The Credit Agreement provides a committed \$200 million non-revolving credit facility. The interest rate payable on advances under the credit facility will vary based on the type of advance requested by the Registrant. The credit facility includes financial covenants and events of default that are similar to those in the Registrant's existing \$700 million credit facility. The Credit Agreement will mature on the earlier of September 12, 2006 or the date that is ninety (90) days from the receipt by the Registrant of proceeds from any debt or equity public offering made by the Registrant after the effective date of this credit facility.

The foregoing description of the Credit Agreement does not purport to be complete and is qualified in its entirety by the terms and conditions of the Credit Agreement which is filed as Exhibit 10.1 hereto, and incorporated into this Item 1.01 by reference.
