ANNOUNCEMENT

CONNECTED TRANSACTION

ACQUISITION OF HIGH-PURITY ALUMINUM PLANT AND LIGHT METAL MATERIALS PLANT OF
BAOTOU GROUP BY BAOTOU ALUMINUM

The Board announces that Baotou Aluminum and Baotou Group entered into the Assets Transfer Agreement on 25 June 2015, pursuant to which, Baotou Aluminum proposed to acquire the relevant assets and liabilities of the high-purity aluminum plant and the light metal materials plant of Baotou Group by cash.

As at the date of this announcement, Baotou Aluminum is a subsidiary of the Company, and Chinalco is the controlling Shareholder of the Company. Baotou Group, as a subsidiary of Chinalco, is a connected person of the

Company. As such, the Assets Transfer Agreement entered into between Baotou Aluminum and Baotou Group constitutes a connected transaction of the Company under the Hong Kong Listing Rules.

As one or more of the applicable percentage ratios (as defined under Rule 14A.06 of the Hong Kong Listing Rules) in respect of the transaction under the Assets Transfer Agreement are more than 0.1% but less than 5%, the transaction is subject to the requirements of reporting and announcement but is exempted from the requirements of independent Shareholders' approval under Chapter 14A of the Hong Kong Listing Rules.

1. INTRODUCTION

The Board announces that Baotou Aluminum and Baotou Group entered into the Assets Transfer Agreement on 25 June 2015, pursuant to which, Baotou Aluminum proposed to acquire the relevant assets and liabilities of the high-purity aluminum plant and the light metal materials plant of Baotou Group by cash.

2. ASSETS TRANSFER AGREEMENT

2.1 Date

25 June 2015

2.2 Parties

- (1) Baotou Group, as the transferor; and
- (2) Baotou Aluminum, as the transferee

2.3 Targets of the Transaction

Based on the list of assets set out in the "Specific Assets Appraisal Report" and its appendix issued by China Enterprise Appraisal Co., Ltd.* () (the "**Assets Appraisal Report**"), Baotou Aluminum proposed to acquire the relevant assets and liabilities of the high-purity aluminum plant and the light metal materials plant of Baotou Group.

2.4 Transaction Price and Payment of Consideration

Both parties agreed that the consideration for the assets transfer shall be determined with reference to the appraised value of the net assets of the high-purity aluminum plant and the light metal materials plant set out in the Assets Appraisal Report (the benchmark date of the appraisal is 30 April 2015). According to the Asset Appraisal Report, as at 30 April 2015, the appraised value of net assets of the high-purity aluminum plant and the light metal materials plant was RMB35 million.

Accordingly, the total consideration for the assets transfer is RMB35 million. However, the transaction price of inventories shall be individually determined based on the actual market price as at the assets transfer date, and the total consideration for the assets transfer shall be ultimately adjusted in accordance with the difference between inventory prices on the benchmark date of the appraisal and on the assets transfer date. The adjustment shall not be more than RMB10 million. During the period from the benchmark date of the appraisal to the assets transfer date, Baotou Group shall be entitled to or bear the audited revenues or expenses (if any) incurred by the targets; after the assets transfer date, Baotou Aluminum shall be entitled to or bear the revenues or expenses and liabilities of the targets.

- 2 -

Both parties agreed that the above consideration shall be paid in two installments:

- (1) First installment: Baotou Aluminum shall pay 30% of the total transfer consideration (amounting to RMB10,451,200) to Baotou Group within 30 days upon the effectiveness of the Assets Transfer Agreement.
- (2) Second installment: The remaining part of the total adjusted consideration for the transaction shall be paid after the assets transfer date and before 31 December 2015.

2.5 Condition Precedent

The Assets Transfer Agreement shall come into effect upon signing by the legal representatives or authorized representatives of both parties with the company seals or special seals for contractual uses affixed, and the approval by the shareholders of Baotou Group and Baotou Aluminum and the competent authorities (if applicable) of the State being obtained.

2.6 Completion Arrangement

Upon Assets Transfer Agreement becoming effective and after completion of relevant work including the check and verification on the targets of the transaction, Baotou Aluminum and Baotou Group will arrange for completion.

3. REASONS FOR AND BENEFITS OF THE TRANSACTION

The acquisition of the high-purity aluminum plant and the light metal materials plant of Baotou Group by Baotou Aluminum will facilitate the increase of the alloy ratio of the electrolytic aluminum of the Company, realize the upgrade of the industrial chain and enhance the overall competitiveness of the Company, thus is in line with the development strategies of the Company.

The Directors (including the independent non-executive Directors) are of the view that the transaction contemplated under the Assets Transfer Agreement is on normal commercial terms and the terms contained therein are fair and reasonable and are in the interests of the Company and the Shareholders as a whole.
