Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c)).

## **EXPLANATORY NOTE**

On January 6, 2014, MusclePharm Corporation ( “MSLP”), a Nevada corporation, filed a current report on Form 8-K (the “Current Report”) to disclose the consummation of the acquisition of substantially all of the assets of BioZone Pharmaceuticals, Inc. and its subsidiaries, BioZone Laboratories, Inc., and Bakers Cummins Corporation.

The sole purpose of this Amendment No. 1 to the Current Report is to amend such Current Report to correct the date of the report and the references to the closing date from January 6, 2014 to January 2, 2014 and to correct the incorporation by reference in Exhibit 2.1 to correctly reference the Current Report filed by MSLP with the Securities and Exchange Commission (the “SEC”) on November 13, 2013. This Amendment is an amendment and restatement of the original Current Report, in its entirety in order to provide a complete presentation.

### **Item 2.01 Completion of Acquisition or Disposition of Assets.**

On January 2, 2014, MusclePharm Corporation (the “MSLP”) and its newly formed Nevada subsidiary, BioZone Laboratories Inc. (the “Company”) closed its previously disclosed Asset Purchase Agreement (the “APA”) with BioZone Pharmaceuticals, Inc. (“BioZone”) and its subsidiaries, BioZone Laboratories, Inc., and Bakers Cummins Corporation (collectively, the “Seller”). At closing, the Company acquired substantially all of the operating assets of the Seller, including all assets associated with QuSomes, HyperSorb and EquaSomes drug delivery technologies and the name “Biozone”, “Biozone Laboratories” and similar names and domain names (and excluding certain assets including cash on hand). The closing was subject to certain conditions precedent including delivery of a fairness opinion to MSLP by its financial advisor, which MSLP has obtained.

The base purchase price under the APA was 1.2 million shares of the MSLP’s common stock, par value \$0.0001 per share, of which 600,000 shares were placed into escrow for a period of 9 months to cover indemnification obligations and which shares are also subject to repurchase from the escrow for \$10.00 per share in cash during the 9 month escrow period. The remaining 600,000 non-escrowed shares were issued to Biozone upon closing and are subject to a lockup agreement which permit private sales (subject to the lockup and certain leak out provisions).

MSLP will file financial statements as required under Securities and Exchange Commission rules within the time periods prescribed by those rules.

The foregoing descriptions of the APA are not complete and are qualified in their entirety by reference to Exhibits 2.1, referenced below. In addition, a copy of the press release regarding the closing is being filed as Exhibit 99.1 to this Form 8-K and is incorporated herein by reference in its entirety.

**Item 9.01. Financial Statements and Exhibits.**

(a)(b) The financial statements and pro forma financial information for MSLP will be reported on an amended Current Report on Form 8-K not later than March 12, 2014.

**(d) Exhibits.**

<b>Exhibit No.</b>	<b>Description</b>
--------------------	--------------------
