You are cordially invited to attend the annual meeting of the stockholders (the “Annual Meeting”) of STAAR Surgical Company (“STAAR” or the “Company”). The Annual Meeting will be held on Tuesday, June 13, 2017 at 8:30 a.m. (Pacific time), at STAAR’s headquarters at 1911 Walker Avenue, Monrovia, California, 91016.

The actions we expect to take at the Annual Meeting are described in detail in the attached Notice of Annual Meeting of Stockholders and Proxy Statement.

Please use this opportunity to take part in the affairs of STAAR by voting on the business to come before the Annual Meeting.

If you are a record holder of STAAR’s Common Stock at the close of business on April 14, 2017, you are eligible to vote on these matters, either by attending the Annual Meeting in person or by proxy. It is important that your shares be voted, whether or not you plan to attend the Annual Meeting, to ensure the presence of a quorum. Therefore, please follow the instructions for Internet or telephone voting on the Notice Regarding the Availability of Proxy Materials you received for the meeting or, if you received a paper copy of the proxy materials, and you wish to vote by mail, complete, date, sign, and return the accompanying proxy in the enclosed postage-paid envelope. Returning the proxy or voting electronically does NOT deprive you of your right to attend the Annual Meeting and vote your shares in person at the Annual Meeting.

We are pleased this year to again take advantage of the Securities and Exchange Commission rule allowing companies to furnish proxy materials to their stockholders over the Internet. We believe that this e-proxy process expedites stockholders’ receipt of proxy materials, while lowering the costs and reducing the environmental impact of our annual meeting. Stockholders receiving e-proxy materials have been sent a notice containing instructions on how to access the proxy statement and annual report over the Internet and how to vote.

Thank you for your continued support of STAAR Surgical.

Sincerely,

Caren Mason
President and Chief Executive Officer

STAAR SURGICAL COMPANY

PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

To Be Held June 13, 2017

The Board of Directors of STAAR Surgical Company is soliciting your proxy for use at the 2017 Annual Meeting of Stockholders to be held on Tuesday, June 13, 2017. The Board of Directors is making proxy materials available on the Internet to stockholders on or about _____, 2017.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING AND VOTING

Q: Why are you providing this proxy statement?

A: The Board of Directors is soliciting your proxy to vote at the Annual Meeting because you were a stockholder at the close of business on April 14, 2017—the “Record Date” for the Annual Meeting—and as such you are entitled to vote at the meeting. STAAR has made the proxy statement and related materials available to you on the Internet, in connection with this solicitation.

Q: What is included in the proxy materials that I should read?

A: The proxy materials include the following:

• this Proxy Statement; and

• our Annual Report on Form 10-K for fiscal year 2016.

Q: What is the voting requirement to elect the directors and to approve each of the proposals?

In Proposal No. 1, the election of directors, the five persons receiving the highest number of affirmative votes will be elected, subject to STAAR's Director Resignation Policy. Abstentions and broker non-votes have no effect on the vote.

In Proposal No. 2, the adoption of amendments to STAAR's existing Amended and Restated Certificate of Incorporation ("COI") to effect certain changes reflecting current practices in corporate governance and to make certain ministerial and conforming changes, requires the affirmative vote of the holders of at least two-thirds of the outstanding shares of common stock entitled to vote on the proposal. Abstentions and broker non-votes will have the same effect as a vote "AGAINST" this proposal.

In Proposal No. 3, the approval of amendments to the Amended and Restated Bylaws ("Bylaws") to effect certain changes reflecting current practices in corporate governance and to make certain ministerial and conforming changes, requires the affirmative vote of holders of at least two-thirds of the outstanding shares of common stock entitled to vote on the proposal. Abstentions and broker non-votes have the same effect as a vote "AGAINST" this proposal.

In Proposal No. 4, the adoption of an amendment to the COI to increase the minimum number of authorized directors from three to five, requires the affirmative vote of the holders of at least two-thirds of the outstanding shares of common stock entitled to vote on the proposal. Abstentions and broker non-votes have the same effect as a vote "AGAINST" this proposal.

In Proposal No. 5, the approval of an amendment to the Bylaws to increase the minimum number of authorized directors from three to five, requires the affirmative vote of the holders of at least two-thirds of the outstanding shares of common stock entitled to vote on the proposal. Abstentions and broker non-votes have the same effect as a vote “AGAINST” this proposal.

In Proposal No. 6, the approval of an amendment to the COI to reflect that directors may be removed with or without cause, requires the affirmative vote of holders of at least two-thirds of the outstanding shares of common stock entitled to vote on the proposal. Abstentions and broker non-votes have the same effect as a vote “AGAINST” this proposal.

In Proposal No. 7, the approval of an amendment to the Bylaws so as to reflect that directors may be removed with or without cause, requires the affirmative vote of the holders of at least two-thirds of the outstanding shares of common stock entitled to vote on the proposal. Abstentions and broker non-votes have the same effect as a vote “AGAINST” this proposal.

In Proposal No. 8, the ratification of the appointment of BDO USA, LLP as our independent registered public accounting firm for the year ending December 29, 2017, requires the affirmative vote of a majority of voting power present in person or by proxy and entitled to vote on the proposal. Abstentions have the same effect as a vote “AGAINST” this proposal. Brokers may vote on this proposal if not instructed by their clients.

Proposal No.9 is an advisory vote to approve the compensation of our named executive officers. The vote standard is a majority of the shares of common stock present in person or by proxy and entitled to vote on the proposal. Abstentions have the same effect as a vote “AGAINST” the proposal. Broker non-votes have no effect because under applicable stock exchange rules they are not entitled to vote on this proposal.

Proposal No.10 is an advisory vote on the frequency of future advisory votes to approve named executive officer compensation (whether every one, two or three years). The vote standard is a majority of the shares of common stock present in person or by proxy and entitled to vote on the proposal. Abstentions have the same effect as a vote “AGAINST” the proposal. If none of the frequencies receive the affirmative vote of a majority of the shares of common stock present in person or by proxy and entitled to vote on the proposal, we will consider the frequency receiving the highest number of affirmative votes to be the selection of our stockholders. Broker non-votes have no effect because under applicable stock exchange rules they are not entitled to vote on this proposal.

Q: What are “broker non-votes”?

If a beneficial owner fails to give voting instructions for matters submitted to stockholders at the 2017 Annual Meeting, the stock broker, bank or other nominee will be able to vote the beneficial owner's shares on routine proposals such as the proposal to ratify the selection of our independent registered public accountant, but may not vote the shares on non-routine proposals, which includes all other matters currently proposed at the 2017 Annual Meeting. When a broker or nominee votes a client's shares on routine proposals, those shares are included in the vote (and in establishing a quorum for the meeting) but they will not be counted toward the approval of non-routine proposals as to which brokers are not entitled to vote. These missing votes are called "*broker non-votes*." Broker non-votes have a variable effect on the approval or disapproval of proposals, as described above under the answers to the question "*What is the voting requirement to elect the directors and to approve each of the proposals?*"

Q: What is the difference between holding shares as a stockholder of record and as a beneficial owner?

A: If you hold shares through a stock certificate registered directly in your name with STAAR's transfer agent, American Stock Transfer & Trust Company, you are a stockholder of record with respect to those shares.

If you hold shares in a stock brokerage account or through a bank or other nominee, you are considered the “beneficial owner” of shares held in street name. As the beneficial owner, you have the right to instruct your broker, bank or nominee how to vote your shares by the various methods described below.

Q: How do I vote before the Annual Meeting?

A: There are three ways to vote before the meeting:

By Internet. If you have Internet access, we encourage you to vote on www.proxyvote.com by following instructions on the proxy card.

By telephone. You may vote by making a toll-free telephone call from the U.S. or Canada to 1-800-690-6903.

By mail. You can vote by mail by requesting a paper copy of the materials, which will include a proxy card. Please see the instructions on the Notice of Availability of Proxy Materials.

Q: How can I vote at the Annual Meeting?

A: If you are a stockholder of record, you may vote in person at the Annual Meeting, or vote through a representative at the meeting by executing a proper proxy designating that person.

If you are a beneficial owner and wish to vote in person, you must obtain a legal proxy from your broker, bank or nominee and present it to the inspectors of election with your ballot at the Annual Meeting.

Q: How many votes do I have?

A: You are entitled to one vote for each share of common stock that you hold.

Q: Can I cumulate votes?

A: No, STAAR does not have cumulative voting for directors. This means you have one vote per share for each of the five seats subject to election.

Q: What can I do if I change my mind after I vote my shares?

A: If you change your mind, you can revoke your proxy by any of the following methods:

• By voting again by proxy over the Internet or by telephone until 11:59 p.m. on June 12, 2017—only your last Internet or telephone vote will be counted.

• By mailing a new proxy card.

If you are a record holder, by attending the Annual Meeting and voting in person; attending the Annual Meeting in person will not automatically revoke your proxy unless you vote again at the Meeting or file a written revocation with STAAR's Secretary at or before the Annual Meeting.

If you are a beneficial holder, you may submit new voting instructions by contacting your broker, bank or nominee. You may also vote in person at the Annual Meeting if you obtain a legal proxy from your broker, bank or nominee and present it to the inspectors of election with your ballot at the Annual Meeting.

Q: Who will count the vote?

A: An automated system independently maintained by Broadridge Financial Solutions, Inc. will tabulate the vote and submit the results to officers of STAAR who will be designated as the inspectors of election.

Q: What constitutes a quorum?

As of the record date, [40,911,810] shares of common stock were issued and outstanding. A majority of the outstanding shares, or [20,455,906] shares, present or represented by proxy, constitutes a quorum for the purpose of electing directors and adopting proposals at the Annual Meeting. If you submit a properly executed proxy, then you will be considered part of the quorum. Abstentions and broker non-votes are also included in establishing a quorum.

Q: Who can attend the Annual Meeting?

Any stockholder as of the Record Date may attend the Annual Meeting. Stockholders of record will be required to show valid identification. Beneficial owners must request admission in advance of the meeting by writing to the Office of the Secretary, STAAR Surgical Company, 1911 Walker Ave., Monrovia, California 91016, or faxing the request to (626) 358-3049. You must provide evidence of your ownership of shares with your request, which you can obtain from your broker, bank or nominee. We encourage you or your broker to fax your request and proof of ownership in order to avoid any mail delays.

Q: What authority does my broker have to vote my shares?

If you are a beneficial owner holding your shares through a broker or other nominee, and you do not return your voting instruction card to your broker, the broker or other nominee has the ability to vote your shares at the Annual Meeting on matters that are defined as “routine” under applicable rules. The ratification of the selection of BDO USA, LLP to serve as our independent registered public accountants is considered a routine matter on which brokers will generally have the discretion to give a proxy to vote common stock. None of the other proposals at the Annual Meeting is considered routine and your broker has no authority to vote on them.

Q: What happens if a nominee for director is unable to serve?

If a nominee becomes unavailable for election—a circumstance we do not expect—the proxy holders may vote for a substitute nominee designated by the Board of Directors.

Q: When are stockholder proposals due for the 2018 Annual Meeting?

If a stockholder seeks to include a proposal in the proxy statement for STAAR’s 2018 Annual Meeting, our corporate Secretary must receive the proposal at our offices at 1911 Walker Avenue, Monrovia, California 91016 no later than January 4, 2018 in a form that complies with the regulations of the Securities and Exchange Commission (the “SEC”). If we advance or delay the date of the 2018 Annual Meeting more than 30 days from the anniversary date of the 2017 Annual meeting, stockholder proposals intended to be included in the proxy statement

for the 2018 Annual Meeting must be received by us within a reasonable time before STAAR begins to print and mail the proxy statement for the 2018 Annual Meeting. If we determine that the date of the 2018 annual meeting will be advanced or delayed by more than 30 days from the anniversary date of the 2017 Annual Meeting, we will disclose the change in the earliest practicable Quarterly Report on Form 10-Q or in a Current Report on Form 8-K.

Q: Can stockholders propose individuals to be considered as nominees for the 2017 Annual Meeting?

Our Bylaws provide that stockholders may nominate candidates for the Board of Directors or present other business at our annual meeting only if they have given timely notice to the Secretary of STAAR, at our principal executive offices not less than 90 days nor more than 120 days prior to the first anniversary of the preceding year's annual meeting. Stockholders are advised to review the Bylaws, which contain additional requirements with respect to advance notice of stockholder proposals.

