Item 1.01. Entry Into a Material Definitive Agreement

Lease for Relocation of Company's Philadelphia Operations

On May 8, 2007, Tasty Baking Company (the "Company") entered into an Industrial

Edgar Filing: TASTY BAKING CO - Form 8-K

Lease Agreement (the "Bakery Lease") with Liberty Property/Synterra Limited Partnership ("Landlord") to relocate its Philadelphia, Pennsylvania operations to leased facilities at the Philadelphia Navy Yard. The Bakery Lease is for a 345,500 square foot building which is to be constructed by Landlord on approximately 25 acres (the "Land") that will house a new production facility and a warehouse and distribution center (the "Facility"). It is expected that the Facility will be completed in late 2009. The term of the Bakery Lease is for 26 years after completion of Landlord's construction of the Facility, with the right to extend for two (2) additional periods of ten (10) years each. The Minimum Annual Rent (as defined in the Bakery Lease) ranges from approximately \$3.5 million (Year 2) to \$7.2 million (Year 26) with no rental payments due for the first lease year. The Company is obligated to pay Annual Operating Expenses which are currently estimated to be approximately \$0.7 million for the first lease year of the term. Since the Land is located in the Keystone Opportunity Industrial Zone ("KOIZ"), there will be no real estate taxes due until termination of the KOIZ term, which is anticipated to be 2018.

The Bakery Lease contains various additional provisions such as an expansion right and a right of first offer in favor of the Company to purchase the entire 25 acre parcel together with the Facility. In addition, the Bakery Lease is contingent upon and subject to termination by:

(A) Landlord in the event (i) Landlord does not obtain, within 60 days of execution of the Bakery Lease, an executed Sales and Development Agreement for the Land from the Philadelphia Authority for Industrial Development ("PAID") and (ii) Landlord does not obtain, on or before June 30, 2007, a commitment for certain funding, including funding under the Redevelopment Assistance Capital Program and several other funding programs from the Commonwealth of Pennsylvania or funding from the United States Economic Development Administration, or

(B) Landlord or Company in the event the Company does not (i) receive, on or before June 30, 2007, commitments from (a) the Philadelphia Industrial Development Corporation ("PIDC") for funding in the amount of \$12 million, (b) the Commonwealth of Pennsylvania's Machinery and Equipment Loan Fund Program for funding in the amount of \$10 million, and (c) the Commonwealth of Pennsylvania's Opportunity Grant Program aggregating \$0.6 million and (ii) close, on or before July 30, 2007, a credit facility, in the amount of \$100 million.

Upon any such termination, however, the Company is obligated to reimburse Landlord for all hard and soft costs incurred, or required to be incurred, by

Landlord with respect to work on the Facility. Finally, the Bakery Lease is contingent upon the Landlord's being granted all easements necessary for Landlord to construct and provide rail service to the Premises.

The Facility is expected to replace the Company's current manufacturing facility located at 2801 Hunting Park Avenue, Philadelphia, and also accommodate the Company's current distribution operations taking place at 3413 Fox Street, Philadelphia. The Bakery Lease also requires that the parties enter into an office lease for a facility to be located in the Navy Yard, which is expected to be used for the Company's corporate offices currently housed at 3413 Fox Street (the "Office Lease"). (The Bakery Lease and Office Lease are collectively referred to as the "Lease")

The Company also has entered into a 16-year Improvements Agreement with Landlord for \$9.5 million in tenant improvements. The Improvements Agreement requires no payments in the first year of occupancy and then requires equal monthly installments of \$0.1 million over the remainder of the term. Additionally, the

Edgar Filing: TASTY BAKING CO - Form 8-K

Company is obligated initially to provide a \$1 million Letter of Credit to the Landlord to secure the Company's obligations under the Bakery Lease and Improvements Agreement, which amount which will increase to \$8 million by the beginning of 2009 and will then decrease during each of the last 10 years. In connection with the Lease, Liberty Property Limited Partnership, an entity related to the Landlord, has guaranteed to the Company the Landlord's timely completion of construction of the Facility.

