PROXY STATEMENT

2004 ANNUAL MEETING OF SHAREHOLDERS

To be held on July 14, 2004

This Proxy Statement is being furnished to shareholders of Emerging Vision, Inc. ("EVI" or the "Company"), of record as of May 25, 2004, in connection with the solicitation of proxies by the Board of Directors of EVI for the 2004 Annual Meeting of Shareholders to be held at the offices of Greenberg Traurig, LLP, 200 Park Avenue, 15th Floor, New York, New York 10166, on Wednesday, July 14, 2004, at 11:00 a.m. (local time), and at any adjournments, postponements, continuations or reschedulings of the meeting, for the purposes stated in the Notice of 2004 Annual Meeting of Shareholders.

The approximate date of mailing to Shareholders of the Notice of 2004 Annual Meeting, this Proxy Statement, the enclosed **WHITE** proxy card, the Company's Annual Report on Form 10-K for the year ended December 31, 2003 and Quarterly Report on Form 10-Q for the three months ended March 31, 2004, is June 23, 2004.

THE PROXY CONTEST

BENITO FERNANDEZ'S ATTEMPT TO TAKE CONTROL OF THE BOARD AND THE COMPANY

On June 2, 2004, dissident director Benito Fernandez, through his controlled company, Horizons Investors Corp., or Horizons, filed with the SEC a preliminary proxy statement in opposition to management, soliciting proxies in support of a slate of six insurgent director nominees, each of whom has been hand picked by Fernandez. On June 16, 2004, Fernandez amended his preliminary proxy statement to, among other things, exclude Howard Lieberman, one of his original nominees from his slate and to replace him with Seymour Siegel, one of the Company's nominees. Mr. Siegel, however, has indicated to the Company that if Fernandez is successful in taking control of the Board, he will not serve as a director of the Company.

Fernandez's Dissident Nominees

Fernandez's nominees include, in addition to himself, Messrs. Norman Green, Seymour Siegel and Joseph Rodriguez Eraso, to serve as Class I directors, and Messrs. Herman Badillo and Aureo Ivan Cardona, to serve with Fernandez as Class II directors. Before Fernandez began this proxy contest, the current members of the Board (other than Fernandez) concluded that neither Fernandez nor any of his original nominees were suitable to manage the Company's business and that they lacked the industry experience and business and financial expertise required for the

Edgar Filing: EMERGING VISION INC - Form PRER14A

successful implementation of our business plan. In addition, the current members of the Board (other than Fernandez) discussed and considered the fact that Messrs. Green and Badillo have business relationships with Fernandez, one being the accountant of Fernandez and Horizons, and the other being a current and former partner and co-investor with Fernandez in various business and real estate ventures.

If Fernandez's nominees are elected at the Annual Meeting, they will constitute the entire EVI Board. This would enable Fernandez and his nominees to assume exclusive directorial oversight of the management, policies and affairs of the Company and your investment in EVI.

Table of Contents

Fernandez Has Not Offered You Anything in Return For Taking Control of the Company

Although Fernandez is attempting to take control of the Board and the Company, he is not offering EVI's shareholders anything in return. He has not offered to buy any of your EVI shares or to pay you any control premium (although he is not legally obligated to do so). He also has not proposed or disclosed any intention to make any additional investment in the Company, beyond his current 34% ownership interest.

Fernandez Has Not Presented any Credible or Realistic Business Plan For the Company

Although Fernandez is attempting to take control of the Company, he has not presented any credible or realistic business plan or financial strategy to improve the prospects or operations of the Company. He has not offered any evidence of the ability of his nominees to successfully oversee the management of a major retail optical chain such as the Company. In his opposition proxy materials, Fernandez merely discloses a list of generic initiatives and a statement of his intention to replace current management.

We Are Successfully Implementing Our Business Plan

In contrast to Fernandez's lack of what we believe is any credible or realistic business plan, we have continued to successfully implement our business plan, focusing on our franchise operations, while continuing to operate only our most profitable Company-owned stores, and substantially reducing our corporate overhead. As a result, we were able to significantly reduce our working capital deficit and improve our operating cash flow.

The growth in new franchise locations, operating under our tradenames Sterling Optical and Site for Sore Eyes, has gained momentum. In 2003, we added 11 new franchise locations, which are more new locations in one year than the 10 franchise locations we added in the prior three years combined. This growth in locations, combined with the aforementioned overhead reductions, were key components of the Company's successful return to operating profitability and positive EBITDA (net earnings before interest, taxes, depreciation and amortization and non-cash charges related to equity securities) for the first time in many years (before giving effect to a non-recurring, non-cash charge relating to the issuance of warrants in connection with the rescission transactions described under [Certain Relationships and Related Transactions](#) [Transactions Among the Company, Horizons Investor Corp. and the Cohen Family](#)). This growth and profitability have continued through our first quarter in 2004.

The results we have accomplished have allowed EVI to maintain its leadership position as one of the top ten optical retailers in the United States, as reported in [Top Optical Retailers Share Keeps Growing](#), *Vision Monday*, May 17, 2004. We believe our management team has the requisite experience to provide the strong leadership needed to increase profitability and successfully grow EVI's business.

Our Corporate Governance Program

As we explain in more detail under [Directors and Executive Officers](#) [Corporate Governance](#), [Director Independence Standards](#) and [Committees of the Board](#), and under [Certain Relationships and Related Transactions](#), as we continue to successfully execute our business plan, we are committed to establishing and maintaining high standards of corporate governance, ethics and business conduct.

We Believe You Should NOT Trust Benito Fernandez

You should know that until last November Fernandez was proposing, together with Drs. Alan and Robert Cohen, to acquire EVI (see The 2004 Annual Meeting). You also should know that, since becoming an EVI director and shareholder in June 2001 until shortly before initiating this proxy contest, Fernandez participated in every Board meeting without once voting against the corporate actions approved by the Board (other than on those matters where he was required to abstain from voting because he was self-interested or otherwise conflicted). In fact, in December 2001 Fernandez voted as an EVI director in favor of the sublease transaction (described under Certain Relationships and Related Party Transactions Cohen s Fashion Optical) approved by the Board, transaction which he now characterizes as inappropriate in his proxy materials.

Now, however, Fernandez not only is criticizing his former business partners and the current Board, of which he is a member, but is attempting to oust the current Board to wrest control of the Company, without offering any payment to the EVI shareholders.

