reports on Form 10-Q. These fees include amounts paid or expected to be paid for each respective year's audit.

(2) Audit-related fees consist primarily of limited consultations in assisting with the planning and documentation requirements for the Sarbanes-Oxley Act and consultations regarding TARP Capital Purchase Program.

(3) Tax fees represent the aggregate fees billed in each of the last two fiscal years for professional services rendered by Elliott Davis, LLC for preparation of federal and state income tax returns and assistance with tax estimates.

(4) All other fees include preparation of Forms 5500.

The services provided by the Elliott Davis, LLC were pre-approved by the Audit Committee to the extent required under applicable law. The Audit Committee pre-approves all audit and allowable non-audit services, but does not have a specific pre-approval policy. The Audit Committee has determined that the rendering of non-audit professional services, as identified above, is compatible with maintaining the independence of the Company's auditors.

PROPOSAL NO. 2: NON-BINDING RESOLUTION APPROVING COMPENSATION OF THE COMPANY'S EXECUTIVE OFFICERS

General

On March 6, 2009, the Company completed a transaction with the United States Treasury under the Troubled Asset Relief Program Capital Purchase Program (TARP CPP). Under the TARP CPP, the Company sold 15,349 shares of its Series A Cumulative Perpetual Preferred Stock, which bears an initial dividend rate of 5% increasing to 9% after five years, to the Treasury. In addition, the Treasury received a warrant to purchase 767 shares of the Company's Series B Cumulative Perpetual Preferred Stock, which bears a dividend rate of 9%, which was immediately exercised by the Treasury for a nominal exercise price. One of the conditions of the TARP CPP is that the Company comply with certain limits on its compensation of its executive officers.

The original limitations of the TARP CPP were amended by the enactment of the American Recovery and Reinvestment Act of 2009 (the ARRA) on February 17, 2009. ARRA requires the Company, for so long as any obligation arising from the Company's participation in the TARP CPP remains outstanding, to submit to its shareholders a non-binding vote on the compensation of the Company's senior executive officers, as disclosed in this Proxy Statement.

By the terms of ARRA, this vote by shareholders (i) is not binding on the Board of Directors of the Company, (ii) is not to be construed as overruling any decision by our Board of Directors; and (iii) does not create or imply any

additional duties by our Board of Directors.

Executive Compensation

The Company believes that its compensation programs, which are reviewed and recommended by the Compensation Committee and approved by the Board of Directors, promote a philosophy of pay for performance and are strongly aligned with the long-term interests of shareholders. Like most community banks, the recent and ongoing financial downturn had a significant negative impact on the Company's 2008 results of operations and on the price of the Company's common stock. Consistent with the objective of aligning the compensation of the Company's executive officers with the annual and long-term performance of the Company and the interests of the Company's shareholders, these factors were also reflected in the compensation of the Company's senior executive officers for 2008.

The Board of Directors and management believe that the compensation paid to the senior executive officers as disclosed elsewhere in this proxy statement is reasonable and competitive. The Board uses various methods and analyses in setting the compensation for the senior executive officers, including but not limited to reliance on compensation surveys of peer financial institutions, review of publicly available information on the compensation practices of other institutions in our market, and reliance on compensation consultants for certain executive benefits.

The Board of Directors and the Compensation Committee currently are reviewing all compensatory arrangements to ensure they comply with the executive compensation limits applicable under the TARP CPP. The Treasury Secretary has yet to publish implementing guidelines or regulations under the newly enacted compensation limits in ARRA. The Company is monitoring this matter, and will implement the limits in conformance with published guidelines. Any required amendments to our compensation arrangements will be made in compliance with applicable deadlines. Finally, the Company is taking reasonable steps to operate such arrangements in compliance with the limits under the TARP CPP based on the statutory language contained in ARRA.

The Board of Directors strives to pay fair compensation to its senior executive officers, and all employees, and believes its compensation practices are reasonable.

As required by the ARRA and the guidance provided by the SEC, the Board of Directors has authorized a shareholder vote on the Company's executive compensation plans, programs and arrangements as reflected in the disclosures regarding senior executive officer compensation provided in the various tables included elsewhere in this Proxy Statement, the accompanying narrative disclosures and the other compensation information provided in this Proxy Statement. This proposal, commonly known as a "say on pay" proposal, gives

16

the Company's shareholders the opportunity to endorse or not endorse the Company's executive pay program and policies through the following resolution:

Resolved, that the shareholders of the Company approve the compensation of the Companies executive officers, as described in the Company's Proxy Statement for the 2009 Annual Meeting of Shareholders.

Vote Required to Approve Proposal

The approval of the non-binding resolution approving the compensation of the Company's executive officers as described in this Proxy Statement requires approval by the affirmative vote of the holders of shares of common stock representing a majority of the votes cast at the meeting. Because this shareholder vote is advisory, it will not be

binding upon the Board of Directors. However, the Compensation Committee may take into account the outcome of the vote when considering future executive compensation arrangements.

The Board of Directors Recommends a vote for the approval of the non-binding resolution approving the compensation of the Company's executive officers as described in this Proxy Statement.

SHAREHOLDER COMMUNICATIONS

Shareholder Proposals. To be included in the Company's annual proxy statement, shareholder proposals not relating to the election of directors must also be received by the Company at least 120 days before the one-year anniversary of the mailing date for the prior year's proxy statement. The Company's Bylaws require that the shareholder's proposal notice describe:

the proposal and the reason it is being brought before the meeting;
the shareholder's name and address and the number of shares he or she beneficially owns; and
any material interest of the shareholder in the proposal.

Rule 14a-8 promulgated by the SEC provides additional information regarding the content and procedure applicable to the submission of shareholder proposals to be included in the Company's 2009 proxy statement. To the fullest extent permitted by applicable law, the Board of Directors have the discretion to determine whether a shareholder's proposal is a proper business matter. Accordingly, the Board may, if warranted under the circumstances, deny the shareholder's request upon written notice to the shareholder stating its reason for such denial.

In order for a shareholder proposal to be considered at the 2009 annual meeting, notice of the proposal was required to be delivered to the Secretary of the Company on or before December 31, 2008. The Company did not receive notice of any shareholder proposals to be presented at the 2009 meeting.

Shareholder Communications. Shareholders wishing to communicate with the Board of Directors or with a particular director may do so in writing, addressed to the Board or to the particular director, and sending it to the Secretary of the Company at the Company's principal office at 2170 W. Palmetto Street, Florence, South Carolina 29501. The Secretary will promptly forward such communications to the applicable director or to the Chairman of the Board for consideration at the next scheduled meeting.

Submission Deadline for Next Year's Annual Meeting. To be included in the Company's 2009 proxy statement, shareholder nominations and proposals submitted for consideration at the 2009 annual meeting of shareholders must be received by the Company no later than December 30, 2009. Generally, the proxyholder(s) disclosed in the Company's proxy statement shall have the discretionary authority to vote upon any shareholder proposal not included in the Company's proxy materials.
