PROPOSAL NO. 1

ELECTION OF DIRECTORS

The Company's Certificate of Incorporation provides that the Board of Directors shall consist of not more than nine nor less than five members. The exact number of directors is fixed by the Board prior to each year's Annual Meeting of Shareholders. The Board is divided into three staggered classes, each class having not less than one member and not more than three members. Each director is elected to serve for a three-year term, and until the election and qualification of his or her successor. When vacancies on the Board occur, due to resignation or otherwise, the directors then in office may continue to exercise the powers of the Board of Directors and a majority of such directors may select a new director to fill the vacancy. Any director may resign at any time. Any director may be removed by the vote of, or written consent of, the holders of a majority of the shares of Common Stock outstanding at a special meeting called for the purpose of removal or to ratify the recommendation of a majority of the directors that such director be removed.

The term of the current Class C Director expires at the fiscal 2017 Annual Meeting to be held on February 26, 2018. The Board has proposed John C. Love as Class C Director to serve until the fiscal 2020 Annual Meeting and until the election and qualification of his successor. The Board of Directors has been informed that the nominee has consented to being named as such and is willing to serve as a director if elected. However, if a nominee should be unable, or declines to serve, it is intended that the proxies will be voted for such other persons as the proxies shall, in their discretion, designate. Unless otherwise directed in the accompanying proxy card, the persons named therein will vote FOR the election of the nominee. Election requires the affirmative vote of a majority of the shares represented and voted at the Annual Meeting.

BOARD AND COMMITTEE INFORMATION

InterGroup is a Smaller Reporting Company under the rules and regulations of the Securities and Exchange Commission (“SEC”). The Company’s Common Stock is listed on the Capital Market tier of the NASDAQ Stock Market LLC (“NASDAQ”).

The Board of Directors of InterGroup currently consists of five members. With the exception of the Company’s President and CEO, John V. Winfield, all of InterGroup’s Board of Directors consists of “independent” directors as independence is defined by the applicable rules of the SEC and NASDAQ. The independent directors also meet in executive sessions at least twice per year. The Board of Directors held four meetings during the 2017 fiscal year (in person, telephonically or by written consent). No directors, except for Yvonne L. Murphy, attended (whether in person, telephonically, or by written consent) fewer than 75% of all Board meetings held during the 2017 fiscal year.

Board Leadership Structure

The Chairman of the Board, Mr. Winfield, also serves as the Company's Chief Executive Officer. The Board believes that combining the Chairman and Chief Executive officer roles is the most appropriate structure for the Company at this time because (i) this structure has had a longstanding history with the Company, which the Board believes has served our shareholders well through many economic cycles and business challenges; (ii) the Board believes Mr. Winfield’s unique business experience and history with the Company makes it appropriate for him to serve in both capacities; and (iii) the Board believes its corporate governance processes and committee structures preserve Board independence by insuring independent discussions among directors and independent evaluation of, and communications with, members of senior management such that separation of the Chairman and Chief Executive Officer roles is unnecessary at this time.

Role of the Board in Oversight of Risk

The Board of Directors does not have a separate risk oversight body, but rather manages risk directly. The Board mitigates risk through discussing with management the appropriate level of risk for the Company and evaluating the risk information received by management. These risks include financial, competitive and operational risks. Further, on a quarterly basis, management reports to the Audit Committee regarding the Company's various risk areas as part of the Audit Committee's oversight role over financial reporting in accordance with the Audit Committee charter. In addition, other committees of the Board of Directors consider risks within their areas of responsibility.

We do not believe that our compensation policies encourage excessive risk-taking. The design of our compensation policies encourages employees to remain focused on both short-term and long-term financial and operational goals. Our equity awards typically vest over a number of years, which we believe encourages employees to focus on sustained stock price appreciation over time and the intrinsic value of the Company instead of short-term financial results.