Fernandez s Litigation

In addition to initiating this expensive, distracting and potentially protracted proxy contest, at a time when our human and financial resources would in our view be far better used in continuing to improve the Company s growth and profitability, on May 28, 2004, Fernandez and Horizons commenced a state-court action against EVI and four of his fellow directors by filing a summons and complaint alleging (i) violations of state law arising from EVI s purported failure to provide Horizons with a complete and current list of EVI shareholders, and (ii) breaches of fiduciary duty by directors of EVI in connection with the setting of the record date for and the timing of the Annual Meeting. By an order to show cause dated June 1, 2004, Fernandez and Horizons sought, among other things, to delay the Annual Meeting and compel the production of the current list of EVI shareholders. EVI promptly noticed the removal of this action to the United States District Court for the Eastern District of New York, where the action is presently pending. The parties appeared before the Court for oral argument on June 3, 2004, at which time EVI submitted papers in opposition to Fernandez s request for preliminary injunctive relief. Although the Court indicated during argument that it was disinclined to grant Fernandez s request for preliminary injunctive relief, it stated that it would temporarily hold its decision and directed the parties to submit additional papers addressing the propriety of the relief sought on or before June 7, 2004. On that date, all parties submitted further papers in support or in opposition to the order to show cause. On June 8, 2004, the defendants filed a two-count counterclaim against Fernandez and Horizons. The first counterclaim asserts that certain statements in Horizons proxy materials including, among others, Horizons allegations that the defendants (i) breached their fiduciary duty by purportedly diverting corporate opportunities; (ii) prevented Fernandez from discharging his duties as a member of the Audit Committee; and (iii) prevented Fernandez from soliciting proxies for his own slate of directors are false and misleading and thereby violate Section 14(a) of the Securities Exchange Act of 1934 and Rule 14a-9 thereunder. The second counterclaim asserts that the foregoing false and misleading statements were made to advance Fernandez s interests at the expense of EVI, and that therefore Fernandez breached his fiduciary duties to EVI.

By a written order dated June 16, 2004, the Court denied Fernandez s request for preliminary injunctive relief in its entirety, thereby refusing to (i) compel the production of a current list of EVI shareholders, (ii) adjourn or otherwise restrain the shareholders meeting originally scheduled for June 22, 2004 or (iii) enjoin EVI from setting May 25, 2004 as the record date for its 2004 annual meeting. We believe that all of Fernandez s claims are without merit and intend to vigorously defend against his allegations while continuing to manage and operate EVI and your investment in your best interests.

Do NOT Give Your Vote to Fernandez

We believe Fernandez s proxy campaign is not in the best interests of all EVI shareholders. In our view, Fernandez has provided no realistic or credible business plan for EVI. In addition, if he is successful in taking control of the Board, and to the extent he replaces current management or abandons management s current business plan, this would jeopardize the significant progress we have made to date, threaten the achievement of our business objectives and, we believe, your investment in EVI. You should know in this regard that, even if Fernandez were to decide not to replace current management, our Chief Executive Officer, Co-Chief Operating Officers and Chief Financial Officer have indicated to us that they presently do not intend to continue their employment with the Company if Fernandez is successful in taking control of the Board. Without a credible business plan and a management team willing and able to run EVI, we believe the future of EVI and your investment in the Company would, at best, be uncertain.

We believe that Fernandez s interests as an EVI shareholder are not aligned with those of EVI s unaffiliated shareholders in that, by taking control of the Board, Fernandez will take control of the Company without making any payment to the EVI shareholders or making any investment in the Company, beyond his current ownership interest. **Do not stop the significant progress we have made by giving control of the Board and the Company to Fernandez.**

Edgar Filing: EMERGING VISION INC - Form PRER14A

For all the reasons described above, **we strongly recommend that you reject Fernandez's proposed slate of nominees, and strongly urge you to vote FOR EVI's director nominees.** To vote for the EVI nominees,

Table of Contents

please **sign, date and return the enclosed WHITE proxy card** in the accompanying envelope and do not sign or return any blue proxy card sent to you by Fernandez or Horizons. **If you have previously returned a blue proxy card, you can revoke it by signing, dating and returning, in the accompanying envelope, the enclosed WHITE proxy card.**

THE 2004 ANNUAL MEETING

Because we did not hold an annual meeting of shareholders in 2003, although we have a classified Board, both classes of directors are up for election at this year's Annual Meeting. We did not hold an annual meeting in 2003, as required under the New York corporation law, because, at or about the time the meeting was being planned, and prior to establishing a record date for the meeting, the Company received a proposal for the purchase all of its outstanding capital stock in a statutory merger and going private transaction from a group composed of Fernandez (through Horizons) and Drs. Alan and Robert Cohen (and certain of their affiliates). Following receipt of this proposal, the Company promptly formed a special independent committee to evaluate the proposal, and such committee engaged independent outside counsel and financial advisors to assist with an evaluation of the proposal. Discussions and subsequent negotiations continued for approximately five months, but no definitive agreement was ever reached on price or other material terms. In November 2003, the acquisition proposal was withdrawn.

While negotiations regarding this transaction were taking place, the Company did not believe that convening an annual meeting for the election of directors was viable in view of the combined ownership by the acquiring group of approximately 74% of the outstanding common stock, which would dictate the outcome of any vote for the election of EVI's directors. You should know that under the New York corporation law, as a remedy for not holding an annual meeting in 2003, any 10% holder of the Company's outstanding common stock could have compelled the Company to hold such a meeting at any time from and after the 13th month following our 2002 annual meeting. As the only EVI individual shareholder owning 10% or more of the Company's voting power, Fernandez (through Horizons) was the only person entitled to compel such a meeting. However, and despite the fact that he is now criticizing the current Board for not holding a meeting in 2003, Fernandez, through Horizons, never notified the Company of any intention to compel an annual meeting, nor did he ever take any action as a director of the Company to convene such a meeting.

Who is Entitled to Vote at the Annual Meeting

The Board has fixed the close of business on May 25, 2004 as the record date for the determination of shareholders entitled to notice of the Annual Meeting, and only holders of record of the Company's common stock and senior convertible preferred stock, collectively referred to in this Proxy Statement as the voting shares, on that date, will be entitled to such notice and to vote at the Annual Meeting. As of the record date, we had a total of 70,422,217 voting shares entitled to vote at the Annual Meeting, including:

70,323,698 shares of common stock, each entitled to one vote on all matters presented at the Annual Meeting, and

0.74 shares of senior convertible preferred stock, which are entitled to vote on an as-converted basis, together with the common stock as a single class, 98,519 shares of common stock.

How You Can Vote

You can vote by completing and returning the enclosed WHITE proxy card by mail. To vote your WHITE proxy by mail, mark your selections on the enclosed proxy card, date and sign your name exactly as it appears on your WHITE proxy card, and return your proxy card.

