MTS Announces Receipt of NASDAQ Notice of Failure to Comply with Continued Listing Requirement

RA'ANANA, Israel, November 19 - MTS - Mer Telemanagement Solutions Ltd. (Nasdaq: MTSI), a global provider of business support systems (BSS) for comprehensive telecommunication management and customer care & billing (CC&B) solutions, today announced that on November 14, 2007 it received a NASDAQ Staff Determination letter indicating that MTS has failed to comply with the continued listing requirement that the Company maintain either a minimum \$2,500,000 stockholders' equity or \$35,000,000 market value of listed securities or \$500,000 of net income from continuing operations for the most recently completed fiscal year or two of the three most recently completed fiscal years, as set forth in NASDAQ Marketplace Rule 4320(e)(2)(B), and that the Staff is therefore reviewing the Company's eligibility for continued listing on The NASDAQ Capital Market. In accordance with NASDAQ Marketplace Rule 4320(e)(2)(D), MTS has 30 calendar days, or until December 14, 2007, to regain compliance with such continued listing requirement. The Company is considering its options to regain compliance with the continued listing requirement.

About MTS

Mer Telemanagement Solutions Ltd. (MTS) is a worldwide provider of innovative solutions for comprehensive telecommunications expense management (TEM) used by enterprises, and for business support systems (BSS) used by information and telecommunication service providers.

Since 1984, MTS Telecommunications' expense management solutions have been used by thousands of enterprises and organizations to ensure that their telecommunication services are acquired, provisioned, and invoiced correctly. In addition, the MTS's Application Suite has provided customers with a unified view of telecommunication usage, proactive budget control, personal call management, employee cost awareness and more.

MTS's solutions for Information and Telecommunication Service Providers are used worldwide by wireless and wireline service providers for interconnect billing, partner revenue management and for charging and invoicing their customers. MTS has pre-configured solutions to support emerging carriers of focused solutions (e.g. IPTV, VoIP, MVNO) to rapidly install a full-featured and scaleable solution. MTS's unique technology reduces integration risks and lessens revenue leakage by using the very same system to manage retail and wholesale business as well as supporting multiple business units. Total cost of ownership (TCO) is reduced by providing web-based customer self-care and provisioning.
