MEETING AND VOTING INFORMATION

Date, Time and Place of Meeting

The board of directors of Rentrak Corporation (Rentrak) is furnishing this notice of annual meeting and proxy statement and the enclosed proxy card in connection with the board's solicitation of proxies for use at Rentrak's 2008 Annual Meeting of Shareholders (the Annual Meeting). The Annual Meeting will be held on Thursday, August 21, 2008, at 10:00 a.m. Pacific Daylight Time, at Rentrak's executive offices, located at One Airport Center, 7700 N.E. Ambassador Place, Portland, Oregon 97220.

Solicitation and Revocation of Proxies

Shares represented by a proxy card that is properly dated, executed and returned will be voted as directed on the proxy. If no direction is given, proxies will be voted FOR each of the director nominees selected by the board of directors. If other matters properly come before the Annual Meeting, the persons named in the accompanying proxy will vote in accordance with their best judgment with respect to such matters. Any proxy given by a shareholder may be revoked at any time prior to its use by execution of a later-dated proxy delivered to Rentrak's Secretary, by vote in person at the Annual Meeting, or by written notice of revocation delivered to Rentrak's Secretary.

Rentrak's board of directors has selected the two persons named on the enclosed proxy card to serve as proxies in connection with the Annual Meeting. These proxy materials and the accompanying 2008 Annual Report to Shareholders, which includes Rentrak's audited financial statements for the fiscal year ended March 31, 2008, and the other portions of Rentrak's 2008 Annual Report on Form 10-K, are being mailed on or about July 14, 2008, to shareholders of record on June 24, 2008.

Purposes of the Annual Meeting

The Annual Meeting has been called for the following purposes:

To elect a board of directors consisting of seven members, each to serve until the next annual meeting of shareholders and until his or her successor is duly elected and qualified;

Edgar Filing: RENTRAK CORP - Form DEF 14A

To hear reports from various officers of Rentrak; and

To transact such other business as may properly come before the meeting or any adjournments thereof.

Section 2.3.1 of Rentrak's 1995 Restated Bylaws, as amended, sets forth procedures to be followed for introducing business at a shareholders meeting. Rentrak has no knowledge of any other matters that may be properly presented at the Annual Meeting. Record Date and Shares Outstanding

Only shareholders of record at the close of business on June 24, 2008 (the Record Date), are entitled to notice of, and to vote at, the Annual Meeting. At the close of business on the Record Date, 10,611,039 shares of Rentrak common stock were outstanding. For information regarding the ownership of Rentrak common stock by holders of more than five percent of the outstanding shares and by Rentrak's directors and executive officers, see Security Ownership of Certain Beneficial Owners and Management on page 8 of this proxy statement.

Voting; Quorum; Vote Required

Each share of common stock outstanding on the Record Date is entitled to one vote per share at the Annual Meeting. Shareholders are not entitled to cumulate their votes. The presence, in person or by proxy, of the holders of a majority of Rentrak's outstanding shares of common stock is necessary to constitute a quorum at the Annual Meeting. Assuming the existence of a quorum, the affirmative vote of a plurality of the votes cast at the Annual Meeting, in person or by proxy, will be required to elect persons nominated to be directors.

Effect of Abstentions

If you abstain from voting, your shares will be deemed present at the Annual Meeting for purposes of determining whether a quorum is present. However, only votes cast in favor of a nominee for director will have an effect on the outcome of the election of directors.

Effect of Broker Non-Votes

If a broker holds your shares in street name, you should instruct your broker how to vote. A broker non-vote occurs when a nominee holding shares for a beneficial owner returns a duly executed proxy but does not vote on a proposal because the nominee does not have discretionary voting power with respect to the matter being considered and did not receive voting instructions from the beneficial owner. Broker non-votes are deemed present at the Annual Meeting for purposes of determining whether a quorum is present, but will have no effect on the outcome of the election of directors.

