Item 8.01 — Other Events

On November 9, 2011, Park National Corporation (“Park”) filed its Quarterly Report on Form 10-Q (the “Third Quarter Form 10-Q”) discussing financial results and management’s discussion and analysis for the three and nine months ended September 30, 2011. Within the Third Quarter Form 10-Q, management included discussion of sales of other real estate owned (OREO) held at Vision Bank and SE Property Holdings LLC (SE Property Holdings), a subsidiary of Park’s parent company, through the first nine months of 2011. Through September 30, 2011, sales of OREO resulted in proceeds of approximately \$10.8 million for assets with a book value prior to sale of approximately \$10.4 million, resulting in a gain of \$448,000.

Throughout 2011, OREO devaluations have been significant as a result of new real estate appraisals, many of which showed declines in property values when compared to the appraisals received in 2010. As discussed in Park’s Third Quarter Form 10-Q, OREO devaluations for Park were \$1.7 million for the third quarter of 2011 and \$11.3 million for the first nine months of 2011. The majority of these devaluations related to OREO assets held by Vision Bank or SE Property Holdings. Through November 18, 2011, OREO devaluations at Vision Bank and SE Property Holdings were \$10.0 million, while total OREO devaluations for Park were \$11.4 million.

Management expects that OREO devaluations will be much less during the fourth quarter of 2011, as most of the OREO has already been reappraised in 2011 and management believes values have started to stabilize in Vision Bank’s markets. During the fourth quarter of 2011, management expects to receive new appraisals related to approximately \$2.5 million of OREO which have not previously been appraised in 2011.

SE Property Holdings continued to sell OREO properties in the fourth quarter, and in October 2011, held auctions in both Alabama and Florida to sell additional OREO properties. The table below provides the results of OREO sales and the OREO auction results.

SE Property Holdings, LLC
OREO Sales in Q4 2011

(\$ in thousands)	Book value	Cash received	Gain/(loss) on sale
OREO auction - closed sales	\$5,638	\$6,080	\$ 442
Other OREO sales – closed	2,966	2,778	(188)
Total OREO sales – closed	\$8,604	\$8,858	\$ 254
OREO auction sales expected to close in Q4 2011	1,213		
Total OREO sales through November 18, 2011	\$9,817		

Management expects that the remaining OREO auction sales will close during the fourth quarter of 2011 and result in a modest gain.

As discussed in the Third Quarter Form 10-Q, management considers the sales that have occurred in 2011 to be an indication that real estate prices within Vision Bank's footprint may be stabilizing. The OREO auction results provide further support of stabilization in the real estate market. The table below provides a rollforward of OREO assets from December 31, 2010 through November 18, 2011, incorporating information related to OREO devaluations and sales that have occurred throughout 2011.

December 31, 2010 through November 18, 2011

Net OREO balance November 18, 2011	\$ 30,265	\$ 702

Year to date, through November 18, 2011, sales of OREO properties (closed sales only) held at Vision Bank and SE Property Holdings have resulted in proceeds of approximately \$19.7 million for assets with a book value prior to sale of approximately \$19.0 million, resulting in a gain of \$702,000. Management plans to continue to aggressively market the remaining OREO assets of \$30.3 million in the SE Property Holdings portfolio.
