OF

FULL HOUSE RESORTS, INC.

PROXY STATEMENT

This proxy statement contains information relating to our 2005 Annual Meeting of Stockholders to be held at 10:00 a.m., local time, on May 19, 2005, at Luxe Hotel Sunset Boulevard Bel-Air, 11461 Sunset Boulevard, Los Angeles, CA 90049 and to any adjournments or postponements. This proxy statement and the enclosed form of proxy are first being mailed to stockholders on or about April 25, 2005.

ABOUT THE MEETING

What Is The Purpose Of The Annual Meeting?

At the annual meeting, stockholders will act upon the matters outlined in the accompanying notice of meeting, including the election of six (6) directors and the ratification of Piercy Bowler Taylor & Kern as our independent auditors. In addition, our management will report on our performance during 2004 and respond to questions from stockholders.

Who Is Entitled To Vote?

Only stockholders of record at the close of business on the record date, April 22, 2005, are entitled to receive notice of the annual meeting and to vote the shares of our common stock or preferred stock that they held on that date at the meeting, or any postponement or adjournment of the meeting. Each outstanding share of common stock entitles its holder to cast one vote on each matter to be voted upon. Each outstanding share of preferred stock entitles its holder to cast one vote on each matter to be voted upon. Half of the outstanding shares of preferred stock are held by William P. McComas, one of our Directors.

Who Can Attend The Meeting?

All stockholders as of the record date, or their duly appointed proxies, may attend. Please note that if you hold shares in street name, that is, through a broker or other nominee, you will need to bring a copy of a brokerage statement reflecting your stock ownership as of the record date. You will also need a photo ID to gain admission.

What Constitutes A Quorum?

The presence at the meeting, in person or by proxy, of the holders of 40% of the total number of shares of our common stock and preferred stock outstanding on the record date will constitute a quorum, permitting the meeting to conduct its business. As of the record date, 10,340,380 shares of our common stock were outstanding and held by approximately 129 stockholders of record, and 700,000 shares of our Series A Preferred Stock were outstanding and entitled to one vote each voting together with the common stock and held by two stockholders of record. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting for purposes of determining a quorum but will not be counted as votes cast for or against any given matter.

If less than a majority of outstanding shares entitled to vote are represented at the meeting, a majority of the shares present at the meeting may adjourn the meeting to another date, time or place, and notice need not be given of the new date, time or place if the new date, time or place is announced at the meeting before an adjournment is taken.

How Do I Vote?

If you complete and properly sign the accompanying proxy card and return it to us, it will be voted as you direct. If you are a registered stockholder and you attend the meeting, you may deliver your completed proxy card in person. Street name stockholders who wish to vote at the meeting will need to obtain a proxy from the institution that holds their shares.

Prior to the annual meeting, we will select one or more inspectors of election. These inspectors will determine the number of shares of common stock and Series A preferred stock represented at the meeting, the existence of a quorum, the validity of proxies and will count the ballots and votes and will determine and report the results to us.

Can I Change My Vote After I Return My Proxy Card?

Yes. Even after you have submitted your proxy, you may change your vote at any time before the proxy is exercised by filing with our Secretary either a notice of revocation or a duly executed proxy bearing a later date. The powers of the proxy holders will be suspended if you attend the meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

What Are The Board's Recommendations?

The enclosed proxy is solicited on behalf of our board of directors. Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of our board of directors. The recommendation of the board of directors is set forth with the description of each item in this proxy statement. In summary, the board of directors recommends a vote:

FOR the election of the nominated slate of directors (see pages 5-7).

FOR the ratification of Piercy Bowler Taylor & Kern as independent auditor (see page 7).

The board of directors does not know of any other matters that may be brought before the meeting nor does it foresee or have reason to believe that the proxy holders will have to vote for substitute or alternate board nominees. In the event that any other matter should properly come before the meeting or any nominee is not available for election, the proxy holders will vote as recommended by the board of directors or, if no recommendation is given, in accordance with their best judgment.

What Vote Is Required To Approve Each Item?

Election Of Directors. A plurality of the votes cast at the meeting is required for the election of directors. A properly executed proxy marked **WITHHOLD AUTHORITY** with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. Stockholders do not have the right to cumulate their votes for directors.

