**Item 1.01**

**Entry into a Material Definitive Agreement.**

On January 31, 2018, Harvard Bioscience, Inc. (the “Company”) entered into a financing agreement by and among the Company and certain subsidiaries of the Company parties thereto, as borrowers (collectively, the “Borrower”), certain subsidiaries of the Company parties thereto, as guarantors, various lenders from time to time party thereto (the “Lenders”), and Cerberus Business Finance, LLC, as collateral agent and administrative agent for the Lenders (the “Financing Agreement”).

The Financing Agreement provides for senior secured credit facilities (the “Senior Secured Credit Facilities”) comprised of a \$64 million term loan and a \$25 million revolving line of credit. The proceeds of the term loan and \$4.8 million of advances under the revolving line of credit were used to fund a portion of the Merger (defined below), and to pay fees and expenses related thereto and the closing of the Senior Secured Credit Facilities. In addition, the revolving facility is available for use by the Company and its subsidiaries for general corporate and working capital needs, and other purposes to the extent permitted by the Financing Agreement. The Senior Secured Credit Facilities have a maturity of five years.

Commencing on March 31, 2018, the outstanding term loans will amortize in equal quarterly installments equal to \$400,000 per quarter on such date and during each of the next three quarters thereafter, \$600,000 per quarter during the next four quarters thereafter and \$800,000 per quarter thereafter, with a balloon payment at maturity.

The obligations of the Borrower under the Senior Secured Credit Facilities are unconditionally guaranteed by the Company and certain of the Company’s existing and subsequently acquired or organized subsidiaries. The Senior Secured Credit Facilities and related guarantees are secured on a first-priority basis (subject to certain liens permitted under the Financing Agreement) by a lien on substantially all the tangible and intangible assets of the Borrower and the subsidiary guarantors, including all of the capital stock held by such obligors (subject to a 65% limitation on pledges of capital stock of foreign subsidiaries), subject to certain exceptions.

Interest on all loans under the Senior Secured Credit Facilities is monthly. Borrowings under the Financing Agreement accrue interest at a per annum rate equal to, at the Borrower’s option, a base rate plus 4.75% or a LIBOR rate plus 6.25%. The loans are also subject to a 1.25% interest rate floor for LIBOR loans and a 4.25% interest rate floor for base rate loans.

The Financing Agreement contains customary representations and warranties and affirmative covenants applicable to the Company and its subsidiaries and also contains certain restrictive covenants, including, among others, limitations on the incurrence of additional debt, liens on property, acquisitions and investments, loans and guarantees, mergers, consolidations, liquidations and dissolutions, asset sales, dividends and other payments in respect of the Company’s capital stock, prepayments of certain debt, transactions with affiliates and modifications of organizational documents, material contracts, affiliated practice agreements and certain debt agreements. The Financing Agreement also contains customary events of default.

A copy of the Financing Agreement is attached as Exhibit 10.1 hereto and is incorporated by reference. The foregoing description of the Financing Agreement does not purport to be complete and is qualified in its entirety by reference to the Financing Agreement.

**Item 2.01. Completion of Acquisition or Disposition of Assets.**

On January 31, 2018, the Company completed its previously announced acquisition of Data Sciences International, Inc., a Delaware corporation (“DSI”). Pursuant to the terms of the Agreement and Plan of Merger (the “Merger Agreement”), dated as of January 22, 2018, among the Company, Plymouth Sub, Inc., a Delaware corporation and wholly-owned subsidiary of the Company (“Merger Sub”), and DSI, Merger Sub merged with and into DSI (the “Merger”), with DSI surviving the merger as a wholly-owned subsidiary of the Company. The aggregate consideration payable by the Company in connection with the Merger is approximately \$70 million (subject to adjustment for net working capital and other customary adjustments, the “Merger Consideration”). At the effective time of the Merger (the “Effective Time”), each of DSI’s outstanding shares and applicable equity awards (including in-the-money options, restricted stock units and performance units), and other than shares held by DSI stockholders who have not voted in favor of the Merger and who have properly exercised and perfected appraisal rights under Delaware law (“Appraisal Shares”), were canceled and converted automatically into the right to receive the applicable Merger Consideration.

A copy of the Merger Agreement was filed as Exhibit 2.1 to the Form 8-K filed by the Company with the Securities and Exchange Commission on January 26, 2018 and is incorporated herein by reference. The foregoing description of the Merger Agreement is qualified in its entirety by reference to the Merger Agreement.
