\* An aggregate of 9,070,784 shares of Eagle Test Systems, Inc. (the Issuer) common stock are subject to Stockholder Agreements dated September 1, 2008 (the Stockholder Agreements) entered into between Teradyne, Inc. (Teradyne) and each of the stockholders of the Issuer listed on Schedule B hereto (discussed in Items 3 and 4 below). Teradyne expressly disclaims beneficial ownership of any such shares of Issuer common stock covered by the Stockholder Agreements, and this Schedule 13D shall not be construed as an admission that Teradyne is the beneficial owner of any securities covered by this Schedule 13D. Based on the number of shares of Issuer common stock outstanding as of August 29, 2008 (as represented by the Issuer in the Merger Agreement (as defined herein)), the number of shares of the Issuer's common stock covered by the Stockholder Agreements represents approximately 39.4% of the Issuer's outstanding common stock. (The number of shares of the Issuer's common stock reported in this Schedule 13D as covered by the Stockholder Agreements excludes 14,815 shares subject to options held by Theodore Foxman that are immediately exercisable or exercisable within 60 days).

This Schedule 13D (this **Statement**) is being filed as an original filing with the Securities and Exchange Commission (the **SEC**) by Teradyne, Inc. a Massachusetts corporation (**Teradyne**), in connection with those certain Stockholder Agreements, each dated as of September 1, 2008, by and among Teradyne and each of Leonard A. Foxman, Theodore D. Foxman, Foxman Family LLC, TA IX L.P., TA/Atlantic and Pacific IV L.P., TA Strategic Partners Fund A L.P., TA Strategic Partners Fund B L.P., TA Investors LLC and TA Subordinated Debt Fund, L.P. (each, individually, a **Stockholder** and collectively, the **Stockholders**), respectively. The Stockholder Agreements were entered into in connection with the signing of the Agreement and Plan of Merger (the **Merger Agreement**), dated as of September 1, 2008, by and among Teradyne, Turin Acquisition Corp., a Delaware corporation and a wholly-owned subsidiary of Teradyne (**Merger Sub**), and Eagle Test Systems, Inc., a Delaware corporation (the **Issuer**). The Merger Agreement provides for, subject to the satisfaction or waiver of the conditions set forth therein, Teradyne's acquisition of the Issuer via the merger of Merger Sub with and into the Issuer with the Issuer as the surviving corporation (the **Merger**).

**Item 1. Security and Issuer.**

This Statement relates to shares of common stock, par value \$0.01 per share (**Common Stock**) of the Issuer. The principal executive office of the Issuer is located at 2200 Millbrook Drive, Buffalo Grove, IL 60089.

**Item 2. Identity and Background.**

This Statement is being filed by Teradyne. The address of the principal business and the principal offices of Teradyne is 600 Riverpark Drive, North Reading, Massachusetts 01864. Teradyne is a leading supplier of Automatic Test Equipment.

The name, business address, present principal occupation or employment and citizenship of each director and executive officer of Teradyne are set forth on Schedule A hereto and are incorporated herein by reference.

During the last five years, neither Teradyne, nor, to the knowledge of Teradyne, any of the persons listed on Schedule A has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors), or was a party to a civil proceeding of a judicial or administrative body of competent jurisdiction as a result of which such person was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

**Item 3. Source and Amount of Funds or Other Consideration.**

The Stockholder Agreements have been entered into to secure the support of certain of the Issuer's directors and stockholders for the Merger pursuant to the Merger Agreement. Teradyne acquired shared voting power with respect to the shares of Common Stock owned by the Stockholders via execution of the Stockholder Agreements. As of the date of this Statement, Teradyne has not paid any funds or other consideration relating to the beneficial ownership of Common Stock reported herein.

Teradyne estimates that the total amount of funds and other consideration required to complete the Merger and to pay related fees and expenses will be approximately \$250 million. This figure is net of the cash acquired and includes the fair value of fully vested employee equity instruments. Teradyne has secured a bridge financing commitment in connection with the transaction.

Schedule B hereto sets forth, to the knowledge of Teradyne, the number of shares of Common Stock beneficially owned (for purposes of Rule 13d-3 under the Exchange Act) by each Stockholder.

**Item 4. Purpose of Transaction.**

On September 1, 2008, Teradyne, Merger Sub and the Issuer entered into the Merger Agreement, pursuant to which, and subject to the satisfaction or waiver of the conditions set forth therein, Teradyne will acquire the Issuer via the Merger. Upon consummation of the Merger, the Issuer will become a wholly-owned subsidiary of Teradyne. The primary intent of Teradyne is to complete the Merger so that Teradyne acquires control of the Issuer. The Merger is conditioned upon, among other things, the holders of a majority of the outstanding shares of Issuer Common Stock adopting the Merger Agreement and approving the Merger.

Upon consummation of the Merger, each outstanding share of Common Stock (other than (1) any shares of Common Stock owned by Teradyne, Merger Sub or the Issuer or any of their respective subsidiaries or affiliates, or (2) any shares of Common Stock that are held by any stockholder who is entitled to demand and properly demands appraisal pursuant to, and who complies in all respects with, the provisions of Section 262 of the Delaware General Corporation Law) will be converted into the right to receive \$15.65 per share in cash, without interest and subject to any required withholdings of taxes (the Merger Consideration ).

