**Item 8.01 Other Events.**

On May 23, 2016, Rowan Companies plc and certain related entities entered into an agreement with its customer, Freeport-McMoRan Oil & Gas, LLC (FMOG), and FMOG's parent company, Freeport-McMoRan Inc. (Freeport), in connection with a drilling contract for the drillship *Rowan Relentless*, which contract was scheduled to terminate in June 2017.

The agreement provides that the drilling contract will be terminated immediately, and Freeport will pay Rowan \$215 million in cash to settle outstanding receivables and early termination of the contract. Rowan may also receive additional contingent payments from Freeport of \$10 million and \$20 million, respectively, depending on the average price of oil over a 12-month period. In addition, Rowan expects to reduce its costs for the *Rowan Relentless* by efficient warm stacking of the rig.
