Lessee also has a right of first offer to lease with respect to certain space adjacent to the Facility. Base rent payments due under the Lease for the Facility are expected to be approximately \$2 million in the aggregate over the initial seven year term of the Lease. The Lessee is also responsible for certain other costs under the Lease, such as certain operating expenses, taxes, assessments, insurance, and utilities.

The foregoing summary of the terms and conditions of the Lease and the Guaranty does not purport to be complete and is qualified in its entirety by reference to the full text of the aforementioned documents, which are filed as exhibits hereto.