Ratification of Piercy, Bowler, Taylor, & Kern. An affirmative vote of a majority of the votes cast at the meeting is required for the ratification of the independent auditor. A properly executed proxy marked **ABSTAIN** with respect to ratification will not be voted with respect to ratification, although it will be counted for purposes of determining whether there is a quorum.

Other Items. For any other item which may properly come before the meeting, the affirmative vote of a majority of the shares of common stock present, either in person or by proxy, and voting will be required for approval, unless otherwise required by law. A properly executed proxy marked **ABSTAIN** with respect to any of those matters will not be voted, although it will be counted for purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote.

Edgar Filing: FULL HOUSE RESORTS INC - Form DEF 14A

If you hold your shares in street name through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by these broker non-votes will, however, be counted in determining whether there is a quorum.

Who Pays For The Preparation Of The Proxy Statement?

We will pay the cost of preparing, assembling and mailing the proxy statement, notice of meeting and enclosed proxy card. In addition to the use of mail, our employees may solicit proxies personally and by telephone. Our employees will receive no compensation for soliciting proxies other than their regular salaries. We may request banks, brokers and other custodians, nominees and fiduciaries to forward copies of the proxy material to their principals and to request authority for the execution of proxies and we may reimburse those persons for their expenses incurred in connection with these activities. We will compensate only independent third party agents that are not affiliated with us but solicit proxies. At this time, we do not anticipate that we will be retaining a third party solicitation firm, but should we determine, in the future, that it is in our best interests to do so, we will retain a solicitation firm and pay for all costs and expenses associated with retaining this solicitation firm.

You should review the information provided in this proxy statement in conjunction with our 2004 Annual Report to Stockholders, which accompanies this proxy statement. Our principal executive offices are located 4670 South Fort Apache Road, Suite 190, Las Vegas, Nevada 89147 and our telephone number is (702) 221-7800. A list of stockholders entitled to vote at the annual meeting will be available at our offices for a period of ten days prior to the meeting and at the meeting itself for examination by any stockholder.

These persons are required by SEC regulation to furnish us with copies of all such reports they file.

Our board of directors does not currently have a standing audit, nominating or compensation committee or any committees performing similar functions. Each communication should specify the applicable addressee or addressees to be contacted.

PROPOSAL TWO: RATIFICATION OF INDEPENDENT AUDITORS

Piercy Bowler Taylor & Kern (PBTk) was retained as the Company 's independent auditors for the year ending December 31, 2004. THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF PIERCY, BOWLER, TAYLOR & KERN AS THE COMPANY 'S INDEPENDENT AUDITORS FOR THE YEAR ENDING DECEMBER 31, 2005.

INDEPENDENT AUDITOR MATTERS

Independent Auditors

Deloitte & Touche, LLP served as Full House 's independent auditors for the year ended December 31, 2003. Deloitte & Touche LLP was dismissed as the company 's independent auditor on July 12, 2004. Their reports on the consolidated financial statements for the two years prior to dismissal did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope, or accounting principles. There were no disagreements with Deloitte & Touche LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure.

On July 12, 2004, we retained PBTk as our independent auditor. PBTk audited Full House 's annual consolidated financial statements for the year ended December 31, 2004. Representatives of PBTk are expected to attend the meeting, and be available to answer questions. We do not expect them to make a statement.

During fiscal year 2004, Full House retained PBTk to provide services in the following categories and amounts:

Audit Fees

We paid or accrued an aggregate of \$63,000 in 2004 and \$85,500 in 2003 in fees for professional services in connection with the audit of our financial statements for the most recent fiscal year and the reviews of the financial statements included in each of our Quarterly Reports on Form 10-QSB during that fiscal year.

Audit Related Fees

We did not engage PBTk for any audit related professional services for the fiscal year ended December 31, 2004.

Tax Fees

Edgar Filing: FULL HOUSE RESORTS INC - Form DEF 14A

We did not engage PBTk for any tax related professional services for the fiscal year ended December 31, 2004.

All Other Fees

We did not engage PBTk for any other services for the fiscal year ended December 31, 2004.

Because we do not have an audit committee, we do not have audit committee pre-approval policies and procedures. All of the services provided by our independent auditors were approved by our board of directors and the board of directors believes that the provision of these services is consistent with maintaining the accountants' independence.