Please remember that if your shares are held in the name of a broker, bank or other nominee, only they can sign a proxy card with respect to your shares and only upon specific instructions from you. You are therefore urged to contact the person responsible for your account and give

Edgar Filing: EMERGING VISION INC - Form PRER14A

instructions for a WHITE proxy card to be signed representing your shares. You also should confirm in writing your instructions to the person responsible for your account and provide a copy of those instructions to our proxy solicitor, Georgeson Shareholder Communications Inc., so that they can attempt to ensure that your instructions are followed.

Table of Contents

We encourage you to vote by proxy. If, however, you are a shareholder of record and plan to attend the Annual Meeting, please be sure to bring with you valid government-issued personal identification with a picture (such as a driver's license or passport) in order to gain admission to the meeting. If your shares are held in the name of a bank, broker or other nominee, you will have to bring evidence of your ownership of EVI shares as of the record date, in addition to valid government-issued personal identification, if you wish to attend the meeting. Examples of proof of ownership include: a letter from your bank or broker stating that you owned your shares as of the record date; a brokerage account statement indicating that you owned your shares as of the record date; or a copy of the voting instruction card provided by your broker indicating that you owned your shares as of the record date.

If you are a proxy holder for an EVI shareholder, then you must bring: the validly executed proxy naming you as the proxy holder, signed by an EVI shareholder who owned EVI shares as of the record date; valid government-issued personal identification with a picture (such as a driver's license or passport); and, if the shareholder whose proxy you hold was not a registered holder of EVI shares as of the record date, proof of the shareholder's ownership of EVI shares as of the record date, in the form of a letter or statement from a bank, broker, or other nominee or the voting instruction card provided by the broker, in each case, indicating that the shareholder owned those shares as of the record date.

Vote Required

The presence, in person or by proxy, of the holders of shares that represent a majority of the votes entitled to be cast at the Annual Meeting, is necessary to constitute a quorum at the Annual Meeting. Abstentions and broker non-votes will be counted to determine whether a quorum is present. Brokers that hold shares in street name have the authority to vote on certain matters in their discretion when they have not received specific instructions from the beneficial owners of the shares held by them. This election of directors will not be one of those matters. This means that, if the broker who is the record holder of the EVI shares you beneficially own has not received any instructions from you on how to vote, he will not have any authority to indicate any vote on the proxy card representing your shares, and a broker non-vote will have occurred. Your broker's non-vote will not be counted as a vote cast for any director nominees, and therefore, will have the same effect as if you had returned a proxy withholding authority for the nominee.

A plurality of the votes cast at the Annual Meeting is required for the election of directors. Therefore, the director nominees receiving the highest number of votes cast will be elected. Accordingly, abstentions, broker non-votes and shares not voted will not be counted in the total vote and will not affect the election of directors. For any other matters to be considered at the Annual Meeting, the affirmative vote of a majority of the votes cast on the matter will be required for approval. Accordingly, abstentions and broker non-votes on matters not involving the election of directors will have the effect of a negative vote on those matters since they are deemed to be present at the meeting but cannot be voted in favor of a proposal.

Revocation of Proxies

If the enclosed WHITE proxy card is signed and returned, it may, nevertheless, be revoked at any time prior to the voting thereof at the discretion of the shareholder signing it, by:

delivering, via certified mail return receipt requested, written notice of revocation to the Secretary of the Company, which notice must be received by 5:00 p.m. (local time) on Tuesday, July 13, 2004, at the Company's executive offices at 100 Quentin Roosevelt Blvd., Suite 508, Garden City, New York 11530,

Edgar Filing: EMERGING VISION INC - Form PRER14A

by voting the shares covered by that proxy in person at the Annual Meeting, or

by submitting a duly executed proxy bearing a later date.

Table of Contents

Voting

Shares represented by a duly executed proxy will be voted in accordance with the voting instructions indicated by the shareholder on the proxy, and if no such instructions are indicated, will be voted in favor of the Company's director nominees.

If you sign your proxy card but do not make any selections, you will give authority to Christopher G. Payan, our Chief Executive Officer, and Samuel Z. Herskowitz, one of our Co-Chief Operating Officers, to vote upon such matters incident to the conduct of the Annual Meeting and upon such other business matters or proposals as may properly come before the Annual Meeting that the Board did not know, within a reasonable period of time prior to this solicitation, would be presented at the Annual Meeting. Messrs. Payan and Herskowitz intend to use that authority to vote **FOR the election of the Company's director nominees.**

Table of Contents**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT****Common Stock**

The following table sets forth information, as of June 1, 2004, regarding the beneficial ownership of our common stock by: (i) each shareholder known by us to be the beneficial owner of more than five percent of the outstanding shares of our common stock; (ii) each of our directors; (iii) each of our Named Executive Officers (as said term is defined under the caption Executive Compensation below); and (iv) all directors and executive officers of the Company as a group, in each case, based on 70,323,698 total number of common stock outstanding as of that date.

The percentages in the Percent of Class column are calculated in accordance with the rules of the SEC, under which a person may be deemed to be the beneficial owner of shares if that person has or shares the power to vote or dispose of those shares or has the right to acquire beneficial ownership of those shares within 60 days (for example, through the exercise of an option or warrant). Accordingly, the shares shown in the table as beneficially owned by certain individuals may include shares owned by certain members of their respective families. Because of these rules, more than one person may be deemed to be the beneficial owner of the same shares. The inclusion of the shares shown in the table is not necessarily an admission of beneficial ownership of those shares by the person indicated. The address of Benito R. ELECTION OF DIRECTORS (PROPOSAL NO. 1)

The number of directors constituting the entire Board is currently six (6). The directors of the Company are divided into two classes, designated as Class I and Class II, respectively. Although, our Board is classified (and therefore our directors normally serve for staggered two-year terms), because we did not hold a meeting in 2003, for the reasons explained under The 2004 Annual Meeting, both classes of directors are up for election at this year's Annual Meeting. Directors of Class I will be elected at the Annual Meeting for an initial term of one year, and directors of Class II will be elected at the Annual Meeting for a term of two years, in each case until their respective successors are duly elected and qualified or their earlier resignation, removal from office, retirement or death. Following this Annual Meeting, all directors of Class I and II will, upon expiration of their respective terms (or until their respective successors are duly elected and qualified or their earlier resignation, removal from office, retirement or death) be elected for a staggered two-year term at the annual meeting of the EVI shareholders held in the year in which the term of the relevant Class expires. Mr. Benito R. Fernandez and Mr. Christopher G. Payan presently serve as Class I directors and are scheduled to hold office until the 2004 Annual Meeting. Drs. Robert and Alan Cohen, and Mr. Joel L. Gold, presently serve as Class II directors and are scheduled to hold office until their respective successors are duly elected and qualified. One Board seat, in Class I, is currently vacant.