Communications with the Board of Directors

The Board of Directors has not established a formal process for security holders to send communications to the Board of Directors and the Board has not deemed it necessary to establish such a procedure at this time. Historically, almost all communications that the Company receives from security holders have been administrative in nature and are not directed to the Board of Directors. Any communications to the Board of Directors may be submitted in writing to the following address: Board of Directors, The InterGroup Corporation, 1100 Glendon Avenue, Suite PH1, Los Angeles, CA 90024. If the Company should receive a security holder communication directed to the Board of Directors, or to an individual director, said communication will be relayed to the Board of Directors or the individual director as the case may be.

Board Attendance at Annual Meetings of Shareholders

The Company does not have any formal policy with regard to Board members attendance at Annual Meetings of Shareholders but encourages each director to attend such meetings. All of the Company's directors attended the fiscal 2016 Annual Meeting of Shareholders.

Committees

The Company has an Executive Committee that meets in lieu of the Board upon the request of the Chairman of the Executive Committee, if time does not permit the entire Board to convene. Mr. Winfield is Chairman of the Executive Committee. The purpose of the Executive Committee is to review time-sensitive, major issues facing the Company until the entire Board can meet and deliberate on such matters. The Executive Committee held two meetings (in person, telephonically or by written consent) during the 2017 fiscal year.

The Company's Administrative and Compensation Committee (the "Compensation Committee") is comprised of "independent" members of the Board of Directors. In order for a director to be considered "independent" by the Board of Directors, he or she must (i) be free of any relationship that, applying the rules of NASDAQ, would preclude a finding of independence, and (ii) not have any material relationship with the Company or any of its affiliates or any of its executive officers. Mr. Nance and Mr. Love were members of the Compensation Committee during fiscal year 2017. None of the members of the Compensation Committee is an executive officer of the Company. Mr. Nance previously served as the Company's Chief Financial Officer from 1987 to 1990 and as the Company's Treasurer from 1987 to 2002.

Mr. Nance serves as Chairman of the Compensation Committee. The Compensation Committee reviews and recommends to the Board of Directors the compensation for the Company's Chief Executive Officer and other executive officers, including equity or performance based compensation and plans. The Compensation Committee seeks to design and set compensation to attract and retain highly qualified executive officers and to align their interests with those of long-term owners of the Company. The Compensation Committee may also make recommendations to the Board of Directors as to the amount and form of director compensation. The Compensation Committee has not engaged any compensation consultants in determining the amount or form of executive or director compensation, but does review and monitor published compensation surveys and studies. The Compensation Committee held two meetings (in person, telephonically or by written consent) during the 2017 fiscal year. The Compensation Committee also oversees the Company's 2007 Stock Compensation Plan for Non-Employee Directors (the "2007 Stock Plan"), the Company's 2008 Restricted Stock Unit Plan (the "2008 RSU Plan") and the Company's 2010 Omnibus Employee Incentive Plan (the "2010 Incentive Plan").

The Company's Board of Directors has adopted a written charter for the Compensation Committee, which is reviewed on an annual basis. A copy of that written charter, as amended, is posted on the Company's website at www.intgla.com.

The Company has a Real Estate Investment Committee, which is chaired by Mr. Nance. The Real Estate Investment Committee did not hold any meetings (in person, telephonically or by written consent) during the 2017 fiscal year. The Real Estate Investment Committee reviews and considers potential acquisitions, dispositions, and financings of properties.

The Company's Nominating Committee is comprised of two "independent" directors as independence is defined by NASDAQ. The Company has not established a charter for the Nominating Committee. The Company has no policy or procedure with regard to consideration of any director candidates recommended by security holders. As a Smaller Reporting Company that has more than 67% of its voting securities controlled by management, the Company has not deemed it appropriate to institute such a policy, since any nominee that is unacceptable to the Board of Directors would be unlikely to ever be elected. There have not been any material changes to the procedures by which security holders may recommend nominees to the Company's Board of Directors during the last fiscal year. Mr. Nance is the Chairman of the Nominating Committee. The Nominating Committee held one meeting during the 2017 fiscal year.

The Company's Securities Investment Committee oversees and establishes certain investment procedures and reports to the Board of Directors. The Securities Investment Committee's Chairman is Mr. Winfield. The Securities Investment Committee did not hold any meetings (in person, telephonically or by written consent) during the 2017 fiscal year.

