CALCULATION OF REGISTRATION FEE

Title of Securities to be registered	Amount to be registered (1)	Proposed maximum offering price per share	Proposed maximum aggregate offering price (2)	Amount of registration fee
Common Stock, \$0.01 par value per share	403,302	\$4.52	\$1,356,000	\$184.96

(1) 103,302 shares of Common Stock of the Registrant were previously registered pursuant to the Registrant's Registration Statement on Form S-8, Registration No. 333-106111, filed on June 13, 2003 (the "2003 Registration Statement") with respect to the Versar, Inc. Employee 401(k) Plan (the "Plan"). The previously registered shares represented shares which were eligible for rollover from another plan by participants. The Registrant paid a registration fee of \$24 in connection with the registration of its Common Stock pursuant to the 2003 Registration Statement. This Registration Statement on Form S-8 is filed to register an additional 300,000 shares of Common Stock for issuance with respect to the Plan as a result of changes in the usage of the Plan. Therefore, the Registrant is paying an additional registration fee of \$183.73 with this Registration Statement. In accordance with General Instruction E to Form S-8, the Registrant incorporates by reference the contents of the 2003 Registration Statement. Upon a stock split, stock dividend or similar transaction in the future and during the effectiveness of this Registration Statement involving Common Stock of the Registrant, the number of shares registered shall be automatically increased to cover the additional shares in accordance with Rule 416(a) under the Securities Act of 1933, as amended. In addition, pursuant to Rule 416(c) under the Securities Act, this registration statement also covers an indeterminate amount of interests to be offered or sold pursuant to the Plan.

(2) Estimated solely for the purpose of calculating the amount of the registration fee in accordance with Rule 457(h)(1) under the Securities Act of 1933, as amended. The offering price is calculated pursuant to Rule 457(c) based on the average of the high and low sales prices (\$4.52 per share) for the Registrant's Common Stock as quoted on the NYSE MKT on March 18, 2013.

Item 9.Undertakings

The undersigned registrant hereby undertakes as follows:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.
- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to provisions pursuant to which the directors, officers or controlling persons may be indemnified by the registrant or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