Nominees for Director

The Board has nominated six (6) directors for election at the Annual Meeting, including two non-incumbent nominees (Messrs. Harvey Ross and Seymour Siegel), as follows:

Dr. Alan Cohen, Mr. Harvey Ross and Mr. Seymour G. Siegel to serve as Class I directors until the 2005 annual meeting of shareholders or until their respective successors have been duly elected and qualified or until their earlier resignation, removal or death, and

Dr. Robert Cohen, Mr. Joel L. Gold and Mr. Christopher G. Payan to serve as Class II directors until the 2006 annual meeting of shareholders or until their respective successors have been duly elected and qualified or until their earlier resignation, removal or death.

Benito R. Fernandez, a current director, has not been nominated by the Board for election as director.

If elected, Messrs. Ross, Siegel, and Gold would be considered independent within the meaning of the Nasdaq Stock Market listing standards.

It is intended that shares represented by the accompanying proxy will be voted, unless otherwise specified, in favor of the election of Alan Cohen, Seymour G. Siegel and Harvey Ross, as Class I directors, and Robert Cohen, Joel L. Gold and Christopher G. Payan, as Class II directors. Each nominee has consented to be named as such in this Proxy Statement and to serve on the Board if elected. To the extent that not all of the Company's nominees named in this Proxy Statement are elected at the Annual Meeting and certain of Horizon's dissident nominees are elected and agree to serve as Company directors together with the Company nominees who are elected, the Company anticipates that at the first Board meeting held after the Annual Meeting, all elected directors would consider and determine whether to continue to serve as such, including as necessary, the appropriate classification of the Board. At this time, there can be no assurance that any of the Company's nominees, if elected together with nominees of Horizons, would agree to serve in this circumstance. However, Mr. Siegel has indicated to the Company that, if Fernandez is successful in taking control of the Board, he will not serve as a director of the Company.

Edgar Filing: EMERGING VISION INC - Form PRER14A

If for any reason any of the Company nominees should be unavailable or unable to serve as a director at the time of the Annual Meeting, a contingency which (except as described above) we do not expect as of the date of this Proxy Statement, the shares represented by the accompanying proxy may be voted for the election of such other person as may be determined by the holders of the proxy, unless the proxy withholds authority to vote for all director nominees. A plurality of the votes cast at the Annual Meeting is required to elect each director.

Operation of the Board of Directors

During the fiscal year ended December 31, 2003, the Board held one meeting in person, seven meetings telephonically, and acted by unanimous written consent one time. Each director attended at least 75% of the meetings held by the Board during the period in which such director served, including the meetings held by the Committees on which such director served.

Corporate Governance

As an issuer subject to the periodic requirements of the Securities and Exchange Act of 1934, the Company also is subject to various of the requirements of the Sarbanes-Oxley Act of 2002, or SOXA. Although neither our common stock nor our senior convertible preferred stock presently is listed on a national securities exchange or a U.S. Inter-dealer quotation system of a registered national securities association, we are committed to establishing and maintaining high standards of corporate governance. Management accessibility and accountability, as well as frequent and transparent communication with our public shareholder base and the investor community, is a central theme of this standard. Accordingly, management intends to work closely with our proposed newly constituted Board to identify and implement, in 2004, appropriate enhancements and improvements to our corporate governance initiatives including, to the extent in the best interests of our public shareholders, identifying and adopting certain corporate governance programs, procedures and best practices as consistent as reasonably practicable with those of a company listed on the Nasdaq Stock Market.

In furtherance of the aforementioned, we intend to enhance the design and maintenance of internal controls, procedures and approval processes. We also intend to review and, where deemed appropriate, rewrite the charters of the Committees of the Board to implement corporate governance initiatives and best practices.

In order to further ensure the proper corporate governance of the Company, we have long standing guidelines, either non-written or embodied in resolutions adopted by the Board, that we originally implemented at the time of our initial public offering, which include the establishment of an independent committee to review and approve transactions involving the Company and any of its directors, officers and major shareholders, under which no director or member of any committee of the Board may vote on any matter in which he may have an interest, however remote, and pursuant to which, as a rule, directors do not get involved in management decisions regarding specific franchise operations of the Company. Since becoming a public company we have abided by those guidelines, although they are not binding on the Company, and intend to implement even more stringent policies and procedures, regarding the consideration and approval of transactions with the officers, directors and significant shareholders of the Company and their affiliates, as well as with respect to the obligations of the directors, officers and significant shareholders relating to business opportunities in which the Company has a legitimate right and expectancy. See also Certain Relationships and Related Transactions.

Director Independence Standards

Currently, the sole member of the Board meeting the definition of independence, as such term is defined in the Nasdaq listing standards, is Joel L. Gold. If so elected as directors, Seymour G. Siegel and Harvey Ross would also meet this standard.

Based on the aforementioned independence standard, the Board believes that Alan Cohen and Robert Cohen are not independent. As a result, as further discussed below, the Board anticipates replacing them on most of the committees of the Board in favor of Harvey Ross and Seymour G. Siegel. We intend that these independent members of the Board will hold regularly scheduled executive sessions at least twice a year at which only

Table of Contents

independent directors are present. Additionally, we intend to adopt a code of conduct applicable to directors, officers and employees that complies with the definitions of code of ethics provided in SOXA and the rules of the SEC and Nasdaq.

Committees of the Board

The current standing committees of the Board include the Executive Committee, the Audit Committee, the Compensation Committee and the Independent Committee. In addition, on June 10, 2003 and December 22, 2003, the Board established Special Independent Committees.

The **Executive Committee**, whose members are currently Robert Cohen, Alan Cohen and Christopher G. Payan, is generally authorized to exercise the powers of the Board to the fullest extent permitted by applicable law. The Executive Committee did not meet during the year ended December 31, 2003.

The **Audit Committee**, whose members currently are Joel L. Gold, Robert Cohen and Alan Cohen, recommends the selection of the Company's independent auditors, receives reports from such independent auditors on any material recommendations made to management, and reviews, with the auditors, any material questions or problems with respect to the accounting records, procedures or operations of the Company which have not been resolved to their satisfaction after having been brought to the attention of management. A copy of the Company's Audit Committee Charter, which we intend to amend for the Audit Committee's anticipated expanded role, is included in this Proxy Statement as Annex A. The Audit Committee was established in December 1995, and during the year ended December 31, 2003 met two times telephonically. In the event that they are so elected as directors, the Board anticipates appointing Seymour G. Siegel and Harvey Ross to the Audit Committee in replacement of Alan Cohen and Robert Cohen so that all members of the Audit Committee will be independent in accordance with Nasdaq listing standards. It is also anticipated that Mr. Siegel would be identified as the audit committee financial expert, and that, in the future, the Audit Committee would be charged with the current responsibilities of the Independent Committee.

