STATEMENT RE: LEGAL PROCEEDINGS

As previously disclosed, on July 20, 2006 the United States District Court for the Southern District of Texas Houston Division dismissed the claims against Barclays PLC, Barclays Bank PLC and Barclays Capital Inc. in the Enron class action. Yesterday, based on the plaintiff's assertion that the dismissal was procedurally improper, the court confirmed its prior legal and factual analysis which found the pleadings against Barclays deficient, but gave the plaintiffs until the end of this month to file an amended pleading against Barclays. Barclays remains confident that the claims against it are without merit.