Costs of Solicitation

Rentrak will bear all costs and expenses associated with this solicitation. In addition to solicitation by mail, directors, officers, and employees of Rentrak may solicit proxies from shareholders, personally or by telephone, facsimile, or e-mail transmission, without receiving any additional remuneration. Rentrak has asked brokerage houses, nominees and other agents and fiduciaries to forward soliciting materials to beneficial owners of Rentrak common stock and will reimburse all such persons for their expenses.

PROPOSAL 1

ELECTION OF DIRECTORS

All of our current directors, Judith Allen, Tom Allen, Cecil Andrus, George Kuper, Paul Rosenbaum, and Ralph Shaw, have been nominated by the board of directors to stand for re-election as directors. In addition, the Nominating and Governance Committee recommended that Brent Rosenthal be nominated for election as a director at the 2008 annual meeting, after considering his credentials, experience and relationship with WRH Partners II, L.L.C. (WRH), the general partner of certain limited partnerships that hold a total of 7.75% of Rentrak's outstanding common stock. Mr. Rosenthal is a Research Analyst for WRH. Pursuant to the Nominating Committee's recommendation, the board of directors has nominated Mr. Rosenthal to fill a newly-created board seat. Rentrak has not entered into any arrangements or understandings relating to the election of Mr. Rosenthal as a director.

In June 2008, Rentrak's board of directors approved an amendment to its 1995 Restated Bylaws, effective as of August 21, 2008, to increase the number of positions on the board of directors to seven. The board of directors

Table of Contents

has nominated the individuals named below to fill the seven positions. If for any reason any of the nominees named below should become unavailable for election (an event the board does not anticipate), proxies will be voted for the election of such substitute nominee as the board in its discretion may recommend. Proxies cannot be voted for more than seven nominees. Directors are re-elected annually to serve until the next annual meeting of shareholders and until their successors are duly elected and qualified. If a vacancy occurs after the Annual Meeting, the board of directors may elect a replacement to serve for the remainder of the unexpired term.

The board of directors has determined that each of the nominees for director named below, other than Mr. Rosenbaum, is or will be an independent director under Rule 4200(a)(15) of the Nasdaq listing standards.

COMMITTEES AND MEETINGS OF THE BOARD

The board of directors has established several standing committees, including an Audit Committee, a Compensation Committee, a Finance Committee, and a Nominating and Governance Committee. During the fiscal year ended March 31, 2008, the board of directors held four meetings. Each director attended at least 75% of the total number of meetings held by the board of directors and the board committees on which he or she served during fiscal 2008.

The board of directors has adopted corporate governance guidelines, which state that directors are expected to attend all meetings of the board of directors, including our annual meetings of shareholders. All directors attended the annual meeting held in August 2007.

Audit Committee

Rentrak has a separately-designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934 (the Exchange Act). The Audit Committee's activities are governed by a formal written charter, a copy of which is available on Rentrak's website under Investor Information / Corporate Governance at www.rentrak.com. The Audit Committee held four meetings during the fiscal year ended March 31, 2008.

Mr. Andrus (Chair), Mr. Kuper, and Mr. Shaw, each of whom meets the financial literacy and independence requirements for audit committee membership specified in the Nasdaq listing standards, are the current members of the Audit Committee. Stanford Stoddard was also a member of the Audit Committee during fiscal 2008, until his retirement from the board in August 2007. The board of directors has determined that Mr. Shaw is qualified to be an audit committee financial expert as defined in the rules of the Securities and Exchange Commission (the SEC).

The Audit Committee makes decisions regarding the engagement or discharge of Rentrak's independent auditors, reviews and pre-approves audit and legally-permitted non-audit services provided by the independent auditors, and oversees the integrity of Rentrak's financial statements and other financial information, its systems of internal accounting and financial controls, and the independence and performance of Rentrak's independent auditors. The Audit Committee has established procedures for the receipt and handling of complaints about accounting and auditing matters and reports of ethical violations regarding Rentrak's directors, officers and employees. The Audit Committee's charter also makes it responsible for reviewing for potential conflicts of interest all transactions between Rentrak and a director, officer or shareholder (including transactions with family members or associates of

Table of Contents

such persons) that would be required to be reported as a transaction with a related person in this proxy statement under the SEC's disclosure rules and determining whether or not to approve any such transactions.

