Magyar Bancorp Magyar Bancorp, a Delaware corporation, is the bank holding company for Magyar Bank, an FDIC-insured, New Jersey-chartered savings bank that operates seven full-service banking offices. At September 30, 2018, Magyar Bancorp had \$624 million in total assets. Our principal executive offices are located at 400 Somerset Street, New Brunswick, New Jersey 08901, and our telephone number is (732) 342-7600. Magyar Bancorp, MHC, a New Jersey-chartered mutual holding company (the “Mutual Holding Company”), holds 3,200,450 shares, or 55.0%, of the Company’s issued and outstanding shares of common stock.

Who Can Vote

The Board of Directors has fixed December 20, 2018 as the record date for determining the stockholders entitled to receive notice of and to vote at the Annual Meeting. Accordingly, only holders of record of shares of Magyar Bancorp common stock, par value \$0.01 per share, at the close of business on such date will be entitled to vote at the Annual Meeting. On December 20, 2018, 5,820,746 shares of Magyar Bancorp common stock were outstanding and held by approximately 405 holders of record. The presence, in person or by properly executed proxy, of the holders of a majority of the outstanding shares of Magyar Bancorp common stock is necessary to constitute a quorum at the Annual Meeting. The presence by proxy of the Mutual Holding Company’s shares of common stock will assure a quorum is present at the Annual Meeting.

How Many Votes You Have

Each holder of shares of Magyar Bancorp common stock outstanding will be entitled to one vote for each share held of record. However, Magyar Bancorp’s certificate of incorporation provides that stockholders of record who beneficially own in excess of 10% of the then outstanding shares of common stock of Magyar Bancorp (other than the Mutual Holding Company) are not entitled to any vote with respect to the shares held in excess of that 10% limit. A person or entity is deemed to beneficially own shares that are owned by an affiliate, as well as by any person acting in concert with such person or entity.

Matters to Be Considered

The matters to be considered at the Annual Meeting are the election of three directors, a vote on an advisory basis on executive compensation, a vote on an advisory basis on the frequency of stockholder voting on executive compensation, and the ratification of the appointment of RSM US LLP as our independent registered public accounting firm for the year ending September 30, 2019.

You may be asked to vote upon other matters that may properly be submitted to a vote at the Annual Meeting. You also may be asked to vote on a proposal to adjourn or postpone the Annual Meeting. Magyar Bancorp could use any adjournment or postponement for the purpose, among others, of allowing additional time to solicit proxies.

Table of Contents

How to Vote

We are making our proxy materials available to our stockholders on the Internet. You may read, print and download our Annual Report to Stockholders and our Proxy Statement at www.envisionreports.com/MGYR. On or about December 31, 2018, we mailed a notice to stockholders containing instructions on how to access our proxy materials and vote online. On an ongoing basis, stockholders may request proxy materials in printed form by mail, or electronically by email.

You may vote your shares by Internet, by telephone, by regular mail or in person at the Annual Meeting. Each of these voting options is described in the notice and the Proxy Card. You should complete and return your Proxy Card, or vote using the Internet or telephone voting options, in order to ensure that your vote is counted at the Annual Meeting, or at any adjournment of the Annual Meeting, regardless of whether you plan to attend. **If you return an executed Proxy Card without marking your instructions, your executed Proxy Card will be voted “FOR” the election of the three director nominees named in this Proxy Statement, “FOR” approval of the compensation for our named executive officers, “FOR” an advisory vote on executive compensation to occur every three years, and “FOR” the ratification of the appointment of RSM US LLP as our independent registered public accounting firm for the year ending September 30, 2019.**

If you are a stockholder whose shares are not registered in your own name, you will need appropriate documentation from the stockholder of record to vote in person at the Annual Meeting. If you want to vote your shares of Magyar Bancorp common stock that are held in street name in person at the Annual Meeting, you will need a written proxy card in your name from the broker, bank or other nominee who holds your shares.

The Board of Directors is currently unaware of any other matters that may be presented for consideration at the Annual Meeting. If other matters properly come before the Annual Meeting, or at any adjournment or postponement of the Annual Meeting, shares represented by properly submitted proxies will be voted, or not voted, by the persons named as proxies on the Proxy Card in their best judgment.

Participants in Magyar Bancorp Benefit Plans

If you are a participant in the Magyar Bank Employee Stock Ownership Plan, the Magyar Bank 401(k) Profit Sharing Plan, or another benefit plan through which you own shares of Magyar Bancorp common stock, you will receive voting instruction forms with respect to shares you may vote under the plans. Although the trustee or administrator votes all shares held by the plan, each participant may direct the trustee or administrator how to vote the shares of Magyar Bancorp common stock allocated to his or her plan account. If you own shares through any of these plans and do not vote, the respective plan trustees or administrators will vote the shares in accordance with the terms of the respective plans.

