II-1

Item 6. Indemnification of Directors and Officers.

The Mississippi Business Corporation Act (MBCA) empowers a corporation to indemnify an individual who is a party to a proceeding because he is a director against liability incurred in the proceeding if:

He conducted himself in good faith;

He reasonably believed in the case of conduct in his official capacity, that his conduct was in the best interests of the corporation, and in all other cases, that his conduct was at least not opposed to the best interests of the corporation; and

In the case of any criminal proceeding, he had no reasonable cause to believe his conduct was unlawful.

A corporation may also indemnify an individual who engaged in conduct which broader indemnification has been made permissible or obligatory under a provision of the articles of incorporation as authorized by Section 79-4-2.02(b)(5) of the MBCA. The termination of a proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent is not, of itself, determinative that the director did not meet the relevant standard of conduct.

Unless ordered by a court under Section 79-4-8.54(a)(3) of the MBCA, a corporation may not indemnify a director:

In connection with a proceeding by or in the right of the corporation except for reasonable expenses incurred in connection with the proceeding if it is determined that the director has met the relevant standard of conduct under the MBCA; or

In connection with any proceeding with respect to conduct for which he was adjudged liable on the basis that he received a financial benefit to which he was not entitled, whether or not involving action in his official capacity.

The MBCA further provides that a corporation shall indemnify a director who was wholly successful, on the merits or otherwise, in the defense of any proceeding to which he was a party because he was a director of the corporation against reasonable expenses incurred by him in connection with the proceeding. Also, a corporation may, before final disposition of a proceeding, advance funds to pay for or reimburse the reasonable expenses incurred by a director who is a party to a proceeding because he is a director. The director must deliver to the corporation: (1) a written affirmation of his good faith belief that he has met the relevant standard of conduct described in the MBCA or that the proceeding involves conduct for which liability has been eliminated under a provision of the articles of incorporation as authorized by the MBCA; and (2) his written undertaking to repay any funds advanced if he is not entitled to mandatory indemnification under the MBCA and it is ultimately determined under the MBCA that he has not met the relevant standard of conduct described in the MBCA. The undertaking

required must be an unlimited general obligation of the director. It need not be secured and may be accepted without reference to the financial ability of the director to make repayment.

A corporation may not indemnify a director as described above unless authorized by:

The board of directors if there are two or more disinterested directors, by a majority vote of all the disinterested directors (a majority of whom shall for such purpose constitute a quorum) or by a majority of the members of a committee of two or more disinterested directors appointed by such a vote;

Special legal counsel selected in accordance with the MBCA; or

The shareholders, but shares owned by or voted under the control of a director who at the time does not qualify as a disinterested director may not be voted on the authorization.

A corporation may also indemnify and advance expenses to an officer of the corporation who is a party to a proceeding because he is an officer to the same extent as for a director.

The bylaws of the registrant contain the following indemnification provision: [a]ny person, his heirs, executors, or administrators, may be indemnified by the corporation for reasonable expenses (including judgments and compromise settlements, except where as in a derivative suit situation any judgment in the matter would run in favor of the corporation) actually incurred in connection with any action, suit or proceeding, civil or criminal, to which he was made a party by reason of service as a director, officer, or employee of the corporation, provided, however, that no person shall be so indemnified or reimbursed as to any matter as to which he shall finally be adjudged to have been guilty of gross negligence, willful misconduct or criminal acts in the performance of his duty to the corporation; and, provided further, that no person shall be so indemnified or reimbursed as to any matter in such action or suit which has been as the subject of a compromise settlement except with the approval (1) of a court of competent jurisdiction, or (2) the holders of record of a majority of the outstanding shares of the corporation, or (3) a majority of the corporation's board of directors, excluding members who are parties to the same or substantially the same suit or proceeding. The foregoing right of indemnification or reimbursement shall not be exclusive of other rights to which such person may be entitled as a matter of law. The board of directors of the registrant may, in its discretion, purchase directors' and officers' liability insurance coverage to provide, in whole or in part, for such indemnification or reimbursement.

The registrant maintains an insurance policy insuring the registrant and its directors and officers against certain liabilities.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 9. Undertakings.

The undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the 1933 Act;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement; and

- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

PROVIDED, HOWEVER, that paragraphs (1)(i) and (1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by registrant pursuant to Section 13 or Section 15(d) of the 1934 Act that are incorporated by reference in the Registration Statement;

- (2) That, for the purpose of determining any liability under the 1933 Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof; and
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered that remain unsold at the termination of the offering.

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the 1933 Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the 1934 Act that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

Insofar as indemnification for liabilities arising under the 1933 Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the 1933 Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the 1933 Act and will be governed by the final adjudication of such issue.
