Record Date, Voting Rights and Outstanding Shares

The Board of Directors has fixed March 28, 2016, as the record date for determining the holders of our capital stock who are entitled to vote at the Annual Meeting.

We have two classes of common stock and one class of preferred stock issued and outstanding: Class A Common Stock, \$0.001 par value per share, Class B Common Stock, \$0.001 par value per share, and Series AA Preferred Stock, \$0.001 par value per share. We refer to our Class A Common Stock and our Class B Common Stock collectively as our common stock.

With respect to the matters submitted for vote at the Annual Meeting, each share of Class A Common Stock is entitled to one vote, each share of Class B Common Stock is entitled to ten votes, and each share of Series AA Preferred Stock is entitled to one vote.

Our Class A Common Stock, Class B Common Stock and Series AA Preferred Stock will vote as a single class on the matters submitted at the Annual Meeting. On March 28, 2016, there were outstanding and entitled to vote 82,170,852 shares of Class A Common Stock, 14,610,365 shares of Class B Common Stock, and 5,719.49 shares of Series AA Preferred Stock.

Table of Contents

The presence at the Annual Meeting, in person or by proxy, of the holders of one-third of the issued and outstanding shares of Class A Common Stock, the Class B Common Stock, and the Series AA Preferred Stock entitled to vote at the close of business on March 28, 2016, will constitute a quorum for the transaction of business. If you are a beneficial owner whose shares are held of record by a broker, you must instruct the broker how to vote your shares. If you do not provide voting instructions, your shares will not be voted on any proposal on which the broker does not have discretionary authority to vote. This is called a broker non-vote. We will count broker non-votes, votes withheld, and abstentions as being present at the Annual Meeting for purposes of determining whether a quorum exists.

Holders of our Class A Common Stock who do not attend the Annual Meeting in person may vote their shares electronically via the Internet or by telephone, or may request printed proxy materials and submit the proxy card enclosed therein by mail. Holders of our Class B Common Stock and Series AA Preferred Stock who do not attend the Annual Meeting in person may vote their shares by submitting the proxy card enclosed in our printed proxy materials by mail, but may not vote their shares electronically via the Internet or by telephone.

Internet and telephone voting are available through 11:59 p.m. Central Daylight Time on May 25, 2016. Proxy cards sent by mail, if received in time for voting and not revoked, will be voted at the Annual Meeting according to the instructions on the proxy cards. If no instructions are indicated, the shares represented by the proxy will be voted:

FOR the election of the Director nominees named herein;

FOR the ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm for the 2016 fiscal year; and

In accordance with the judgment of the proxy holders as to any other matter that may be properly brought before the Annual Meeting or any adjournments of the Annual Meeting.

Shares counted as present at the Annual Meeting that abstain from voting on a particular matter or that are represented by a broker non-vote as to a particular matter will not be considered as votes cast on that matter. Accordingly, abstentions and broker non-votes will not affect the outcome of any matter to be voted on at the Annual Meeting that requires the affirmative vote of a certain percentage or a plurality of the votes cast on a matter to approve it.

Voting of Proxies

If you hold shares of our Class A Common Stock, please refer to the Notice for instructions regarding how to access our proxy materials and vote your shares electronically via the Internet or by telephone. The Notice also contains instructions if you would like to receive a paper copy of our proxy materials and vote by mail. You may also vote in person at the Annual Meeting. BOARD OF DIRECTORS AND COMMITTEES

During the year ended December 31, 2015, our Board of Directors held five meetings. Each of our directors attended at least 75% of the aggregate of the total number of meetings of our Board and the total number of meetings of our Board's committee meetings for the committee(s) on which that director served. The Board has standing Audit, Compensation and Nominating and Governance Committees. During the year ended December 31, 2015, the Audit Committee held six meetings, the Compensation Committee held four meetings, and the Nominating and Governance Committee held two meetings. We encourage, but do not require, our Board members to attend the Annual Meeting of Stockholders. Last year, all of our directors attended the Annual Meeting of Stockholders.