Quorum and Vote Required

The presence, in person or by properly executed proxy, of the holders of a majority of the outstanding shares of Magyar Bancorp common stock is necessary to constitute a quorum at the Annual Meeting. Abstentions and broker non-votes will be counted solely for the purpose of determining whether a quorum is present. A proxy submitted by a broker that is not voted is sometimes referred to as a broker non-vote.

Directors are elected by a plurality of votes cast, including shares voted by Magyar Bancorp, MHC and without regard to either broker non-votes or proxies as to which authority to vote for the nominee being proposed is “WITHHELD.”

The advisory vote to approve executive compensation and the ratification of the appointment of RSM US LLP as our independent registered public accounting firm will be determined by a majority of the votes cast, including shares voted by Magyar Bancorp, MHC and without regard to broker non-votes or proxies marked “ABSTAIN.” The advisory vote on the frequency of stockholder voting on executive compensation will be determined based on the choice receiving the most votes.

This responsibility includes reviewing reports filed with the SEC, the internal audit function, the audit plan and performance of the internal auditor, as well as appointing, overseeing and evaluating the independent registered public accounting firm. The Audit Committee is also responsible for reviewing and approving related party transactions that require proxy statement disclosure. Each member of the Audit Committee is considered “independent” as defined in the NASDAQ corporate governance listing standards and under SEC Rule 10A-3. The Board believes that Director Hodulik qualifies as an “audit committee financial expert” as that term is used in the rules and regulations of the SEC. The Board has adopted a written charter for the Audit Committee, which is available on the Company’s website at www.magbank.com. The report of the Audit Committee is included elsewhere in this Proxy Statement. The Audit Committee currently consists of Directors Hodulik, Lukacs, Lankey and Yelencsics.

Compensation Committee. The Compensation Committee is responsible for recommending to the Board the compensation of the Chief Executive Officer and executive management, reviewing and administering overall

compensation policy, reviewing performance measures and goals, administering stock-based compensation plans, approving benefit programs, establishing compensation of directors and other matters of personnel policy and practice. Each member of the Compensation Committee is considered “independent” as defined in the NASDAQ corporate governance listing standards. The Board has adopted a written charter for the Compensation Committee, which is available at the Company’s website at www.magbank.com. The Compensation Committee currently consists of Directors Lankey, Hodulik, and Yelencsics.

Code of Ethics and Business Conduct

The Board has adopted a code of ethics and business conduct for employees, including the principal executive officer, principal financial officer, principal accounting officer and all persons performing similar functions. This code is designed to deter wrongdoing and to promote honest and ethical conduct, the avoidance of conflicts of interest, full and accurate disclosure and compliance with all applicable laws, rules and regulations. This document is available on the Company's website at www.magbank.com. Amendments to and waivers from the code of ethics and business conduct will be disclosed on the Company's website.

As a mechanism to encourage compliance with the code of ethics and business conduct, the Company has established procedures to receive, retain and treat complaints regarding accounting, internal accounting controls and auditing matters. These procedures ensure that individuals may submit concerns regarding questionable accounting or auditing matters in a confidential and anonymous manner. The code of ethics and business conduct also prohibits the Company from retaliating against any director, executive officer or employee who reports actual or apparent violations of the code of ethics and business conduct.

Board Leadership Structure

The Board of Directors has separated the position of Chairman of the Board from the position of Chief Executive Officer. The Board of Directors believes this structure provides an efficient and effective leadership model for the Company. Separating the Chairman of the Board and Chief Executive Officer positions fosters clear accountability, effective decision-making, and alignment on corporate strategy. The Chief Executive Officer is responsible for setting the strategic direction for the Company and the day to day leadership and performance of the Company. The Chairman of the Board provides guidance to the Chief Executive Officer and sets the agenda for Board meetings and presides over meetings of the full Board of Directors. The Chairman of the Board also leads regularly scheduled executive sessions of the Board.

To assure effective independent oversight, the Board has adopted a number of governance practices to enhance its independence, including holding regularly scheduled executive sessions of the independent directors. In addition, the Compensation Committee, comprised solely of independent directors, conducts performance evaluations of the Chief Executive Officer. The Board, in conjunction with the Nominating and Corporate Governance Committee, which is comprised solely of independent directors, regularly reviews the Board's leadership structure.

