ITEM 3.01 NOTICE OF DELISTING OR FAILURE TO SATISFY A CONTINUED LISTING RULE OR STANDARD; TRANSFER OF LISTING.

On January 9, 2007, Bio-Rad Laboratories, Inc. (the Company) received a letter from the staff of the American Stock Exchange (the Amex). The letter advised the Company that it was not in compliance with Section 121(B)(2)(a) of the American Stock Exchange Company Guide (the Company Guide) because the death of Mr. Philip L. Padou left the Company with only two independent directors serving on its Audit Committee rather than the requisite three independent directors. In the letter, Amex gave the Company until April 9, 2007 to regain compliance with the Amex requirements. The Company is currently seeking a replacement for Mr. Padou to serve on its Board of Directors and Audit Committee in order to regain compliance with the Amex requirements.

In the letter, the staff of the Amex advised the Company that the staff had determined not to apply at this time the continued listing evaluation and follow-up procedures specified in Section 1009 of the Company Guide. The letter constituted a Warning Letter pursuant to Section 1009(a)(i) of the Company Guide and notice of a failure to satisfy a continued listing standard. The letter advised the Company that failure to resolve the specified listing deficiency by April 9, 2007 would result in the staff assessing the Company's continued listing eligibility, including the application of the continued listing evaluation and follow-up procedures specified in Section 1009 of the Company Guide and/or initiation of delisting proceedings.