Audit Committee Report

The following report of the Board of Directors sitting as the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any of Full House's filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that we specifically incorporate such report by reference.

The board of directors, acting as the Audit Committee oversees the Company's financial reporting process. Management has the primary responsibility for the financial statements and the financial reporting process including the system of internal controls.

In fulfilling our oversight responsibilities, we reviewed and discussed the financial statements with management. In addition, we discussed with the independent auditors matters deemed significant by the independent auditors, including those matters required to be discussed pursuant to Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended.

The independent auditors also provided us with the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and we discussed with the independent auditors matters relating to their independence and considered whether their provision of non-audit services is compatible with maintaining their independence.

Based on our review with management and the independent auditors of Full House's audited consolidated financial statements and the independent auditors' report on such financial statements, and based on the discussions and written disclosures described above and our business judgment, we recommended that the audited consolidated financial statements be included in Full House's Annual Report on Form 10-KSB for the year ended December 31, 2004 for filing with the Securities and Exchange Commission.

Employment Agreements

In January 2002, we entered into an employment agreement with Michael P. Shaunnessy, our then chief financial officer. The agreement provided that during the two-year term Mr. Shaunnessy would be paid a salary of \$250,000 and participate in such benefits plans and bonus plans as we provided to other executives. In the event he was terminated without cause or he terminated his employment for good reason, each as defined in the agreement, we would continue to pay his salary, benefits and bonus until January 1, 2004. Following the expiration of his employment agreement, Mr. Shaunnessy's employment with the company was terminated and he was paid severance compensation of \$100,000.

Stock Option Plans

At December 31, 2004, Full House had three stock-based compensation plans that are described below. The ability to issue stock option grants under each of these plans expired on June 30, 2002. Because options have historically been granted with exercise prices equal to market value on the grant date, no compensation cost has been recognized for options granted under the Non-Employee

Director Stock Plan, Incentive Stock Plan (except as disclosed below related to options granted under the Incentive Stock Plan to a consultant / principal shareholder) and an informal director stock plan. Since all options that are outstanding as of December 31, 2004 have vested, applying the fair value recognition provisions of SFAS No. 123 results in pro forma net income (loss) that is the same as historical reported net income (loss) during the years ended 2004 and 2003.

Full House had reserved 300,000 shares of its common stock for issuance under the Non-Employee Director Stock Plan. As of December 31, 2004, there were no outstanding options under this Plan.

Full House had reserved 3,000,000 shares of its common stock for issuance under the 1992 Incentive Plan, as amended in June 1999. This plan allowed for the issuance of options and other forms of incentive awards, including qualified and non-qualified incentive stock options at market or less than market value at the date of the grant. The persons eligible for such plan included employees and officers of Full House (whether or not such officers are also directors of Full House) and consultants and advisors to Full House, who are largely responsible for the management, growth and protection of the business of Full House. Options issued under the Incentive Plan were generally exercisable over a term of ten years. The total options outstanding under the 1992 Incentive Plan, including the consulting options at December 31, 2004 and 2003 were 250,000 and 400,000, respectively.

On March 3, 1997, the Board of Directors approved a grant of options to each of Full House's three directors, to purchase 250,000 shares of common stock at an exercise price per share equal to the fair market value. As of December 31, 2004, 250,000 of these options are outstanding and exercisable at \$2.25 per share. The total options outstanding under this Plan at December 31, 2004 and 2003 were 325,000.

A summary of the status of Full House's stock option plans as of December 31, 2004 and 2003, and changes during the years then ended is presented below:

	2004		2003	
	WEIGHTED-AVERAGE EXERCISE		WEIGHTED-AVERAGE EXERCISE	
	SHARES	PRICE	SHARES	PRICE
Outstanding at beginning of year	725,000	\$ 2.75	911,000	\$ 2.65
Granted				
Exercised				
Forfeited	150,000	2.25	186,000	2.25

Exercisable at year-end	575,000	2.88	725,000	2.75

As of December 31, 2004, the 575,000 options outstanding and exercisable have exercise prices ranging between \$2.25 and \$3.69, and a weighted average remaining contractual life of 2.3 years.
