On November 3, 2010, American Campus Communities, Inc. (hereby referred to as the “Company”, “we,” “our”, and “us”) consummated the closing of the previously-announced transaction contemplated by the Agreement for Assignment of LLC Interests with GF II/GMH II LLC. Report of Independent Registered Public Accounting Firm

The Board of Directors and Shareholders of American Campus Communities, Inc.

We have audited the accompanying statement of revenues and certain expenses of the portfolio of fourteen student housing properties located in several markets in the United States (collectively, the “Fidelity Portfolio”) for the year ended December 31, 2009. This statement of revenues and certain expenses is the responsibility of the Fidelity Portfolio’s management. Our responsibility is to express an opinion on this statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of revenues and certain expenses is free of material misstatement. An audit includes consideration of internal control over financial reporting as it relates to the statement of revenues and certain expenses as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fidelity Portfolio’s internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of revenues and certain expenses, assessing the accounting principles used and significant estimates made by management, and evaluating the overall presentation of the statement. We believe that our audit provides a reasonable basis for our opinion.

The accompanying statement of revenues and certain expenses was prepared for the purpose of complying with Rule 3-14 of Regulation S-X of the Securities and Exchange Commission for inclusion on Form 8-K/A of American Campus Communities, Inc. and is not intended to be a complete presentation of the Fidelity Portfolio’s revenues and expenses.

In our opinion, the statement of revenues and certain expenses referred to above presents fairly, in all material respects, the revenues and certain expenses of the Fidelity Portfolio as described in Note 1 for the year ended December 31, 2009, in conformity with accounting principles generally accepted in the United States.

## 2. Basis of Presentation

The accompanying statements of revenues and certain expenses for the six months ended June 30, 2010 and for the year ended December 31, 2009 were prepared for the purpose of complying with the provisions of Article 3-14 or Regulation S-X promulgated by the Securities and Exchange Commission (“SEC”), which requires certain information with respect to real estate operations to be included with certain filings with the SEC. The statements of revenues and certain expenses are not intended to be a complete presentation of the actual operations of the properties for the

periods presented, as certain expenses which may not be comparable to the expenses to be incurred in the proposed future operations of the Fidelity Portfolio have been excluded. Expenses excluded consist of interest expense, depreciation, amortization, and certain corporate expenses not directly related to the future operations of the Fidelity Portfolio.

The statement of revenues and certain expenses and notes thereto for the six months ended June 30, 2010 included in this report are unaudited. In the opinion of management, all adjustments necessary for a fair presentation of such statement of revenues and certain expenses have been included. Such adjustments consisted of normal recurring items. Interim results are not necessarily indicative of results for a full year.

3. Summary of Significant Accounting Policies

Use of Estimates

The preparation of the statements of revenues and certain expenses in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts reported in the statements of revenues and certain expenses and accompanying notes. Actual results could differ from those estimates.

Rental Revenue Recognition

Students are required to execute lease contracts with payment schedules that vary from single to monthly payments. Rental income is generally recognized on a straight-line basis over the terms of the leases.

4. Commitments and Contingencies

In the normal course of business, the Fidelity Portfolio is subject to claims, lawsuits, and legal proceedings. While it is not possible to ascertain the ultimate outcome of such matters, in management's opinion, the liabilities, if any, in excess of the amounts provided or covered by insurance, will not have a material adverse effect on the results of operations of the Fidelity Portfolio or the Company.

American Campus Communities, Inc. and Subsidiaries

The unaudited pro forma condensed consolidated statements of operations for the year ended December 31, 2009 and for the six months ended June 30, 2010, are presented as if all of the 2010 acquisitions and the Company's August 2010 equity offering had been completed on January 1, 2009.
