Information to be included in the report

Item 1.01. Entry into a Material Definitive Agreement

Valero Energy Corporation (the "Company") made certain long-term incentive awards to its named executive officers (as defined in Item 402(a)(3) of Regulation S-K) on October 19, 2006.

Stock Options. Options to purchase shares of common stock, \$0.01 par value ("Common Stock"), of the Company (the "Options") were issued to six named executives of the Company in the quantities listed below. The Options were granted pursuant to the Company's 2005 Omnibus Stock Incentive Plan (the "2005 OSIP"). The Options have a term of seven years and vest in annual one-fifth increments beginning on the first anniversary of the grant date. The Options have an exercise price of \$52.545, representing the average of the high and low sales prices per share of the Common Stock on the New York Stock Exchange on the date of grant (as required per the terms of the 2005 OSIP).

Performance Share Awards. Awards of performance shares were granted to six named executive officers of the Company in the quantities stated below. The performance shares were granted pursuant to the terms of the Company's 2005 OSIP. The performance shares are payable in shares of Common Stock. The performance shares will vest annually in one-third increments beginning in January 2008 upon verification of the Company's attainment of certain

performance standards as determined by the Committee. Upon vesting, the performance shares are converted into a number of shares of Common Stock based upon the Company's total shareholder return during rolling three-year periods that end on December 31 of each year prior to the scheduled vesting date. At the end of each performance period, the Company's total shareholder return is compared to its peer group and is ranked by quartile. Holders of the performance shares then earn 0 percent, 50 percent, 100 percent or 150 percent of that portion of the initial grant that is vesting, depending upon whether the Company's total shareholder return is in the last, third, second or first quartile, respectively; holders earn 200 percent if the Company is the highest ranking entity in the peer group.