Q: *Who bears the costs of soliciting proxies?*

STAAR will bear the costs of this solicitation, including the expense of preparing, printing, assembling and mailing this Proxy Statement and any other material used in this solicitation of Proxies. We expect officers and regular employees of STAAR to communicate with stockholders, banks, brokerage houses, custodians, nominees and others by telephone, facsimile, email or in person to request that Proxies be furnished. No additional compensation will be paid for these services. We will reimburse banks, brokerage firms and other persons representing beneficial owners of Common Stock for their reasonable out-of-pocket expenses in forwarding solicitation materials to the beneficial owners.

Q: *Will other business be presented at the Annual Meeting?*

As of the date of this Proxy Statement, the Board of Directors knows of no business to be presented for consideration at the Annual Meeting other than those matters described in the Notice of Annual Meeting. If, however, other matters are properly brought before the Annual Meeting, including a motion to adjourn the Annual Meeting to another time or place in order to solicit additional proxies in favor of the recommendations of the Board of Directors, the proxy holders intend to vote the shares represented by the Proxies on such matters in accordance with the recommendation of the Board of Directors, and the authority to do so is included in the Proxy.

CORPORATE GOVERNANCE

Since our 2016 Annual Meeting of Stockholders, we have had ongoing dialog with a number of our investors on a variety of topics including potential director candidates and a variety of governance and operational enhancements.

Director Resignation Policy for Uncontested Election of Directors

In an uncontested election of directors (i.e., an election where the only nominees are those recommended by the Board of Directors), any director nominee who receives a greater number of votes “withheld” from his or her election than votes “for” such election shall promptly tender his or her resignation to the Board of Directors following certification of the election results. Within 60 days following the certification of the election results, the Board of Directors, excluding the nominee or director in question, will decide, through a process managed by the Nominating and Governance Committee, whether to accept the resignation. Absent a compelling reason for the director to remain on the Board of Directors, the Board of Directors shall accept the resignation. The Board of Directors will promptly disclose its decision to accept or reject the tendered resignation, which disclosure shall include, if the tendered resignation is rejected, a summary of the reasons underlying their decision to reject the tendered resignation. The Board of Directors believes that this process enhances accountability to stockholders and responsiveness to stockholders’ votes, while allowing the Board appropriate discretion in considering whether a particular director’s resignation would be in the best interests of the Company and our stockholders in limited circumstances.

Special Meeting of Stockholders

Our Bylaws provide that a special meeting of stockholders may be called by the Board of Directors, the Chairman of the Board, the President, or the Secretary, and shall be called if appropriately requested by a person (or group of persons) beneficially owning in aggregate at least 35% of the Company’s common stock.

Stock Ownership Guideline

The Board of Directors has adopted guidelines relating to stock ownership. The Guideline provides that non-employee directors are expected, within three years of a non-employee director first joining the Board of Directors, to acquire and hold at least 10,000 shares of our common stock. Stock options do not count toward this requirement. From time to time the Board of Directors will consider and may reset the level of stock ownership that it considers appropriate for the guideline.

Code of Business Conduct and Ethics

STAAR has adopted a Code of Business Conduct and Ethics applicable to the principal executive officer and senior financial executives, including the Chief Financial Officer and the controller of STAAR, as well as all employees and directors of STAAR. The Code of Business Conduct and Ethics, is published on our website, at www.staar.com, under “Investor Information—Corporate Governance.” We intend to disclose future amendments to, or waivers from, certain provisions of the Code of Business Conduct and Ethics applicable to senior executives on our website.

Board of Directors Leadership Structure

Since 2005 the Board of Directors has kept the positions of Chief Executive Officer and Chairman separate and followed a policy that the Chairman shall be an independent director. The Board of Directors believes that this separation of roles serves the interests of our stockholders by not placing too much power in the hands of a single executive.

Board of Directors' Role in Risk Oversight

The Board of Directors is charged with general oversight of the management of STAAR's risks. Our management team is responsible for enterprise risk management on a day-to-day basis. The role of our Board of Directors and its committees is to oversee the risk management activities of management. When reviewing STAAR's strategy, business plan, budgets and major transactions the Board of Directors continuously examines the elements of risk in each proposed activity. Each of the Board of Directors' standing committees assists the Board of Directors in overseeing the management of risk in the area overseen by the committee. In particular, the Audit Committee assists the Board of Directors by systematically reviewing periodically a report from management on the risks related to such matters as financial reporting, internal controls, revenue recognition, treasury management, information technology, insurable risks, and compliance with legal and regulatory requirements. The Compensation Committee oversees risks related to our compensation programs and policies. The Nominating and Corporate Governance Committee assists the Board of Directors in fulfilling its oversight responsibilities with respect to the management of risks associated with board organization, membership and structure, and succession planning for our directors.

Bonus Recoupment Policy

This policy includes standards for seeking the return, or "claw-back," of bonus compensation paid to the Chief Executive Officer or Chief Financial Officer in certain circumstances following a restatement of STAAR's financial statements. The policy provides that if the relevant officer is adjudicated to have engaged in intentional misconduct or fraud, and the Board of Directors determines that the wrongful conduct directly or indirectly made the restatement necessary, we will seek reimbursement of any excess incentive award or bonus paid on the basis of financial performance. The excess incentive award that may be recovered is the difference, if any, between the amount actually paid to the relevant officer and the amount that would have been paid to the officer had the incentive award been calculated based on the financial statements as restated. The claw-back cannot be sought if more than five years have elapsed since the payment of the affected award or bonus, or following a change in control.

Compensation Policies and Practices Related to Risk Management

STAAR's Compensation Committee and Board of Directors have analyzed and continue to monitor whether STAAR's compensation practices with respect to executive officers or any of its employees create incentives for risk-taking that could harm STAAR or its business. The Compensation Committee and the Board of Directors have all determined that STAAR's compensation practices and policies do not create any risk that is reasonably likely to have a material adverse effect on STAAR.

Meetings of the Board of Directors

The Board of Directors held eight meetings during 2016. During 2016, each director attended more than 75% of the total number of Board of Directors meetings and meetings of the committees on which they then served. In addition to Board of Directors meetings, directors are kept informed of our business through personal meetings and other communications, including telephone and electronic contacts with our Chief Executive Officer and others regarding matters of interest and concern to us and our stockholders. Independent directors meet when they deem necessary in an executive session without management and at such other times as may be requested by any independent director.

It is the policy of STAAR to require members of the Board of Directors to attend the Annual Meeting of stockholders, if practicable. All incumbent directors attended the 2016 Annual Meeting of stockholders.

Committees

The Board of Directors has three committees: an Audit Committee, a Nominating and Governance Committee, and a Compensation Committee. The Board of Directors has adopted a written charter for each committee to provide for its organization and procedures and to delegate requisite authority for the committee to carry out its purposes.

Nominating and Governance Committee

The principal purposes of the Nominating and Governance Committee are to help ensure that the Board of Directors is appropriately constituted to meet its fiduciary obligations to stockholders and STAAR, and that STAAR has and follows appropriate governance standards. To carry out these purposes, in accordance with its written charter, the Committee periodically does the following:

- identifies individuals qualified to become directors, consistent with criteria approved by the Board of Directors;
- recommends the director nominees to be selected by the Board of Directors for the next annual meeting of stockholders;
- reviews best practices in corporate governance, and recommends to the Board of Directors stockholder-oriented improvements in corporate governance that may be applicable to STAAR; and
- oversees the evaluation of the Board of Directors and management.

In addition to the candidates proposed by the Board of Directors or identified by the Committee, the Committee considers candidates for director suggested by our stockholders in accordance with the procedures described in the Questions and Answers section in response to the question: “*Can stockholders propose individuals to be considered as nominees for the 2017 Annual Meeting?*” Stockholder nominations that comply with those procedures and that meet the criteria outlined below will receive the same consideration that the Committee’s nominees receive.

The process for evaluating prospective nominees for director, including candidates recommended by stockholders, includes meetings from time to time to evaluate biographical information and background material relating to prospective nominees, interviews of selected candidates by members of the Nominating and Governance Committee and other members of the Board, and application of our general criteria for director nominees set forth in our *Guidelines on Significant Corporate Governance Issues*. These criteria include, among other things, the prospective nominee’s integrity, business or other experience and expertise, and independence. The Committee believes that the backgrounds and qualifications of the directors considered as a group should provide a significant breadth of experience, knowledge and abilities to assist the Board in fulfilling its responsibilities.

In selecting nominees for the Board of Directors, the Committee evaluates the general and specialized criteria set forth above, identifying the relevant specialized criteria prior to commencement of the recruitment process, considers previous performance if the candidate is a candidate for re-election, and generally considers the candidate’s ability to

contribute to the success of STAAR.

The Nominating and Governance Committee believes that differences in background, professional experiences, education, skills and viewpoints will enhance the performance of the Board of Directors. The Company has not implemented a formal policy with respect to the consideration of diversity for the composition of the Board of Directors. However, the Nominating and Governance Committee and the Board of Directors believe that a diverse board leads to improved performance by encouraging new ideas, expanding the knowledge base available to management and other directors and fostering a culture that promotes innovation and vigorous deliberation. In considering nominees for service on the Board of Directors, the Nominating and Governance Committee takes into consideration the diversity of professional experience, viewpoints and skills of the current and prospective members of the Board of Directors. Examples of this include management experience, financial expertise, medical device industry experience, international experience, and educational background.

The Board of Directors' nominees for the Annual Meeting have been recommended by the Committee, and have been nominated by the Board of Directors. The Committee received no formal stockholder recommendations of candidates for election at the 2017 Annual Meeting.

The current members of the Nominating and Governance Committee are William P. Wall, who serves as chair, Stephen C. Farrell and Louis E. Silverman. Each member of the Nominating and Governance Committee is "independent" as that term is defined under the Listing Rules of the NASDAQ Stock Market. During 2016, the Nominating and Governance Committee held six meetings.

Compensation Committee

Under its written charter, the principal duties of the Compensation Committee are to help ensure that STAAR's compensation of its senior executives satisfies the following principal requirements:

- alignment with the compensation strategy of STAAR determined by the Board of Directors; and
- enabling STAAR to compete in recruiting and retaining qualified executive officers.

The Compensation Committee makes recommendations to the Board of Directors on all decisions for the total direct compensation of the named executive officers of STAAR, including base salary, annual bonus, long-term equity compensation and perquisites. The Compensation Committee also generally approves company-wide pay increases and discretionary compensation that may be allocated to non-executive employees by management. The Committee also administers STAAR's equity plan.

The current members of the Compensation Committee are Louis E. Silverman, who serves as chair, John C. Moore and William P. Wall. Each member of the Compensation Committee is "independent" as that term is defined under the Listing Rules of the NASDAQ Stock Market. During 2016, the Compensation Committee held four meetings.

Role of Compensation Consultant

The Compensation Committee has sole authority to retain and terminate a compensation consultant to assist in the evaluation of Chief Executive Officer or senior executive compensation. During 2016, the Committee consulted with Radford, an Aon Hewitt business unit, regarding a variety of topics. The Compensation Committee has assessed the independence of Radford considering the factors set forth in applicable SEC rules and the Listing Rules of the NASDAQ Stock Market and has concluded no conflicts of interest were raised by the work performed by Radford.

Audit Committee

The principal duties of the Audit Committee are to oversee (i) the quality and integrity of STAAR's financial statements, (ii) the qualifications and independence of STAAR's independent registered public accounting firm, and

(iii) the performance of STAAR's independent registered public accounting firm.

The current members of the Audit Committee are Stephen C. Farrell who serves as chair, John C. Moore, and William P. Wall. Each member of the Audit Committee is "independent" as that term is defined under the Audit Committee rules of the SEC and the Listing Rules of the NASDAQ Stock Market. STAAR has determined that Messrs. Farrell and Wall each qualify as an "audit committee financial expert" under the rules of the SEC. In 2016 the Audit Committee met four times.

Stockholder Communications with Directors

Stockholders may communicate with the chairman of our Audit Committee or the chairman of our Nominating and Governance Committee, or with our outside directors as a group, by writing to such persons c/o Office of the Secretary, STAAR Surgical Company, 1911 Walker Avenue, Monrovia, California 91016.