Further, the Audit Committee intends to adopt a procedure for the Company's employees to submit good faith complaints, on a confidential basis, without fear of reprisals, regarding our accounting, internal accounting controls or auditing matters. These procedures would provide for the receipt, retention and treatment of such complaints. Complaints could relate, without limitation, to fraud or deliberate error in the preparation, evaluation, review or audit of our financial statements or in the recording and maintenance of our financial records; deficiencies or non-compliance with our internal accounting controls; or misrepresentations or false statements to or by a senior officer or accountant regarding our financial records or financial reports. The Audit Committee would acknowledge the receipt of any complaint, direct the review of the complaint and direct prompt and appropriate action when and as warranted in the judgment of the Audit Committee.

The **Compensation Committee**, whose members are currently Alan Cohen, Robert Cohen and Joel L. Gold, administers EVI's 1995 Stock Incentive Plan and sets the salaries and bonuses of the executive officers of the Company. In the event that they are so elected as directors, the Board anticipates appointing Harvey Ross and Seymour G. Siegel to the Compensation Committee in replacement of Alan Cohen and Robert Cohen, so that all members of the Compensation Committee would be independent in accordance with Nasdaq listing standards. The Compensation Committee was established in December 1995 and, during the year ended December 31, 2003, met one time telephonically.

The **Independent Committee**, whose members currently are Joel L. Gold, Benito R. Fernandez and Christopher G. Payan, is generally authorized to review any transaction (or series of transactions) involving more than \$10,000 in any single instance, or more than \$50,000 in the aggregate (other than compensation matters which are determined by the Compensation Committee) between the Company and: (i) any of its directors, officers, principal shareholders and/or each of their respective affiliates; or (ii) any employee of, or consultant to, the Company who also renders services to CFAO and/or GVS, retail optical companies owned, in part, by certain

Table of Contents

directors and shareholders of the Company, whether or not for compensation. As discussed above, in the event that they are so elected as directors, the Board anticipates appointing Seymour G. Siegel and Harvey Ross to the Audit Committee in replacement of Alan Cohen and Robert Cohen so that all members of the Audit Committee would be independent in accordance with Nasdaq listing standards. The authority of the Audit Committee could then be expanded to include the current responsibilities of the Independent Committee and the Independent Committee would be disbanded. The Independent Committee was established in December 1995 and, during the year ended December 31, 2003, met once telephonically.

Special Independent Committees, whose sole member was Joel L. Gold, was established for the sole purposes of (i) evaluating the fairness and reasonableness of, and negotiating the terms of, the offer, from Horizons Investors Corp., Drs. Robert and Alan Cohen, and certain of the Cohen family members, to acquire all of the outstanding capital stock of the Company, which offer was made on June 5, 2003, and was subsequently withdrawn on November 6, 2003, and (ii) negotiating the terms of certain rescission and settlement transactions described in Note 14 of Item 8 of the Company's Annual Report of Form 10-K for the year ended December 31, 2003 (which has been delivered with this Proxy Statement). The Special Independent Committees that were established on June 10, 2003 and December 22, 2003, respectively, each acted one time by written consent during the year ended December 31, 2003.

Nominating Committee and Procedures. The Company presently does not have a Nominating Committee. Historically, the full Board has performed the functions customarily delegated to a separate Nominating Committee. As such, the Company did not establish or believe there was any necessity to establish, as a non-listed public company, such a committee. The Company has not engaged or paid any third party to assist in the process of identifying, reviewing the qualifications of or otherwise selecting director candidates. Accordingly, nominees for director have been made historically by consensus of a majority of the entire Board. When considering nominees for directorships, the Board reviews and considers such factors as industry experience, educational credentials and accreditations, standing and profile in the principal communities where the Company conducts business, experience as a public company director, diversity and other factors which management in its overall discretion reviews to determine that nominees are well-suited to serve the best interests of the Company and its shareholders. In the event that Harvey Ross and Seymour G. Siegel are so elected as directors, the Board anticipates establishing a Nominating Committee, to be governed by a charter, with its members being Joel L. Gold, Mr. Ross and Mr. Siegel. Thus all members of the Nominating Committee would be independent in accordance with Nasdaq listing standards.

We do not have a formal policy with respect to the evaluation of director candidates recommended by stockholders or other persons. Historically, in light of its limited size and the nature and composition of the Company's shareholder base, the Board has not had the need to implement such a policy. The Board, however, evaluates director candidates recommended by shareholders based on the Board's needs at the time the recommendation is made, the Company's resources, and the skills, industry experience, qualifications and expertise of the particular candidate. The Board considered those factors, as well as the results of certain background checks, in deciding not to nominate Fernandez's original nominees for election at the Annual Meeting. In the case of the Fernandez original nominees, the Board also took into account the fact that the election of those nominees would effectively result in a change of control of the Company, while no change of control payment would be made to the shareholders. See also *The Proxy Contest - Benito Fernandez's Attempt to Take Control of the Board and the Company - Fernandez Nominees*.

Shareholders may submit written recommendations with respect to director nominees (accompanied by a notarized statement from the nominee indicating willingness to serve if elected and principal occupations or employment over the past five years) by writing to Emerging Vision, Inc., 100 Quentin Roosevelt Boulevard, Garden City, New York 11530, Attention: Secretary.

Independent of recommendations for director candidates submitted by shareholders or other persons, every year, in advance of that year's annual meeting, the Board evaluates its size, compositions and individual

Table of Contents

members and, based on substantially the same factors it would consider in evaluating outside candidates, it determines whether changes in the Board size and/or compositions are necessary or appropriate.

Messrs. Ross and Siegel, the two non-incumbent independent Board nominees for election at this year's Annual Meeting, were selected, Mr. Ross upon recommendation by our Chairman Dr. Alan Cohn, and Mr. Siegel upon recommendation by our director and Chief Executive Officer Christopher Payan, based on, in the case of Mr. Ross, his business acumen and industry expertise, and, in the case of Mr. Siegel, his financial and accounting expertise and small businesses knowledge and turnaround experience.

Compensation of Directors

Directors who are not employees or executive officers of the Company receive \$1,500 for each board meeting attended in person, \$1,000 for each committee meeting attended in person, and \$500 for each board or committee meeting attended telephonically. In the event that multiple meetings are held on the same day, directors will receive compensation for one meeting. Further, all directors are reimbursed for certain expenses in connection with their attendance at board and committee meetings.

Other than with respect to the reimbursement of expenses, directors who are employees or executive officers of the Company will not receive additional compensation for serving as a director.

