A copy of the press release is attached as Exhibit 99.1 hereto and incorporated herein by reference and also made available through the Company's website at [www.scansource.com](http://www.scansource.com).

As previously announced, the Company's Board of Directors has appointed a Special Committee, consisting entirely of independent directors, to conduct a review of the Company's stock option grant practices and related accounting issues from the time of its initial public offering in 1994 to the present. The Special Committee is assisted in its review by independent legal counsel and advisors. The review of the Special Committee is in process, and, accordingly, no findings have been made regarding the Company's stock option grant practices and related accounting issues or the materiality of any issues that may arise in that regard. The Company does not anticipate having additional comment on this topic until the review by the Special Committee is complete. The financial results included in the attached press release do not reflect adjustments, if any, that may be required as a result of the Special Committee's review, including the impact of any unrecorded non-cash equity-based compensation charges, either on the current period or that may require adjustments to previously reported result.

The information in this Current Report on Form 8-K, including the exhibit, is being furnished and shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934 (the Exchange Act) or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933 or the Exchange Act.
