The proposal by this consortium contemplates the formation of a new company, referred to herein as the Soros Group, to effectuate the transactions contained in their proposal.

The Soros Group proposal includes, among other things, a proposed commitment by the Soros Group of \$30 million of new equity capital and a standby commitment in a \$35 million rights offering to Star s common unitholders, each at a price of \$2.60 per common unit, resulting in the aggregate issuance of 25 million new common units. The Soros Group proposal contemplates maintaining the current arrangements with the holders of approximately 94% in principal amount of Star s senior notes, including the conversion of \$26.9 million of senior notes into common units at \$2.00 per common unit.

The Soros Group proposal is subject to completion of a confirmatory due diligence review and negotiation and execution of definitive agreements.

The board of directors of Star s general partner, Star Gas LLC, will be evaluating the Soros Group proposal in the near future.

As previously announced on December 5, 2005, the Partnership has entered into agreements with Kestrel Energy Partners, LLC ( Kestrel ) and holders of approximately 94% in principal amount of its senior notes. The Partnership has, in connection with the Kestrel transaction, scheduled a special meeting of unit holders which is scheduled to be held March 17, 2006.

The Kestrel transaction provides for, among other things: the receipt by the Partnership of \$50 million in new equity financing through the issuance to Kestrel of 7,500,000 common units at \$2.00 per unit for an aggregate of \$15 million and the issuance of an additional 17,500,000 common units in a rights offering to Star s common unitholders at an exercise price of \$2.00 per unit for an aggregate of \$35 million.
