-

Item 1.01 Entry into a Material Definitive Agreement

On November 18, 2004, Impac Mortgage Holdings, Inc. (the Company) entered into an underwriting agreement with UBS Securities LLC, Bear, Stearns & Co. Inc., Deutsche Bank Securities Inc., and JMP Securities LLC (collectively, the Underwriters), relating to the sale of 3,750,000 shares of the Company's Common Stock, par value \$0.01 per share, and the granting of an over-allotment option for an additional 562,500 shares to the Underwriters solely to cover over-allotments, if any. The offering is expected to close on November 23, 2004.

The net proceeds to the Company are estimated to be approximately \$81.8 million (or approximately \$94.1 million if the Underwriters over-allotment option is exercised in full) after deducting underwriting discounts and commissions and estimated expenses.

Concurrent with the offering of common stock, the Company is offering 4,000,000 shares of its 9.125% Series C Cumulative Redeemable Preferred Stock, par value \$0.01 per share (Series C Preferred Stock), for an aggregate public offering price of \$100 million, plus up to an additional 300,000 shares of Series C Preferred Stock for an additional aggregate public offering price of \$7.5 million, if the underwriters for that offering exercise their over-allotment option. The Company will pay to investors quarterly cumulative cash dividends on the Series C Preferred Stock from November 23, 2004 in the amount of \$2.28125 per share each year, which is equivalent to 9.125% of the \$25.00 liquidation preference per share. Dividends on the concurrently offered shares of Series C Preferred Stock will be payable quarterly in arrears on or before March 31, June 30, September 30 and December 31 of each year, beginning on December 31, 2004. The shares of Series C Preferred Stock have no stated maturity, will not be subject to any sinking fund or mandatory redemption and will not be convertible into any other securities.

Holder of shares of Series C Preferred Stock will generally have no voting rights, but will have limited voting rights if the Company fails to pay dividends for six or more quarters and in certain other events. The Company may not redeem the Series C Preferred Stock until November 23, 2009, except in limited circumstances to preserve its status as a real estate investment trust. On or after November 23, 2009, the Company may, at its option, redeem the Series C Preferred Stock, in whole or in part, at any time and from time to time, for cash at \$25.00 per share, plus accrued and unpaid dividends (whether or not declared), if any, to and including the redemption date. Any partial redemption will generally be on a pro rata basis.

The offering of common stock is subject to the completion of the concurrent Series C Preferred Stock offering, and that offering is subject to the completion of the common stock offering.

Item 9.01 Financial Statements and Exhibits.