Leadership Structure. Kevin P. Reilly, Jr. currently serves as our Chairman of the Board, and Sean E. Reilly serves as our Chief Executive Officer. The Board does not have a policy regarding the separation of the roles of Chairman of the Board and Chief Executive Officer, as the Board believes it is in our best interests to make this determination based on an assessment of the current condition of our Company and composition of the Board. The Board has determined that having a member of senior management serve as Chairman of the Board is in the best interests of our stockholders at this time. This structure makes the best use of management's extensive knowledge of the Company and our industry, as well as fostering greater communication between management and the Board.

Director Independence. The Board has determined that Messrs. Hamilton, Koerner, Mumblow and Reifenheiser are independent directors as defined in the Nasdaq Stock Market listing standards, based on information known to the Company and on the annual questionnaire completed by each director.

Meetings in Executive Session. Our independent directors have regularly scheduled meetings at which only independent directors are present. During 2015, the independent directors met in executive session on two occasions.

Risk Oversight. As part of its charter, the Board is responsible for monitoring the risks that affect the Company, including operational, legal, regulatory, strategic and reputational risks. As part of routine Board meetings, management presents the Board with updates regarding key facets of the Company's operations. The Board is responsible for assessing risks based on their working knowledge of the Company and the risks inherent in its business. As discussed below, the Audit Committee is responsible for monitoring the Company's financial risk.

Audit Committee. The Audit Committee currently consists of Stephen P. Mumblow (Chair), Thomas V. Reifenheiser and John E. Koerner, III. Our Board of Directors has determined that each member of the Audit Committee satisfies the independence and financial literacy requirements as defined by applicable Nasdaq Stock Market listing standards governing the qualifications of Audit Committee members. Stephen P. Mumblow qualifies as an audit committee financial expert under the rules of the SEC and satisfies the financial sophistication requirements under applicable Nasdaq Stock Market listing qualifications. The Audit Committee assists our Board of Directors in fulfilling its responsibility for general oversight over the integrity of our financial statements, including compliance with legal and regulatory requirements, the independent registered public accounting firm's qualifications and independence, and the performance of our internal audit function. The Audit Committee is also responsible for the appointment (and when appropriate, replacement) and oversight of our independent registered public accounting firm and our internal auditor. The Audit Committee operates under a written charter adopted by the Board of Directors. The Audit Committee has been delegated by the Board the responsibility of monitoring the Company's financial risks. Any material financial risks identified by the Audit Committee are reported to the full Board.

Compensation Committee. The Compensation Committee currently consists of Thomas V. Reifenhiser (Chair), John Maxwell Hamilton and Stephen P. Mumbrow, all of whom our Board has determined are independent directors under the listing standards of the Nasdaq Stock Market governing the independence of directors. The Committee's responsibilities include evaluating the performance of the Chief Executive Officer and our other executive officers and reviewing and determining such officers' cash and equity-based compensation and benefits. The Compensation Committee operates under a written charter adopted by the Board of Directors. For additional information regarding the Compensation Committee's role in setting compensation, delegation of their authority and our use of compensation consultants, please see the Compensation Discussion and Analysis section of this proxy statement, which begins on page 17.

Nominating and Governance Committee. The Nominating and Governance Committee currently consists of John E. Koerner, III (Chair), Thomas V. Reifenhiser, John Maxwell Hamilton and Stephen P. Mumbrow, all of whom our Board has determined are independent directors under the listing standards of the Nasdaq Stock Market governing the independence of directors. The Committee's responsibilities include identifying individuals qualified to become Board members and recommending to the Board the director nominees for the next Annual Meeting of Stockholders, as well as candidates to fill vacancies on the Board. Additionally, the Committee recommends to the Board the directors to be appointed to Board committees. The Committee also developed and recommended to the Board a set of corporate governance guidelines and oversees the effectiveness of our corporate governance in accordance with those guidelines. The Nominating and Governance Committee operates under a written charter adopted by the Board of Directors.

The process followed by the Nominating and Governance Committee to identify and evaluate director candidates includes requesting Board members and others to submit recommendations, evaluating biographical information and background materials relating to potential candidates, and interviewing (with Board members) selected candidates.