The corporate Secretary distributes communications to the Board of Directors or to any individual director or directors, as appropriate, depending on the facts and circumstances outlined in the communication. In that regard, the Board of Directors has requested that certain items that are unrelated to the duties and responsibilities of the Board of Directors should be excluded, such as the following:

junk mail and mass mailings;

new product suggestions; and

resumes and other forms of job inquiries.

In addition, material that is unduly hostile, threatening, illegal or similarly unsuitable will be excluded, with the provision that any communication that is excluded must be made available to any outside director upon request.

Communications that include information better addressed by the ethics hotline supervised by the Audit Committee will be forwarded to the hotline.

Compensation Program Objectives and Rewards

Compensation Philosophy. The Company is dedicated to optimizing shareholder value and designed our 2016 compensation program to focus on Board-approved financial and non-financial objectives. In the Committee's deliberations, management other than the Chief Executive Officer, is involved only to the extent of providing Company performance and market information and recommendations. Our Chief Executive Officer does not participate in the determination of her own compensation, but joins with the full Board of Directors in the determination of compensation of other named executive officers.

The Committee periodically reviews the Radford Global Life Sciences Survey as well as benchmark data regarding our peer group. This data is used to assess the general competitiveness of our compensation program, and to assist the Committee and the Board of Directors in making compensation decisions.

The Committee has utilized the services of Radford, a third-party consulting firm, as its compensation consultants since 2013. During 2016, the Committee solicited periodic advice and analysis from Radford regarding our compensation practices and programs as well as overall industry compensation trends and dynamics.

The 2016 peer group which was originally recommended by Radford in 2013 and subsequently reviewed and recommended by the Committee and approved by the Board of Directors consisted of the following companies. Some companies in the original peer group are no longer included due to certain merger and acquisition activities in the industry. The members of our peer group for 2016 are:

AngioDynamics	Merit Medical Systems, Inc.
Anika Therapeutics	Endologix, Inc.
AtriCure, Inc.	Cynosure, Inc.
Cardiovascular Systems, Inc.	Syneron Medical, Ltd.

CryoLife, Inc.
Cutera, Inc.

The Spectranetics Corporation
Vascular Solutions, Inc.

The peer group was chosen in 2013 on the basis of industry (medical devices), revenue (between .25x and 4.0x our revenue in 2013), and market capitalization (between .25x and 4.0x our market cap in 2013). We use our peer group as one element of reviewing the appropriateness and competitiveness of our executive compensation plan.

The Committee's objective is to frame compensation policies and decisions based on (a) overall Company performance and (b) a target base salary at or near the 50th percentile of our peer companies, and (c) a target for total compensation, consisting of base salary, cash bonus potential and long-term equity incentives, at or near the 75th percentile of our peer companies based on achievement of Board-approved metrics.

2016 Results of Advisory Vote to Approve Compensation of Named Executive Officers. At our Annual Meeting held on June 24, 2016 stockholders representing approximately 97% of the voting power present in person or by proxy and entitled to vote on the proposal approved the compensation of our named executive officers. After considering our ability to retain our key executives, attract talented new executives, and the results of the advisory vote attained in 2016, the Committee concluded that we did not need to make substantial changes to the Company's compensation policies. Nevertheless, the Committee periodically evaluates our compensation policies and considers from time to time changes that might more closely align the interests of our executive and other officers with our shareholders. As a result, for 2016, we increased the relative weighting of financial performance and financial management vs. achievement of non-financial objectives for funding the 2016 bonus pool.

Elements of Compensation

The elements of compensation that may be earned by our named executive officers include base salary, annual cash bonus, and equity compensation. All components of each named executive officer's compensation are annually reviewed in the context of company performance and individual performance, and in relation to peer group and survey data.

Base Salaries. The Committee, with input from the Chief Executive Officer, reviews, considers and approves base salaries at a level necessary to attract and retain the talent the Company needs to achieve its plans. The Board of Directors generally reviews base salaries in the first quarter of each year and approves any changes based upon market data, reviews the executives' performance as provided by the CEO, scope of responsibility, and past and potential contribution to our business. For 2016, named executive officer salaries increased 2-4% over 2015 levels, consistent with base salary increases company-wide and industry-wide.

Annual Cash Bonuses. A substantial element of each named executive officer's compensation opportunity is the ability to earn annual performance-based cash bonuses, which are earned based upon achievement of and contribution to specific corporate financial and non-financial objectives. The Board of Directors has exclusive authority, acting on the recommendation of the Committee, to approve bonuses to our named executive officers as an incentive for performance against established financial and non-financial performance criteria.

For 2016, the Committee and the Board of Directors approved an Incentive Bonus Plan for both executive and non-executive management that is designed to be funded in whole or in part based on STAAR meeting or exceeding specific revenue, earnings per share ("EPS"), and year-end cash-on-hand metrics as well as meeting specific non-financial objectives. To allow for an accurate year-over-year comparison, and in recognition that over 80% of our revenue is generated outside the U.S., the Board of Directors in 2016 continued its practice of evaluating the Company's revenue performance on a constant currency basis.

Each of the Company's current named executive officers has an annual bonus target, as do other key contributors. The Committee reviews, considers and approves bonus targets for named executive officers based on market data and also considers changes in the scope of responsibility and overall performance of individual named executive officers.

Each named executive officer's base salary and target bonus opportunity for 2016 is provided in the table below. The target bonuses, as a percentage of base salary, remained at the same level as in 2015 for each named executive officer.

Edgar Filing: STAAR SURGICAL CO - Form PRE 14A

Named Executive Officer	Base Salary	Target Bonus Payment	Target Bonus Percentage	
Caren Mason	\$ 546,000	\$ 409,500	75	%
Stephen Brown	\$ 321,218	\$ 144,548	45	%
Keith Holliday	\$ 341,700	\$ 153,765	45	%
Samuel Gesten	\$ 339,344	\$ 152,705	45	%
Hans Blickensdoerfer	\$ 341,990	\$ 153,896	45	%

Management provides, and the Board of Directors reviews, considers and approves, the revenue, EPS and year-end cash-on-hand targets as well as non-financial strategic objectives annually. The attainment of these financial and non-financial objectives are evaluated by the Committee. The Board of Directors must review and approve all bonus recommendations for named executive officers presented by the Committee. The determination of annual bonuses for 2016 performance are described further below under the section entitled “*2016 Bonus and Equity Determinations.*” Over the past five years, no named executive officer has received a bonus in excess of 100% of their target.

Long-Term Equity Compensation. The Committee believes that long-term equity incentive awards serve to align the interests of the executive officers with the interests of our stockholders. Long-term equity incentive awards may be granted in the form of either stock options, restricted shares, restricted stock units or other types of equity or equity-linked compensation. In determining the size of equity grants to our named executive officers, the Committee considers recommendations of the Chief Executive Officer based on peer group data, individual performance and level of responsibility in the company, for those named executive officers reporting to her. For the Chief Executive Officer's equity grant, the Committee considers company and individual performance as well as peer group data. The Committee recommends to the Board of Directors the allocation among the different forms of equity compensation consistent with the strategy of providing executives with a balanced portfolio of equity vehicles. The equity grants made in 2016 are described further below under the section entitled "2016 Bonus and Equity Determinations."

Stock options. Stock options, once granted, become valuable if the price of STAAR's common stock rises above the exercise price at the time of grant. The exercise price of a stock is the closing price of the Company's common stock on the NASDAQ Stock Market on the date of grant. Under the Company's Omnibus Equity Incentive Plan ("Plan") STAAR may not grant stock options having an exercise price below the fair market value of its common stock on the date of grant. STAAR does not grant stock options with a so-called "reload" feature. To encourage retention by providing a long-term incentive, the options typically vest ratably over a three-year period, and have a ten year life.

Restricted shares/Restricted stock units. Restricted shares and restricted stock units are shares of common stock that STAAR grants or promises to grant subject to restrictions on sale or transfer for a specified period of time. The value of these incentive awards rises and falls with STAAR's stock price. For time-vesting awards, restricted shares are forfeited back to STAAR if the grantee's service to STAAR terminates before the end of the vesting period. Vesting of restricted shares and restricted stock units occurs when the restricted period ends and the grantee obtains full rights of ownership over the shares. Time-vesting restricted shares and restricted stock units provides a long-term incentive by aligning the grantee's interests with those of the stockholders and encouraging retention through the risk of forfeiture if the grantee ceases working for us during the vesting period.

2016 Bonus and Equity Determinations

As described above, 2016 bonuses were earned based upon how well the Company performed against financial and non-financial goals pre-approved by the Board of Directors. The 2016 bonus plan included the following components:

- a) Up to one third of the bonus pool would fund based upon Company performance on pre-established non-financial objectives, subject to the Company reaching specific threshold revenue of \$78.8M (constant currency) and EPS of (\$0.26)(which incorporates (\$0.09) attributed to accelerated vesting of previously granted equity as a result of the Broadwood purchase of incremental common stock leading to ownership of greater than 25% of STAAR's outstanding common stock, as described below under "Change-in-Control Arrangements"). This element of the bonus

pool would fund based on the percentage achievement of specific non-financial objectives only if both the threshold revenue and EPS performance objectives were attained.

The Board-approved non-financial objectives related to five categories: (i) achieving internal remediation and quality system rebuild milestones; (ii) achieving key global Clinical Affairs initiatives; (iii) completing targeted global marketing activities; (iv) finalizing a specific number of strategic cooperation agreements with customers; and (v) attaining designated progress goals on certain research and development projects.

b) One third of the bonus pool would fund only upon the Company reaching a specific year-end cash-on-hand target of \$12.84M.

c) One sixth of the bonus pool would fund only upon the Company reaching a pre-approved, above-threshold revenue target of \$83.0M (on a constant currency basis).

d) One sixth of the bonus pool would only fund upon the Company reaching a pre-approved, above-threshold EPS target of (\$0.21).

The Board of Directors believes that the targets established for 2016 appropriately balanced attention to near term financial performance with required investments in and progress on infrastructure, clinical and regulatory related plans.

The Company does not disclose the specific details of the non-financial regulatory, quality clinical, commercial, and R&D-related performance objectives as it believes their disclosure would provide our competitors, customers and other third parties with significant insights regarding our confidential business strategies that could cause us substantial competitive harm. These goals were approved by the Board of Directors at a level they determined would require substantial and significant effort to be achieved.

In 2016, the Company achieved bonus plan elements (b) (balance sheet cash at year end) with year-end cash on hand of \$13.99M and (c) (above threshold revenue performance) with revenue of \$82.4M (above threshold on a constant currency basis). As attaining an established threshold level of EPS was a performance precondition for element (a) and an above-threshold level of EPS was required to fund element (d), and because actual EPS of (\$0.30) fell short of both designated levels, the shortfall in achieved EPS caused bonus plan elements (a) and (d) not to fund. Regarding element (a), the Company did exceed threshold revenue performance and materially met the non-financial strategic objectives as approved by the Board, however, no funding was awarded as per the plan requirement for EPS threshold achievement to be a gating factor.

To effectively reward all bonus-eligible employees, the Board of Directors exercised its discretion and funded the bonus pool to 59% of 2016 budgeted target.

Named Executive Officer	Base Salary	Bonus Payment	Individual Incentive Target(1)	Bonus Paid(1)
Caren Mason	\$ 546,000	\$ 204,750	75 %	37.5 %
Stephen Brown	\$ 321,218	\$ 72,274	45 %	22.5 %
Keith Holliday	\$ 341,700	\$ 76,882	45 %	22.5 %
Samuel Gesten	\$ 339,344	\$ 76,352	45 %	22.5 %
Hans Blickensdoerfer	\$ 341,990	\$ 76,948	45 %	22.5 %

(1) “Incentive Target” and “Bonus Paid” are shown as a percentage of salary. The bonus paid was 50% of each individual’s target for all named executive officers in 2016.