On May 30, 2003, the Compensation Committee of the Board granted 100,000 stock options to each of the non-employee directors of the Company. The options have an exercise price of \$0.05, a term of 10 years, and are immediately exercisable. None of these options have been exercised.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

In 2003, none of the members of our Compensation Committee had any interlocks or insider participation requiring disclosure pursuant to Item 402(j)(3) of Regulation S-K of the SEC.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires EVI's executive officers and directors, and persons who own more than ten percent of a registered class of EVI's equity securities, to file reports of ownership and changes in ownership with the SEC. Executive officers, directors and greater than ten percent shareholders are required, by SEC regulations, to furnish EVI with copies of all Section 16(a) forms they may file.

Edgar Filing: EMERGING VISION INC - Form PRER14A

Based solely on a review of the copies of such forms furnished to EVI, or written representations that no Forms 5 were required, we believe that, during the year ended December 31, 2003, all Section 16(a) filing requirements applicable to its executive officers, directors and greater than ten percent beneficial owners were complied with, except that Benito Fernandez, Drs. Robert and Alan Cohen, and Horizons filed certain of their Form 4s after the required deadlines.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board has furnished the following report on executive compensation:

Philosophy

The compensation philosophy of the Company is to develop and implement policies that will encourage and reward outstanding performance, seek to increase the profitability of the Company, and maximize the Company's return on equity so as to increase shareholder value. Maintaining competitive compensation levels in order to attract and retain executives who bring valuable experience and skills to the Company is also an important consideration. The Company's executive compensation programs are designed to attract and retain talented individuals and motivate them to achieve the Company's business objectives and performance targets, including increasing long-term shareholder value.

The Compensation Committee of the Board is comprised of the following three directors: Alan Cohen, Robert Cohen and Joel L. Gold. Working with the Company, the Compensation Committee develops and implements compensation plans for the Company's executive officers.

Compensation Structure

The Compensation Committee believes that it is in the best interests of the Company and its shareholders that its executive officers be compensated in a manner that provides such officers with a strong incentive to advance both the short-term and long-term interests of the Company.

The annual cash compensation of most of the Company's executive officers consists primarily of an annual salary, a performance bonus and stock options. The Compensation Committee also has discretion to award discretionary bonuses to each of the executive officers.

Non-cash compensation of executive officers consists of options granted under the Company's 1995 Stock Incentive Plan. These stock options produce value for executives only if the Company's stock price increases over the respective option exercise prices. Although there are no particular targets with respect to the number of options granted to an executive officer, in general, the higher the level of an executive's responsibility, the larger this stock-based component of such person's compensation will be. In addition, in determining the size of option awards for a particular executive officer, the Compensation Committee considers the amount of stock options awarded to other executive officers in a like position.

The compensation of each executive officer (other than the Chief Executive Officer), is based on an annual review of such officer's performance by the Chief Executive Officer and his recommendations to the Compensation Committee; and the compensation of the Chief Executive Officer is determined by the Compensation Committee. On June 7, 2004, the Executive Committee, upon recommendation of the Compensation Committee, appointed Mr. Payan as the Company's Chief Executive Officer. Mr. Payan had effectively been serving in that capacity since June 1, 2002, when our former Chief Executive Officer resigned. In establishing and administering the variable elements in the compensation of the Company's executive officers, the Compensation Committee tries to recognize individual contributions, as well as overall business results.

Edgar Filing: EMERGING VISION INC - Form PRER14A

Compensation levels are also determined based upon the executive's responsibilities, the efficiency and effectiveness with which he/she marshals resources and oversees the matters under his/her supervision, and the degree to which he/she has contributed to the accomplishment of major tasks that advance the Company's goals.

Executive Officer Compensation for 2003

During the year ended December 31, 2003, each of Christopher G. Payan, who was previously the Company's Senior Vice President, Co-Chief Operating Officer and Chief Financial Officer and Secretary, Myles S. Lewis, our Senior Vice President Business Development and Co-Chief Operating Officer, Samuel Z. Herskowitz, our Chief Marketing Officer and Co-Chief Operating Officer, and Brian P. Alessi, our Treasurer,

Table of Contents

and currently our Chief Financial Officer, were not employed by the Company pursuant to employment agreements, with the exception of Mr. Payan. The base salary to which each executive officer was entitled to during the 2003 fiscal year, with the exception of Mr. Payan, was based upon the Company's goal of attracting and retaining qualified executives. Mr. Payan's base salary was based upon that agreed to in his employment agreement, as described under Executive Compensation Employment Agreements .

During the year ended December 31, 2003, the following employee stock options were granted by the Compensation Committee to the Company's executive officers: Christopher G. Payan 100,000; Myles S. Lewis 100,000; Samuel Z. Herskowitz 100,000, and Brian P. Alessi 0.

Although the Compensation Committee believes that the compensation paid to its executive officers is comparable to compensation paid by similar companies, it has not made any independent investigation.

The Compensation Committee feels that actions taken regarding executive compensation are appropriate in view of each individual's, as well as the Company's, overall performance.

Chief Executive Officer Compensation for 2003

Christopher G. Payan has served as the Company's Senior Vice President, Co-Chief Operating Officer, Chief Financial Officer and Secretary since April 2002, and was named the Company's Chief Executive Officer on June 7, 2004, but had effectively been serving in that capacity since the resignation of our former Chief Executive Officer. The terms of Mr. Payan's employment by the Company are described in detail under Executive Compensation Employment Agreements.

The Committee believes that the 2003 salary of Mr. Payan was reasonable in light of his leadership. The Committee believes that the 2003 compensation level for Mr. Payan reflected the Committee's confidence in him and the Company's desire to retain his talents. In this instance, the Committee sought to provide a total compensation package that is competitive with individuals who hold comparable positions or have similar qualifications in other similar organizations.

The foregoing report of the Compensation Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other of our filings under the Securities Act or the Exchange Act, except to the extent we specifically incorporate this report by reference therein.

Respectfully submitted:

THE COMPENSATION COMMITTEE

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Company is committed to establishing and maintaining high standards of corporate governance, ethics and business conduct. This means the Company conducts its business and manages its affairs in accordance with the spirit and letter of all applicable laws, regulations and public policies, and strives to implement best practices applicable to similarly situated companies.

From time to time, the Company historically has, and may in the future, transact business with certain of its directors, officers and significant shareholders, and with their respective affiliated companies. In addition, certain of the Company's directors are directors of, have significant economic interests in, and are engaged in businesses substantially similar to, the businesses engaged in by the Company.

