**ITEM 8.01 OTHER EVENTS.**

Celgene has entered into a settlement with Actavis LLC to terminate the pending patent litigation and Inter Partes Review (IPR) challenges between the parties relating to certain patents for ABRAXANE®. As part of the settlement, the parties will file a Consent Judgment with the United States District Court for the District of New Jersey that enjoins Actavis from marketing generic paclitaxel protein-bound particles for injectable suspension before expiration of the patents-in-suit, except as provided for in the settlement. In the settlement, Celgene has agreed to provide Actavis with a license to Celgene's patents required to manufacture and sell its generic paclitaxel protein-bound particles for injectable suspension product in the United States beginning on March 31, 2022.