Board's Role in Risk Oversight

The Board's role in the Company's risk oversight process includes receiving regular reports from the members of the Company's senior management on areas of material risk to the Company, including operational, financial, legal and regulatory, strategic, cyber and reputational risks. The Board of Directors (or the appropriate Board committee in the case of risks that are reviewed and discussed at committee meetings) receives these reports from the appropriate "risk owner" within the organization, which enables the Board or the appropriate Board committee to identify, mitigate and monitor the material business risks of the Company. When a committee is charged with management of a particular risk, the Chairman of the committee reports risk-related matters addressed by the committee at the next meeting of the full Board of Directors. This enables the Board and its committees to coordinate the risk oversight role, particularly with respect to risk interrelationships.

Board Nominations

The Nominating and Corporate Governance Committee identifies nominees by evaluating the current members of the Board willing to continue in service. Current members of the Board with the skills and experience that are relevant to the Company's business and who are willing to continue in service are first considered for re-nomination, balancing the value of continuity of service by existing members of the Board with that of obtaining a new perspective. If any member of the Board does not wish to continue in service, or if the Nominating and Corporate Governance Committee or the Board decides not to re-nominate a member for re-election, or if the size of the Board is increased, the

Nominating and Corporate Governance Committee would solicit suggestions for director candidates from all Board members and may consider candidates submitted by stockholders. In addition, the Nominating and Corporate Governance Committee is authorized by its charter, to engage a third party to assist in the identification of director nominees. The Nominating and Corporate Governance Committee would seek to identify a candidate who at a minimum satisfies the following criteria:

has the highest personal and professional ethics and integrity and whose values are compatible with those of the Company;

has experiences and achievements that have given him/her the ability to exercise and develop good business judgment;

Table of Contents

is willing to devote the necessary time to the work of the Board and its committees, which includes being available for Board and committee meetings;

is familiar with the communities in which the Company operates and/or is actively engaged in community activities;

is involved in other activities or interests that do not create a conflict with his/her responsibilities to the Company and its stockholders; and

has the capacity and desire to represent the balanced, best interests of the stockholders of the Company as a group, and not primarily a special interest group or constituency.

The Nominating and Corporate Governance Committee may weight the foregoing criteria differently in different situations, depending on the composition of the Board of Directors at the time.

The Nominating and Corporate Governance Committee will also consider any other factors it deems relevant to a candidate's nomination, including the extent to which the candidate helps the Board of Directors reflect the diversity of the Company's shareholders, employees, customers and communities. We do not maintain a specific diversity policy, but the diversity of the Board of Directors is considered in our review of candidates. Diversity includes not only gender and ethnicity, but the various perspectives that come from having differing viewpoints, geographic and cultural backgrounds, and life experiences.

The Nominating and Corporate Governance Committee will also take into account whether a candidate satisfies the criteria for "independence" as defined in the NASDAQ Corporate Governance Listing Standards, and, if a candidate with financial and accounting expertise is sought for service on the Audit Committee, whether the individual qualifies as an "audit committee financial expert."

Procedures for the Consideration of Board Candidates Submitted by Stockholders

The Nominating and Corporate Governance Committee has adopted procedures for the consideration of Board candidates submitted by stockholders. Stockholders can submit the names of candidates for director by writing to the Corporate Secretary at Magyar Bancorp, Inc., 400 Somerset Street, New Brunswick, New Jersey 08901. The submission must include the following information:

a statement that the writer is a stockholder and is proposing a candidate for consideration by the Nominating and Corporate Governance Committee;

Edgar Filing: Magyar Bancorp, Inc. - Form DEF 14A

the name and address of the nominating stockholder as he/she appears on the Company's books, and number of shares of the Company's common stock that are owned beneficially by such stockholder (if the stockholder is not a holder of record, appropriate evidence of the stockholder's ownership will be required);

the name, address and contact information for the nominated candidate, and the number of shares of common stock of the Company that are owned by the candidate (if the candidate is not a holder of record, appropriate evidence of the stockholder's ownership should be provided);

a statement of the candidate's business and educational experience;

such other information regarding the candidate as would be required to be included in the proxy statement pursuant to SEC Regulation 14A;

13

Table of Contents

- a statement detailing any relationship between the candidate and the Company and between the candidate and any customer, supplier or competitor of the Company;
- detailed information about any relationship or understanding between the proposing stockholder and the candidate; and
- a statement that the candidate is willing to be considered and willing to serve as a director if nominated and elected.

A nomination submitted by a stockholder for presentation by the stockholder at an Annual Meeting of stockholders must comply with the procedural and informational requirements described in “Advance Notice of Business to be Conducted at an Annual Meeting.”

