Item 8.01. Other Events.

On August 19, 2010, the Company received a cash payment of \$427,700 from the escrow agent under its tax escrow agreement. As previously disclosed in the Company's Quarterly Report on Form 10-Q for the quarter ended June 30, 2010, during that quarterly period a contingent tax liability was reduced by \$427,700 based primarily on the expiration of the federal statute of limitations relating to certain 2006 income. In addition, as stated in such Quarterly Report, the Company expected that the \$427,700 will be released from the escrow account during the quarter ending September 30, 2010 based on the reduction in the contingent tax liability. The August 19th payment represents the payment of those expected funds.