In considering whether to recommend any candidate for inclusion in the Board's slate of director nominees, the Nominating and Governance Committee will evaluate the candidate against the standards and qualifications set out in the Company's Corporate Governance Guidelines, including, among others:

the extent to which the candidate's skills, experience, and perspective adds to the range of talent appropriate for the Board and whether such attributes are relevant to our industry;

the candidate's ability to dedicate the time and resources sufficient for the diligent performance of Board duties;

whether the candidate meets the independence requirements under applicable Nasdaq Stock Market listing standards; and

the extent to which the candidate holds any position that would conflict with responsibilities to the Company.

The Committee believes that the backgrounds and qualifications of the directors, considered as a group, should provide a significant composite mix of experience, knowledge, and abilities that will allow the Board to fulfill its responsibilities.

The Nominating and Governance Committee and the Board do not have a formal diversity policy. In identifying nominees for director, however, consideration is given to the diversity of professional experience, education and backgrounds among the directors so that a variety of points of view are represented in Board discussions and deliberations concerning our business.

The Nominating and Governance Committee will consider a recommendation only if appropriate biographical information and background material is provided on a timely basis as further described in the Committee's charter. See Board of Directors and Committees Committee Charters below. Assuming that appropriate biographical and background material is provided for candidates recommended by stockholders, the Nominating and Governance Committee will evaluate those candidates by following substantially the same process, and applying substantially the same criteria used for candidates submitted by Board members. The Committee will also consider whether to nominate any person nominated by a stockholder in accordance with the provisions of the Company's bylaws relating to stockholder nominations as described in Deadline for Stockholder Proposals and Director Nominations below. To date, no stockholder has recommended a candidate for director nominee to the Nominating and Governance Committee or to the Board of Directors.

EXECUTIVE OFFICER AND DIRECTOR COMPENSATION

Compensation Discussion and Analysis

Our Compensation Committee has responsibility for establishing, implementing and maintaining the compensation program for our executive officers. For the year ended December 31, 2015, our executive officers consisted of our Chairman of the Board and President, Chief Executive Officer and Chief Financial Officer, which are also referred to herein as the named executive officers. This Compensation Discussion and Analysis sets forth the objectives and material elements of the compensation paid to our named executive officers for fiscal 2015.

Executive Compensation Philosophy

The primary objective of our executive compensation program is to retain and reward executive officers who contribute to our long-term success. We believe this requires a competitive compensation structure both as compared to similarly situated companies in the media industry and other companies that are our peers in terms of annual revenues. Additionally, we seek to align a significant portion of executive officer compensation to the achievement of specified Company performance goals. Incentive cash bonuses are included to drive executive performance by having pay at risk so that a significant portion of potential cash compensation is tied to goal achievement. We also include performance-based equity grants as a significant component of prospective executive compensation so that the value of a portion of executive compensation is tied directly to the performance of our Class A Common Stock. In addition, discretionary bonuses may be made to executive officers based upon accomplishments outside the scope of the performance metrics used in the Company's incentive programs.

Use of Compensation Consultants and Peer Group Data

Our Compensation Committee did not consult with any compensation consultants in conjunction with its executive officer compensation determinations for fiscal 2015. The Committee did not set executive officer compensation to a specific percentile of the range of total compensation represented by a specified peer group when making its executive compensation determinations for fiscal 2015.

Material Elements of Executive Officer Compensation

The key elements of compensation for our executive officers are base salaries, performance-based cash incentive awards and performance-based equity awards. Executives may also participate, on the same terms as all other employees, in a 401(k) retirement savings plan and health and welfare benefits.

Base Salary. We pay a base salary to each of our named executive officers. The objective of base salary is to provide a fixed component of cash compensation to the executive that reflects the level of responsibility associated with the executive's position and is competitive with the base compensation the executive could earn in a similar position at comparable companies. Base salary for our named executive officers is reviewed annually in light of market compensation, tenure, individual performance, Company performance and other subjective considerations. Typically, our Chairman of the Board and President makes recommendations to the Compensation Committee with regard to base salary for the executive officers that he believes are justified in light of these considerations.