Stockholder Communications with the Board

A stockholder of the Company who wants to communicate with the Board or with any individual director can write to the Corporate Secretary at Magyar Bancorp, Inc., 400 Somerset Street, New Brunswick, New Jersey 08901. The letter should indicate that the author is a stockholder and if shares are not held of record, should include appropriate evidence of stock ownership. Depending on the subject matter, the Chairman of the Board will:

- forward the communication to the director(s) to whom it is addressed;
- handle the inquiry directly, for example where it is a request for information about the Company or it is a stock-related matter; or
- not forward the communication if it is primarily commercial in nature, relates to an improper or irrelevant topic, or is unduly hostile, threatening, illegal or otherwise inappropriate.

At each Board meeting, a summary of all communications received since the last meeting will be presented and those communications will be made available to the directors upon request.

Transactions with Certain Related Persons

Federal law and regulation generally require that all loans or extensions of credit to executive officers and directors of a bank be made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with the general public and must not involve more than the normal risk of repayment or present other unfavorable features. However, applicable regulations permit executive officers and directors to receive the same terms through loan programs that are widely available to other employees, as long as the director or executive officer is not given preferential treatment compared to the other participating employees. Magyar Bank extends loans to its executive officers and directors on the same terms as available to all employees, in compliance with these regulations.

Section 402 of the Sarbanes-Oxley Act of 2002 generally prohibits an issuer from: (1) extending or maintaining credit; (2) arranging for the extension of credit; or (3) renewing an extension of credit in the form of a personal loan for an officer or director. There are several exceptions to this general prohibition, one of which is applicable to Magyar Bank. Sarbanes-Oxley does not apply to loans made by a depository institution that is insured by the FDIC and is subject to the insider lending restrictions of the Federal Reserve Act. All loans to the Company’s directors and officers

are made in conformity with the Federal Reserve Act and Regulation O.

Table of Contents

The Company offers a 1% reduction to its publicly available interest rates on loans to employees and directors of the Bank. All such loans to the Company's directors and executive officers are made subject to the Bank's credit standards and are subject to approval by the Bank's Board of Directors. During the period of October 1, 2017 through September 30, 2018, there were no new loans made to the Company's directors and executive officers.

The Audit Committee Report

The following Audit Committee Report is provided in accordance with the rules and regulations of the SEC. Pursuant to such rules and regulations, this report shall not be deemed "soliciting material," filed with the SEC, subject to Regulation 14A or 14C of the SEC or subject to the liabilities of Section 18 of the Securities and Exchange Act of 1934, as amended.

Management has the primary responsibility for the Company's internal controls and financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board ("PCAOB") and issuing an opinion thereon. The Audit Committee's responsibility is to monitor and oversee these processes. As part of its ongoing activities, the Audit Committee has:

- reviewed and discussed with management and the independent registered public accounting firm the Company's audited consolidated financial statements for the fiscal year ended September 30, 2018;
- met with the Company's Chief Executive Officer, Chief Financial Officer, internal auditors and the independent registered public accounting firm, both together and in separate executive sessions, to discuss the scope and the results of the audits and the overall quality of the Company's financial reporting and internal controls;
- discussed with the independent registered public accounting firm the matters required to be discussed by Auditing Standards No. 1301, *Communications with Audit Committees*, as amended;
- received the written disclosures from the independent registered public accounting firm required by the PCAOB, and
- discussed with the independent registered public accounting firm its independence from the Company; and
- pre-approved all audit, audit related and other services to be provided by the independent registered public accounting firm.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended September 30, 2018 and be filed with the SEC.

Executive Compensation

Determination of Executive Compensation

The Company's philosophy is to align executive compensation with the interests of its stockholders and to determine appropriate compensation levels that will enable it to meet the following objectives:

- To attract, retain and motivate an experienced, competent executive management team;
- To reward the executive management team for the enhancement of stockholder value based on annual earnings performance and the market price of the Company's stock;
- To provide compensation rewards that are adequately balanced between short-term and long-term performance goals;
- To encourage ownership of the Company's common stock through stock-based compensation; and
- To maintain compensation levels that are competitive with other financial institutions, and particularly those in the Company's peer group based on asset size and market area.

The Company considers a number of factors in its decisions regarding executive compensation, including, but not limited to, the level of responsibility and performance of the individual executive officers, the overall performance of the Company and a peer group analysis of compensation paid at institutions of comparable size and complexity. The Company also considers the recommendations of the Chief Executive Officer with respect to the compensation of executive officers other than the Chief Executive Officer. The Board of Directors and the Chief Executive Officer review the same information in connection with this recommendation.

