FOR IMMEDIATE RELEASE

### G. WILLI-FOOD REPORTS NET INCOME OF US\$ 1.8 MILLION FOR FIRST QUARTER 2011

YAVNE, ISRAEL - MAY 31, 2011 -- G. WILLI-FOOD INTERNATIONAL LTD. (NASDAQ: WILC) (the "COMPANY" or "WILLI-FOOD"), a global company specializing in the development, manufacturing, marketing and international distribution of kosher foods, today announced its unaudited financial results for the first quarter ended March 31, 2011.

#### FIRST QUARTER FISCAL 2011 HIGHLIGHTS

- o Sales of NIS 88.5 million (US\$ 25.4 million)
- o Gross profit of NIS 23.0 million (US\$ 6.6 million), or 26.0% of sales
- o Operating income of NIS 6.8 million (US\$ 2.0 million), or 7.7% of sales
- o Income before taxes on income of NIS 8.2 million (US\$ 2.3 million), or 9.2% of sales
- o Net income of NIS 6.2 million (US\$ 1.8 million), or 7.0% of sales
- o Cash and securities balance of NIS 181.3 million (US\$ 52.1 million) as of March 31, 2011

Willi-Food's operating divisions include Willi-Food, a distributor of a broad variety of kosher foods; its wholly owned Gold Frost - a designer, developer and distributor of branded kosher dairy food products, and Shamir Salads - an Israeli distributor and manufacturer of Mediterranean style salads.

#### FIRST QUARTER FISCAL 2011 SUMMARY

Sales for the first quarter of 2011 were NIS 88.5 million (US\$ 25.4 million) compared to sales of NIS 95.0 million (US\$ 27.3 million) in the first quarter of 2010. The sales in the first quarter of 2011 were affected by the timing of the Passover festival that fell during the second quarter this year, while last year it fell during the first quarter.

Gross profit for the first quarter of 2011 was NIS 23.0 million (US\$ 6.6 million) compared to gross profit of NIS 28.3 million (US\$ 8.1 million) in the

## Edgar Filing: G WILLI FOOD INTERNATIONAL LTD - Form 6-K

first quarter of 2010. First quarter gross margin was 26.0% compared to gross margin of 29.7% for the same period in 2010. The decrease in the gross profit in the first quarter of 2011 compared to the first quarter of 2010 is due to the decrease in sales which was mainly due to the timing of the Passover festival, as discussed above, and due to the decrease in gross margins. The main reason for the decrease in gross margins was the hard sale activities (including special discounts, samples and free tasting) that the Company offered its customers during the first quarter of 2011, mainly in order to enhance the awareness to its new products. A minor negative effect on the gross margins was the worldwide inflation of food products' prices - Willi-Food mitigated its effects during the quarter by working closely with suppliers to anticipate adverse price trends, building inventory accordingly and raising prices to its customers.

Willi-Food's operating income for the first quarter of 2010 was NIS 6.8 million (US\$ 2.0 million) compared to operating income of NIS 10.5 million (US\$ 3.0 million) in the first quarter of 2010. Selling expenses decreased by 9.9% from the comparable quarter of 2010, and general and administrative expenses decreased by 6.4% from the comparable quarter of 2010, both primarily due to the decreased sales.

Willi-Food's net income in the first quarter of 2011 decreased NIS 1.2 million (US\$ 0.3 million) to NIS 6.2 million (US\$ 1.8 million), or 7.0% of sales, from NIS 7.4 million (US\$ 2.1 million), or 7.8% of sales, recorded in the first quarter of 2010. Willi-Food's net income related to Company Shareholders in the first quarter of 2011 was NIS 6.0 million (US\$ 1.7 million), or NIS 0.45 (US\$ 0.13) per share, compared to NIS 7.3 million (US\$ 2.1 million), or NIS 0.68 (US\$ 0.18) per share, recorded in the first quarter of 2010.