In March 2015, the Compensation Committee reviewed current base salaries in conjunction with our Chairman of the Board and President. The Committee reviewed the roles and responsibilities of each executive officer and determined that a reduction in the base salary for the President was warranted due to operational changes and shifts in responsibilities among executives. The base salaries of the Chief Executive Officer and the Chief Financial Officer

were also reviewed and the Committee determined that no changes were warranted.

Table of Contents

Performance-Based Incentive Compensation. The Company's incentive compensation program consists of two types of awards that are granted under the Company's 1996 Equity Incentive Plan, as amended: (i) a performance-based incentive cash bonus and (ii) a performance-based incentive equity award. This compensation program was designed by the Committee to link a significant portion of overall executive officer compensation to the achievement of enumerated performance targets while maximizing the Company's ability to deduct named executive officer compensation for tax purposes under Section 162(m) of the Internal Revenue Code (the "Code"). By including a fixed share equity award as a significant portion of executive compensation, the aggregate value of each executive officer's compensation is dependent on the performance of the Company's Class A Common Stock.

Incentive Cash Bonus. The Committee sets target amounts for incentive cash bonuses for each of the named executive officers with corresponding performance goals. The Committee reviews those target amounts annually based on the executive's roles and responsibilities, the Company's performance, and the current economic environment. The Committee determined that the 2015 target incentive cash bonus of the Chairman of the Board and President, the Chief Executive Officer, and the Chief Financial Officer, would remain unchanged at \$250,000; \$400,000; and \$300,000, respectively. The Committee then approved the performance goals for 2015 pursuant to which any payout of incentive cash bonus awards would be based. The Committee also continued its practice of providing the possibility of higher payouts that provide incentives for superior performance above the 100% targeted levels of achievement, which can result in an incentive cash bonus in an amount that is up to 200% of the target amount.

When setting the performance goals for the executive officers' incentive cash bonuses for fiscal 2015, the Committee met with management to review current operating budgets and financial projections along with any current initiatives that could impact the Company's anticipated 2015 results. The Committee determined that the Company's pro forma net revenue growth and pro forma earnings before interest, taxes, depreciation and amortization and adjusted for gain or loss on disposition of assets and investments (referred to in this proxy statement as "EBITDA") growth continue to be the appropriate measures on which to base incentive compensation as these measures are the primary measures used by both management and the investor community to evaluate the Company's performance. In light of the expenses that would be incurred in connection with the Company's conversion to real estate investment trust ("REIT") status for tax purposes, the Committee determined that these expenses would be excluded when calculating EBITDA growth.

The Committee's goal when determining the specific performance thresholds is to set target (100%) goal achievement at a challenging but achievable level based on the 2015 operating budget in order to provide appropriate incentives for management in the context of the current fiscal year's projected results and current business plan. To align the Company's performance and the level of award achievement, the Committee maintained a 65% threshold for minimum achievement of both cash incentive and equity incentive awards. The 2015 performance goals for incentive cash bonuses were based on achievement of pro forma revenue growth and pro forma EBITDA growth for fiscal 2015 over fiscal 2014 with 50% of the total bonus amount tied to each metric. Tables setting forth the actual performance thresholds for fiscal 2015 are set forth below on pages 21 and 22.

Following this review, the Committee certified that (i) the Company's pro forma net revenue growth resulted in attainment of 95% of each executive officer's target cash incentive bonus for fiscal 2015 based on revenue, and (ii) the Company's pro forma EBITDA growth resulted in attainment of 150% of each executive officer's target cash incentive bonus for fiscal 2015 based on EBITDA. The total 2015 cash incentive bonus for each executive is set forth below and is reflected in the Non-Equity Incentive Plan Compensation column of the 2015 Summary Compensation Table on page 25 of this proxy statement.