The base salary levels for the Company's executive officers are set to reflect the duties and levels of responsibilities inherent in the position and to reflect competitive conditions in the banking business in the Company's market area. Comparative salaries paid by other financial institutions are considered in establishing the salary for the given executive officer. In setting salaries for fiscal year 2018, the Board of Directors utilized bank compensation surveys compiled by the American Bankers Association as well as other survey data prepared by trade groups and independent benefit consultants. The Company did not engage a compensation consultant to assist in establishing executive compensation in fiscal year 2018. In setting the base salaries, the Board of Directors also considered a number of factors relating to the executive officers, including individual performance, job responsibilities, experience level, ability and the knowledge of the position. These factors are considered subjectively and none of the factors are accorded a specific weight.

Benefit Plans

Employment Agreements. Magyar Bancorp entered into an employment agreement, effective November 1, 2007, with John S. Fitzgerald, the President and Chief Executive Officer of the Company and of Magyar Bank. At that time, Mr. Fitzgerald was the Executive Vice President and Chief Operating Officer of the Company and Magyar Bank. The agreement had an initial term of 36 calendar months. Commencing December 31, 2007, and continuing on December 31st of each year thereafter, the agreement renews for an additional period such that the remaining term is thirty-six months, unless written notice of non-renewal is provided. The employment agreement was amended in July 2012 in order to reflect Mr. Fitzgerald's promotion to President and Chief Executive Officer of the Company and Magyar Bank.

Under the agreement, the current base salary is \$415,000 per year, which may be increased but not decreased. In addition, Mr. Fitzgerald is entitled to participate at no cost to executive in all benefit plans provided uniformly to other permanent full-time employees.

If Mr. Fitzgerald voluntarily terminates his employment, or his employment is terminated for cause, no benefits are provided under the agreement. In the event (i) of the involuntary termination of the executive's employment for any reason other than disability, retirement or termination for cause, or (ii) the executive's resignation upon the occurrence of certain events constituting "constructive termination," including failure to appoint him to his current position, a material reduction in his duties, functions or responsibilities, or a breach by the Company of the agreement, Mr. Fitzgerald would be entitled to a severance benefit equal to two times his then current base salary. In the event that the severance payment provisions of the employment agreement are triggered other than following a change in control, the executive would be entitled to a cash severance benefit in the amount of approximately \$830,000. If Mr. Fitzgerald's employment is involuntarily terminated at any time following a change in control of Magyar Bancorp or Magyar Bank, he is entitled to a severance benefit equal to two times the sum of his then current base salary plus any earned and accrued but unpaid bonus for the year of termination. Accordingly, in the event that the severance payment provisions of the employment agreement are triggered following a change in control occurring on the last day of the 2018 fiscal year, the executive would also be entitled to a cash severance benefit in the amount of approximately \$940,000.

Magyar Bancorp also entered into an employment agreement, effective July 26, 2012, with Jon R. Ansari, the Executive Vice President and Chief Financial Officer of the Company and Magyar Bank. The agreement had an initial term of 12 calendar months. Commencing December 31, 2012, and continuing on December 31st of each year thereafter, the agreement renews for an additional period such that the remaining term will be 12 months, unless written notice of non-renewal is provided.

Under the agreement, the current base salary is \$305,010 per year, which may be increased but not decreased. The terms of Mr. Ansari's employment agreement are substantially similar to the terms of Mr. Fitzgerald's employment agreement.

In the event of his involuntary termination of employment without cause or his resignation for the same reasons as under Mr. Fitzgerald's employment, Mr. Ansari will also be entitled to a severance benefit equal to two times his then

current base salary. If Mr. Ansari's employment is terminated other than for cause or following a change in control, Mr. Ansari would be entitled to a cash severance benefit in the amount of approximately \$610,020. If Mr. Ansari's employment is involuntarily terminated (other than for cause) at any time following a change in control of Magyar Bancorp or Magyar Bank, he is entitled to a severance benefit equal to two times the sum of his then current base salary plus any earned and accrued but unpaid bonus for the year of termination. If a change in control and termination of employment had occurred on the last day of the 2018 fiscal year, Mr. Ansari would have been entitled to a cash severance benefit in the amount of approximately \$695,020.

Table of Contents

If either executive's employment is terminated for any of the reasons specified in the preceding paragraph that would entitle the executive to a severance payment, the Company will cause to be continued for 24 months, at its sole expense, life insurance coverage and non-taxable medical and dental insurance coverage substantially identical to the coverage maintained by the Company and/or the Bank prior to the termination of his employment.