Long-term Equity Awards Granted to Named Executive Officers in 2016. In 2016, the Committee recommended to the Board of Directors that it grant long-term equity compensation to the named executive officers, consistent with the Company’s Compensation Philosophy, in the form of stock option grants and restricted stock units (RSU) which the

Board of Directors approved, as follows:

Name and Title	Grant Date	Stock Options (LTIP)(1)	Restricted Stock Units (LTIP) (2)
Caren Mason President and CEO	March 18, 2016	100,000	50,000
Stephen Brown Vice President, Chief Financial Officer	March 18, 2016	25,000	12,500
Keith Holliday Vice President, Chief Technology Officer	March 18, 2016	25,000	12,500
Samuel Gesten Vice President, Chief Legal Officer and Secretary	March 18, 2016	20,000	10,000
Hans Blickensdoerfer Senior Vice President, Commercial Operations, EMEA, LATAM, China	March 18, 2016	40,000	20,000

The options granted have a 10-year term and become exercisable as follows: one-third on March 18, 2017 and the remaining two-thirds of such options shall become exercisable over the following 24 months in equal amounts on a (1) monthly basis. In the event the options do not evenly divide into 24 months, the remaining balance of options granted shall become exercisable on March 18, 2019. The exercise price is \$7.52, which was the closing price on the NASDAQ Stock Market on the date of grant.

(2) The restricted stock units have a three-year vesting schedule, with one third vesting on the first three anniversaries of the date of grant, subject to continued service.

Change-in-Control Arrangements

Our named executive officers will receive certain severance and other rights from STAAR or a successor company if they are terminated following a change in control of STAAR. Rights of this nature are often termed “double trigger” change-in-control rights. In addition, the Plan provides that, if STAAR has a change in control, options vest immediately unless the surviving company assumes or replaces the options.

As described in our 2016 Proxy Statement, as of February 11, 2016, Broadwood acquired beneficial ownership of over 25% of our outstanding common stock, which constituted a “Change in Control” under the Company’s Omnibus Incentive Plan. On February 25, 2016, the Board of Directors approved an amendment to the plan to define a “Change in Control” to include an event where any person, including a group as defined in Section 13(d)(3) of the Securities Exchange Act of 1934, as amended, becomes the beneficial owner of the stock of the Company with respect to which 50% (increased from 25%) or more of the total number of votes for the election of the Board of Directors may be cast. The higher threshold of 50% is intended to reduce the likelihood of an unintended acceleration of equity awards in the future.

STAAR provides these rights to help it compete with larger, better-capitalized ophthalmic companies in attracting employees. STAAR also recognizes the retention value of these equity instruments as a means of minimizing or avoiding the distractions of executive and management turnover. Change-in-control rights are intended to do the following:

· Reinforce the alignment of employee interest with stockholder interest by providing that, if a major transaction occurs, vesting and exercisability of stock options will accelerate or continue, so the potential equity value of unvested or unexercised options will not be lost; and

· Encourage employees to remain with STAAR despite uncertainties while a transaction is under consideration or pending by assuring them that, if they are terminated as a result of a change in control, they will receive continued

pay and benefits to cover the disruption in employment.

The specific change-in-control rights to which each named executive officer is entitled are discussed below under “Employment Agreements.”

Severance Arrangements

Each of our named executive officers is entitled to limited continuation of salary and benefits if the officer is terminated under specified circumstances. These arrangements are provided to maintain STAAR’s competitive position in attracting and retaining executive talent and are described further in the section “Employment Agreements” below.

Perquisites

STAAR’s named executive officers, along with other senior management employees, may be eligible for limited perquisites intended to minimize distractions from the executives’ attention to STAAR’s business. In 2016, the named executive officers received an opportunity to undergo an executive health screening and were eligible to receive an executive life insurance policy with premiums and costs paid by STAAR.

Benefits

The named executive officers participate in a variety of retirement, health and welfare, and paid time-off benefits designed to enable STAAR to attract and retain its workforce in a competitive marketplace. Health and welfare and paid time-off benefits help ensure that STAAR has a productive and focused workforce through reliable and competitive health and other benefits. Pension (for our Switzerland based team members) and retirement savings plans help employees, especially long-serving employees, save and prepare financially for retirement.

STAAR's qualified 401(k) plan allows all employees to contribute up to the limits imposed by the Internal Revenue Code—\$18,000 per employee for 2016 (with a \$6,000 annual catch-up contribution permitted for those over 50 years of age)—on a pre- or after-tax basis. During 2016 STAAR provided an 80% percent match up to the first 6% of the employee's compensation. The terms of the 401(k) plan are described below under the caption "Employee Benefit Plans." Officers serving outside the U.S., where Section 401(k) of the Internal Revenue Code is largely inapplicable, receive pension benefits based on local regulations and standards.

The table below shows the number of shares of STAAR common stock acquired by named executive officers during 2016 on the exercise of options, and the number of shares of stock subject to stock awards that vested in 2016 for each named executive officer.

Pension Benefits for Fiscal Year Ended December 30, 2016

STAAR maintains a pension plan covering employees of its Swiss subsidiary, including Mr. Blickensdoerfer. This plan, which we refer to as the "Swiss Plan," is classified as a defined benefit plan under guidelines of the Swiss Auditing Chamber's Auditing Practice Committee and its Accounting Practice Committee, and STAAR accounts for it as a defined benefit plan.

The Swiss Plan is financed by employer and employee contributions, with employers required to match employee contributions. No other named executive officer participates in a defined benefit pension plan.

The table below shows the present value of the pension benefits to which each person is entitled to under the Swiss Plan. The present value assumes that the participant will retire at age 65, the normal retirement age for men under the Swiss Plan. The present value was calculated using the assumptions set forth in Note 10 to the consolidated financial statements in STAAR's Annual Report on Form 10-K for fiscal year 2016. A participant may elect to receive a lump sum or a monthly annuity payment upon eligibility.

Name	Plan Name	Number of Years Credited Service (#)(1)	Present Value of Accumulated Benefit (\$)	Payments During 2016 (\$)
Hans Blickensdoerfer	Swiss Plan	16	381,892	40,258

The number of years credited to an employee under the Swiss Plan is determined by applicable government (1) regulations and plan formulae, and may be greater than the actual number of years the employee has worked for STAAR.

Change in Control and Termination Payment and Benefit Estimates**As of December 30, 2016**

The table below demonstrates the effect of termination and change-in-control rights held by named executive officers under their employment agreements with us. Each column of the table shows the financial benefit that would have been received by a named executive officer, on a hypothetical basis, if one of the following events had occurred on December 30, 2016:

• termination by STAAR without cause, or by the named executive officer for good reason, prior to a change in control;

• termination by STAAR without cause, or by the named executive officer for good reason, following a change in control;

• a change in control of STAAR, without termination of the named executive officer; and

• termination because of disability, irrespective of any change in control.

We are providing this information on a hypothetical basis in accordance with the regulations of the SEC. In fact, no such change in control occurred on December 30, 2016, and none of the named executive officers was terminated on that date. There can be no assurance that a change in control would produce the same or similar results as those described if it occurs on any other date, or if any assumption is not correct when the actual event occurs. Termination “for good reason” generally means that an employer has adversely changed the terms and conditions of employment to such a degree that the executive, under the specific terms of his or her agreement, is entitled to voluntarily resign and to receive severance benefits.

- (1) Assumes that following a change in control the acquirer or surviving company has not assumed the named executive officer's outstanding equity awards. If the acquirer or surviving company assumes the equity awards issued under the Company's Omnibus Equity Incentive Plan, the equity awards will continue to vest in accordance with their original terms.

- Except as otherwise indicated, severance payments are payable on a bi-weekly basis during the severance period.
- (2) Ms. Mason would receive her severance payment in a lump sum payable on the 60th day following a termination, regardless of a change in control.
- (3) Severance payments include prior year and current year target bonus amounts paid out at 100%.

EMPLOYMENT AGREEMENTS

Caren Mason, President and Chief Executive Officer

In connection with Ms. Mason's commencement of employment as our President and Chief Executive Officer, we entered into an employment agreement with her effective on March 1, 2015. There is no specific term of service provided for in the agreement. The agreement provides that Ms. Mason is eligible for an initial base salary of \$525,000, subject to periodic adjustment, and an annual target bonus of 75% of her base salary. Pursuant to her employment agreement, Ms. Mason was also granted an initial new hire equity grant of 400,000 stock options, and is eligible for periodic additional awards at the discretion of the Board. The agreement also entitles Ms. Mason to participate in all the benefit plans available to similarly situated executives at STAAR, including executive level health and life insurance coverage.

If STAAR terminates Ms. Mason's employment for reasons other than cause (as defined in the agreement) or Ms. Mason resigns for good reason (as defined in the agreement), she will be entitled to 18 months of base salary from the date of termination payable either in eighteen monthly installments or in a lump sum at the option of the Board. Ms. Mason will also be entitled to 18 months of health insurance benefits (COBRA) at her option.

In the event of a change in control, if Ms. Mason resigns within 18 months after the change in control due to a successor company's failure to offer or maintain her in the position of Chief Executive Officer of the successor company or if she is terminated for reasons other than cause within 12 months of the change in control, then she will receive the severance benefits described above plus an amount equal to her bonus, if any, for the year prior to her termination and an amount equal to her target bonus for the year in which the termination occurs. In addition, all of Ms. Mason's equity awards will vest in full.

The severance payment and benefits described above are subject to Ms. Mason's execution and delivery of a general release of claims against the Company. The employment agreement also provides that if any payment or benefit to Ms. Mason would result in a parachute payment under Section 280G of the Internal Revenue Code, such payments and benefits will be reduced to the extent necessary so no portion is subject to an excise tax.

Other Named Executive Officers

We are parties to offer letters with each of our other named executive officers which provide for initial base salaries and target bonuses. The offer letters provide for at-will employment with each of these individuals and do not contain any executory obligations on the part of the Company.

Executive Change in Control Agreements

STAAR has entered into executive change in control retention agreements with certain executive officers and other key employees that provide cash and other severance benefits if there is a change in control of the Company. The Executive Change in Control Agreements with Messrs. Brown, Holliday, Blickensdoerfer, and Gesten provide that if the officer is terminated by the Company without cause within 12 months after a change in control of STAAR, or resigns for good reason within 15 months after a change in control of STAAR, the officer will receive the following, subject to the officer entering into a release of claims with the employer:

• One year's base salary at the greater of the rate applicable at the time of termination or the rate applicable immediately prior to the announcement of the change in control, payable in a lump sum;

• One year's target cash bonus amount, plus the greater of the amount of any bonus accrued in the year of termination and the amount of the previous year's bonus, prorated for the length of the executive's service during the year of termination, payable in a lump sum; and

• One year's continuation of group health and dental benefits.

In addition, pursuant to the Executive Change in Control Agreements, if any payments or benefits would be subject to an excise tax under Section 4999 of the Internal Revenue Code, such payments and benefits will be payable in full or reduced so that no portion is subject to the excise tax, whichever results in the greater net after-tax benefit to the executive.

Executive Severance Agreements

STAAR has entered into executive severance agreements with its other executive officers and certain other key employees that provide cash and other severance benefits if the officer is terminated without cause or resigns for good reason (except in connection with a change in control of STAAR). The Executive Severance Agreements with Messrs. Brown, Blickensdoerfer, Gesten, and Holliday provide that they will receive the following, subject to the officer entering into a release of claims with STAAR:

- Six months' base salary at the rate applicable at the time of termination; payable in a lump sum; and

- Six months' continuation of group health and dental benefits.

In the context of the Executive Change in Control Agreements and Executive Severance Agreements, resignation "for good reason" generally means that an employer has adversely changed the officer's salary, location or other terms and conditions of employment to such a degree that the executive is entitled to voluntarily resign and to receive severance benefits.

REVIEW OF RELATED PERSON TRANSACTIONS

The Board of Directors adopted a written Related Person Transaction Policy, which requires the approval of the Audit Committee for all covered transactions. The Policy applies to any transaction or series of transactions in which STAAR or a subsidiary is a participant, the amount involved exceeds \$120,000 and a “Related Person” as defined in the Policy, including executive officers, directors and their immediate family members, and holders of in excess of 5% of our common stock, has a direct or indirect material interest. Under the Policy, all Related Person Transactions must first be submitted to the General Counsel of STAAR, who will determine whether the proposed transaction falls under the Policy and, if so, submit it to the Audit Committee for review, approval, ratification or other action. Based on its consideration of all of the relevant facts and circumstances, and full disclosure of the Related Person’s interest in the transaction, the Audit Committee will decide whether or not to approve the transaction and will approve only those transactions that are in the best interests of STAAR. We are not aware of any related party transactions with any directors, executive officers or more-than-five-percent security holders requiring disclosure under the SEC’s rules or our Related Party Transactions Policy.