Funding for Leased Facilities

In order to finance the costs related to the Facility and the Lease and to refinance the Company's existing revolving credit facilities, the Company signed a commitment letter with Citizens Bank of Pennsylvania ("Citizens") with respect to new secured credit facilities aggregating \$100 million ("Credit Facilities"). Pursuant to the commitment letter (i) RBS Securities Corporation ("RBS"), an affiliate of Citizens, will act as the lead arranger for the Credit Facilities, and (ii) Citizens will act as sole administrative agent and sole collateral agent. The Company also anticipates receiving a \$10 million loan from the Commonwealth of Pennsylvania's Machinery and Equipment Loan Fund ("MELF") and has been approved by a resolution of the board of PIDC for a \$12 million loan from PIDC to fund equipment purchases and relocation costs for the Facility.

The Credit Facilities are anticipated to consist of a (i) \$55 million equipment line of credit ("Equipment Line"), (ii) \$35 million working capital revolver ("Working Capital Revolver"), and (iii) \$10 million low-interest loan from Citizens in partnership with the Commonwealth of Pennsylvania (the "Commonwealth"). Citizens provided a \$50 million commitment for its portion of the Credit Facilities. In addition, RBS received commitment letters from Bank of America (\$30 million) and Sovereign Bank (\$20 million) to become members of the bank group and complete the funding of the Credit Facilities. Between the date of this filing and the execution of the documentation for the Credit Facilities, other lenders may join the bank group and, as a result, the funding allocation among the members of the funding group may vary from their current commitments. All of these commitments are subject to execution of final loan documentation satisfactory to the Company and the banks.

The Equipment Line provides for up to \$55 million in financing based on real estate and equipment valuations. The Equipment Line will accrue interest only for the first 3 years followed by a conversion of the outstanding balances to a Mortgage Term Loan and an Equipment Term Loan each with 2 year terms. The Mortgage Term Loan will be secured by certain real property and will be amortized based on a 25 year amortization schedule. The Equipment Term Loan will be secured by participating in the blanket lien on the Company's assets and will be amortized based on a 15 year amortization schedule. The Working Capital Revolver has a 5 year term which is subject to renewal in conjunction with the Mortgage Term Loan and the Equipment Term Loan. The interest rates for the Equipment Line and the Working Capital Revolver are indexed to the prime rate or LIBOR (at the option of the Company) based upon the Company's ratio of debt to EBITDA, with a margin of between 0-75 basis points above the prime rate or 75-275 basis points above LIBOR. Additionally, the Company will be required to enter into an interest rate swap on up to 50% of the projected outstanding amount of the Equipment Line prior to closing on the Credit Facilities. The \$10 million low-interest loan from Citizens in partnership with the Commonwealth will be amortized over 10 years and has a 5 year term with a fixed interest rate of 5.5% and is subject to renewal with the Credit Facilities at the expiration of the initial 5 year term. The Company has also agreed to pay certain fees to Citizens in connection with the Credit Facilities.

The Credit Facilities will be secured by a first priority lien on all of the assets of the Company and its subsidiaries. The commitments provide, among other

Edgar Filing: TASTY BAKING CO - Form 8-K

things, that the closing on the Credit Facilities is subject to closing on the other \$22 million of public funding (PIDC and MELF) and includes conditions customary to similar loan transactions. The definitive credit agreements are expected to contain affirmative and negative covenants customary in credit facilities of this type and are expected to be executed on or before the expiration of the commitments on July 30, 2007.

It is anticipated that the \$12 million of PIDC funds (i) will be drawn down during the 3 year construction period of the Facility, (ii) will be amortized over 10 years at below market interest rates (4.5%) with the amortization period to begin at approximately the same time as the amortizations in the Credit Facilities, and (iii) will be secured by a second blanket lien on the Company's assets. It is also anticipated that the \$10 million of MELF loans (i) will be drawn as two \$5 million loans with interest only for the first two years after each loan is drawn at a rate of 5% (ii) will be amortized based on a 10 year amortization schedule after the first two years, (iii) will be secured by a first and second lien position on certain pieces of equipment acquired with the MELF loans, and (iv) will be drawn during the construction period of the Facility to fund deposits and progress payments on the equipment.

The Company's receipt of the funding for its relocation plan outlined above and the equipment purchases contemplated by it is subject to various conditions and

requirements imposed by the lenders. There can be no assurance that the Company will satisfy each such condition and thereby obtain all of the loan funds it is seeking. If any substantial portion of the expected loans is not made available to the Company, it may not be able to proceed with its relocation plan.
