Notwithstanding the foregoing, a transaction effected to create a holding company for us will not be deemed to involve a change of control if: (1) pursuant to such transaction we become a direct or indirect wholly owned subsidiary of such holding company and (2)(A) the direct or indirect holders of the voting stock of such holding company immediately following that transaction are substantially the same as the holders of our voting stock immediately prior to that transaction or (B) immediately following that transaction no person (other than a holding company satisfying the requirements of this sentence) is the beneficial owner, directly or indirectly, of more than 50% of the voting stock of such holding company, measured by voting power rather than number of shares.