AUDIT COMMITTEE REPORT

In any of our filings under the Securities Act of 1933 or Exchange Act of 1934 that incorporate this Proxy Statement by reference, the Report of the Audit Committee of the Board of Directors will be considered excluded from the incorporation by reference, and it will not be deemed a part of any such other filing unless we expressly state that the Report is so incorporated.

In accordance with a written charter adopted by the Board of Directors, the Audit Committee oversees STAAR’s financial reporting process. Management is responsible for STAAR’s financial statements and the financial reporting process, including the system of internal controls. The independent registered public accounting firm is responsible for (i) performing an independent audit of STAAR’s financial statements, (ii) expressing an opinion on whether STAAR’s financial statements fairly present, in all material respects, STAAR’s financial position and results of operations and conform with generally accepted accounting principles, and (iii) an opinion on whether management’s assessment that STAAR maintained effective internal control over financial reporting as of December 30, 2016, is fairly stated, in all material respects, based on criteria established in Internal Control—Integrated Framework (2003) issued by the Committee of Sponsoring Organizations of the Treadway Commission. In fulfilling its oversight responsibilities, the Audit Committee has reviewed and discussed with management and the independent registered public accounting firm the audited consolidated financial statements that have been included in our Annual Report on Form 10-K for the year ended December 30, 2016.

The Audit Committee has reviewed and discussed with STAAR’s independent registered public accounting firm, BDO USA, LLP, the matters required to be discussed by Auditing Standard No. 1301, *Communications with Audit*

Committees, as adopted by the Public Company Accounting Oversight Board (“PCAOB”) and currently in effect. The Audit Committee has received and reviewed the written disclosures and the letter from BDO USA, LLP required by the PCAOB regarding BDO USA, LLP’s communications with the Audit Committee concerning the accountant’s independence, and has discussed with BDO USA, LLP its independence from STAAR and its management.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board of Directors has approved, the inclusion of the audited financial statements in the Annual Report on Form 10-K for the fiscal year ended December 30, 2016 for filing with the SEC.

PROPOSAL NO. 2

APPROVAL OF AMENDED AND RESTATED CERTIFICATE OF INCORPORATION

The Board of Directors has approved and declared advisable amendments to our existing Amended and Restated Certificate of Incorporation (the “COI”) to make certain changes regarding current practices in corporate governance and to make other ministerial and confirming changes. These amendments, among other things, replace the existing provisions relating to the designation by the Board of Directors of one or more series of Preferred Stock, par value \$0.01 per share, of the Company (the “Preferred Stock”), having specified rights with a provision that provides the Board of Directors broader authority to fix the powers (including voting powers), preferences and other rights of any such series; make the indemnification provisions in the COI permissive rather than mandatory; and provide that the Board may make amendments to specified provisions of the Bylaws without seeking a super-majority vote of stockholders. These amendments also make various administrative changes, such as updating the Company’s registered office, as well as various ministerial and conforming changes to update section references and to eliminate vestigial references (such as those relating to the Company’s incorporator) and provisions that were determined to be duplicative provisions.

If Proposal 2 is adopted, the amendments to the COI will be included in the Amended and Restated Certificate of Incorporation (the “Restated COI”), a copy of which is attached to this Proxy Statement as Appendix 1. To illustrate the proposed amendments in Appendix 1, language that is struck is proposed to be deleted from our current COI, and language that is underlined is proposed to be added to our current COI. You are urged to read Appendix 1 in its entirety. If Proposal 2 is adopted, but Proposal 4 and/or Proposal 6 is not adopted, the Restated COI will not contain the amendments set forth in Proposal 4 and/or Proposal 6, as applicable, that are not adopted.

The adoption of the amendments to the COI contemplated by Proposal 2 (i.e., all of the amendments included in the Restated COI other than those expressly set forth in Proposal 4 and Proposal 6) requires the affirmative vote of the holders of at least two-thirds of the outstanding common stock entitled to vote thereon.

STAAR’s Board of Directors unanimously recommends a vote “FOR” the adoption of the amendments to the COI to be included in the Restated COI pursuant to this Proposal No. 2.

PROPOSAL NO. 3

APPROVAL OF AMENDMENTS TO AMENDED AND RESTATED BYLAWS

The Board of Directors has adopted amendments to the existing Amended and Restated Bylaws (the “Bylaws”) to, among other things, eliminate the provision relating to the requirement for a written ballot for elections; clarify the language relating to the prohibition on stockholder action by written consent in lieu of a meeting; permit Board-authorized Company officers to sign stock certificates (consistent with recent amendments to Delaware law), confirm that certain employee job titles do not automatically designate an employee as an officer entitled to indemnification and advancement under the Bylaws; remove certain vestigial references and make other ministerial and conforming changes, including removing reference to the permitted number of directors, removing “reserved” sections of the Bylaws that contain no content, and updating and conforming section references.

The complete text of the Restated Bylaws is attached to this Proxy Statement as Appendix 2. To illustrate the proposed amendments in Appendix 2, language that is struck is proposed to be deleted from our current Bylaws, and language that is underlined is proposed to be added to our current Bylaws. You are urged to read Appendix 2 in its entirety. The amendments to be approved pursuant to this Proposal No. 3 include all amendments included in the Restated Bylaws other than those expressly provided in Proposal No. 5 and Proposal No. 7.

Under the COI, the amendment to Section 2(b) and Section 2(c) of Article III of the Bylaws, which is included among the amendments to the Bylaws contemplated by Proposal 3, requires the affirmative vote of the holders of at least two-thirds of the outstanding common stock entitled to vote thereon. The other amendments to the Bylaws contemplated by Proposal 3 are not required to be submitted to a vote of the stockholders under the COI. Nevertheless, the Board of Directors will consider the outcome of the vote on Proposal No. 3 in determining whether to proceed unilaterally with the other amendments contemplated by Proposal No. 3.

STAAR’s Board of Directors unanimously recommends a vote “FOR” the approval of the amendments to the Bylaws to be included in the Restated Bylaws pursuant to Proposal 3.

PROPOSAL NO. 4

AMENDMENT TO

AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO INCREASE THE MINIMUM NUMBER OF AUTHORIZED DIRECTORS

The Board of Directors has approved and declared advisable an amendment to our COI to increase the minimum number of authorized directors from three to five directors.

Over the past several years, the Company has retained a minimum of five directors at any given time. Recently, proxy advisory firms have criticized companies with charter documents that permit the company to retain fewer than five directors. This amendment will reflect the Company's practice of retaining a minimum of five directors and is responsive to current expectations of certain investors and proxy advisory firms. The complete text of the Restated COI is attached to this Proxy Statement as Appendix 1. The amendment contemplated by this Proposal 4 appears in paragraph (a) of Article 9 of the Restated COI. If Proposal 4 is adopted, the amendment to increase the minimum number of authorized directors from three to five directors will be included in the Restated COI. If Proposal 4 is adopted, but Proposal 2 and/or Proposal 6 is not adopted, the Restated COI will not contain the amendments set forth in Proposal 2 and/or Proposal 6, as applicable, that are not adopted. The adoption of the amendments to the COI contemplated by Proposal 4 requires the affirmative vote of the holders of at least two-thirds of the outstanding common stock entitled to vote thereon.

STAAR's Board of Directors unanimously recommends a vote "FOR" the adoption of the amendment to the COI to be included in the Restated COI pursuant to Proposal 4.

PROPOSAL NO. 5

AMENDMENT TO

AMENDED AND RESTATED BYLAWS TO INCREASE THE MINIMUM NUMBER OF AUTHORIZED DIRECTORS

Consistent with the amendments to the COI contemplated by Proposal 4, the Board is seeking stockholder approval of the amendment to Section 2(a) of Article III of the Bylaws to increase the number of authorized directors from three to five directors. Under the COI, the amendment to Section 2(a) of Article III requires the affirmative vote of the holders of at least two-thirds of the outstanding common stock entitled to vote thereon.

This proposal mirrors Proposal No. 4 above, but is related to the Bylaws rather than the COI. For a description of the reasons for the proposed amendment, please see Proposal No. 4 above. If Proposal No. 5 is adopted, the amendment to Section 2(a) of Article III of the Bylaws appearing in the Restated Bylaws attached to this Proxy Statement as Appendix 2 will be included in the Restated Bylaws.

STAAR's Board of Directors unanimously recommends a vote "FOR" the approval of the amendment to Section 2(a) of Article III of the Bylaws to be included in the Restated Bylaws pursuant to Proposal 5.

PROPOSAL NO. 6

AMENDMENT TO

AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO REFLECT THAT DIRECTORS MAY BE REMOVED WITH OR WITHOUT CAUSE

The Board of Directors has approved and declared advisable an amendment to the COI to remove the provision, which currently appears in paragraph (e) of Article Twelfth, stating: “Any director may be removed from office only for cause.”

This proposed change is required to align the provisions of our certificate of incorporation with Delaware law. If our stockholders approve Proposal No. 6, the amendment to the COI effected thereby would become effective upon the filing of the Restated COI setting forth such amendment. If the stockholders do not approve this amendment, the provision will not be eliminated from our certificate of incorporation. Nevertheless, regardless of whether Proposal No. 6 is approved, the Company will not take action to purport to enforce the provision purporting to limit the removal of directors from office only for cause. If Proposal 6 is adopted, but Proposal 2 and/or Proposal 4 is not adopted, the Restated COI will not contain the amendments set forth in Proposal 2 and/or Proposal 4, as applicable, that are not adopted. The adoption of the amendments to the COI contemplated by Proposal 4 requires the affirmative vote of the holders of at least two-thirds of the outstanding common stock entitled to vote thereon.

STAAR’s Board of Directors unanimously recommends a vote “FOR” the adoption of amendment to the COI to be included in the Restated COI pursuant to Proposal 6.

PROPOSAL NO. 7

AMENDMENT TO

AMENDED AND RESTATED BYLAWS TO REFLECT THAT DIRECTORS MAY BE REMOVED WITH OR WITHOUT CAUSE

Consistent with the amendments to the COI contemplated by Proposal 6, the Board of Directors is seeking stockholder approval of an amendment to the Bylaws to remove following provision, which appears in Article III, Section 14 of the Bylaws, stating: “Removal of Directors. Except as otherwise provided by statute, any director may be removed only for cause.”

This proposal mirrors Proposal No. 6 above, but is related to the Bylaws rather than the COI. For a description of the reasons for the proposed amendment, please see Proposal No. 6 above. If Proposal No. 7 is adopted, the amendment to eliminate Article III, Section 14 of the Bylaws will be reflected in the Restated Bylaws.

STAAR’s Board of Directors unanimously recommends a vote “FOR” the approval of the amendment to reflect the removal of Article III, Section 14 of the Bylaws from the Restated Bylaws pursuant to Proposal No. 7.

PROPOSAL NO. 8

RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board of Directors, on the recommendation of the Audit Committee, has approved the selection of BDO USA, LLP to serve as our independent registered public accounting firm for the fiscal year ending December 29, 2017.

Although this appointment is not required to be submitted to a vote of the stockholders, the Audit Committee believes it is appropriate as a matter of policy to request that the stockholders ratify the appointment. If the stockholders do not ratify the appointment, which requires the affirmative vote of a majority of the shares of the Common Stock present, in person or by proxy, and entitled to vote at the Annual Meeting, the Board of Directors will consider the selection of another independent registered public accounting firm.

STAAR's Board of Directors unanimously recommends a vote "FOR" the approval of BDO USA, LLP as our independent registered public accounting firm for the fiscal year ending December 29, 2017.

Representatives of BDO USA, LLP, which served as the independent registered public accounting firm for STAAR for fiscal year 2017, have been invited to be present at the Annual Meeting. STAAR expects representatives of BDO to be present at the Annual Meeting, where they will have the opportunity to make a statement if they desire to do so, and will be available to respond to appropriate questions.