Upon consummation of the Merger, each stock option outstanding under the Issuer's equity incentive plans, whether or not then vested or exercisable, will automatically convert into the right to acquire shares of Teradyne common stock, on substantially the same terms and conditions as were applicable under such Issuer stock option (including vesting schedule) except that

the number of shares of Teradyne common stock subject to each such option or right shall be determined by multiplying the number of shares of Issuer Common Stock subject to such option immediately prior to the Merger by a fraction (the **Equity Award Exchange Ratio** ), the numerator of which is the Merger Consideration and the denominator of which is the average closing price of Teradyne common stock on the New York Stock Exchange over the five consecutive trading days immediately preceding (but not including) the date on which the Merger occurs (rounded down to the nearest whole share); and

the exercise price per share of Teradyne common stock (rounded up to the nearest whole cent) shall equal (x) the per share exercise price for the shares of Issuer Common Stock otherwise purchasable pursuant to such option immediately prior to the Merger divided by (y) the Equity Award Exchange Ratio.

Upon consummation of the Merger, the (i) directors of Merger Sub will be appointed as the directors of the Issuer and (ii) certificate of incorporation and bylaws of the Issuer will be restated in forms attached to the Merger Agreement.

Following the Merger, the shares of Common Stock will no longer be traded on the Nasdaq Global Market, there will be no public market for such shares, and registration of such shares under the Exchange Act will be terminated.

As an inducement to enter into the Merger Agreement, and in consideration thereof, each Stockholder, solely in such Stockholder's capacity as stockholder of the Issuer, entered into a Stockholder Agreement with Teradyne.

Pursuant to the Stockholder Agreements, each Stockholder has agreed to vote his or her shares of Common Stock (a) in favor of the Merger Agreement and the Merger and (b) against any alternative proposal. In addition, under the Stockholder Agreements (so long as they remain in effect), each Stockholder has granted an irrevocable proxy to and appointed Teradyne or any nominee of Teradyne as such Stockholder's proxy and attorney-in-fact to vote all of the Shares held by each such Stockholder (a) in favor of the Merger Agreement and the Merger and (b) against any alternative proposal.

On January 11, 2008, Teradyne executed a confidentiality agreement with the Issuer (the **Confidentiality Agreement** ). The Confidentiality Agreement contains customary provisions pursuant to which, among other things, Teradyne agreed on behalf of itself and its representatives, subject to certain exceptions, to keep confidential all non-public information furnished by the Issuer and to use such information solely for the purpose of evaluating a possible transaction between the parties. The Confidentiality Agreement also includes customary mutual employee non-solicitation provisions operative for one year from the date of the Confidentiality Agreement. The Confidentiality Agreement further includes customary standstill provisions, operative for a maximum of one year from the date of the Confidentiality Agreement, prohibiting each of the Issuer and Teradyne from, among other things, acquiring any voting securities issued by the other, without the prior written consent of the other party or the other party's Board of Directors.

The foregoing descriptions of the Merger Agreement and the Stockholder Agreements do not purport to be complete and are qualified in their entirety by reference to such agreements. A copy of the Merger Agreement is attached as Exhibit 1 to this Statement, a copy of the form of Stockholder Agreement is attached as Exhibit 2 to this Statement.

**Item 5. Interest in Securities of the Issuer.**

(a) and (b)

Other than those shares of Common Stock that may be deemed to be beneficially owned in connection with the Stockholder Agreements, Teradyne has not acquired and, for the purposes of Rule 13d-4 promulgated under the Exchange Act, does not beneficially own (with the sole right to vote and dispose of) any shares of Common Stock.

As a result of the Stockholder Agreements, Teradyne may be deemed to have the power to vote up to 9,070,784 shares of Common Stock in favor of approval of the Merger Agreement, and thus, for the purpose of Rule 13d-3 promulgated under the Exchange Act, Teradyne may be deemed to be the beneficial owner of an aggregate of 9,070,784 shares of Common Stock, constituting approximately 39.4% of the issued and outstanding shares of Common Stock as of August 29, 2008, as represented by the Issuer in the Merger Agreement.

Teradyne (i) is not entitled to any rights as a stockholder of the Issuer as to the Common Stock covered by the Stockholder Agreements, except as otherwise expressly provided in the Stockholder Agreements, and (ii) disclaims any beneficial ownership of such shares.

Except as set forth in this Item 5(a) and (b), none of Teradyne nor, to its knowledge, any person named on Schedule A hereto, beneficially owns any shares of Common Stock.

(c) Except for the agreements described above, to Teradyne knowledge, no transaction in the class of securities reported has been effected during the past 60 days by any person named in Schedule A or Item 5(a) and (b).

(d) To Teradyne knowledge, no other person has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the securities of the Issuer reported herein.

(e) Inapplicable.

**Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of Issuer.**

Except for the agreements described above, to the knowledge of Teradyne, there are no contracts, arrangements, understandings or relationships (legal or otherwise), including, but not limited to, transfer or voting of any of the shares of Common Stock, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies, between the persons named in Item 2 hereof and any other person, with respect to any securities of the Issuer, including any securities pledged or otherwise subject to a contingency the occurrence of which would give another person voting power or investment power over such shares, other than standard default and similar provisions contained in loan agreements.

**Item 7. Material to be Filed as Exhibits.**