Table of Contents**Incentive Cash Bonus**

Sean E. Reilly <i>Chief Executive Officer</i>	190,000	300,000	490,000
Keith A. Istre <i>Chief Financial Officer and Treasurer</i>	142,500	225,000	367,500

Incentive Equity Awards. The Committee also determined the target amount of incentive equity awards for each of the named executive officers at its March 2015 meeting. These target equity award amounts were set at 44,000 shares of Class A Common Stock for both Kevin P. Reilly, Jr. and Sean E. Reilly, which amounts have remained unchanged since 2006. Keith A. Istre's target equity incentive award of 34,000 shares of Class A Common Stock was also held constant. The Committee reaffirmed its belief that fixed shares amounts provided appropriate incentives and alignment with interests of stockholders.

Under the terms of the Company's incentive equity award program, no shares of stock are issued unless and until the relevant performance goals have been met and certified by the Compensation Committee. Any earned shares are issued as soon as practicable following such certification and are fully vested at the time of issuance. The Committee feels that the use of stock awards as a part of its compensation program aligns executive compensation to the creation of stockholder value but not to such an extent that it would create incentives for executives to focus solely on short-term stock appreciation to the exclusion of long-term strategy.

The pro forma revenue growth and pro forma EBITDA growth metrics for fiscal 2015 over fiscal 2014 used in the context of the incentive cash awards were used to determine the achievement of incentive equity awards, except that the amounts were calculated after giving effect to the payment of executive officer cash incentive bonus awards and excluded REIT-related expenses in 2015. In addition, unlike incentive cash awards, there is no opportunity to achieve greater than 100% of the target equity awards. On that basis, (i) the Company's pro forma net revenue growth resulted in attainment of 95% of each executive officer's target incentive equity award for 2015 based on revenue and (ii) the Company's pro forma EBITDA growth resulted in attainment of 100% of each executive officer's target incentive equity award for 2015 based on EBITDA. The total 2015 incentive equity awards earned by each executive is set forth below and reflected in the Stock Awards column of the 2015 Summary Compensation Table on page 25 of this proxy statement (see footnote 1 to the 2015 Summary Compensation Table, which describes the assumptions underlying the calculation of the aggregate grant date fair value of these awards).

These goals relate to achievement of both incentive cash and incentive equity awards, except that equity awards cannot exceed their target amount irrespective of goal achievement in excess of the 100% level.

Consideration of Prior Stockholder Advisory Vote on Executive Compensation

At the Company's 2014 Annual Meeting of Stockholders, over 97% of shares present at the meeting for purposes of the proposal were voted to approve, on an advisory basis, the compensation of our named executive officers as disclosed in the proxy statement for that meeting, thus ratifying our compensation philosophy and approach. Our Board of Directors and the Committee considered this overwhelming support, as well as our past operating performance, in making the determination that the fundamental characteristics of our executive compensation program should remain. The next advisory stockholder vote on executive compensation is scheduled to be held at the 2017 Annual Meeting of Stockholders.

Other Compensation Components

Perquisites. We provide certain perquisites to our executive officers, including use of the Company's aircraft and a Company car. Our executive officers are entitled to use our Company aircraft, including for personal travel. These perquisites provide flexibility to the executives and increase travel efficiencies, allowing more productive use of executive time. More detail on these perquisites and other perquisites provided to our executive officers may be found in the 2015 Summary Compensation Table.

Deferred Compensation. The Company has a deferred compensation plan for certain officers. Under this plan, officers who meet certain years of service and other criteria are eligible to receive Company contributions into their accounts in the Lamar Deferred Compensation Plan. Officers do not have the option of deferring any portion of their earned cash compensation through additional voluntary contributions to the plan.

The deferred compensation plan is not funded by us, and participants have an unsecured contractual commitment from us to pay the amounts due under the deferred compensation plan. When payments under the plan are due, the funds are distributed from our general assets. The Company does not offer preferential earnings on deferred compensation. Deferred compensation is intended as a long-term savings vehicle for our officers in light of the fact that the Company does not offer any traditional pension or defined benefit plan. The Compensation Committee does not consider deferred compensation accounts when setting executive pay levels, since this represents compensation that has previously been earned and individual accounts are a function of personal investment choices and market-based earnings.