Compensation Committee

The members of the Compensation Committee are Ms. Allen (Chair), Mr. Andrus and Mr. Shaw, each of whom is an independent director as defined in Rule 4200(a)(15) of the Nasdaq listing standards. No other persons were members of the Compensation Committee during fiscal 2008. The Compensation Committee is responsible for approving and evaluating Rentrak's director and officer compensation plans, policies and programs, evaluating the performance of Rentrak's management, and making compensation decisions regarding Rentrak's executive employees. The Compensation Committee is governed by a written charter most recently revised on May 16, 2007. The charter is available on Rentrak's website under Investor Information / Corporate Governance [at www.rentrak.com](http://www.rentrak.com). During the fiscal year ended March 31, 2008, the Compensation Committee held five meetings.

Nominating and Governance Committee

The Nominating and Governance Committee (the Nominating Committee) is chaired by Mr. Kuper; Ms. Allen and Mr. Andrus are its two other members. The board of directors has determined that each of these directors is independent as defined in Rule 4200(a)(15) of the Nasdaq listing standards. No other persons were members of the Nominating Committee during fiscal 2008. The Nominating Committee is governed by a written charter, a copy of which is available on Rentrak's website under Investor Information / Corporate Governance [at www.rentrak.com](http://www.rentrak.com). The Nominating Committee held three meetings during the fiscal year ended March 31, 2008.

The Nominating Committee is responsible for identifying individuals qualified to become directors of Rentrak and recommending to the board of directors candidates for election and for recommending individuals to serve on each board committee. It is also responsible for developing for board approval a set of corporate governance guidelines addressing board organizational issues, committee structure and membership, and succession planning for Rentrak's chief executive officer position.

The Nominating Committee has not adopted any specific, minimum qualifications for director candidates. In evaluating potential director nominees, the Nominating Committee will take into account all factors that it considers appropriate, including strength of character, maturity of judgment, career specialization, relevant technical skills or financial acumen, diversity of viewpoints, industry knowledge, and the highest personal and professional ethics, integrity and sound business judgment.

In determining whether to recommend nomination of current directors for re-election, the Nominating Committee will perform periodic evaluations of individual directors. Non-employee directors are generally expected to retire upon reaching age 75 or completing ten years of service, whichever is later. Directors who are also employees will generally be expected to resign upon termination of employment, although the board of directors may make an exception to this policy for a former chief executive officer if it believes it to be in the best interests of Rentrak.

When the Nominating Committee is required to identify new director candidates, because of a vacancy or a desire to expand the board, the Nominating Committee will poll current directors for suggested candidates. The Nominating Committee has the authority to hire a third party search firm if it deems such action to be appropriate, but has not done so since January 1, 2006. Once potential candidates are identified, the Nominating Committee will conduct interviews with the candidates and perform such investigations into the candidates' background as the Nominating Committee deems appropriate.

The Nominating Committee will consider director candidates suggested by shareholders for nomination by the board of directors. Shareholders wishing to suggest a candidate to the Nominating Committee should do so by sending the candidate's name, biographical information, and qualifications to: Chair of Nominating Committee, in care of Mark L. Thoenes, Executive Vice President, Chief Financial Officer and Secretary, Rentrak Corporation, P.O. Box 18888, Portland, Oregon 97218-0888. Candidates suggested by shareholders will be evaluated by the same criteria and process as candidates from other sources.

Table of Contents**Finance Committee**

The Finance Committee is comprised of Mr. Shaw (Chair), Ms. Allen, Mr. Allen and Mr. Kuper. It is responsible for evaluating strategic and operational financial issues facing Rentrak. During the fiscal year ended March 31, 2008, the Finance Committee met six times.

