Item 2.02. Results of Operations and Financial Condition.

On April 17, 2008, People's United Financial, Inc. (the Company) issued a press release announcing its results of operations for the three-month period ended March 31, 2008. A copy of that press release is being furnished herewith as Exhibit 99.1.

The information contained in and accompanying this Form 8-K with respect to Item 2.02 (including the Exhibit hereto) is being furnished to, and not filed with, the Securities and Exchange Commission in accordance with General Instruction B.2 to Form 8-K.

Item 2.06. Material Impairments.

During the process of the Company's business integration of the former Chittenden Corporation family of banks, and as part of its strategic planning for possible future acquisitions, the Company undertook a comprehensive review of its options relating to technology strategy. This re-assessment resulted in a determination by management that in order to achieve its acquisition integration goals, the Company should discontinue its current Connecticut core deposit system replacement project at this time.

As a result of this determination, the Company quantified, on April 14, 2008, an impairment charge of \$20 million for assets related to this system replacement project. This charge is reflected in the Company's reported results for the three months ended March 31, 2008.