The Company's Special Strategic Options Committee is chaired by Mr. Winfield. The Special Strategic Options Committee did not hold any formal meetings during the 2017 fiscal year. However, its members consult with each other frequently on an informal basis. The Special Strategic Options Committee reviews and considers the Company's strategic options and provides guidance to accomplish its goals considering both current and prospective investment opportunities.

The Company's Audit Committee is currently comprised of three members: Mr. Nance (Chairperson), Mr. Love and Mr. Babin, each of whom meet the independence requirements of the SEC and NASDAQ. Messrs. Nance and Love also meet the Audit Committee Financial Expert requirement as defined by the SEC based on their qualifications and business experience discussed above. The primary function of the Audit Committee is to assist the Board of Directors in fulfilling its responsibility of overseeing management's conduct of the financial reporting process, the annual independent audit of the Company's financial statements, reviewing the financial reports provided by the Company to any governmental body or the public; the Company's system of internal controls regarding finance, accounting, legal compliance and ethics that management and the Board have established; and the Company's auditing, accounting and

financial processes generally. The Audit Committee is also responsible for the selection and retention of the Company's independent registered public accounting firm. The Audit Committee held four meetings during the 2017 fiscal year.

The Company's Board of Directors has adopted a written charter for the Audit Committee, which is reviewed on an annual basis. A copy of that written charter, as amended, is posted on the Company's website at www.intgla.com.

Code of Ethics

The Company has adopted a Code of Ethics that applies to its principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. A copy of the Code of Ethics is posted on the Company's website at www.intgla.com. The Company will provide to any person without charge, upon request, a copy of its Code of Ethics by sending such request to: The InterGroup Corporation, Attn: Treasurer, 1100 Glendon Avenue, Suite PH1, Los Angeles, CA 90024. The Company will promptly disclose any amendments or waivers to its Code of Ethics on Form 8-K and will post such information on its website.

As of June 30, 2017, the performance vesting requirements of the options were satisfied.

⁽²⁾ Stock options issued to Mr. Winfield pursuant to the Company's 2010 Incentive Plan are subject to both time and performance based vesting requirements, each of which must be satisfied before the options are fully vested and eligible to be exercised. Pursuant to the time vesting requirements, the options vest over a period of five years, with 18,000 options vesting upon each one year anniversary of the date of grant, February 28, 2012. Pursuant to the performance vesting requirements, the options vest in increments of 18,000 shares upon each increase of \$2.00 or more in the market price of the Company's common stock above the exercise price (\$19.77) of the options. To satisfy this requirement, the common stock must trade at that increased level for a period of at least ten trading days during any one quarter. As of June 30, 2017, 90,000 options have met the performance vesting requirements.

⁽³⁾ On December 26, 2013, the Compensation Committee authorized, subject to shareholder approval, a grant of non-qualified and incentive stock options for an aggregate of 160,000 shares (the "Option Grant") to the Company's President and Chief Executive Officer, John V. Winfield. The stock option grant was approved by shareholders on February 19, 2014. The grant of stock options was made pursuant to, and consistent with, the 2010 Incentive Plan, as proposed to be amended. The non-qualified stock options are for 133,195 shares and have a term of ten years, expiring on December 26, 2023, with an exercise price of \$18.65 per share. The incentive stock options are for 26,805 shares and have a term of five years, expiring on December 26, 2018, with an exercise price of \$20.52 per share. In accordance with the terms of the 2010 Incentive Plan, the exercise prices were based on 100% and 110%, respectively, of the fair market value of the Company's common stock as determined by reference to the closing price of the Company's common stock as reported on the NASDAQ Capital Market on the date of grant. The stock options are subject to time vesting requirements, with 20% of the options vesting annually commencing on the first anniversary of the grant date.

⁽⁴⁾ Mr. Gonzalez's stock options vest over a period of five years, with 3,600 options vesting upon each one-year anniversary of the date of grant, March 2, 2017.