EXECUTIVE COMPENSATION

Responsibilities and Processes of Compensation Committee

The Board of Directors has delegated responsibility for considering and approving the compensation and awards to all of Rentrak's executive officers, including the executive officers listed in the Summary Compensation Table on page 16 (the "named executive officers"), to the Compensation Committee, which consists entirely of independent, non-employee directors. The Compensation Committee also establishes the executive compensation principles that guide the design of Rentrak's executive compensation programs.

Engagement of Independent Consultant. For assistance in designing Rentrak's compensation programs for executive officers to meet our goals and objectives, the Compensation Committee has, on a periodic basis, engaged the services of an outside consultant to conduct surveys and provide reports, updates and related advice to the committee regarding compensation paid to executive officers at peer companies who hold positions similar to those of our named executive officers. In fiscal years 2007 and 2008, the Compensation Committee retained Lipis Consulting (the "Consultant") to provide such services.

Role of Executive Officers. The base salaries paid to named executive officers for fiscal 2008, excluding our CEO, Paul Rosenbaum, were recommended to the Compensation Committee by our CEO and approved by the Compensation Committee. The recommendations were reviewed with the Compensation Committee chair in advance of deliberations and action by the Compensation Committee as a whole. Our CEO was present during the Compensation Committee's deliberations and approval process regarding compensation of executive officers other than himself.

The base salary paid to Mr. Rosenbaum for fiscal 2008 was approved by the Compensation Committee in executive session after considering corporate and individual performance parameters, including:

- * Rentrak's profitability,
- * the CEO's leadership and management,
- * regulatory compliance,
- * our business planning, strategy and execution,
- * employee and customer satisfaction, and
- * shareholder relations.

Discussion and Analysis of Executive Compensation Programs

Compensation Principles. In general, our compensation policy is designed to reward the achievement of individual and company goals and objectives. Rentrak follows a practice of linking executive compensation to individual levels of performance, as well as the performance of the company as a whole. The compensation of our executive officers typically includes cash incentive bonuses and equity awards (generally stock options) that reward the achievement of goals and objectives relating to both individual performance and company performance.

Rentrak's overall executive compensation levels are designed to attract and retain the type of talent needed to enable us to achieve and sustain a leadership position in the business and industry in which Rentrak competes, as well as to increase the long-term value of the company for shareholders. In general, this means that total executive compensation should be at or above the median for Rentrak's peers and other appropriate benchmarks.

Edgar Filing: RENTRAK CORP - Form DEF 14A

Our executive compensation policy is designed to focus Rentrak's officers on achieving strong short-term performance goals and objectives as well as ensuring that the necessary steps are taken to achieve long-term success. Rentrak uses a variety of performance goals and objectives, including personal, financial, operational and strategic.

Benchmarking and Comparative Peer Group. The Compensation Committee periodically compares the total annual compensation of each named executive officer to the total annual compensation of executives holding comparable positions at similarly-situated peer companies. For the purpose of such comparisons, the committee considers base salary, annual incentive bonus, and the value of stock option grants. The Compensation Committee focuses on the level of total annual compensation, as well as the nature of the various individual elements of

compensation, because both are generally important to executives. This gives us the flexibility to provide forms of compensation that are tailored to meet our goals and objectives, as well as the particular executive's needs and wishes, whether at the time of hire or later in the employment relationship.

The Consultant's fiscal 2008 report to the Compensation Committee provided compensation-related information regarding the companies listed below (the peer group):

Arbitron, Inc.	IMS Healthcare, Inc.
BSD Software, Inc.	Lakes Entertainment, Inc.
Ceridian Corp.	Navarre Corp.
Dun & Bradstreet Corp.	NetRatings, Inc.
Greenfield OnLine, Inc.	Opinion Research Corp.
Guideline, Inc.	Reading International, Inc.
IMAX Corp.	ROO Group, Inc.

