The exact applicable share price and effective date may not be set forth in the table above, in which case:

if the actual applicable share price is between two applicable prices listed in the table above, or the actual effective date is between two dates listed in the table above, we will determine the number of additional shares by linear interpolation between the numbers of additional shares set forth for the two applicable prices, or for the two dates based on a 365-day year, as applicable;

if the actual applicable price is greater than \$90.00 per share (subject to adjustment), we will not increase the conversion rate as described above and no additional shares will be issuable upon conversion; and

if the actual applicable price is less than \$35.73 per share (subject to adjustment), we will not increase the conversion rate as described above and no additional shares will be issuable upon conversion.

However, the Company will not increase the conversion rate as described above to the extent the increase will cause the conversion rate to exceed 0.6997 (subject to adjustment).