Willi-Food ended the first quarter of 2011 with NIS 181.3 million in cash and securities (US\$ 52.1 million) and NIS 2.7 million (US\$ 0.8 million) in short-term debt (51% of the debt of Shamir Salads). Willi-Food's shareholders' equity as of March 31, 2011 was NIS 313.1 million (US\$ 89.9 million).

### OUTLOOK

Mr. Zwi Williger, President and COO of Willi-Food commented: "We are pleased with our first quarter 2011 results in the current challenging environment of global food commodity purchase prices inflation. We are sustaining our flexible purchasing strategy and we are well-positioned to limit the impact of such price inflation. Willi-Food's first quarter results were affected by the shift of Passover sales to the second quarter and by the hard sale activities mainly relating to our new products. Despite all - Willi Food has achieved net income of NIS 6.2 million in a margin of 7.0% of sales."

"Throughout the recent year we introduced great-tasting, higher margin food products, which we developed together with our suppliers. For instance, we recently introduced new series of premium frozen kosher Neapolitan Pizza produced in Naples, Italy - the homeland of pizza, a new series of premium impulse kosher Italian Gelato ice-cream in family 6-8 packs and in 0.15 liter receptacles and the broadening of our line of premium kosher Swiss chocolate bars. Those new products were added to the new line of kosher Swiss premium KAMBLY' fine biscuit and cookie products that we introduced only a few months ago. In the first quarter, we implemented our plan to increase the awareness to our newly added products, by initiating hard sale activities that, although they impacted our gross margins in the first quarter, we believe created broad awareness to our new products and broaden its customer base."

## Edgar Filing: G WILLI FOOD INTERNATIONAL LTD - Form 6-K

"We have taken the appropriate measures to position Willi-Food for a stronger fiscal 2011 by adding new premium higher margin food products to our product line and by highly focusing on reducing production costs and SG&A expenses. We remain focused on maximizing long-term profitability."

### CONFERENCE CALL

The Company will host a conference call to discuss results on Tuesday, May 31, 2011 at 11:00 AM Eastern time. Interested parties may participate in the conference call by dialing 1-877-941-2321 (US), or 1-480-629-9714 (International), approximately 10 minutes prior to the scheduled start time. Interested parties can also listen via a live Internet webcast, which will be available on the day of the call through the following link:

<http://viaavid.net/dce.aspx?sid=0000871d>

A replay of the conference call will be available for 14 days from 2:00 PM EST on May 31, 2011 through 11:59 PM EST on June 14, 2011 by dialing 1-877-870-5176 (US), or 1-858-384-5517 (International), access code 4443202. In addition, a recording of the call will be available via the link shown above for one year.

### NOTE A: CONVENIENCE TRANSLATION TO DOLLARS

The convenience translation of New Israeli Shekels (NIS) into U.S. dollars was made at the rate of exchange prevailing on March 31, 2011, U.S. \$1.00 equals NIS 3.481. The translation was made solely for the convenience of the reader.

### NOTE B: IFRS

The Company's consolidated financial results for the three-month period ended March 31, 2011 are presented in accordance with International Financial Reporting Standards ("IFRS").

### ABOUT G. WILLI-FOOD INTERNATIONAL LTD.

G. Willi-Food International Ltd. (<http://www.willi-food.co.il>) is an Israeli-based company specializing in high-quality, great-tasting kosher food products. Willi-Food is engaged directly and through its subsidiaries in the design, import, manufacture, marketing and distribution of over 1,000 food products worldwide. As one of Israel's leading food importers, Willi-Food markets and sells its food products to over 1,500 customers in Israel and around the world including large retail and private supermarket chains, wholesalers and institutional consumers. The company's operating divisions include Willi-Food in Israel; Gold Frost, a wholly owned subsidiary which designs, develops and distributes branded kosher, dairy-food products; and Shamir Salads, an Israeli manufacturer and distributor of a broad line of over 400 Mediterranean-style chilled salads.