The agreements provide that in no event shall the aggregate payments or benefits to be made or afforded to the executive under the agreement constitute an "excess parachute payment," and in order to avoid such a result, such payments or benefits will be reduced, if necessary, to an amount which is one dollar (\$1.00) less than an amount equal to three (3) times the executive's "base amount," as determined in accordance with said Section 280G of the Internal Revenue Code.

The agreements also provide that, other than following a change in control, the executives shall not compete with Magyar Bank or the Company for a period of one year following their termination of employment with Magyar Bank or the Company.

Change-in-Control Agreement. In June 2012, the Company entered into a one-year change-in-control agreement with Brian Stanley, the Senior Vice President and Chief Lending Officer of the Company and Magyar Bank, that provides certain benefits in the event of a termination of employment following a change in control of the Company or Magyar Bank. Commencing on each anniversary date, the agreement will be renewed for an additional year so that the remaining term will be one year, subject to termination by the Board of Directors on notice of non-renewal. The change-in-control agreement enables the Company to offer Mr. Stanley certain protections against termination without just cause in the event of a change in control.

Following a change in control of the Company or Magyar Bank, Mr. Stanley is entitled under the agreement to a payment if his employment is terminated during the term of such agreement, other than for just cause, or if he voluntarily terminates employment during the term of such agreement as a result of a demotion, loss of title, office or significant authority (in each case, other than as a result of the fact that either Magyar Bank or Magyar Bancorp is merged into another entity in connection with a change in control and will not operate as a stand-alone, independent entity), reduction in his annual compensation or benefits, or relocation of his principal place of employment by more than 30 miles from its location immediately prior to the change in control. If there is a change in control followed by a termination of employment, Mr. Stanley will receive a cash payment equal to the sum of his highest rate of base salary and the highest rate of bonus awarded to him during the prior three years, payable in a lump sum. In accordance with the foregoing, if a change of control had occurred as of September 30, 2018 that resulted in a termination of employment, Mr. Stanley would have been entitled to a cash payment in the aggregate amount of approximately \$218,210. In addition to the cash payment, Mr. Stanley is entitled to receive life, medical, and dental coverage, at no cost, for a period of 12 months from the date of termination. Notwithstanding any provision to the contrary in the change-in-control agreements, payments under the change in control agreements are limited so that they will not constitute an excess parachute payment under Section 280G of the Internal Revenue Code of 1986, as amended.

Stock-Based Incentive Plan. In 2007, stockholders approved Magyar Bancorp's Equity Incentive Plan (the "Equity Plan") to provide officers, employees and directors with additional incentives to promote the growth and performance of the Company. The Equity Plan authorized the issuance of up to 381,260 shares of Magyar Bancorp common stock pursuant to grants of incentive and non-statutory stock options, stock appreciation rights, and restricted stock awards.

No more than 108,931 shares could be issued as restricted stock awards.

Table of Contents

As of September 30, 2018, there were no options outstanding to acquire shares of common stock and no shares of restricted stock outstanding and subject to future vesting, and no further awards may be made under the plan.

The Company does not have any equity compensation program that was not approved by its stockholders, other than the ESOP.

Defined Benefit Pension Plan. Magyar Bank sponsors the Magyar Savings Bank Retirement Plan, which is a qualified, tax-exempt defined benefit plan (the “Retirement Plan”). The Retirement Plan was frozen as to new accruals effective as of February 15, 2006. Magyar Bank annually contributes an amount to the plan necessary to satisfy the minimum funding requirements established under the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). The regular form of retirement benefit is a life annuity (if the participant is single) and a joint and survivor annuity (if the participant is married); however, various alternative forms of joint and survivor annuities may be selected instead. In the event a participant dies before his annuity starting date, death benefits will generally be paid to the participant’s surviving spouse in the form of a pre-retirement survivor annuity.

A participant who retires on his normal retirement date is entitled to an annual benefit equal to his accrued benefit based on a retirement benefit formula equal to the sum of 35% of the participant’s average annual compensation plus 22.75% of his average annual compensation in excess of covered compensation. However, participants who have earned less than 35 years of service at the end of the plan year in which they attain normal retirement age will be entitled to reduced benefits. The minimum amount of annual retirement benefit provided to participants who retire on their normal retirement date will be equal to 1.5% of the participant’s average annual compensation multiplied by the participant’s number of years of service, up to a maximum of 30 years.