Internal Revenue Code Limitations

Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”), provides that, in the case of a publicly held corporation, the corporation is not generally allowed to deduct remuneration paid to its chief executive officer and certain other highly compensated officers to the extent that such remuneration exceeds \$1,000,000 for the taxable year. Certain remuneration, however, is not subject to disallowance, including compensation paid on a commission basis and, if certain requirements prescribed by the Code are satisfied, other performance based compensation. Since InterGroup, Santa Fe and Portsmouth are each public companies, the \$1,000,000 limitation applies separately to the compensation paid by each entity. Stock option expenses are also amortized over a several years. For fiscal years 2017 and 2016, no compensation paid by the Company to its CEO or other executive officers was subject the deduction disallowance prescribed by Section 162(m) of the Code.

EQUITY COMPENSATION PLANS

The Company currently has two equity compensation plans, each of which has been approved by the Company's stockholders. However, any outstanding stock options issued under the Company's prior equity compensation plans remain effective in accordance with their terms.

The purpose of the Company's equity compensation plans is to provide a means whereby officers, directors and key employees of the Company develop a sense of proprietorship and personal involvement in the development and financial success of the Company, and to encourage them to devote their best efforts to the business of the Company, thereby advancing the interests of the Company and its shareholders. A further purpose of these plans is to provide a means through which the Company may attract able individuals to become employees or serve as directors of the Company and to provide a means for such individuals to acquire and maintain stock ownership in the Company, thereby strengthening their concern for the welfare of the Company.

The InterGroup Corporation 2007 Stock Compensation Plan for Non-Employee Directors

The InterGroup Corporation 2007 Stock Compensation Plan for Non-Employee Directors (the "2007 Stock Plan") was approved by the shareholders of the Company on February 21, 2007, and was thereafter adopted by the Board of Directors. The 2007 Plan was terminated on February 21, 2017. The stock available for issuance under the 2007 Stock Plan shall be unrestricted shares of the Company's common stock, par value \$.01 per share, which may be unissued shares or treasury shares. Subject to certain adjustments upon changes in capitalization, a maximum of 60,000 shares of the common stock will be available for issuance to participants under the 2007 Stock Plan.

All non-employee directors are eligible to participate in the 2007 Stock Plan. Each non-employee director as of the adoption date of the 2007 Stock Plan was granted an award of 600 unrestricted shares of the Company's common stock. On each July 1 following the adoption date of the 2007 Stock Plan, each non-employee director shall receive an automatic grant of a number of shares of company's common stock equal in value to \$18,000 based on 100% of the fair market value (as defined) of the Common Stock on the date of grant, provided he or she holds such position on that date and the number of shares of Common Stock available for grant under the 2007 Stock Plan is sufficient to permit such automatic grant. Any fractional shares resulting from such grant will be rounded up to next highest whole share. All stock awards to non-employee directors will be fully vested on the date of grant. The dollar amount of the annual grant is subject to further adjustment by the Board of Directors upon recommendation by the Compensation Committee. The stock awards granted under the 2007 Stock Plan are shares of unrestricted common stock and are fully vested on the date of grant. The right of the non-employee director to receive his or her annual grant of common stock is personal to the director and is not transferable. Once received, shares of common stock awarded to the non-employee director are freely transferable subject to any requirements of Section 16(b) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). On June 28, 2007, Company filed a registration statement on Form

S-8 to register the shares subject to the 2007 Stock Plan and the Company's two prior stock option plans under the Securities Act of 1933, as amended (the "Securities Act").

Upon recommendation of the Compensation Committee, the Board may, at any time and from time to time and in any respect, amend or modify the 2007 Stock Plan. The Board must obtain stockholder approval of any material amendment to the 2007 Stock Plan if required by any applicable law, regulation or stock exchange rule. The Board of Directors may amend the 2007 Stock Plan or any award agreement, which amendment may be retroactive, in order to conform it to any present or future law, regulation or ruling relating to plans of this or similar nature. No amendment or modification of the 2007 Stock Plan or any award agreement may adversely affect any outstanding award without the written consent of the participant holding the award.

Upon recommendation of the Compensation Committee, the Board of Directors, on February 23, 2011, voted to increase the annual grant awarded to each of the non-employee directors to a number of shares of Company's common stock equal in value to \$22,000, effective as of the July 1, 2011 grant, while decreasing the annual cash compensation payable to non-employee directors from \$16,000 to \$12,000 per year.