Principal Accountant Fees and Services

The following table summarizes the aggregate fees for professional services provided by BDO USA, LLP related to fiscal year 2016 and fiscal year 2015, all of which the Audit Committee pre-approved:

	2016	2015
Audit Fees(1)	\$723,200	\$703,066
Audit-Related Fees(2)	24,000	24,000
Tax-Related Fees(3)	9,900	9,439

All Other Fees — —

(1) Both 2016 and 2015 Audit Fees include: (i) the audit of our Consolidated Financial Statements included in our Annual Report on Form 10-K and services attendant to, or required by, statute or regulation; (ii) the audit of management's report on the effectiveness of internal control over financial reporting, as required by Section 404 of the Sarbanes-Oxley Act of 2002; (iii) reviews of the interim condensed Consolidated Financial Statements included in our quarterly reports on Form 10-Q; and (iv) comfort letters, consents and other services related to SEC reimbursements.

(2) Audit-related Fees were principally for audits of our employee benefit plan.

(3) These fees were for a review of statutory tax filings for our Swiss operations.

The Audit Committee administers STAAR's engagement of BDO USA, LLP and pre-approves all audit and permissible non-audit services on a case-by-case basis. In approving non-audit services, the Audit Committee considers whether the engagement could compromise the independence of BDO USA, LLP and whether, for reasons of efficiency or convenience, it is in the best interest of STAAR to engage its independent registered public accounting firm to perform the services. The Audit Committee has determined that performance by BDO USA, LLP of the non-audit services related to the fees shown in the table above did not affect that firm's independence.

Prior to engagement, the Audit Committee pre-approves all independent auditor services, and the Audit Committee pre-approved all fees and services of BDO USA, LLP, for work done in 2016 and 2015. The fees are budgeted and the Audit Committee requires the independent registered public accounting firm and management to report actual fees versus the budget periodically throughout the year by category of service. During the year, circumstances may arise when it may become necessary to engage the independent registered public accounting firm for additional services not contemplated in the original pre-approval categories. In those instances, the Audit Committee requires specific pre-approval before engaging the independent registered public accounting firm. The Audit Committee may delegate pre-approval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.

PROPOSAL NO. 9

ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION

Background to the Advisory Vote

As mandated by the Dodd Frank Wall Street Reform and Consumer Protection Act of 2010, we provide our stockholders the opportunity to vote to approve, on an advisory, non-binding basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the SEC's rules (a "say-on-pay"). We allow for this vote on an annual basis. In an advisory vote at the 2016 Annual Meeting, approximately 97% of the voting power present in person or by proxy and entitled to vote on the matter voted in favor of annual advisory votes on executive compensation. The Compensation Committee believes this affirms stockholders' support of our approach to executive compensation.

Board of Directors Recommendation

As stated in our Compensation Discussion and Analysis, our compensation program is designed to reward our executives for meeting or exceeding corporate financial and non-financial goals and also individual objectives.

The Board of Directors believes that STAAR has been able to attract and retain personnel with a high level of professional skill and experience partly because of the value its executives have placed on the potential growth in value of their equity compensation if their efforts to improve STAAR's business succeed.

In 2016, we continued to award a significant proportion of our named executive officers' total compensation in the form of variable, at-risk compensation, either through annual performance-based cash incentives or equity awards.

The Board of Directors invites you to review carefully the Compensation Discussion and Analysis beginning on page 20, before voting on the following resolution:

“Resolved, that the stockholders approve, on an advisory basis, the compensation of STAAR’s named executive officers, including STAAR’s compensation practices and principles and their implementation, as discussed and disclosed in the Compensation Discussion and Analysis, the compensation tables, and any narrative executive compensation disclosure contained in this Proxy Statement.”

While the vote does not bind the Board of Directors to any particular action, the Board of Directors values the input of the stockholders, and will take into account the outcome of this vote in considering future compensation arrangements.

STAAR’s Board of Directors unanimously recommends a vote “FOR” the approval, on an advisory basis, of STAAR’s compensation of our named executive officers as disclosed in the “Compensation Discussion and Analysis” section of this proxy statement.

PROPOSAL NO. 10

ADVISORY VOTE ON THE FREQUENCY OF FUTURE ADVISORY VOTES TO APPROVE EXECUTIVE COMPENSATION

We are seeking a non-binding vote from our stockholders as to the frequency with which stockholders should have an opportunity to provide an advisory approval of our executive compensation program. Under the Dodd-Frank Act, every six years the Company is required to seek a non-binding advisory stockholder vote regarding the frequency of the submission to stockholders of an advisory vote to approve executive compensation. The Dodd-Frank Act specifies that stockholders be given the opportunity to vote on executive compensation every one, two or three years or abstain. For the reasons described below, we recommend that our stockholders select a frequency of one year (i.e., annually). Starting with our annual meeting held in 2011, we have held annual votes on executive compensation.

The Board believes that an annual advisory vote on executive compensation is consistent with having a regular dialogue with our stockholders on corporate governance matters, including executive compensation. An annual stockholder vote allows our stockholders to provide us with direct and immediate feedback regarding the effectiveness of our compensation programs, and provides our Board and compensation committee with the opportunity to consider stockholder views as part of its regular compensation review.

We therefore request that our stockholders select “1 Year” when voting on the frequency of advisory votes on executive compensation. Although the advisory vote is non-binding, our Board will review the results of the vote and, consistent with our record of stockholder engagement, take them into account in making a determination concerning the frequency of advisory votes on executive compensation.

STAAR’s Board of Directors unanimously recommends a vote for the option of “1 Year” on the frequency of future advisory votes on executive compensation.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

ARTICLE I

Offices

SECTION 1. Registered Office. The registered office of the Corporation within the State of Delaware shall be as set forth in the Corporation's certificate of incorporation (as the same may be amended and/or restated from time to time, the "Certificate of Incorporation").

SECTION 2. Other Offices. The Corporation may also have an office or offices other than said registered office at such place or places, either within or without the State of Delaware, as the Board of Directors shall from time to time determine or the business of the Corporation may require.

ARTICLE II

Meetings of Stockholders

SECTION 1. Place of Meetings. All meetings of stockholders for the election of directors or for any other purpose shall be held at any such place, if any, either within or without the State of Delaware, as shall be designated from time to time by the Board of Directors and stated in the notice of meeting. The Board of Directors may, in its sole discretion, determine that a meeting shall not be held at any place, but may instead be held solely by means of remote communication in accordance with Section 13 of this Article II and Section 211(a) of the General Corporation Law of the State of Delaware (the "Delaware General Corporation Law").

SECTION 2. Annual Meeting. An annual meeting of stockholders shall be held on such date and at such time as shall be designated from time to time by the Board of Directors and stated in the notice of meeting. At such annual meeting, the stockholders shall elect directors and transact such other business as may properly be brought before the meeting. The Board of Directors may postpone, reschedule or cancel any annual meeting of stockholders previously scheduled by the Board of Directors.

SECTION 3. Special Meetings.

(a) Special meetings of the stockholders of the Corporation (i) may be called, for any purpose or purposes, by or at the direction of the Board of Directors, the Chairman of the Board, if one shall have been elected, or the President and (ii) subject to and in compliance with the following provisions of this Section 3, shall be called by the Secretary upon the written request of one or more Proposing Persons having Net Long Beneficial Ownership of at least thirty-five percent (35%) of the outstanding common stock of the Corporation (the "Requisite Percentage").

(b) In order for a special meeting of stockholders to be validly called pursuant to Section 3(a)(ii) of this Article II (a “Stockholder Requested Special Meeting”), one or more requests for a special meeting (each, a “Special Meeting Request,” and collectively, the “Special Meeting Requests”) in a proper form must be signed by one or more Proposing Persons having, in the aggregate, the Requisite Percentage of the outstanding common stock and must be delivered to the Secretary at the principal executive offices of the Corporation by registered mail, return receipt requested in accordance with this Section 3(b). In determining whether a Stockholder Requested Special Meeting has been validly called, multiple Special Meeting Requests delivered to the Secretary will be considered together only if each Special Meeting Request identifies the same purpose or purposes of the Stockholder Requested Special Meeting and the same matters proposed to be acted on at such meeting (in each case as determined in good faith by the Board of Directors), and such Special Meeting Requests have been dated and delivered to the Secretary within sixty (60) days of the earliest dated Special Meeting Request. In determining whether two or more Special Meeting Requests should be considered together (and therefore aggregated for purposes of determining whether the Requisite Percentage has been reached), Special Meeting Requests calling for the removal of one or more members of the Board of Directors shall be considered together if the director or directors proposed to be so removed are identified in such Special Meeting Requests. To be in proper form, each Special Meeting Request shall (i) set forth the name and address, as they appear on the Corporation’s books (or in the case of beneficial holders, as they appear on satisfactory proof provided thereof), of each Proposing Person, (ii) bear the date of signature of each Proposing Person signing the Special Meeting Request, and (iii) include (x) a statement of the specific purpose or purposes of the meeting, the matter or matters proposed to be acted on at the special meeting and the reasons for conducting such business at the special meeting, (y) the text of any proposal or business to be considered at the special meeting (including the text of any resolutions proposed to be considered and, in the event that such business includes a proposal to amend these Bylaws, the language of the proposed amendment), and (z) such other information and representations, to the extent applicable, regarding the Proposing Person and the matters proposed to be acted on at the special meeting that would be required to be set forth in a stockholder’s notice delivered pursuant to Section 12 hereof. Any Proposing Person may revoke his, her or its Special Meeting Request at any time by written revocation delivered to the Secretary at the principal executive offices of the Corporation.

(c) The Secretary shall not be required to call a special meeting pursuant to a Special Meeting Request if (i) the Special Meeting Request relates to an item of business that is not a proper subject for stockholder action under applicable law; (ii) the Special Meeting Request is received by the Corporation during the period commencing sixty (60) days prior to the first anniversary of the date of the immediately preceding annual meeting and ending immediately following the final adjournment of the next annual meeting; (iii) an identical or substantially similar item (a “Similar Item”) was presented at any meeting of stockholders held within one hundred eighty 180 days prior to receipt by the Corporation of such Special Meeting Request; (iv) a Similar Item is already included in the Corporation’s notice as an item of business to be brought before a meeting of the stockholders that has been called but not yet held; or (v) such Special Meeting Request was made in a manner that involved a violation of Regulation 14A under the Exchange Act (as hereinafter defined), or other applicable law. In addition, if a Stockholder Requested Special Meeting is validly called in compliance with this Section 3, the Board of Directors may (in lieu of calling the Stockholder Requested Special Meeting) present a Similar Item or Similar Items for stockholder approval at any other meeting of stockholders that is held within 120 days after the Corporation receives Special Meeting Requests sufficient to call a Stockholder Requested Special Meeting in compliance with this Section 3; and, in such case, the Secretary shall not be required to call the Stockholder Requested Special Meeting. For the avoidance of doubt, one or more Special Meeting Requests calling for the removal of one or more members of the Board of Directors shall not be considered a Similar Item unless such Request or Requests call for the removal of a member of the Board of Directors who received a greater number of votes “for” such election than votes “withheld” from such election at the immediately

prior annual meeting.

(d) Any special meeting of stockholders, including any Stockholder Requested Special Meeting, shall be held in the contiguous United States at such date and time as may be fixed by the Board of Directors in accordance with these Bylaws and in compliance with applicable law; provided that a Stockholder Requested Special Meeting shall be held within ninety (90) days after the Corporation receives one or more valid Special Meeting Requests in compliance with this Section 3 from Proposing Persons having Net Long Beneficial Ownership of the Requisite Percentage; provided, further, that the Board of Directors shall have the discretion to (x) call an annual or special meeting of stockholders (in lieu of calling the Stockholder Requested Special Meeting) in accordance with the last sentence of Section 3(c) of this Article II or (y) cancel any Stockholder Requested Special Meeting that has been called but not yet held for any of the reasons set forth in Section 3(c) of this Article II.