Executive Supplemental Retirement Income Agreements. Magyar Bank adopted an Executive Supplemental Retirement Income Agreement for Jon Ansari and for John Fitzgerald effective as of January 1, 2006 (“2006 SERPs”). The 2006 SERPs are designed to provide an annual benefit to Mr. Ansari at age 65 of \$141,143 and to Mr. Fitzgerald at age 65 of \$102,362. For these purposes, Messrs. Ansari and Fitzgerald have each established a secular trust in connection with the adoption of the 2006 SERPs. In the fiscal year ended September 30, 2018, Magyar Bank contributed \$40,895 and \$43,792 to the secular trusts established for Mr. Ansari and Mr. Fitzgerald, respectively, under the 2006 SERP.

Director Fees

Each of the individuals who serves as a director of Magyar Bancorp also serves as a director of Magyar Bank, and, with the exception of John Fitzgerald and Jon Ansari, earns director fees in that capacity. Magyar Bank pays each director an annual retainer fee of \$33,800. The Chairman of the Board of Directors receives an annual retainer fee of \$70,500 and the Vice Chairman of the Board of Directors receives an annual retainer fee of \$38,800. Each director, except Mr. Fitzgerald and Mr. Ansari, also receives a fee of \$550 for each committee meeting attended. The chairman of the Audit Committee also receives an additional retainer fee of \$5,000, and members of the Audit Committee are paid a fee of \$1,100 for attendance at committee meetings. Aggregate fees paid to directors by Magyar Bancorp and Magyar Bank were \$275,815 for fiscal year 2018.

Director Supplemental Retirement Income and Deferred Compensation Agreements. In 1996, Magyar Bank entered into Director Supplemental Retirement Income and Deferred Compensation Agreements with its directors, including Messrs. Andrew G. Hodulik, Thomas Lankey, Martin A. Lukacs, Edward C. Stokes, III, and Joseph A. Yelencsics, in order to provide retirement, disability and death benefits to such directors and their beneficiaries. The agreements were amended and restated effective January 1, 2006, in order to comply with changes in the tax laws under Section 409A of the Internal Revenue Code of 1986, as amended (“Code Section 409A”). The agreements with each director replace a prior non-qualified deferred compensation plan under which each director deferred all or a portion of his or her board fees, committee fees and retainer and such deferrals generated earnings at a 10% interest rate. Under the amended and restated agreements, each director makes an elective contribution equal to such director’s voluntary monthly pre-tax deferrals of board fees, committee fees and or retainer to a so-called secular trust (i.e., a trust where the individual is the grantor) established by such director with the assistance of Magyar Bank; each such trust is referred to as a retirement income trust fund. In addition, Magyar Bank contributes an amount to the retirement income trust funds to supplement the directors’ deferrals, and replace the 10% interest that would have accrued under the prior nonqualified plan. Magyar Bank also makes a contribution, actuarially determined to be equal to the amount necessary to support the annual retirement benefit payable to the director once he reaches his benefit age, based upon a percentage of the director’s total board fees, committee fees and/or retainer in the twelve-month period prior to the date on which the director is entitled to receive retirement benefits. For the 2018 plan year, Magyar Bank contributed an aggregate of \$228,720 to the pension plan portion of the agreements. Provided a director has served for at least five years, the director’s retirement benefit will be at least 50% of such board fees, committee fees and/or retainer, with a maximum retirement benefit of 60%, based on years of service. If a director serves less than five years at termination of service, the benefit to such director would be between 12.5% and 20% of such fees and/or retainer. Any director who serves as board chairman for a five-year term will be entitled to receive a maximum benefit equal to 75% of his fees and/or retainer. Funds contributed to the retirement income trust fund will be invested by the trustee and are taxable to the director in the year of the contribution. Each director is annually given a limited period of time following Magyar Bank’s contribution to the director’s retirement income trust fund to withdraw the contribution to such director’s retirement income trust fund, provided, however, that if a director exercises his withdrawal rights, Magyar Bank will thereafter cease making contributions to the retirement income trust fund and will instead commence bookkeeping entries representing phantom contributions towards the director’s accrued benefit account.

Upon retirement, the amounts accumulated in the director’s retirement income trust fund and/or phantom contributions to any accrued benefit account established for such director, if any, will be annuitized and paid in monthly installments for the payout period unless the director has elected a lump sum payment. In the event the director dies after attaining his benefit age but prior to commencement or completion of his monthly payments, the amounts accrued for the benefit of the director will be paid to his or her beneficiary in either monthly installments or a lump sum. In the event a director has elected to receive a lump sum benefit and dies while serving as a director, the balance of his benefit will be paid to his beneficiary in a lump sum. In the event the director’s service is terminated prior to benefit age due to disability, the director will also be entitled to a lump sum benefit.