For the year ended June 30, 2016, the four non-employee directors of the Company received a total grant of 4,520 of Common Stock pursuant to the 2007 Stock Plan.

The InterGroup Corporation 2008 Restricted Stock Unit Plan

On December 3, 2008, the Board of Directors adopted, subject to shareholder approval, a new equity compensation plan for its officers, directors and key employees entitled, The InterGroup Corporation 2008 Restricted Stock Unit Plan (the "2008 RSU Plan"). The 2008 RSU Plan was approved and ratified by the shareholders on February 18, 2009.

The 2008 RSU Plan authorizes the Company to issue restricted stock units ("RSUs") as equity compensation to officers, directors and key employees of the Company on such terms and conditions established by the Compensation Committee of the Company. RSUs are not actual shares of the Company's common stock, but rather promises to deliver common stock in the future, subject to certain vesting requirements and other restrictions as may be determined by the Committee. Holders of RSUs have no voting rights with respect to the underlying shares of common stock and holders are not entitled to receive any dividends until the RSUs vest and the shares are delivered. No awards of RSUs shall vest until at least six months after shareholder approval of the Plan. Subject to certain adjustments upon changes in capitalization, a maximum of 200,000 shares of the common stock are available for issuance to participants under the 2008 RSU Plan. The 2008 RSU Plan will terminate ten (10) years from December 3, 2008, unless terminated sooner by the Board of Directors. After the 2008 RSU Plan is terminated, no awards may be granted but awards previously granted shall remain outstanding in accordance with the Plan and their applicable terms and conditions.

The shares of common stock to be delivered upon the vesting of an award of RSUs have been registered under the Securities Act, pursuant to a registration statement filed on Form S-8 by the Company on June 16, 2010. The grant of RSUs is personal to the recipient and is not transferable. Once received, shares of common stock issuable upon the vesting of the RSUs are freely transferable subject to any requirements of Section 16(b) of the Exchange Act. Under the 2008 RSU Plan, the Compensation Committee also has the power and authority to establish and implement an exchange program that would permit the Company to offer holders of awards issued under prior shareholder approved compensation plans to exchange certain options for new RSUs on terms and conditions to be set by the Committee. The exchange program is designed to increase the retention and motivational value of awards granted under prior plans. In addition, by exchanging options for RSUs, the Company will reduce the number of shares of common stock subject to equity awards, thereby reducing potential dilution to stockholders in the event of significant increases in the

value of its common stock.

As of June 30, 2017, there were no RSUs outstanding.

The InterGroup Corporation 2010 Omnibus Employee Incentive Plan

On February 24, 2010, the shareholders of the Company approved The InterGroup Corporation 2010 Omnibus Employee Incentive Plan (the “2010 Incentive Plan”), which was formally adopted by the Board of Directors following the annual meeting of shareholders. The 2010 Incentive Plan as modified in December 2013, authorizes a total of up to 400,000 shares of common stock to be issued as equity compensation to officers and employees of the Company in an amount and in a manner to be determined by the Compensation Committee in accordance with the terms of the Plan. The 2010 Incentive Plan authorizes the awards of several types of equity compensation including stock options, stock appreciation rights, performance awards and other stock based compensation. The 2010 Incentive Plan will expire on February 23, 2020, if not terminated sooner by the Board of Directors upon recommendation of the Compensation Committee. Any awards issued under the Plan will expire under the terms of the grant agreement.

The shares of common stock to be issued under the 2010 Incentive Plan have been registered under the Securities Act, pursuant to a registration statement filed on Form S-8 by the Company on June 16, 2010. Once received, shares of common stock issued under the Plan will be freely transferable subject to any requirements of Section 16(b) of the Exchange Act.

