Item 1.01. Entry into a Material Definitive Agreement.

Bill of Sale and Assignment Agreement

On August 7, 2007, AtriCure, Inc. ("AtriCure") entered into a Bill of Sale and Assignment Agreement (the "Agreement") with CooperSurgical, Inc. ("Cooper"). Under the terms and conditions of the Agreement, AtriCure acquired from Cooper the Frigitrone[®] CCS-200 product line for use in cardiovascular cryosurgery, which includes a console and a variety of reusable probes. Additionally, AtriCure acquired certain assets, including inventory and manufacturing equipment that are related specifically to the acquired product line. The product line is used during cardiac surgery for the ablation of cardiac tissue during open-heart procedures. The agreement grants a limited worldwide license (the "License") to AtriCure for no more than four years to utilize the Frigitrone[®] trademark and CCS-200 in combination with AtriCure in the field of cardiac cryosurgery. In consideration for the product line, related assets and the License, AtriCure agreed to pay Cooper \$3,661,536, of which \$3,244,244 was paid in cash on August 8, 2007 and the balance, \$417,922, is payable to Cooper under an unsecured promissory note that bears interest at 5 percent. The promissory note is payable in full within three days following the completion by Cooper of defined manufacturing services and delivery to AtriCure of all remaining tangible assets acquired.

Additionally, under the terms and conditions of the Agreement, Cooper is to manufacture and supply to AtriCure 23 consoles and 40 probes between September and December of 2007. Additionally, during this period, Cooper will provide warranty and replacement services related to the acquired product line.

Non-Competition Agreement

AtriCure and Cooper also entered into a Non-Competition Agreement on August 7, 2007. Under the terms of the non-compete agreement, Cooper is restricted, on a worldwide basis, from selling, distributing, manufacturing, advertising or promoting cryosurgical products intended for use in cardiovascular cryosurgery for eight years. Further, AtriCure is restricted, on a worldwide basis, from selling, distributing, manufacturing, advertising or promoting cryosurgical products intended for ophthalmic or gynecological cryosurgery for eight years.

The foregoing descriptions of the Agreement and the Non-Competition Agreement do not purport to be complete and are qualified in their entirety by reference to such agreements, copies of which are attached as Exhibits 10.1 and 10.2, respectively, to this Form 8-K and incorporated herein by reference.
