**Mitsubishi UFJ Financial Group Inc. Enters into a Strategic Capital Alliance with Morgan Stanley**

**- Aiming to Develop a Global Strategic Alliance -**

**Tokyo, September 29, 2008** Mitsubishi UFJ Financial Group, Inc., (President & CEO Nobuo Kuroyanagi, MUFG ) and Morgan Stanley (Chairman and CEO John J. Mack) announced today that they have completed a final agreement to enter into a strategic capital alliance, subject to the approval of the relevant authorities. The agreement follows discussions between the two banks on developing a strategic cooperative relationship, and is based on their agreement of September 22, 2008. The details are as follows.

**Purpose**

MUFG and Morgan Stanley have entered into a capital alliance aiming to build a global strategic alliance primarily in the corporate and investment banking fields.

Morgan Stanley has a network of over 600 branches in 35 countries providing a range of services for corporations and individuals to governments and institutions. Morgan Stanley has businesses providing comprehensive financial services including investment banking, securities, investment management and wealth management services and is positioned as a global market leader in businesses ranging from securities underwriting and subscription, M&A and other advisory services, trading and other services to its investment banking business.

MUFG and Morgan Stanley, as strategic partners, have agreed to explore a global alliance strategy in corporate and investment banking, retail, investment management, and other businesses, and in order to maximize the effectiveness of the alliance are targeting a concrete strategy by June 30, 2009.

**2. Details of the alliance**

MUFG will acquire 21% of the voting rights of Morgan Stanley on a fully diluted basis for US\$9 billion. The investment will take the following form: MUFG will acquire common stock valued at about US\$3 billion (at US\$25.25 per share), and perpetual preferred stock convertible to common stock (at a conversion price of US\$31.25 per share) valued at about US\$6 billion.

MUFG will have the right to maintain a 20% investment ratio in Morgan Stanley, and, as long as MUFG holds an investment ratio of 10% or more in Morgan Stanley, MUFG will have the right to appoint one director to its board.

Common stock	No. of shares acquired:	117,000,000 shares
	Acquisition price:	US\$25.25 per share
	Total cost:	US\$2,954.25 million
Convertible perpetual preferred stock (without voting rights)	No. of shares acquired:	Equivalent to 193,464,000 shares of common stock
	Acquisition price:	Conversion price US\$31.25 per share
	Total cost:	US\$6,045.75 million
	Dividend yield:	10%
	Automatic conversion:	After one year, if the price of common stock of Morgan Stanley exceeds 150% of the conversion price for 20 or more out of 30 trading days, 50% of the preferred stock will be converted to common stock.
		After two years, the remainder of the preferred stock will be converted to common stock under the same conditions.