The companies comprising the peer group used in the Consultant's fiscal 2008 report were selected by the Consultant and approved by the Compensation Committee in consultation with the CEO. The peer group includes companies in the media and software industries that have similar revenues, similar market capitalizations, or similar numbers of employees as compared to Rentrak. The Consultant's fiscal 2008 report included information regarding base salary, bonus, value of awarded stock options, and certain other compensation derived from various sources, including the proxy statements of members of the peer group.

During fiscal 2008, as discussed below under Base Salaries, the focus of the Compensation Committee was less on benchmarking executive compensation to salary surveys and more on recognizing individual contributions to Rentrak as well as retaining key executives in the face of competition.

Goals and Objectives for Executive Compensation. The goals and objectives of our executive compensation program for named executive officers are to attract, retain, motivate and reward highly qualified executives to achieve Rentrak's strategic goals and increase shareholder value. For fiscal 2008, total executive compensation was established for each named executive officer based on such factors as:

- * length of time in the position,
 - * scope of job responsibilities,
 - * current and long-term job performance and potential for advancement,
 - * competitive market conditions for individuals holding similar positions, and
 - * the short-term and longer-term performance of our company.
- Total executive compensation may also be affected by decisions to pay higher levels of compensation in order to attract superior executive talent in critical functions or to provide additional compensation outside of the normal annual review cycle to address retention issues.

Edgar Filing: RENTRAK CORP - Form DEF 14A

Based on our review of the compensation arrangements discussed below, and our assessments of individual executive and corporate performance, we believe our executive compensation levels and the design of our executive compensation programs are effective in meeting our compensation goals and objectives.

Fiscal 2008 Elements of Compensation. The executive compensation program and its various elements are designed to reward a combination of individual, division, department and/or company-wide performance. The primary elements of our compensation program for named executive officers are base salary, annual cash incentive bonus, stock options or other equity-based or long-term incentive compensation, severance and change-in-control agreements, other benefits and perquisites, and an employment agreement. Important aspects of each element of the compensation program for named executive officers are explained in more detail below.

Base Salaries. The Compensation Committee annually reviews and considers adjustments to the base salary of executive officers based on company performance, individual executive performance, increased responsibilities, comparative market compensation for the position, retention considerations and CEO recommendations. During fiscal 2008, three of our named executive officers, Messrs. Giambra, Thoenes, and

Table of Contents

Yazdani, received salary increases from fiscal 2007 levels ranging from 8% to 12%. The increase in base salaries for Messrs. Giambra, Thoenes and Yazdani reflect their individual contributions to Rentrak as well as the company's desire to retain their services. The salary levels for these named executive officers were last adjusted in fiscal 2006. Mr. Rosenbaum and Mr. Papagan did not receive salary adjustments in fiscal 2008.

Annual Cash Incentive Bonuses. Rentrak maintains a discretionary bonus program under which executive officers may receive annual cash incentive payments based on improvement in corporate and personal performance. The incentive bonuses are based on (a) performance by the company as a whole or by the line of business for which the officer is responsible and (b) achievement of specific performance parameters established for each individual officer. Company or line of business performance is generally measured by the improvement in pre-tax operating income for the company or line of business over the levels approved by the board of directors as part of the annual budget process. For each executive officer other than the CEO, the CEO recommends for Compensation Committee approval a participation percentage for the portion of the officer's bonus tied to company or line of business performance.

In light of Rentrak's lower pre-tax net income in fiscal 2008 compared to fiscal 2007, the CEO recommended to the Compensation Committee, and the committee concurred, that executive officers, including the CEO, not be paid cash incentive bonuses for fiscal 2008.

Equity-Based Awards. In light of the change in Rentrak's accounting for employee stock options effective April 1, 2006, the Compensation Committee has sought to balance the need to maintain Rentrak's earnings per share with the goal of providing equity incentives to retain key employees. In fiscal 2008, only one executive officer was granted a stock option.

