Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing

On October 7, 2008, Cell Therapeutics, Inc. (the Company) received a letter from the Listing Qualifications Staff of The NASDAQ Stock Market (the Staff) indicating that, based upon the Company's non-compliance with the \$50 million market value of listed securities requirement set forth in NASDAQ Marketplace Rule 4450(b)(1)(A), the Company's common stock is subject to delisting from The NASDAQ Global Market unless the Company requests a hearing before a NASDAQ Listing Qualifications Panel (Panel). The NASDAQ letter follows prior correspondence from the Staff regarding the Company's market value of listed securities, which was disclosed in the Company's press release dated September 6, 2008.

The Company plans to timely request a hearing before the Panel to appeal such determination. There can be no assurance that the Panel will grant the Company's request for a continued listing. The Company's securities will remain listed pending the issuance of the Panel's decision following the hearing. Alternatively, the Company may apply to transfer its securities to The NASDAQ Capital Market if it meets the listing requirements for The NASDAQ Capital Market, which requires, among other things, a minimum aggregate market value of the Company's listed securities of \$35 million.

As of October 9, 2008, the Company had 33,697,371 shares of common stock outstanding, which would result in a market value of listed securities of \$17.5 million based on the closing bid of \$0.52 of the Company's common stock on the NASDAQ Global Market on October 9, 2008.

A copy of the press release announcing the notification from the Staff is furnished as Exhibit 99.1 to this Current Report on Form 8-K.
