REASONS FOR ENTERING INTO THE ACQUISITIONS AND BENEFITS EXPECTED TO ACCRUE TO THE COMPANY

The reasons and benefits of the Acquisitions are:

1. The main purpose of the Acquisitions is to reorganise and intergrade the tourism business of the Group, which will better serve the Group's core business, and upgrade the Group from a traditional air passenger and freight carrier to an integrated modern aviation services provider.

2. The Acquisitions will also integrate the internal resources and realise the scale effect of tourism operation of the Group.

3. After the absorption of the former Shanghai Airlines Co., Ltd () through share exchange by the Company, its liabilities, business, personnel, contracts and all other rights and obligations have been vested with the Company, which led to competition with the existing business of our controlling shareholder, CEA Holding, in the areas of tourism operation and air tickets sale services. The Acquisitions can effectively reduce intra-group competition between the Company and CEA Holding in the areas of tourism operation and air tickets sales services, and can also minimize any possible conflict of interests between the Company and CEA Holding.

Accordingly, the Board resolved to acquire the interests in Xi'an Dongmei, Kunming Dongmei and Eastern Travel for a consideration determined with reference to their respective appraised value.

The terms and conditions of the Acquisitions were agreed after arm's length negotiations between the parties. The Directors (including the independent non-executive Directors) believe that the terms and conditions of the Acquisitions are fair and reasonable and in the interests of the shareholders of the Company as a whole.

LISTING RULES IMPLICATIONS

Eastern Tourism is a wholly-owned subsidiary of CEA Holding, which in turn is a substantial shareholder of the Company. Since the Xi'an Dongmei Acquisition, the Kunming Dongmei Acquisition and the Eastern Travel Acquisition form part of the same series of transactions between the Group and the CEA Holding Group involving purchases of certain companies engaging in tourism operation and air tickets sales services, they are treated as if they were one transaction pursuant to Listing Rule 14A.25.

In respect of the Xi'an Dongmei Acquisition and the Kunming Dongmei Acquisition, the relevant applicable percentage ratios set out in the Listing Rules, even if aggregated, are less than 0.1%. The resolution regarding considering and approving the Acquisitions has been passed at the fifth regular meeting of the Board held on 30 October 2012. As Mr. Liu Shaoyang (a Director and the chairman of the Company), Mr. Xu Zhao (a Director) and Mr. Gu Jiadan (a Director) are members of the senior management of CEA Holding, they may be regarded as having a material interest in the Acquisitions.