(e) Business transacted at any Stockholder Requested Special Meeting shall be limited to the purpose(s) stated in the valid Special Meeting Request(s). A Proposing Person who submitted a Special Meeting Request (or qualified representative thereof, as described in Article II, Section 12(c)(i) below) shall be required to appear (in person or electronically, including via a pre-recorded video presentation) at the Stockholder Requested Special Meeting and present to stockholders the matters that were specified in the Special Meeting Request and included in the notice of the meeting. If no such Proposing Person or qualified representative appears (in person or electronically, including via a pre-recorded video presentation) at the Stockholder Requested Special Meeting to present such matters to stockholders, the Corporation need not present such matters for a vote at such meeting.

(f) Definitions.

(1) “Net Long Beneficial Ownership” shall mean those shares of common stock of the Corporation as to which the Proposing Person possesses (a) the sole power to vote or direct the voting, (b) the sole economic incidents of ownership (including the sole right to profits and the sole risk of loss), and (c) the sole power to dispose of or direct the disposition; provided that the number of shares calculated in accordance with the preceding clauses (a), (b) and (c) shall not include any securities that, directly or indirectly, underlie any “derivative security” (as such term is defined in Rule 16a-1(c) under the Exchange Act) that constitutes a “call equivalent position” (as such term is defined in Rule 16a-1(b) under the Exchange Act) and that is, directly or indirectly, held or maintained by a Proposing Person with respect to any shares of any class or series of stock of the Corporation.

(2) “Proposing Person” shall mean the holder of record of common stock submitting a Special Meeting Request and the beneficial owner of common stock, if any, on whose behalf such Special Meeting Request is made; provided that, with respect to the informational requirements of clause (iii) of the penultimate sentence of Section 3(b) of this Article II, if the record holder of such common stock is acting solely as a nominee of the beneficial owner thereof and is making the Special Meeting Request solely on behalf of and at the direction of such beneficial owner, “Proposing Person” shall mean only such beneficial owner.

SECTION 4. Notice of Meetings. Except as otherwise expressly required by statute or the Certificate of Incorporation, written notice of each annual and special meeting of stockholders stating the date, place, if any, and time of the meeting, the means of remote communications, if any, by which stockholders and proxyholders may be deemed to be present in person and vote at such meeting, and, in the case of a special meeting, the purpose or purposes for which the meeting is called, shall be given to each stockholder of record entitled to vote thereat not less than ten (10) or more than sixty (60) days before the date of the meeting. Notice shall be given personally or by mail, and, if by mail, shall be sent in a postage prepaid envelope, addressed to the stockholder at his address as it appears on the records of the Corporation. Notice by mail shall be deemed given at the time when the same shall be deposited in the United States mail, postage prepaid. Without limiting the manner by which notice otherwise may effectively be given to stockholders, any notice to the stockholders may be given by electronic transmission in the manner provided in Section 232 of the Delaware General Corporation Law. Attendance at any meeting of stockholders (in person or by remote communication) shall constitute a waiver of notice of such meeting, except when such person attends the meeting in person or by proxy for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened. A written waiver of notice, signed by the stockholder entitled to notice, or a waiver by electronic transmission by the stockholder entitled to notice, whether before or after the time stated therein, shall be deemed equivalent to notice. Neither the business to be transacted at, nor the purpose of, an annual or special meeting of stockholders need be specified in any written waiver of notice.

SECTION 5. List of Stockholders. The officer who has charge of the stock ledger of the Corporation shall prepare and make, at least ten (10) days before each meeting of stockholders, a complete list of the stockholders entitled to vote at the meeting, arranged in alphabetical order, showing the address of and the number of shares registered in the name of

each stockholder. Such list shall be open to the examination of any stockholder, for any purpose germane to the meeting for a period of at least ten (10) days prior to the meeting: (i) on a reasonably accessible electronic network, provided that the information required to gain access to such list is provided with the notice of the meeting or (ii) during ordinary business hours, at the principal place of business of the Corporation. If the meeting is to be held at a place, then a list of stockholders entitled to vote at the meeting shall be produced and kept at the time and place of the meeting during the whole time thereof, and may be inspected by any stockholder who is present. If the meeting is to be held solely by means of remote communication, then the list shall also be open to the examination of any stockholder during the whole time of the meeting on a reasonably accessible electronic network, and the information required to access such list shall be provided with the notice of the meeting.

SECTION 6. Quorum, Adjournments. The holders of a majority of the voting power of the issued and outstanding stock of the Corporation entitled to vote thereat, present in person or represented by proxy, shall constitute a quorum for the transaction of business at all meeting of stockholders, except as otherwise provided by statute or by the Certificate of Incorporation. If, however, such quorum shall not be present or represented by proxy at any meeting of stockholders, the stockholders entitled to vote thereat, present in person or represented by proxy, shall have the power to adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present or represented by proxy. Any meeting of stockholders may be adjourned or recessed by the chairman of the meeting to reconvene at the same or some other place. At such adjourned meeting at which a quorum shall be present or represented by proxy, any business may be transacted which might have been transacted at the meeting as originally called. If the time and place, if any, of the adjourned meeting are announced at the meeting at which the adjournment is taken, notice of the adjourned meeting need not be given; provided that, if the adjournment is for more than thirty (30) days, or, if after the adjournment a new record date is set, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting.

SECTION 7. Organization. At each meeting of stockholders, the Chairman of the Board, if one shall have been elected, or in his or her absence or if one shall not have been elected, the President, or in his or her absence, a person designated by the Board of Directors, shall act as chairman of the meeting and shall preside at all meetings of stockholders. (b) if no such record date shall have been so fixed, then at the close of business on the date next preceding the day on which notice thereof shall be given.

Each stockholder entitled to vote at any meeting of stockholders may authorize another person or persons to act for such stockholder by proxy, but no proxy shall be voted after three (3) years from its date, unless the proxy provides for a longer period. Any such proxy shall be authorized by an instrument in writing or by any other manner permitted by applicable law. When a quorum is present at any meeting, the vote of the holders of a majority of the voting power of the issued and outstanding shares of stock of the Corporation entitled to vote thereon, present in person or represented by proxy, shall decide any question brought before such meeting, unless the question is one upon which by express provision of statute, of the rules or regulations of any stock exchange applicable to the Corporation, of any regulation applicable to the Corporation or its securities, of the Certificate of Incorporation or of these ~~By Laws~~ Bylaws, a different vote is required, in which case such express provision shall govern and control the decision of such question. ~~Unless required by statute, or determined by the chairman of the meeting to be advisable, the vote on any question (including the election of directors) need not be by ballot. On a vote by ballot, each ballot shall be signed by the stockholder voting, or by his proxy, if there be such proxy, and shall state the number of shares voted.~~

(a) Annual Meetings of Stockholders.

(i) Nominations of persons for election to the Board of Directors and the proposal of other business to be considered by the stockholders may be made at an annual meeting of stockholders only (1) pursuant to the Corporation's notice of meeting (or any supplement thereto) delivered pursuant to Section 4 of Article II of these Bylaws, (2) by or at the direction of the Board of Directors or any authorized committee thereof or (3) by any stockholder of the Corporation who is entitled to vote at the meeting, who complied with the notice procedures set forth in paragraphs (a)(ii) and (a)(iii) of this Section 12 and who was a stockholder of record at the time such notice is delivered to the Secretary of the Corporation.

(ii) For nominations or other business to be properly brought before an annual meeting by a stockholder pursuant to clause (3) of paragraph (a)(i) of this Section 12, the stockholder must have given timely notice thereof in writing to the Secretary of the Corporation, and, in the case of business other than nominations of persons for election to the Board of Directors, such other business must constitute a proper matter for stockholder action. To be timely, a stockholder's notice shall be delivered to the Secretary of the Corporation at the principal executive offices of the Corporation not less than ninety (90) days nor more than one hundred and twenty (120) days prior to the first anniversary of the preceding year's annual meeting; provided, however, that in the event that the date of the annual meeting is advanced by more than thirty (30) days, or delayed by more than seventy (70) days, from the anniversary date of the previous year's meeting, or if no annual meeting was held in the preceding year, notice by the stockholder to be timely must be so delivered not earlier than one hundred twenty (120) days prior to such annual meeting and not later than the close of business on the later of the ninetieth (90th) day prior to such annual meeting or the tenth (10th) day following the day on which public announcement of the date of such meeting is first made. Public announcement of an adjournment or postponement of an annual meeting shall not commence a new time period (or extend any time period) for the giving of a stockholder's notice. Notwithstanding anything in this Section 12(a)(ii) to the contrary, if the number of directors to be elected to the Board of Directors of the Corporation at an annual meeting is increased and there is no public announcement by the Corporation naming all of the nominees for director or specifying the size of the increased board of directors at least one hundred (100) calendar days prior to the first anniversary of the prior year's annual meeting of stockholders, then a stockholder's notice required by this Section 12 shall be considered timely, but only with respect to nominees for any new positions created by such increase, if it is received by the Secretary of the Corporation not later than the close of business on the tenth (10th) calendar day following the day on which such public announcement is first made by the Corporation.

(iii) Such stockholder's notice shall set forth (1) as to each person whom the stockholder proposes to nominate for election or re-election as a director, all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to Section 14(a) of the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder (the "Exchange Act"), including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected; (2) as to any other business that the stockholder proposes to bring before the meeting, a brief description of the business desired to be brought before the meeting, the text of the proposal or business (including the text of any resolutions proposed for consideration and, in the event that such business includes a proposal to amend these Bylaws of the Corporation, the language of the proposed amendment), the reasons for conducting such business at the meeting and any material interest in such business of such stockholder and the beneficial owner, if any, on whose behalf the proposal is made; (3) as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made (A) the name and address of such stockholder, as they appear on the Corporation's books and records, and of such beneficial owner, (B) the class or series and number of shares of capital stock of the Corporation which are owned, directly or indirectly, beneficially and of record by such stockholder and such beneficial owner, (C) a representation that the stockholder is a holder of record of the stock of the Corporation at the time of the giving of the notice, will be entitled to vote at such meeting and will appear in person or by proxy at the meeting to propose such business or nomination, (D) a representation whether the stockholder or the beneficial owner, if any, will be or is part of a group which will (i) deliver a proxy statement and/or form of proxy to holders of at least the percentage of the voting power of the Corporation's outstanding capital stock required to approve or adopt the proposal or elect the nominee and/or (ii) otherwise to solicit proxies or votes from stockholders in support of such proposal or nomination, (E) a certification regarding whether such stockholder and beneficial owner, if any, have complied with all applicable federal, state and other legal requirements in connection with the stockholder's and/or beneficial owner's acquisition of shares of capital stock or other securities of the Corporation and/or the stockholder's and/or beneficial owner's acts or omissions as a stockholder of the Corporation and (F) any other information relating to such stockholder and beneficial owner, if any, required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for, as applicable, the proposal and/or for the election of directors in an election contest pursuant to and in accordance with Section 14(a) of the Exchange Act; (4) a description of any agreement, arrangement or understanding with respect to the nomination or proposal and/or the voting of shares of any class or series of stock of the Corporation between or among the stockholder giving the notice, the beneficial owner, if any, on whose behalf the nomination or proposal is made, any of their respective affiliates or associates and/or any others acting in concert with any of the foregoing (collectively, "proponent persons"); and (5) a description of any agreement, arrangement or understanding (including without limitation any contract to purchase or sell, acquisition or grant of any option, right or warrant to purchase or sell, swap or other instrument) to which any proponent person is a party, the intent or effect of which may be (A) to transfer to or from any proponent person, in whole or in part, any of the economic consequences of ownership of any security of the Corporation, (B) to increase or decrease the voting power of any proponent person with respect to shares of any class or series of stock of the Corporation and/or (C) to provide any proponent person, directly or indirectly, with the opportunity to profit or share in any profit derived from, or to otherwise benefit economically from, any increase or decrease in the value of any security of the Corporation. A stockholder providing notice of a proposed nomination for election to the Board of Directors or other business proposed to be brought before a meeting (whether given pursuant to this paragraph (a)(iii) or paragraph (b) of this Section 12 of these Bylaws) shall update and supplement such notice from time to time to the extent necessary so that the information provided or required to be provided in such notice shall be true and correct (1) as of the record date for determining the stockholders entitled to notice of the meeting and (2) as of the date that is fifteen (15) days prior to the meeting or any adjournment or postponement thereof, provided that if the record date for determining the stockholders entitled to vote at the meeting is less than fifteen (15) days prior to the meeting or any adjournment or postponement thereof, the information shall be supplemented and updated as of such later date. Any such update and supplement shall be delivered in writing to

the Secretary of the Corporation at the principal executive offices of the Corporation not later than five (5) days after the record date for determining the stockholders entitled to notice of the meeting (in the case of any update and supplement required to be made as of the record date for determining the stockholders entitled to notice of the meeting), not later than ten (10) days prior to the date for the meeting or any adjournment or postponement thereof (in the case of any update or supplement required to be made as of fifteen (15) days prior to the meeting or adjournment or postponement thereof) and not later than five (5) days after the record date for determining the stockholders entitled to vote at the meeting, but no later than the date prior to the meeting or any adjournment or postponement thereof (in the case of any update and supplement required to be made as of a date less than fifteen (15) days prior the date of the meeting or any adjournment or postponement thereof). The Corporation may require any proposed nominee to furnish such other information as it may reasonably require to determine the eligibility of such proposed nominee to serve as a director of the Corporation and to determine the independence of such director under the Exchange Act and applicable stock exchange rules.