During fiscal 2008, the Compensation Committee continued to explore various alternatives for providing equity-based compensation to officers and other key employees of Rentrak, including stock options, stock appreciation rights, restricted stock units, and possible combinations of approaches. A decision is expected to be made during fiscal 2009 regarding a new stock-based compensation program.

Deferred Compensation Plan. In February 2008, the Compensation Committee approved a nonqualified deferred compensation plan, called the Executive Nonqualified Excess Plan, as a means to enhance the retirement benefits offered by Rentrak to officers and other highly compensated employees at a relatively low cost to the company. Beginning April 1, 2008, highly compensated employees may elect to defer up to 100% of their salary and other cash compensation on a tax-deferred basis. Deferred amounts are credited to a participant's account in the plan, and are adjusted for changes in value based on investment fund options available under the plan and selected by the participant. All assets held by the plan, if any, are subject to Rentrak's creditors. At present, Rentrak does not intend to make matching contributions to the deferred compensation plan. For fiscal 2009, two executive officers have elected to defer a portion of their cash compensation and two other executive officers have registered under the plan.

Benefits and Perquisites. Benefits are established based upon an assessment of competitive market factors and a determination of what is needed to attract and retain superior talent. The primary benefits received by our named executive officers are generally the same as for all employees of Rentrak on a non-discriminatory basis and include participation in our health, dental and vision plans, disability and life insurance plans, paid personal time-off, as well as Rentrak's 401(k) retirement plan. The CEO also receives a Company-leased automobile for his use and is provided with a personal long-term care insurance policy. Rentrak has provided another named executive officer with a personal portable supplemental life insurance and long-term disability insurance policy at Rentrak's expense. These additional benefits are reflected in the Summary Compensation Table on page 16.

Employment Agreements and Termination and Severance Benefits. We believe that it is valuable to establish employment agreements with our executive officers. The employment agreements are consistent with the goals and objectives of our compensation program to attract, retain, motivate and reward highly qualified executives. The Compensation Committee has established guidelines to standardize most of the terms and conditions in our executive employment agreements. A more detailed discussion of the terms and conditions of our employment agreements with our named executive officers is included below under the subheading Potential Payments upon Termination or Change-in-Control.

Table of Contents

Recoupment of Annual Bonuses and Stock Gains. The Sarbanes-Oxley Act of 2002 provides that, if a company is required to restate its financial statements due to material non-compliance with reporting requirements, the CEO and CFO must reimburse the company for (1) any bonus or other incentive or equity-based compensation received during the 12 months preceding the first public release of restated financial statements, and (2) any profits from the sale of securities during those 12 months.

Deductibility of Compensation. In considering Rentrak's compensation structure, the Compensation Committee takes into consideration Section 162(m) of the Internal Revenue Code. This provision limits the deductibility of compensation in excess of \$1 million paid to any of a company's five most highly-paid executive officers in a single tax year. Compensation that is performance-based or qualifies under certain other exceptions is excluded from the calculation. For example, stock options granted under Rentrak's 2005 Stock Incentive Plan are structured to qualify as performance-based compensation under Section 162(m). Deductibility is, however, only one factor considered by the Compensation Committee in structuring executive compensation consistent with Rentrak's executive compensation.

Table of Contents**Potential Payments upon Termination or Change-in-Control**

Rentrak has entered into employment agreements with each of its executive officers, including the named executive officers. Mr. Rosenbaum's agreement has a current expiration date of September 30, 2008. Each of the other agreements will expire December 31, 2008, subject to automatic renewal for successive one-year periods unless Rentrak gives notice of non-renewal by a specified date prior to the end of each year. The agreements will also automatically extend for an additional two calendar years (three calendar years in the case of Mr. Rosenbaum) if a change-in-control (a "CIC") occurs during the term of the agreement. A CIC includes (1) the acquisition by a person or group of beneficial ownership of 25% or more of the combined voting power of Rentrak's then outstanding capital stock, (2) the election of directors a majority of whom are not individuals nominated by Rentrak's then incumbent directors, and (3) the approval by Rentrak's shareholders of a plan of complete liquidation, a sale of substantially all of Rentrak's assets, or a merger or similar transaction other than a transaction in which Rentrak's shareholders continue to hold at least 75% of the combined voting power of the surviving entity immediately following the transaction, except that, in the case of Mr. Rosenbaum's agreement, a CIC does not include an event that has been approved by two-thirds of Rentrak's directors then in office.