Tax Implications

U.S. federal income tax law (Section 162(m) of the Code) prohibits publicly-traded companies from taking a tax deduction for certain compensation paid in excess of \$1,000,000 to the company's Chief Executive Officer and three other most highly compensated executive officers (other than the Chief Financial Officer). However, the statute exempts qualifying performance-based compensation from the deduction limit provided certain requirements are met. The Company's policy is to design its incentive compensation programs to qualify for full corporate deductibility to the extent feasible and consistent with the Company's overall compensation goals and objectives. However, the Committee may exercise its discretion to pay nondeductible compensation if following the requirements of Section 162(m) of the Code would not be in the interests of stockholders.

Stock options granted under an equity compensation plan are performance-based compensation if (a) stockholders approve a maximum aggregate per person limit on the number of shares that may be granted each year, (b) any stock options are granted by a committee consisting solely of outside directors, and (c) the stock options have an exercise price that is not less than the fair value of common stock on the date of grant. In the case of performance-based incentive cash awards, restricted stock, restricted stock units and unrestricted stock issuable upon achievement of

performance goals, Section 162(m) requires that the general business criteria of any performance goals that are established by our Compensation

Table of Contents

Committee be approved and periodically reapproved by stockholders (generally, every five years) in order for such awards to be considered performance-based and deductible by the employer. Generally, the performance goals must be established before the beginning of the relevant performance period. Furthermore, satisfaction of any performance goals during the relevant performance period must be certified by the Compensation Committee. Our stockholders-approved 1996 Equity Incentive Plan, as amended, meets the conditions necessary for deductibility of certain performance-based awards issued under the plan, and our Compensation Committee designed the 2015 incentive compensation program with the intention of satisfying Section 162(m) with respect to stock options, incentive stock awards and incentive cash awards granted to covered employees.

Payments Upon Termination or Change in Control

We do not have employment agreements or other agreements with any of our executive officers that entitle them to payments upon termination or in the event of a change-in-control.

Compensation Policies and Practices as they Relate to Risk Management

Our management has reviewed its compensation policies and practices in conjunction with our Compensation Committee to determine if these policies and practices create risks that are reasonably likely to have a material adverse effect on the Company. The Company's basic compensation structure, as described above, includes base salaries, incentive cash bonuses and, for officers of the Company (including certain non-executive officers), incentive equity compensation that primarily consists of annual performance-based equity awards. In light of this review of the compensation structure and its mix of both fixed and variable compensation, the Company concluded that there are no risks arising from our compensation policies and practices for our employees that are reasonably likely to have a material adverse effect on the Company.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis with management. Based on this review and discussion, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this proxy statement, for the year ended December 31, 2015, for filing with the Securities and Exchange Commission.

By the Compensation Committee,

Thomas V. Reifenhiser (*Chair*)

John Maxwell Hamilton

- (1) Reflects the aggregate grant date fair value recognized for financial statement reporting purposes in accordance with ASC Topic 718. With respect to stock awards, the grant date fair value is calculated assuming the probable outcome of achievement, which on the grant date was expected to be 100% of the target equity incentive award amount, rather than the value of the actual award earned on the date when issued to the officer. For the assumptions underlying the valuation of these awards see Note 14 to the Consolidated Financial Statements included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2015, filed with the SEC on February 25, 2016.
- (2) Amounts shown in the Non-Equity Incentive Plan Compensation column reflect the incentive cash awards granted at the beginning of each year, earned based on performance during that fiscal year and paid in the following fiscal year. The 2015 awards are described in further detail under the headings Performance-Based Incentive Compensation and Incentive Cash Bonus in the Compensation Discussion and Analysis and are also reflected in the table Grants of Plan-Based Awards in Fiscal Year 2015 under the column Estimated Future Payouts Under Non-Equity Incentive Plan Awards.
- (3) Includes \$101,427, \$105,451 and \$146,921 for Mr. Kevin P. Reilly, Jr. and \$258,312, \$151,457 and \$222,452 for Mr. Sean E. Reilly for the personal use of Company aircraft in 2015, 2014 and 2013, respectively, as further described below. The amounts included in the All Other Compensation column also include the following perquisites provided to our named executive officers (except as otherwise indicated), which are valued at the Company's incremental cost, none of which individually exceeded \$25,000: (a) personal use of a Company car, (b) Company-paid health insurance premiums and medical reimbursements, (c) personal use of a Company-owned recreational facility by Mr. Sean E. Reilly and Mr. Kevin P. Reilly, Jr. and (d) Company-paid premiums for term life insurance for Mr. Kevin P. Reilly, Jr. Executives also have access to a country club at which the Company has a membership, but each executive pays all fees related to such personal use, resulting in no additional incremental cost to the Company.

