**Item 1.01 Entry into a Material Definitive Agreement**

The information set forth in Item 5.02 is incorporated herein by reference.

**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers**

On October 28, 2008, the Board of Directors of Nationwide Health Properties, Inc. (the Company) approved amendments to various Company compensation plans and arrangements for executive officers and management of the Company. Specifically, the Board of Directors approved amendments and restatements of the (1) Deferred Compensation Plan; (2) form of election agreements for the Deferred Compensation Plan; (3) form of change in control agreement; (4) employment agreement between the Company and Douglas M. Pasquale, the President and Chief Executive Officer of the Company; and (5) forms of equity award agreements under the 2005 Performance Incentive Plan, including stock units, performance shares and stock appreciation rights. In addition, the Board of Directors approved amendments to the 2005 Performance Incentive Plan and Retirement Plan for Directors. Except as otherwise stated below, all of the amendments and restatements to the foregoing plans and arrangements were made in order for such plans and arrangements to comply with, or be exempt from, Section 409A of the Internal Revenue Code (the Code).

Changes to the Deferred Compensation Plan and related election agreements primarily relate to the timing of deferral elections and payments, the form of payment (payments will be in the form of a cash lump sum), the procedures for modifying deferral elections and procedures for terminating the plan. The participant (or beneficiary in the case of death) shall become entitled to payment of his or her account upon the earlier of (i) an in-service distribution date, (ii) a separation from service with the Company or (iii) an unforeseeable emergency or hardship. In addition, unrelated to Section 409A of the Code, the changes to the Deferred Compensation Plan clarify that the company match shall be the lesser of (i) one-half of the compensation (other than bonus) deferred by a participant for a particular plan year and (ii) 4% of such participant's gross compensation (other than bonus) for the same year. The changes also clarify the investment options under the plan and provide that participants may change their investment options once per quarter.

In addition to reflecting technical changes for purposes of complying with Section 409A of the Code, the amendment to the 2005 Performance Incentive Plan provides for an order of reduction of payments to a participant, if necessary, so that the Company or one of its subsidiaries is not denied federal income tax deductions for any such parachute payments because of Section 280G of the Code.

In addition to reflecting technical changes for purposes of complying with Section 409A of the Code, the amended and restated employment agreement with Mr. Pasquale (i) clarifies the timing of bonus payments, severance payments and Section 280G tax gross-up payments, and (ii) adopts the definitions of change of control, disability and separation from service used under Section 409A of the Code.

Other technical changes reflected in the above listed plans and arrangements include adding a six month delay following a termination of employment for certain payments, removing the provision authorizing the right to accelerate the payment and vesting of awards from applicable equity award agreements, and conforming the definitions of change of control, good reason and disability to those used under Section 409A of the Code. Existing change in control agreements and equity award agreements will be replaced or amended so that they conform with the new forms of such agreements.

The foregoing summary of the amendments to the Company's various compensation plans and arrangements does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the amendments and restatements to the plans and arrangements attached hereto as Exhibits 10.1-10.11, which are incorporated herein by reference.

**Item 5.05 Amendments to the Registrant's Code of Ethics, or Waiver of a Provision of the Code of Ethics**

On October 28, 2008, the Company amended its Business Code of Conduct & Ethics to take into account certain administrative changes and current business practices. The changes relate to, among other things, the Company's policies with respect to conflicts of interest and compliance with securities laws. The amended Business Code of Conduct & Ethics is posted on the Company's Corporate Governance page in the About NHP section of the Company's website, at [www.nhp-reit.com](http://www.nhp-reit.com).
