### **Item 1.01 Entry into a Material Definitive Agreement.**

On June 3, 2014, we entered into a Purchase Agreement with Merrill Lynch, Pierce, Fenner & Smith Incorporated (the “Initial Purchaser”) to sell \$100 million in aggregate principal amount of 4.875% Senior Convertible Notes due 2020 (the “Notes”), which amount does not include the Initial Purchaser’s 30-day right to purchase up to an additional \$15 million principal amount of the Notes (the “Purchase Agreement”). On June 3, 2014, we also entered into a Prepaid Forward Share Repurchase Agreement with an affiliate of the Initial Purchaser (the “Prepaid Forward Share Repurchase Agreement”) providing for us to use \$24 million of the funds we received from the Notes to prepay for the repurchase of our shares of common stock under such agreement. On June 9, 2014, we entered into an Indenture (the “Indenture”) with Wells Fargo Bank, National Association, as the Trustee for the Notes. The foregoing descriptions of the Purchase Agreement, Prepaid Forward Share Repurchase Agreement and the Indenture are qualified in their entirety by reference to the Purchase Agreement and the Indenture, copies of which are filed as exhibits to this Form 8-K and are incorporated by reference in this Item 1.01.

### **Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

On June 9, 2014, we issued \$100 million in aggregate principal amount of the Notes, pursuant to the Indenture. The Notes are our senior unsecured obligations, are entitled to semi-annual interest payments at a rate of 4.875% per annum and mature on June 1, 2020. The Notes are convertible into shares of our common stock at an initial conversion rate of 103.7613 shares of our common stock per \$1,000 principal amount of Notes (equivalent to approximately \$9.64 per share of common stock), subject to adjustment in certain circumstances. Upon conversion, the Notes will be settled in shares of our common stock. The foregoing description of the Notes is qualified in its entirety by reference to the Indenture and Form of Note, copies of which are filed as exhibits to this Form 8-K and are incorporated by reference in this Item 2.03.

### **Item 3.02 Unregistered Sales of Equity Securities**

As discussed above, the Company issued \$100 million aggregate principal amount of the Notes on June 9, 2014. The Initial Purchaser of the Notes received an aggregate discount of approximately \$4.0 million. The offer and sale of the Notes to the Initial Purchaser was not registered under the Securities Act of 1933, as amended (the “Securities Act”), in reliance upon the exemption from registration under Section 4(2) of the Securities Act as such transaction did not involve a public offering of securities. The Initial Purchaser then offered for resale the Notes to qualified institutional buyers pursuant to the exemption from registration provided by Rule 144A under the Securities Act. The Company relied on these exemptions from registration based in part on representations made by the Initial Purchaser.

Additional information is provided in Item 2.03 and is incorporated herein by reference to this Item 3.02.