Recognizing that certain of our directors, officers and significant shareholders may have a direct or indirect financial or other interest in certain transactions involving the Company, and that they also may have an interest in certain corporate opportunities available to the Company, the Company has established policies and procedures, and intends to implement even more stringent policies and procedures to ensure that the terms of any such transactions with our directors, officers and significant stockholders are negotiated on behalf of the Company exclusively by our independent and disinterested directors, and that the terms of such transactions are at least as favorable to the Company as the terms which the Company otherwise could obtain in arms-length transactions with unaffiliated third parties. The Company also intends to adopt new policies and procedures to define, with specificity, those financial and business opportunities in which the Company has a legitimate right to and expectancy in, and which belongs to the Company, and to prohibit the taking by any director, officer, significant shareholder or key employee, for themselves or any of their affiliates, of any such corporate opportunity properly belonging to the Company or in which the Company may have a reasonable interest or expectancy.

As discussed above, our proposed, newly constituted Audit Committee, to consist entirely of independent directors, will be charged with the current responsibilities of the Independent Committee, and the Independent Committee will be disbanded.

The following sets forth the relationships of certain of our directors, officers and significant shareholders with third parties that are engaged in businesses that are similar to the businesses engaged in by the Company, as well as transactions involving the Company in the prior fiscal year in which a director, officer or significant shareholder of the Company, or a third party with whom such director is affiliated, had an interest.

Cohen's Fashion Optical

Drs. Robert and Alan Cohen are officers and directors of Cohen Fashion Optical, Inc., or CFAO, including its affiliate, Real Optical, LLC. (REAL). CFAO, which has been in existence since 1978, owns a chain of company-operated and franchised retail optical stores doing business under the name Cohen's Fashion Optical. As of March 24, 2003, CFAO had 74 franchised stores and 6 company-owned stores (including one store operated by an affiliate of CFAO under the name Cohen's Optical). In addition, CFAO also licenses to retail optical stores the right to operate under the name Cohen's Kids Optical or Ultimate Spectacle. As of March 26, 2004, there were two Ultimate Spectacle stores located in the State of New York; and REAL, as of such date, operated three stores (under the name Cohen's Fashion Optical), all of which were located in New York State. CFAO and REAL stores are similar to the Company's retail optical stores. CFAO has been offering franchises since 1979 and currently has retail optical stores in the States of Connecticut, Florida, New Hampshire, Massachusetts, New Jersey and New York. In the future, Cohen's Fashion Optical, Cohen's Kids Optical or Ultimate Spectacle stores may be located in additional states. As of March 26, 2004, approximately 15 CFAO stores were located in the same shopping center or mall as, or in close proximity to, certain of the Company's retail optical stores. It is possible that one or more additional Cohen's Fashion Optical stores, Cohen's Kids Optical stores or Ultimate Spectacle stores may, in the future, be located near one or more of the Company's

Table of Contents

retail optical stores, thereby competing directly with such Company stores. In addition, the Company's stores and certain of CFAO's stores jointly participate, as providers, under certain third party benefit plans obtained by either the Company or CFAO, which arrangement is anticipated to continue in the future.

In January 2002, the Company subleased from CFAO, for a term of five years, a portion of the space then being leased by CFAO in a building located at 100 Quentin Roosevelt Boulevard, Garden City, New York and, in connection therewith, relocated its principal executive offices to such premises. Occupancy costs are being allocated between the Company and CFAO based upon the respective square footages being occupied. The Company believes that its rent with respect to such premises is equal to the fair market rental value of such space.

On December 31, 2002, the Company refinanced certain past due amounts, owed to CFAO, in an effort to improve its current cash flow position. As a result, the Company signed a 5-year, \$200,000 promissory note, in favor of CFAO, bearing interest at a rate of 10% per annum, and which is payable in equal monthly installments of principal and interest.

In the ordinary course of business, largely due to the fact that the entities occupy office space in the same building, and in an effort to obtain savings with respect to certain administrative costs, the Company and CFAO will at times share in the costs of minor expenses. Management believes it has appropriately accounted for these expenses.

General Vision Services

In January 2001, General Vision Services, LLC, or GVS, a Delaware limited liability company located in New York City and beneficially owned, in principal part, by Drs. Robert and Alan Cohen and certain members of their respective immediate families (collectively, the Cohen Family), acquired substantially all of the assets of General Vision Services, Inc. As of March 26, 2004, GVS operated approximately 24 retail optical stores, principally located in New Jersey and in the New York metropolitan area, which stores are similar to the retail optical stores operated and franchised by the Company. In addition, GVS solicits and administers third party benefit programs similar to those being administered by the Company. GVS does not franchise any retail optical stores. It is possible that a GVS store, or another retail optical store which provides third party benefit plans administered by GVS, may now or in the future be located near one or more of the Company's retail optical stores and may be competing directly with such store.

Furthermore, the Company, CFAO and GVS jointly participate in certain third party benefit plans, and certain of the Company's retail optical stores, CFAO's stores and GVS's stores participate as providers under third party benefit plans obtained by either the Company, CFAO or GVS and, in all likelihood, will continue to do so in the future.

In June 2001, the Company subleased to GVS its retail optical store (and the furniture, fixtures and equipment located therein), located in Nyack, New York, at a rent per month equal to the rent and additional rent payable under the Master Lease for such store, less a monthly rental credit, until May 31, 2003, of \$2,500. Pursuant to the terms of such sublease, the Company transferred and conveyed to GVS all of such store's furniture, fixtures and equipment from and after June 15, 2003. The Company continues to sublet this store to GVS, however the Company no longer provides a rent subsidy.

Further, in April 2002, EVI sold to GVS, for the sum of \$55,000, substantially all of the assets of one of its stores located in New York City, together with all of the capital stock of its wholly-owned subsidiary, Sterling Vision of 125th Street, Inc., which is the tenant under the Master

Lease for such store.

During 2003, 2002 and 2001, the Company purchased from City Lens, Inc., or City Lens, an ophthalmic lens laboratory owned by GVS, ophthalmic lenses and certain lens refinishing services for its Company-owned stores. For the years ended December 31, 2003, 2002 and 2001, the total cost of such lenses and services

Table of Contents

purchased from City Lens was approximately \$26,000, \$228,000 and \$243,000, respectively. The Company believes that the cost of such lenses and services were as favorable to the Company as those which could have been obtained from an unrelated third party.

Vision World

In October 2003, Vision World, LLC, a Delaware limited liability company located in New York City and beneficially owned, in principal part, by Drs. Robert and Alan Cohen and certain members of the Cohen Family, acquired substantially all of the assets of Eyeglass Services Industries, Inc.'s third party administration business (which is similar to the business engaged in by GVS). Vision World solicits and administers third party benefit programs similar to those being administered by the Company. Vision World does not own, operate or franchise any retail optical stores. It is possible, however, that an independently owned and operated Vision World store doing business under the Vision World name, or another retail optical store which provides third party benefit plans administered by Vision World, may now or in the future be located near one or more of the Company's retail optical stores and may be competing directly with such store.