The employment agreements provide for severance upon termination of employment for specified reasons, including death, disability, voluntary termination by the employee for good reason, or involuntary termination without cause. Good reason is defined as Rentrak's failure to comply with the agreement or an act or failure to act by Rentrak that constitutes a substantial adverse change in the officer's position or responsibilities or a reduction in his or her base salary. Cause is defined as a material breach of the agreement by the officer, the officer's failure to comply with Rentrak's general policies or standards or to perform any job duties, a felony conviction or plea of no contest, or any act by the officer constituting fraud, dishonesty involving Rentrak, or in competition with or materially detrimental to Rentrak.

Severance Following Termination During Term of Agreement. No severance benefits are payable if employment is terminated by Rentrak for cause or voluntarily by the officer other than for good reason. If an executive officer is terminated during the term of the agreement and before a CIC occurs, by Rentrak without cause or by the officer for good reason, in addition to accrued base salary and other benefits, the officer is entitled to receive severance payments in the amount of his or her monthly base salary during a severance period of (a) three months for each four full years of continuous service, (b) the number of monthly installments specified in the agreement (12 months for Mr. Rosenbaum, nine months for Messrs. Giambra, Thoenes and Yazdani, and six months for Mr. Papagan), or (c) the remaining term of the agreement, whichever is longest. Health insurance benefits will also be continued during this period unless provided by a subsequent employer. Continuation of severance payments generally is subject to compliance with an agreement not to compete with Rentrak and execution by the officer of a general release of claims against Rentrak.

If employment is terminated during the term of the agreement and after a CIC occurs, either without cause or for good reason, the executive officer will be entitled to receive a lump sum payment equal to two times his or her then-current annual base salary and average annual bonus amount during the prior two fiscal years (three times base salary only in the case of Mr. Rosenbaum), subject to reduction if his or her resulting after-tax benefit would be larger due to the effect of the excise tax on excess parachute payments. He or she will also be entitled to continued participation in Rentrak's health and life insurance plans, other welfare plans, and 401(k) plan for two years (three years in the case of Mr. Rosenbaum).

If an executive officer dies or becomes disabled during the term of the agreement, the officer or his or her estate will be entitled to accrued base salary and other employee benefits through the date of termination of employment, except that in the case of Mr. Rosenbaum, his estate will be entitled to a lump sum payment of \$500,000 less any amounts payable under any life insurance policies purchased by Rentrak for the benefit of Mr. Rosenbaum's dependents.

Severance upon Termination After Expiration of Agreement. The employment agreements with Messrs. Giambra, Papagan, Thoenes and Yazdani also provide for continuation of medical benefits and for severance payments in the event employment is terminated by Rentrak without cause, or by the executive officer with good reason, after expiration of the term, provided that the officer has had five or more continuous years of employment with Rentrak. The total amount of the severance payments will equal the officer's monthly base salary then in effect times (a) three months for each four full years of continuous service or (b) the number of monthly installments specified in the agreement, whichever is longer.

Table of Contents

The following tables set forth certain information concerning payments and other benefits that would have been payable to our named executive officers under the agreements currently in place in the event their employment was terminated or a CIC had occurred on March 31, 2008, under various circumstances described in the tables. The tables assume no future changes in benefits or vesting are made. We have not entered into any agreements or plans that provide benefits to our named executive officers solely as a result of a change in control, other than the acceleration of vesting of unvested stock options in certain circumstances. Except as noted in the footnotes to the tables, all amounts are payable by Rentrak.
