II. RESOLUTIONS

1. PRIVATE PLACEMENT OF CONVERTIBLE DEBT SECURITIES

On March 30, 2009 the Board of Directors of the Company resolved, subject to shareholder approval, to approve the issuance of up to \$3,750,000 in principal amount of debt convertible into Ordinary Shares (the Principal Amount) and of warrants, in one or more private placements, to be consumated by December 31, 2009.

The Company shall repay the Principal Amount and the accrued Interest (as defined below) in one payment, three years following the closing of the transaction (the Maturity Date), unless converted on or before the Maturity Date into Ordinary Shares.

Interest shall accrue from the grant of the Principal Amount on the unpaid Principal Amount at the rate equal up to 8% per annum, compounded annually (and prorated with respect to any portion thereof), until the Principal Amount is paid in full, if not converted prior to its repayment (the Interest).

The warrants to be issued shall amount to up to 100% of the number of Ordinary Shares into which the Principal Amount is convertible (i.e. up to 100% warrant coverage) and shall be exercisable for 18 months to 36 months from grant, at an exercise price per Ordinary Share of the lower of \$0.6 or the average trading price of the Company's Ordinary Shares on the Nasdaq Market in the 20 trading days prior to the date of the Meeting.

In case that the Principal Amount shall be converted into Ordinary Shares of the Company, the price per share of the Ordinary Shares shall be the lower of \$0.7 or 120% of the average trading price of the Company's Ordinary Shares on the Nasdaq Market in the 20 trading days prior to the date of the Meeting.

At this time the Company does not have clear indications of interest from potential investors and does not know the exact terms and conditions of the financing and shareholders approval is sought in advance. The affirmative vote of a majority of the Ordinary Shares represented at the meeting in person or by proxy and voting thereon is required in order to approve the private placement.

At the Meeting, the Board of Directors proposes that the following resolution be adopted:

The increase of the Ordinary Shares available for issuance under the Plan is required due to the grant of Options to certain of the Company's directors (as further detailed below) and due to the grant of Options to the Company's employees, partially in view of across-the-board salary reductions implemented in the Company (as reported in a Company's press release on Form 6-K on March 30, 2009).