PROPOSAL II – ADVISORY NON-BINDING VOTE ON EXECUTIVE COMPENSATION

We are asking stockholders to vote in an advisory, non-binding manner on the compensation paid to our Named Executive Officers, as disclosed in this proxy statement pursuant to Item 402 of Regulation S-K (including the

compensation table and accompanying narrative discussion). Item 402 of Regulation S-K is the SEC regulation that sets forth what companies must include in their proxy statement as to compensation.

Table of Contents

This proposal, commonly known as a “Say on Pay” proposal, gives you as a stockholder the opportunity to vote on our executive pay program through the following resolution:

“Resolved, that the compensation paid to the Company’s Named Executive Officers, as disclosed in the Proxy Statement pursuant to Item 402 of Regulation S-K, including the compensation tables and narrative discussion, is hereby APPROVED.”

Because your vote is advisory, it will not be binding upon the Board. However, the Compensation Committee will take into account the outcome of the vote when considering future executive compensation arrangements.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THIS PROPOSAL.

PROPOSAL III - ADVISORY NON-BINDING VOTE ON FREQUENCY OF SAY-ON-PAY VOTES

Pursuant to SEC rules, our stockholders are also being asked to vote, on an advisory basis, on how frequently our shareholders should have a “Say on Pay” vote in the future. Although this frequency vote is advisory and is not binding on the Board, the Compensation Committee will take into account the outcome of the vote when considering how frequently to hold the Say on Pay votes. You may choose from the following alternatives: every year, every two years, every three years or you may abstain. We will ask you to vote on an advisory basis on the frequency of Say on Pay votes at least once every six years. Stockholders are not voting to approve or disapprove the Board’s recommendation.

The Board believes and is recommending that the Say on Pay vote should be conducted every three years. The Compensation Committee, which administers the Company’s executive compensation program, values the opinions expressed by stockholders in these votes and will continue to consider the outcome of these votes in making its decisions on executive compensation.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE TO CONDUCT FUTURE SAY ON PAY VOTES EVERY THREE YEARS.

PROPOSAL IV - RATIFICATION OF THE APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC

ACCOUNTANTS

The Company's independent registered public accounting firm for the fiscal year ended September 30, 2018 was RSM US LLP ("RSM"). On May 8, 2018, the Audit Committee of the Board of Directors (the "Audit Committee") decided to dismiss Baker Tilly Virchow Krause LLP ("Baker Tilly") as the Company's independent registered public accounting firm effective May 11, 2018. The audit reports of Baker Tilly on the Company's consolidated financial statements as of and for the year ended September 30, 2017 did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles. During the year ended September 30, 2017 and through May 11, 2018, there were no disagreements with Baker Tilly on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, that, if not resolved to the satisfaction of Baker Tilly, would have caused them to make reference to such disagreements in its report on the Company's financial statements for such periods, and no reportable events (as defined in Item 304(a)(1)(v) of Regulation S-K). The Audit Committee appointed RSM to serve as the Company's independent registered public accounting firm effective May 11, 2018. During the two most recent fiscal years and through May 11, 2018, the Company did not consult with RSM regarding any matters or events set forth in Item 304(a)(2)(i) or (ii) of SEC Regulation S-K.

Table of Contents

The Audit Committee has approved the engagement of RSM to be the Company's independent registered public accounting firm for the fiscal year ending September 30, 2019. That appointment is subject to ratification by the Company's stockholders at the Annual Meeting. Stockholder ratification of the selection of RSM is not required by the Company's Bylaws or otherwise. However, the Board is submitting the selection of the independent registered public accounting firm to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection of RSM the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee may, at its discretion, direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such change is in the best interests of the Company and its stockholders.

Representatives of RSM are expected to attend the Annual Meeting, and will have an opportunity to make a statement if they so desire, and will be available to respond to appropriate questions.

Policy on Audit Committee Pre-Approval of Audit and Non-Audit Services of Independent Registered Public Accountants

The Audit Committee's policy is to pre-approve all audit and non-audit services provided by the independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services. Pre-approval is provided for up to one year and any pre-approval is detailed as to particular service or category of services and is subject to a specific budget. The Audit Committee has delegated pre-approval authority to its Chair when necessary, with subsequent reporting to the Audit Committee. The independent registered public accounting firm and management are required to report to the Audit Committee quarterly regarding the extent of services provided by the independent registered public accounting firm in accordance with this pre-approval policy, and the fees for the services performed to date.