The Company's incremental cost for personal use of the corporate aircraft is based on the incremental cost to the Company calculated based on the variable costs, related to the number of flight hours used, including fuel costs,

landing/ramp fees, trip-related maintenance, crew travel expenses, supplies and catering, aircraft accrual expenses per hour of flight, any customs and foreign permit or similar fees. Our fixed costs that do not change based on usage, such as pilot salaries and the cost of maintenance not related to trips are excluded. The incremental cost to the Company for personal use of a Company car is calculated as a portion of the annual lease, mileage and fuel attributable to the personal use.

- (4) Also includes employer contributions under the Company's deferred compensation plan of \$50,000 for each of Mr. Kevin P. Reilly, Jr., Mr. Sean E. Reilly and Mr. Istre for 2015, 2014 and 2013.
- (5) The ASC Topic 718 value of the shares actually earned based on achievement of performance goals for fiscal 2015, which awards were certified as earned by the Compensation Committee and issued on February 23, 2016, was \$2,446,587 for each of Mr. Kevin P. Reilly, Jr. and Mr. Sean E. Reilly and \$1,890,545 for Mr. Istre.

**PROPOSAL NO. 2: RATIFICATION OF INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM**

The firm of KPMG LLP, an independent registered public accounting firm, has audited our financial statements for each of the years ending December 31, 2015, 2014 and 2013. Our Audit Committee has appointed them to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2016. Representatives of KPMG LLP are expected to attend the Annual Meeting to respond to appropriate questions. Representatives of KPMG LLP will also have the opportunity to make a statement, if they desire.

Detailed disclosure of the audit, audit-related and tax fees we paid to KPMG LLP in 2015 and 2014 is set forth below. Based on these disclosures and information in the Audit Committee Report on page 30 of this proxy statement, our Audit Committee is satisfied that our accountants are sufficiently independent of management to perform their duties properly.

Although not legally required to do so, our Board considers it desirable to seek, and recommends, stockholder ratification of our selection of KPMG LLP as our independent registered public accounting firm for fiscal 2016. If the stockholders fail to ratify our selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interest of the Company and its stockholders.

ADDITIONAL INFORMATION

Other Matters

The Board of Directors is unaware of any business to be conducted at the Annual Meeting of Stockholders other than the matters described in the Notice to Stockholders. If other business is properly presented for consideration at the Annual Meeting, the enclosed proxy authorizes the persons named therein to vote the shares in their discretion on that matter.

Communications from Stockholders

The Board will give appropriate attention to written communications submitted by stockholders, and will respond if and as appropriate. Absent unusual circumstances or as contemplated by committee charters, the Chair of the Audit Committee will, with the assistance of our General Counsel, (i) be primarily responsible for monitoring communications from stockholders and (ii) provide copies or summaries of such communications to the other directors as he considers appropriate. Communications specifically addressed to a particular director will be forwarded to that director.

Communications will be forwarded to all directors if they relate to substantive matters and include suggestions or comments that the Chair of the Audit Committee considers to be important for the directors to know. In general, communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than communications relating to personal grievances and matters as to which we tend to receive repetitive or duplicative communications.

Stockholders who wish to send communications on any topic to the Board should address such communications to the Chair of the Audit Committee, c/o General Counsel, Lamar Advertising Company, 5321 Corporate Boulevard, Baton Rouge, Louisiana 70808.

Deadline for Stockholder Proposals and Director Nominations