Additional Agreements and Transactions Between the Company and the Cohen Family

On December 6, 2001, the Company borrowed from Broadway Partners, LLC, a New York partnership owned by certain of Dr. Robert and Alan Cohen's children, the sum of \$300,000, which loan, together with interest thereon, calculated at 1% above the prime rate of interest, was repaid to Broadway Partners, in full, on January 23, 2002.

On July 23, 2002, the Board authorized the Company to borrow \$300,000 from Dr. Robert Cohen. The loan was payable on August 10, 2002, together with interest in an amount equal to 1% of the principal amount of such loan. The Company repaid this loan, in full, on August 8, 2002.

On April 4, 2003, the Board authorized the Company to borrow \$100,000 from Dr. Robert Cohen. The loan was payable immediately after the closing of the Company's rights offering (see Transactions Among the Company, Horizons Investors Corp. and the Cohen Family), together with interest in an amount equal to 1% of the principal amount of such loan. The Company repaid this loan, in full, on April 22, 2003, with a portion of the proceeds from the rights offering.

Newtek Business Services

Christopher G. Payan, the Company's Chief Executive Officer and a director of the Company, serves on the board of directors of Newtek Business Services, Inc., or NBSI, a company that provides various financial services to both small and mid-sized businesses. The Company utilizes the bank and non-bank card processing services of one of NBSI's affiliated companies. During the year ended December 31, 2003, the Company paid approximately \$23,000 to such affiliate for such services provided. The Company believes that the cost of such services was as favorable to the Company as those that could have been obtained from an unrelated third party.

Horizons Investors Corp. and Matters Relating to Benito R. Fernandez

Edgar Filing: EMERGING VISION INC - Form PRER14A

On December 3, 2001 and December 20, 2001, the Company borrowed from Horizons the sums of \$150,000 and \$300,000, respectively, each of which loans, together with interest thereon, calculated at 1% above the prime rate, were repaid by the Company, in full, on January 23, 2002.

On January 23, 2002, the Company and Horizons entered into a series of agreements pursuant to which Horizons established, in favor of the Company, a credit facility, in the maximum amount of \$1,000,000 and, in connection therewith, the Company obtained from Horizons advances thereunder, totaling \$450,000. In connection with the closing of the Company's rights offering, the Company repaid these amounts, in full, on April 22, 2003.

In connection with the above financing arrangements, EVI issued to Horizons, five-year warrants to purchase up to 2,500,000 shares of EVI's common stock at an exercise price of \$0.01 per share. Horizons exercised 2,000,000, 250,000 and 250,000 of such warrants on May 1, 2002, July 22, 2002 and October 22, 2002, respectively.

Transactions Among the Company, Horizons Investors Corp. and the Cohen Family

In early 2003, the Company effected a shareholder rights offering. The rights offering consisted of 50,000,000 units, each consisting of one share of the Company's common stock and a warrant, having a term of 12 months, to purchase one additional share of common stock at an exercise price of \$0.05, which was determined based on certain closing price and volume requirements during the subscription period. The terms of the rights offering provided that each shareholder was granted 1.67 non-transferable rights for every share of common stock owned as of the record date, February 25, 2003. Each right was exercisable for one unit at a price of \$0.04. Approximately 92,700,000 units were subscribed for in the rights offering, and, as a result, 50,000,000 new shares of common stock, and warrants to purchase 50,000,000 additional shares of common stock, were issued, resulting in net proceeds of approximately \$1,859,000.

As described in The 2004 Annual Meeting, in June 2003, Fernandez (through Horizons) and Drs. Alan and Robert Cohen (and certain of their affiliates) made a proposal to acquire all of the outstanding capital stock of the Company in a statutory merger and going private transaction. The proposal was withdrawn in November 2003.

Effective December 31, 2003, the Company entered into agreements, with each of Horizons and some members of the Cohen Family, collectively referred to as the subject shareholders, pursuant to which the Company and each of the subject shareholders agreed to, and effectuated, (a) the rescission, *ab initio*, of the exercise, by the subject shareholders, of 13,000,000 of the rights of the subject shareholders (and, accordingly, of the issuance, to such subject shareholders, of the units associated therewith) granted to them in the rights offering, and (b) the rescission, surrender and cancellation of all of the 33,210,028 remaining warrants that the subject shareholders had acquired in the rights offering. In connection with these rescission transactions, the Company agreed to repay to each subject shareholder the \$0.04 subscription amount originally paid for each of the rescinded units (together with interest at a rate of 6% per annum from the date of original acquisition), which, in the aggregate for all of the subject shareholders, totaled \$520,000. This sum (plus interest) is payable by the Company on or before April 14, 2007, pursuant to a series of promissory notes issued to the subject shareholders.

Recognizing that the subject shareholders suffered certain damages in connection with the rescission transactions described above, on December 31, 2003, (i) the Company entered into settlement agreements with each of the subject shareholders, pursuant to which the subject shareholders released the Company from any and all claims that they may have had against the Company as a result of the consummation of the rescission transactions, and (ii) the Company, in consideration for such releases, granted to the subject shareholders, in the aggregate, new warrants to purchase 59,210,028 shares of the Company's common stock at exercise prices ranging from \$0.0465 to \$0.0489. These exercise prices were calculated with the intention of allowing the subject shareholders to purchase equity of the Company on substantially the same economic terms to which they would have been originally entitled pursuant to the rights offering, but for the rescission transactions. The new warrants are not exercisable until April 15, 2006, and expire on April 14, 2008.

& Company, LLP, are responsible for expressing an opinion on the conformity of the Company's audited financial statements with generally accepted accounting principles for the United States.

The Audit Committee members are not professional accountants or auditors, and their functions are not intended to duplicate or certify the activities of management and the independent accountants. The Audit Committee operates under a written charter adopted by the Board.

Fees of Independent Public Accountants

On April 29, 2002, the members of the Company's Audit Committee recommended to the Board that it discontinue the future retention of Arthur Andersen, LLP, or Andersen as the Company's principal accountants and, on June 18, 2002, the Company formally dismissed Andersen as its independent public accountants. In connection with the audit of the fiscal year ended December 31, 2001, the Andersen report did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. During the year ended December 31, 2001, there were no disagreements with Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of such firm, would have caused it to make reference to the subject matter of the disagreement as part of its report.

On August 5, 2002, the Audit Committee recommended to the Board that it select Miller, Ellin & Company LLP as its new independent public accountants, which recommendation was accepted and unanimously passed by the Board. On August 7, 2002, the Company engaged Miller Ellin as its new independent public accountants. The Audit Committee has appointed Miller Ellin to be Company's auditors for the fiscal year 2004. Miller Ellin served in this capacity for the fiscal years 2002 and 2003.