(b) Special Meetings of Stockholders. Only such business shall be conducted at a special meeting of stockholders as shall have been brought before the meeting pursuant to the Corporation's notice of meeting. The proposal by stockholders of any business to be conducted at a special meeting of stockholders may be made only pursuant to and in compliance with Section 3 of Article II of these Bylaws.

(c) General.

(i) Only such persons who are nominated in accordance with the procedures set forth in this Section 12 shall be eligible to serve as directors and only such business shall be conducted at an annual or special meeting of stockholders as shall have been brought before the meeting in accordance with the procedures set forth in this Section 12. Except as otherwise provided by law, the Certificate of Incorporation or these Bylaws, the chairman of the meeting shall, in addition to making any other determination that may be appropriate for the conduct of the meeting, have the power and duty to determine whether a nomination or any business proposed to be brought before the meeting was made or proposed, as the case may be, in accordance with the procedures set forth in these Bylaws and, if any proposed nomination or business is not in compliance with these Bylaws, to declare that such defective proposal or nomination shall be disregarded. The date and time of the opening and the closing of the polls for each matter upon which the stockholders will vote at a meeting shall be announced at the meeting by the chairman of the meeting. The Board of Directors may adopt by resolution such rules and regulations for the conduct of the meeting of stockholders as it shall deem appropriate. Except to the extent inconsistent with such rules and regulations as adopted by the Board of Directors, the chairman of the meeting shall have the right and authority to convene and (for any or no reason) to recess and/or adjourn the meeting, to prescribe such rules, regulations and procedures and to do all such acts as, in the judgment of such chairman, are appropriate for the proper conduct of the meeting. Notwithstanding the foregoing provisions of this Section 12, unless otherwise required by law, if the stockholder (or a qualified representative of the stockholder) does not appear at the annual or special meeting of stockholders of the Corporation to present a nomination or business, such nomination shall be disregarded and such proposed business shall not be transacted, notwithstanding that proxies in respect of such vote may have been received by the Corporation. For purposes of these Bylaws, to be considered a qualified representative of the stockholder, a person must be a duly authorized officer, manager or partner of such stockholder or must be authorized by a writing executed by such stockholder or an electronic transmission delivered by such stockholder to act for such stockholder as proxy at the meeting of stockholders and such person must produce such writing or electronic transmission, or a reliable reproduction of the writing or electronic transmission, at the meeting of stockholders.

(ii) Whenever used in these Bylaws, “public announcement” shall mean disclosure (1) in a press release released by the Corporation, provided such press release is released by the Corporation following its customary procedures, is reported by the Dow Jones News Service, Associated Press or comparable national news service, or is generally available on internet news sites, or (2) in a document publicly filed by the Corporation with the Securities and Exchange Commission pursuant to the Exchange Act.

(iii) Notwithstanding the foregoing provisions of this Section 12, a stockholder shall also comply with all applicable requirements of the Exchange Act with respect to the matters set forth in this Section 12; provided, however, that, to the fullest extent permitted by law, any references in these Bylaws to the Exchange Act are not intended to and shall not limit any requirements applicable to nominations or proposals as to any other business to be considered pursuant to these Bylaws (including paragraphs (a)(i)(3) and (b) hereof), and compliance with paragraphs (a)(i)(3) and (b) of this Section 12 of these Bylaws shall be the exclusive means for a stockholder to make nominations or submit other business. Nothing in these Bylaws shall be deemed to affect any special rights of the holders of any class or series of stock having a preference over the Common Stock as to dividends or upon liquidation to elect additional directors upon the occurrence of a specified event or events.

SECTION 13. Remote Communication. If authorized by the Board of Directors in its sole discretion, and subject to such guidelines and procedures as the Board of Directors may adopt, stockholders and proxyholders not physically present at a meeting of stockholders may, by means of remote communication:

(a) participate in a meeting of stockholders; and

(b) be deemed present in person and vote at a meeting of stockholders whether such meeting is to be held at a designated place or solely by means of remote communication; provided that:

(i) the Corporation shall implement reasonable measures to verify that each person deemed present and permitted to vote at the meeting by means of remote communication is a stockholder or proxyholder;

(ii) the Corporation shall implement reasonable measures to provide such stockholders and proxyholders a reasonable opportunity to participate in the meeting and to vote on matters submitted to the stockholders, including an opportunity to read or hear the proceedings of the meeting substantially concurrently with such proceedings; and

(iii) if any stockholder or proxyholder votes or takes other action at the meeting by means of remote communication, a record of such vote or other action shall be maintained by the Corporation.

At each meeting of the Board of Directors, the Chairman of the Board, if one shall have been elected, or, in the absence of the Chairman of the Board or if one shall not have been elected, the President (or, in his or her absence, another director chosen by a majority of the directors present) shall act as chairman of the meeting and preside thereat. Except in the case of a contested election, any director nominee who receives a greater number of votes “withheld” from his or her election than votes “for” such election shall promptly tender his or her resignation to the Board of Directors following certification of the election results. (For purposes of this Section ~~12~~10, an election is a “contested election” if, as of the tenth (~~10th~~10th) day preceding the date the Corporation first mails its notice of meeting for such meeting to the stockholders of the Corporation, the number of nominees for election as directors at such meeting exceeds the number of directors to be elected at such meeting.) Within 60 days following the certification of the election results, the Board of Directors (excluding the director in question) will decide, through a process managed by the Nominating and Governance Committee of the Board of Directors, whether to accept the resignation. Absent a compelling reason for the director to remain on the Board of Directors, the Board of Directors shall accept the resignation. The Board of Directors will promptly disclose its decision to accept or reject the tendered resignation, which disclosure shall include, if the tendered resignation is rejected, a summary of the reasons underlying the decision of the Board of Directors to reject the tendered resignation. For purposes of this Section ~~12~~10, a “compelling reason” could include, without limitation, a situation in which a director nominee was the target of a “vote no” campaign on an illegitimate basis, such as racial discrimination, or the resignation would cause the Corporation to be in violation of its organizational documents or regulatory requirements.

~~SECTION 13~~11. Vacancies. Newly created directorships resulting from any increase in the number of directors, and any vacancies on the Board of Directors resulting from death, resignation, disqualification, removal or other cause shall be filled exclusively by the affirmative vote of a majority of the remaining members of the Board of Directors (and not by stockholders), although less than a quorum, or by a sole remaining director. SECTION 6. Fixing of Record Date. In order that the Corporation may determine the stockholders entitled to notice of any meeting of stockholders or any adjournment thereof, the Board of Directors may fix, in advance, a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors and which record date shall not more than sixty (60) nor less than ten (10) days before the date then fixed for the holding of any meeting of stockholders, as the time as of which the stockholders entitled to notice of and to vote at such meeting, shall be determined, and all persons who were stockholders of record of voting shares at such time, and no others, shall be entitled to notice of and to vote at such meeting. In order that the Corporation may determine the stockholders entitled to receive payment of any dividend or other distribution or allotment of any rights or the stockholders entitled to exercise any rights in respect of any change, conversion or exchange of stock, or for the purpose of any other lawful action, the Board of Directors may fix, in advance, a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted, and which record date shall not more than sixty (60) days prior to such action, as the record date for the determination of the stockholders entitled to receive any such dividend, distribution, allotment, rights or interests, and in such case only the stockholders of record at the time so fixed shall be entitled to receive such dividend, distribution, allotment, rights or interests.

SECTION 7. Lost, Stolen or Destroyed Certificates. The Corporation may issue a new certificate of stock or uncertificated shares in the place of any certificate theretofore issued by it which the owner thereof shall allege to have been lost, stolen or destroyed. When authorizing such issue of a new certificate or uncertificated shares, the Board of Directors may, in its discretion, require such owner or such owner's legal representatives to give to the Corporation a bond sufficient (and in such sum, limited or unlimited, and in such form and with such surety or sureties as the Board of Directors in its absolute discretion shall determine), to indemnify the Corporation against any claim that may be made against it on account of the alleged loss, theft or destruction of any such certificate, or the issuance of such new certificate or uncertificated shares.

ARTICLE VI

Indemnification

SECTION 1. Right to Indemnification. The Corporation shall indemnify and hold harmless, to the fullest extent permitted by applicable law as it presently exists or may hereafter be amended, any person (a "Covered Person") who was or is made or is threatened to be made a party or is otherwise involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative (a "proceeding"), by reason of the fact that he or she, or a person for whom he or she is the legal representative, is or was a director or officer of the Corporation or, while a director or officer of the Corporation, is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust, enterprise or nonprofit entity, including service with respect to employee benefit plans, (each, an "other enterprise"), against all liability and loss suffered and expenses (including attorneys' fees) reasonably incurred by such Covered Person. Notwithstanding the preceding sentence, except as otherwise provided in Section 3 of this Article VI, the Corporation shall be required to indemnify a Covered Person in connection with a proceeding (or part thereof) commenced by such Covered Person only if the commencement of such proceeding (or part thereof) by the Covered Person was authorized in the specific case by the Board of Directors of the Corporation.

SECTION 2. Advancement of Expenses. The Corporation shall to the fullest extent not prohibited by applicable law pay the expenses (including attorneys' fees) incurred by a Covered Person in defending any proceeding in advance of its final disposition, provided, however, that, to the extent required by law, such payment of expenses in advance of the final disposition of the proceeding shall be made only upon receipt of an undertaking by the Covered Person to repay all amounts advanced if it should be ultimately determined that the Covered Person is not entitled to be indemnified under this Article VI or otherwise.

SECTION 3. Claims. If a claim for indemnification (following the final disposition of such proceeding) or advancement of expenses under this Article VI is not paid in full within thirty (30) days after a written claim therefor by the Covered Person has been received by the Corporation, the Covered Person may file suit to recover the unpaid amount of such claim and, if successful in whole or in part, shall be entitled to be paid the expense of prosecuting such claim to the fullest extent permitted by law. In any such action the Corporation shall have the burden of proving that the Covered Person is not entitled to the requested indemnification or advancement of expenses under applicable law.

SECTION 4. Nonexclusivity of Rights. The rights conferred on any Covered Person by this Article VI shall not be exclusive of any other rights which such Covered Person may have or hereafter acquire under any statute, provision of the Certificate of Incorporation, these Bylaws, agreement, vote of stockholders or disinterested directors or otherwise.

SECTION 5. Other Sources. The Corporation's obligation, if any, to indemnify or to advance expenses to any Covered Person who was or is serving at its request as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, enterprise or nonprofit entity shall be reduced by any amount such Covered Person may collect as indemnification or advancement of expenses from such other corporation, partnership, joint venture, trust, enterprise or non-profit enterprise.

SECTION 6. Amendment or Repeal. Any right to indemnification or to advancement of expenses of any Covered Person arising hereunder shall not be eliminated or impaired by an amendment to or repeal of these Bylaws after the occurrence of the act or omission that is the subject of the civil, criminal, administrative or investigative action, suit or proceeding for which indemnification or advancement of expenses is sought.

SECTION 7. Other Indemnification and Advancement of Expenses. This Article VI shall not limit the right of the Corporation, to the extent and in the manner permitted by law, to indemnify and to advance expenses to persons other than Covered Persons when and as authorized by appropriate corporate action.