On February 28, 2012, the Compensation Committee authorized the grant of 90,000 stock options to the Company’s Chairman, President and Chief Executive, John V. Winfield to purchase up to 90,000 shares of the Company’s common stock pursuant to the 2010 Incentive Plan. The exercise price of the options is \$19.77, which equals 100% of the fair market value of the Company’s common stock as determined by reference to the closing price of the Company’s common stock as reported on the NASDAQ Capital Market on February 28, 2012 the date of grant. The options expire ten years from the date of grant, unless earlier terminated in accordance with the terms of the 2010 Plan. The options shall be subject to both time and market based vesting requirements, each of which must be satisfied before options are fully vested and eligible to be exercised. Pursuant to the time vesting requirements, the options vest over a period of five years, with 18,000 options vesting upon each one year anniversary of the date of grant. Pursuant to the market vesting requirements, the options vest in increments of 18,000 shares upon each increase of \$2.00 or more in the market price of the Company’s common stock above the exercise price (\$19.77) of the options. To satisfy this requirement, the common stock must trade at that increased level for a period of at least ten trading days during any one quarter. As of June 30, 2017, all 90,000 options have met the market vesting requirements.

On December 26, 2013, the Compensation Committee authorized, subject to shareholder approval, a grant of non-qualified and incentive stock options for an aggregate of 160,000 shares (the “Option Grant”) to the Company’s President and Chief Executive Officer, John V. Winfield. The stock option grant was approved by shareholders on February 19, 2014. The grant of stock options was made pursuant to, and consistent with, the 2010 Incentive Plan, as proposed to be amended. The non-qualified stock options are for 133,195 shares and have a term of ten years, expiring on December 26, 2023, with an exercise price of \$18.65 per share. The incentive stock options are for 26,805 shares and have a term of five years, expiring on December 26, 2018, with an exercise price of \$20.52 per share. In accordance with the terms of the 2010 Incentive Plan, the exercise prices were based on 100% and 110%,

respectively, of the fair market value of the Company's common stock as determined by reference to the closing price of the Company's common stock as reported on the NASDAQ Capital Market on the date of grant. The stock options are subject to time vesting requirements, with 20% of the options vesting annually commencing on the first anniversary of the grant date.

In March 2017, the Compensation Committee awarded 18,000 stock options to the Company's Vice President of Real Estate, David C. Gonzalez, to purchase up to 18,000 shares of common stock. The exercise price of the options is \$27.30 which is the fair value of the Company's Common Stock as reported on NASDAQ on March 2, 2017. The options expire ten years from the date of grant. Pursuant to the time vesting requirements, the options vest over a period of five years, with 3,600 options vesting upon each one-year anniversary of the date of grant.

Change in Controls Provisions in Equity Compensation Plans

Under the Company's 2008 RSU Plan and its 2010 Incentive Plan, RSUs, stock options and other incentive awards may vest upon a change in control of the Company in accordance with their respective grant agreements. Outstanding unvested RSUs issued pursuant to the 2008 RSU Plan in exchange for vested stock options will immediately vest upon a change in control. Outstanding stock options issued pursuant to the Company's 2010 Incentive Plan will also immediately vest and become exercisable upon a change in control. Except for the foregoing, there are no employment contracts between the Company and its officers or directors or any change in control arrangements.

SHAREHOLDER ADVISORY VOTES ON EXECUTIVE COMPENSATION

At its fiscal 2016 Annual Meeting of Shareholders held on March 2, 2017, the Company submitted to its shareholders two proposals regarding executive compensation. The first proposal to approve, in a non-binding vote, the compensation of the Company's named executive officers was approved by the shareholders, having received more than 99% of the shares voted at the meeting in favor of the proposal. The second proposal was to determine, in a non-binding vote, whether a shareholder advisory vote to approve the compensation of the Company's executive officers should occur every one, two or three years. The shareholders overwhelmingly voted in favor of three years as the frequency in which the Company should have an advisory vote on executive compensation with more than 89% of the shares voted at the meeting being in favor of three years. The Board of Directors considered the guidance provided by those advisory votes and set three years as the frequency in which it will have a non-binding vote on executive compensation.

The Board of Directors will continue to focus on responsible executive compensation practices that attract, motivate and retain high performance executives, reward those executives for the achievement of long-term performance and support our other executive compensation objectives.
