This Amendment No. 2 to Schedule 13D (this *Amendment* ) amends the Schedule 13D, dated January 30, 2008, as amended on March 13, 2008 (the *Original Schedule 13D* ), and is being filed by Amazon.com, Inc., a Delaware corporation ( *Amazon* ), and AZBC Holdings, Inc., a Delaware corporation ( *AZBC Holdings* ) and, together with Amazon, the *Reporting Persons* ), with the Securities and Exchange Commission (the *SEC* ) on March 19, 2008 (the Original Schedule 13D, together with the Amendment, the *Schedule 13D* ) with respect to the shares of Common Stock of Audible, Inc.

**Item 3. Source and Amount of Funds or Other Consideration**

The response to Item 3 of the Schedule 13D is hereby amended and restated in its entirety as follows:

On January 30, 2008, Amazon, AZBC Holdings and Audible, Inc., a Delaware corporation ( *Audible* ), entered into an Agreement and Plan of Merger (the *Merger Agreement* ). Pursuant to the Merger Agreement, (i) AZBC Holdings commenced a tender offer (including the subsequent offering period described in Item 4 below, the *Offer* ) to purchase all of the outstanding shares of Common Stock at a price of \$11.50 per share, net to the seller in cash without interest (the *Offer Price* ), and (ii) following the consummation of the Offer, AZBC Holdings would be merged with and into Audible (the *Merger* ), with Audible as the surviving corporation, all upon the terms and subject to the conditions set forth in the Merger Agreement. In the Merger, each remaining share of Common Stock would be converted into the right to receive an amount in cash equal to the Offer Price.

The Offer's initial offering period expired at 12:00 midnight, New York City time, on March 10, 2008. Upon expiration of the initial offering period, AZBC Holdings accepted all validly tendered shares of Common Stock for payment in accordance with the terms of the Offer. On March 11, 2008, AZBC Holdings commenced a subsequent offering period for all remaining untendered shares of Common Stock, which subsequent offering period expired at 5:00 p.m., New York City time, on Friday, March 14, 2008.

The depositary for the Offer has advised Amazon and AZBC Holdings that, as of the expiration of the subsequent offering period of the Offer, and including shares of Common Stock tendered and accepted during the initial offering period which expired on March 10, 2008, an aggregate of approximately 21,487,967 Shares were validly tendered into the Offer, representing approximately 86.90% of the outstanding shares of Common Stock. Purchaser has accepted for payment all shares of Common Stock that were validly tendered in the Offer. The shares of Common Stock acquired in the Offer, together with shares of Common Stock previously owned by Purchaser, constitute 89.38% of Audible's outstanding shares of Common Stock.

On March 17, 2008, AZBC Holdings purchased directly from Audible an additional 1,542,124 shares of Common Stock at a price of \$11.50 per share, for an aggregate price of \$17,734,426, in connection with the exercise of the right (the *Top-Up Option* ) granted to AZBC Holdings in the Merger Agreement to purchase from Audible, at a price per share of \$11.50, the number of newly issued shares of Common Stock necessary for AZBC Holdings to own one share more than 90.0% of the outstanding shares of Common Stock.

Amazon consummated the Merger on March 18, 2008. The Merger was consummated without a vote or meeting of the stockholders of Audible, in accordance with Delaware law. In the Merger, each share of Common Stock outstanding immediately prior to the effective time (the Effective Time) of the Merger (other than any shares of Common Stock held by stockholders who properly perfect appraisal rights under Delaware law and any shares of Common Stock owned by Audible, Amazon, AZBC Holdings, any other wholly owned subsidiary of Amazon or any wholly owned subsidiary of Audible, in each case immediately prior to the Effective Time) were canceled and automatically converted into the right to receive the same \$11.50 in cash per share, subject to any applicable withholding taxes, that was paid in the Offer. Following the Merger, the Common Stock ceased to be traded on the NASDAQ Global Market and Audible became a direct wholly owned subsidiary of Amazon.

The Reporting Persons estimate that that the total amount of funds required to purchase all outstanding shares of Common Stock pursuant to the Offer and the Merger and to pay related fees and expenses will be approximately \$300 million. Amazon has ensured that AZBC Holdings has sufficient funds to acquire all of the outstanding shares of Common Stock pursuant to the Offer and to fulfill its obligations under the Merger Agreement. The required funds were funded with Amazon's available cash.

**Item 5. Interest in Securities of the Issuer**

The response to Item 5 of the Schedule 13D is hereby amended and supplemented by adding the following paragraphs at the end thereof:

(a) and (b). The Offer's initial offering period expired at 12:00 midnight, New York City time, at the end of March 10, 2008. Following the expiration of the initial offering period, AZBC Holdings accepted for payment, and purchased, all of the shares of Common Stock that had been validly tendered into the Offer. On March 11, 2008, Amazon and AZBC Holdings announced that a subsequent offering period for the Offer would commence and expire at 5:00 p.m., New York City time, on March 14, 2008. On March 17, 2008, Amazon and AZBC Holdings announced the expiration of the subsequent offering period and the successful completion of the Offer. During the subsequent offering period, shares of Common Stock were accepted as they were tendered. The same \$11.50 per share paid during the initial offering period was paid during the subsequent offering period.

The depositary for the Offer advised Amazon and AZBC Holdings that, as of the expiration date of the subsequent offering period of the Offer, and including shares of Common Stock tendered and accepted during the initial offering period which expired on March 10, 2008, an aggregate of approximately 21,487,967 shares of Common Stock were validly tendered to AZBC Holdings in the Offer. AZBC Holdings has accepted all validly tendered shares of Common Stock for payment in accordance with the terms of the Offer.

On March 17, 2008, AZBC Holdings purchased directly from Audible an additional 1,542,124 shares of Common Stock at a price of \$11.50 per share, for an aggregate price of \$17,734,426, in connection with the exercise of the Top-Up Option granted in the Merger Agreement. The shares of Common Stock purchased in the Top-Up Option, together with the shares of Common Stock tendered and accepted pursuant to the Offer, represent a total of 23,643,434 shares of Common Stock, or approximately 90.00% of the 26,270,482 shares of Common Stock outstanding as of March 17, 2008.
